### Sailor Moon - Episode 8: *"Nightmare in Dreamland"*

*(Serena and Amy are visiting Raye's house. Serena eyes one of Raye's books.)*

**Serena** "Ooh. *Sailor V goes to Hollywood*. Hm hm. I'm gonna take it home, okay?"

**Raye** "Huh?"

*(Raye snatches the book from her.)*

**Raye** "No. I didn't even get to read it yet."

*(Meanwhile, Amy reads a schoolbook.)*

**Raye** "You'll have to wait."

**Amy** "Luna, better get ready for another argument."

**Raye** "Give it back, Serena."

**Luna** "I know."

*(Since they met, Serena and Raye have disagreed over everything. Now they're in ANOTHER of their arguments. Amy and Luna have gotten used to them by now.)*

**Serena** "You're such a stinger."

**Raye** "It's mine."

**Serena** "Come on. Let me have it, Raye."

**Raye** "Let go, Serena."

**Luna** "This is pathetic. Grrrr."

**Serena** "You never wanna share anything."

*(Looks like Luna will have to stop it again, as usual.)*

**Luna** "MEOW! KNOCK IT OFF! For once...Serena, just be mature, and let Raye have her book back."

**Serena** "But I don't wanna."

*(Luna meows angrily. There they go again.)*

**Raye** "You're such a brat, Serena."

**Serena** "It takes one to know one!"

**Luna** "Grow up...please!"

**Serena** "But Raye started it!"

**Raye** "Oh, please. Let's get out the violins."

**Serena** "Maybe I will."

**Amy** "Guys, let's get out of here and do something. We're going to drive each other crazy if we

stay here.”

**Serena** “You don't have homework?”

**Amy** “No, I just got myself ten chapters ahead.”

**Luna** “Where do you want to go, then?”

**Amy** “How about Dreamland?”

*(She opens the newspaper to an ad for the new Dreamland amusement park.)*

**Serena** “Oh, the rides look totally cool.”

**Luna** “This opened a few days ago, right?”

**Serena** “Let's go. This place looks like a blast.”

**Amy** “Yes. Unfortunately, it looks like they're having some problems.”

**Raye** “Really? Like what?”

**Amy** “They think that people might be disappearing from the park. Maybe it's the Negaverse.”

*(Leave it to studious Amy to think of Sailor business first and fun last.)*

-----  
*(Queen Beryl has had about enough of Jedite's numerous failures, especially considering that he has uncovered yet another Sailor Scout.)*

**Queen Beryl** “Hmmm...so now we have THREE nosy Sailor Scouts to contend with. You have failed me, Jedite. Perhaps it's time I found someone more competent to replace you. Hmm?”

**Jedite** “My queen, please. I've devised a plan to get rid of them.”

**Queen Beryl** “Oh? Let's hear it.”

**Jedite** “I set up a trap at a new amusement park, my queen.”

**Queen Beryl** “For your sake, it had better work...for once. And if it doesn't, your punishment will be severe.”

-----  
*(That afternoon, at Dreamland, everything seems calm and peaceful, but at the main office...)*

**Guard** “Ladies and gentlemen, please. There's no reason for this hysteria.”

*(...the press is all over, asking about the disappearances of fifty people over the last few days.)*

**Reporter** “Isn't it true, though? We heard that fifty people have disappeared since the park opened.”

**Guard** “Absolutely not. We wouldn't be open if that were true. It's just a rumor started by our competition. They're jealous.”

-----

*(As Serena, Amy, Raye, and Luna step up to the door...)*

**Guard** "Now, you really are going to have to go!"

*(They clear out as the reporters are pushed out and down the stairs.)*

**Guard** "You're ruining our business!"

*(The reporter yells back...)*

**Reporter** "I'm gonna report you!"

-----  
*(Inside, the guard (who is really Jedite), contemplates his latest scheme.)*

**Jedite** "Ha ha ha ha ha. This time, I won't fail."

-----  
*(The girls explore the park to find out just where the problem is.)*

**Raye** "So, where are we gonna start investigating first? Huh, you guys?"

**Amy** "Hmmm."

*(Luna suggests something.)*

**Luna** "Maybe it would be better if you girls split up to look around."

**Raye** "Uh huh."

*(Then Amy notices something.)*

**Amy** "Hey, when is the last time you saw Serena?"

**Raye** "Back there, when we passed the merry-go-round."

*(Luna growls. Oh, Serena. She never learns that business is business. She just wants to have fun.)*

**Serena** "YOO HOO!"

*(Sure enough, Serena is riding on the merry-go-round.)*

**Serena** "Ha ha ha. WHEE! Ha ha ha. I'm having so much fun."

*(After the ride, a very angry Luna tries to talk some sense into Serena.)*

**Luna** "You're so irresponsible. We're supposed to be investigating, not having fun."

**Serena** "But I wanna have fun."

*(Raye mimics...)*

**Raye** "I wanna have fun.' Well, you win the Selfish Prize."

*(...then slaps Serena's back, sending her off the bench and face-first to the ground.)*

**Raye** "Congratulations."

**Serena** "You should try it sometime! You might not be so totally cranky!"

*(Then Serena notices that she's in front of a lion! Luna and the girls are terrified. Serena jumps on top of Raye. Then, to everyone's surprise...it talks.)*

**Lion** "Hi."

**Raye** "Woah."

**Serena** "He talks?"

**Voice** "Hm hm hm ha ha ha."

*(A lady of the park walks up.)*

**Lady** "Please don't be scared. He isn't a real lion. He's a remote-controlled toy."

*(What a relief! Serena is amazed. She recognizes the lady.)*

**Serena** "You're the Dream Princess!"

*(She gets off Raye and runs up to her.)*

**Serena** "I saw you on TV."

**Amy** "Are...are you sure he's fake?"

**Dream Princess** "Yes, all of our animals are. Watch."

*(She waves her hand over an apple. The apple glows, and more animals appear. Raye gasps as some deer and a bear appear. Serena gasps.)*

**Dream Princess** "See?"

**Serena** "Oh..."

*(Then, a tiger, a boar and her children, and some rabbits appear as well.)*

**Serena** "Look at them all. They're so cute."

*(Raye senses something, though. Being attuned to Cherry Hill Temple, where she lives, she has a psychic sense, which tells her of imminent danger.)*

**Raye** "I'm getting weird vibrations from her."

**Amy** "Huh?"

*(Meanwhile, the bear flips Serena onto his back.)*

**Serena** "Wha?!"

*(She quickly realizes that it just wants to give a ride.)*

**Serena** "Oh. Oh, hm hm hm. Hello, little bear."

*(Raye's psychic sense rarely misses.)*

**Raye** "Get off there. Let's go."

*(She pulls Serena off the bear and, hopefully, out of danger.)*

**Serena** "Are you totally wacko?!"

**Raye** "She's giving off creepy vibes."

**Serena** "Huh? Nah, she's a Dream Princess."

*(As usual, Serena doesn't get it.)*

**Raye** "Why are you always so stubborn?"

**Serena** "Oh..."

**Serena** "I'm not! I just think you're totally wrong!"

*(The Dream Princess tries to change the subject.)*

**Dream Princess** "Would any of you like cookies and candies? As much as you want?"

**Serena** "MEEE!"

**Amy** "Sure. Why do you ask?"

**Dream Princess** "Because, in an hour, we're having a party at our own Sweet Dream Factory. Hm hm hm."

**Serena** "All those candies and cookies? I can't wait to pig out."

-----  
*(Later, at the Sweet Dream Factory, which is actually the trap...)*

**Jedite** "Once those Sailor Scouts come through those doors, it's sweet dreams for them...FOREVER! HA HA HA HA HA HA! I'll drain them of all their energy, and they'll never bother me or Queen Beryl again! HA HA HA HA HA HA!"

-----  
*(Meanwhile...)*

**Serena** "I'm tired of walking already."

**Luna** "That's too bad. We've only covered half the park. Let's pair off. Serena, you go with Raye."

*(Both resent the decision.)*

**Raye** "Thanks a lot, Luna."

**Serena** "This stinks."

**Amy** "Goodbye, guys. Have fun"

*(And Amy takes off with Luna.)*

**Raye** "Come on. Move it."

**Serena** "Don't order me around!"

-----  
(A little later, the Dream Princess is with the animals and a group of small children. Serena and Raye look on from a distance.)

**Serena** "Now can we go on the rides?"

**Raye** "No, we should keep our suspect in sight."

**Serena** "So why do you suspect HEr anyway?"

**Raye** "I just do. She seems too weird."

(Serena picks up one of the rabbits.)

**Serena** "Feel this. He's so soft and cuddly..."

**Raye** "Can't you ever be serious, Serena?"

**Serena** "Can't you lighten up?!"

(Raye then notices something.)

**Raye** "Hmm? Stop it!"

(Serena soon tails her. A kid is about to ride the bear.)

**Raye** "You shouldn't be riding that bear!"

**Dream Princess** "It's all right. It's run by remote control, remember?"

(She doesn't buy it.)

**Raye** "Get him off that!"

**Dream Princess** "Very well."

(She lets the child down.)

**Dream Princess** "We'll let you ride a little later, hmm?"

(Just then...)

**Serena** "That's not fair."

(Raye gasps as Serena lifts the kid back on.)

**Serena** "He should ride right now."

**Raye** "Serena!"

**Serena** "Leave him alone!"

**Raye** "I will NOT! It's dangerous! He gets off NOW!"

**Serena** "YOU'RE MENTAL! We're going for a nice ride on the big bear right now."

(Here we go again. This one looks pretty intense.)

**Raye** "SERENA, LET GO!"

**Serena** "GRR! STOP, RAYE!"

*(The poor kid is caught in the middle.)*

**Raye** "OOH! HE'S NOT GOING!"

**Serena** "GRR! YES HE IS!"

**Raye** "NO WAY!"

**Serena** "GRR! YES WAY!"

*(This keeps going until the kid's mother stops the arguing.)*

**Mother** "Kindly take your hand off my son!"

*(What have they done?)*

**Mother** "Strange girls."

---

*(Later, they ride a kiddie train to catch up with Amy at the Sweet Dream Factory.)*

**Raye** "You're the laziest person I've ever known."

**Serena** "Come off it, Raye. This is a great way to check things out."

*(The train stops suddenly, sending Serena forward...right into the guy in front.)*

**Panda Driver** "Sorry about the sudden stop, folks. A couple o' turtles crossing the road."

**Serena** "Nice brakes."

**Darien** "Do you mind?"

*(Serena gasps as she sees who she bumped into: Darien!)*

**Serena** "Aren't you a little old for this?"

**Darien** "You should talk, but actually, this is exactly where you belong...Meatball Head."

*(Raye had never seen Darien before, but she immediately likes how he treats Serena.)*

**Raye** "Of course. That's the perfect name for her: 'Meatball Head.'"

**Darien** "I think it kind of fits."

**Serena** "Ooh..."

**Raye** "You know. 'Meatball Head.'"

*(What? Raye likes the name, too? That's it!)*

**Serena** "STOP! DON'T CALL ME 'MEATBALL HEAD!' You're a pain, Darien! An even bigger pain than my so-called friend Raye! What are you doing playing choo-choo anyway?! Hah! You...you look like a...a big dork!"

**Darien** "I don't know why I bother talking to you!"

*(The train starts again, and Serena is thrown back into her seat as it chugs forward.)*

**Serena** "AAH!"

**Darien** "I'm outta here the next stop."

**Serena** "Ooh... DRIVER! HURRY UP! We gotta lose some dead weight back here."

*(An announcement goes over the speakers in the park.)*

**Announcer** "ATTENTION! THE SWEET FACTORY PARTY IS ABOUT TO BEGIN!"

**Serena** "Stop, driver. We need to get off."

**Panda Driver** "Sorry. I can't stop 'til we reach Candy Cane Station."

**Serena** "Ooh! We're gonna miss all the candy."

*(Raye whispers something she notices to Serena.)*

**Raye** "Serena..."

**Serena** "Hmm?"

**Raye** "Doesn't that guy kinda remind you of Tuxedo Mask?"

*(Try telling that to Serena.)*

**Serena** "NO WAY! Darien is a jerk, and he doesn't look a thing like Tuxedo Mask."

----- **Commercial Break** -----

*(Later, Luna is sitting outside the Sweet Dream Factory.)*

**Serena** "Luna!"

*(After several minutes, Serena and Raye had gotten off the train. They rush to the Sweet Dream Factory. Outside the locked doors...)*

**Serena** "Sorry we're late. So, what's up? Where'd Amy go?"

**Luna** "She's inside."

**Serena** "She didn't even wait for us? Hah! What a hog."

*(Raye senses trouble.)*

**Raye** "There's a strange force here."

*(Serena gasps.)*

-----  
*(Meanwhile, inside, people of all ages are enjoying the candy.)*

**First Boy** "I'm NEVER gonna leave this place."

**First Girl** "You've just got to try one of these bon bons."

**Second Girl** "They look delicious."

*(Amy is among them. She wanted to investigate the Factory and, since Serena and Raye were late, had gone in alone.)*

**Amy** "I can't believe Serena's missing all this!"

**Dream Princess** "Hello, everyone."

*(Everyone is startled, then they see the Dream Princess.)*

**Dream Princess** "Welcome to the party. Do you all like the sweets?"

**Everyone** "Yes!"

**Dream Princess** "Good."

*(Suddenly, she blows red Dream Smoke into the crowd, and everyone except Amy falls into a trance.)*

**Second Kid** "What's going on?"

**First Kid** "I feel...tired."

**Third Girl** "I feel sleepy."

**Fourth Girl** "Everything is just so dreamy."

**Amy** "It's the sweets! Everyone who had some is in a trance now!"

**Dream Princess** "Hmm. Now, let's collect all the energy from these silly humans..."

*(The Dream Princess, who is really a monster of the Negaverse, waves her hand over the apple. The apple starts draining energy. The people start falling asleep, including Amy!)*

**Amy** "Her apple...it's sucking up all our energy."

*(The last thing Amy sees before falling unconscious is an evil look to that sweet face.)*

**Amy** "Raye was right about the princess."

---

*(Outside...)*

**Raye** "Listen."

**Serena** "I don't hear anything."

**Raye** "I think the party's over."

**Luna** "Let's hurry. Something's wrong."

*(Raye tries the door, but it won't open.)*

**Raye** "It's locked. It won't budge."

**Serena** "No! I must get in! WAH!"

**Raye** "Stop wailing, Serena."

*(Serena's crying again.)*

**Serena** "But I wanted cookies."

**Raye** "Think how Amy feels trapped in there!"

**Serena** "Why do you always have to be so mean? You don't have any feelings."

**Raye** "Yes I do, and right now I'm angry!"

*(Before this erupts into another argument...)*

**Luna** "Would you two hurry and just transform!"

**Raye** "**MARS POWER!**"

*(As the Mars Power Stick transforms Raye into Sailor Mars...)*

**Luna** "Serena, hurry up. We need Sailor Moon now!"

**Serena** "Oh, all right already. **MOON PRISM POWER!**"

*(Serena calls on the power of her Moon Prism Locket, transforming into Sailor Moon, Champion of Justice. Now that everything's set...)*

**Sailor Mars** "**MARS FIRE IGNITE!**"

*(Sailor Mars torches the door.)*

**Sailor Mars** "Let's go! Now!"

**Sailor Moon** "Quit ordering me around!"

-----  
*(Inside, Jedite prepares.)*

**Jedite** "Here they come. Soon, all three Sailor Scouts will be mine!"

-----  
*(Meanwhile, Sailor Moon, Sailor Mars, and Luna run down a hallway...and encounter the Dream Princess.)*

**Sailor Moon** "Princess, what's going on here?"

**Dream Princess** "I've been waiting for you."

*(She blows her red Dream Smoke at them, sending them into daydreams.)*

**Luna** "Be on guard. You're hallucinating."

**Dream Princess** "I made this for you."

*(Supposedly, the Dream Princess presents Sailor Moon with a wreath of flowers.)*

**Sailor Moon** "Thanks."

*(Just then...)*

**Sailor Mars** "OH NO YOU DON'T!"

*(...Sailor Mars charges the Dream Princess and grabs the wreath. The wreath becomes a snake, which bites Sailor Mars in the arm!)*

**Sailor Mars** "AH!"

*(Sailor Moon gasps! It had been a trick!)*

**Sailor Mars** "AH!"

*(The snake turns into stone. Sailor Mars starts to weaken.)*

**Sailor Moon** "Sailor Mars, are you all right?"

*(The Dream Princess laughs evilly.)*

**Sailor Moon** "You're right. She's in on all this."

**Dream Princess** "I've got one of you, and soon, you'll be solid stone, just like the snake."

*(Sure enough, Sailor Mars' bitten arm starts to petrify.)*

**Sailor Mars** "OH! I gotta concentrate my powers to break the spell."

*(With her free hand, she pulls out one of her mystic scrolls. Concentrating...)*

**Sailor Mars** "I call upon the power of Mars. **FIREBALLS CHARGE!**"

*(Touching the charged spell to her stoned arm, the stone breaks.)*

**Sailor Mars** "It worked."

**Sailor Moon** "You're okay! You're okay!"

**Sailor Mars** "Serena, get a grip! Let's get out of this dream!"

**Dream Princess** "As you wish, dear."

*(The scene changes back to the castle.)*

**Dream Princess** "I'm afraid the princess must leave."

*(Her head pops into her dress, to Sailor Moon's shock. The Dream Princess soon transforms. Her new form has a much more evil look to it, and her head looks like a doll's head.)*

**Dream Dolly** "Hello. I'm your Dream Dolly. Do you want to play?"

**Sailor Moon** "She's so cute."

**Sailor Mars** "She's evil."

**Sailor Moon** "Oh yeah."

*(She clears her throat.)*

**Sailor Moon** "This dream's over! We know who you are and what you're up to."

**Sailor Mars** "You want me to blast her?"

**Sailor Moon** "No, this one's mine."

*(Turning to the Dream Dolly...)*

**Sailor Moon** "Hey, airhead! I am Sailor Moon, and you are dust!"

**Dream Dolly** "Dust? Really? I think you're wrong about that, Miss Moon."

*(She blasts more Dream Smoke. The girls go into another dream, this one more convincing.)*

**Luna** "You've got to learn to use your tiara faster."

**Sailor Moon** "But at least I was brave. I didn't leave it all up to Sailor Mars."

**Sailor Mars** "Big mistake!"

*(They sense something.)*

**Sailor Mars** "Somebody's coming."

**Luna** "Remember, it's a dream. It's probably an illusion."

*(Someone supposedly approaches on horseback.)*

**Luna** "Be on guard."

*(It's Tuxedo Mask. Sailor Moon and Sailor Mars go all mushy.)*

**Sailor Moon** "It's Tuxedo mask."

**Sailor Mars** "He looks like a prince."

*(Tuxedo Mask gets off.)*

**Moon & Mars** "Tuxedo Mask."

**Luna** "WAIT! IT'S A TRAP!"

*(They don't listen.)*

**Luna** "COME BACK! HE'S NOT REAL! YOU'RE DREAMING!"

*(They still don't listen. They take a ride on a merry-go-round.)*

**Dream Dolly** "Perfect. They're completely off their guard now. I'll put the apple curse on them and finish them off."

*(But before she can do that, a rose is shot from above and lands at the evil doll's feet. The rose break's the doll's chain of thought...and her illusion. The Sailor Scouts soon recover their bearing.)*

**Sailor Mars** "Huh?"

**Sailor Moon** "Huh?"

*(Dream Dolly looks up and sees the real Tuxedo Mask in a high window.)*

**Dream Dolly** "You weren't invited!"

**Tuxedo Mask** "Sailor Scouts! You musn't let her trap you inside any more dreams!"

*(With that, he leaves.)*

**Dream Dolly** "Even the real Tuxedo Mask can't stop me. Pity for you."

**Luna** "We'd better make a run for it. Let's find Amy."

*(They take off just as more Dream Smoke is shot.)*

----- **Commercial Break** -----

*(Meanwhile, Amy soon regains her strength. Her Mercury powers provided some resistance to the curse, making her sleep brief.)*

**Amy** "Oh...oh dear. I wonder how long I've been unconscious."

**Sailor Moon** "Amy! There she is!"

*(Sailor Moon and Sailor Mars run up to help their comrade.)*

**Sailor Moon** "Amy, are you all right?"

**Amy** "Yes, I think so."

**Sailor Mars** "Good, 'cause we need Mercury."

*(The Dream Dolly is closing in!)*

**Amy** "The apple! She's going to try to zap our energy!"

**Sailor Mars** "I'll take it away."

**Luna** "You'd better fight together this time."

*(All three nod.)*

**Amy, Moon, & Mars** "Right!"

*(Amy holds up her Mercury Power Stick...)*

**Amy** "**MERCURY POWER!**"

*(...and transforms into Sailor Mercury.)*

**Dream Dolly** "Girls..."

**Sailor Mercury** "You all set, Sailor Scouts?"

**Moon & Mars** "Ready!"

*(Sailor Mercury provides some cover with her Mercury Bubbles.)*

**Sailor Mercury** "**MERCURY BUBBLES BLAST!**"

**Dream Dolly** "Where are they?"

**Sailor Mars** "Up here!"

*(Sailor Mars jumps at her and slaps one of her mystic spells on her face, paralyzing her.)*

**Sailor Mars** "Stopped you in your tracks!"

**Sailor Moon** "Time to finish her off."

*(Within the fog, Sailor Moon readies her Moon Tiara.)*

**Sailor Moon** "**MOON TIARA MAGIC!**"

*(At the same time...)*

**Sailor Mars** "**MARS FIRE IGNITE!**"

*(The Mars Fire merges with the Moon Tiara and supercharges it.)*

**Dream Dolly** "Help. I can't move. I can't do anything."

*(Together, they slam into the doll. She crumbles to moon dust.)*

**Sailor Moon** "Hah! Moondusted!"

*(Then the apple crumbles...)*

-----  
*(...and Jedite's captured energy disperses.)*

**Jedite** "What?! GRR! I hate those Sailor Scouts!"

*(The castle, created by the apple's evil magic, crumbles as well.)*

**Jedite** "And now, I have to face Queen Beryl."

-----  
*(Later, Luna congratulates the girls.)*

**Luna** "You girls were fantastic. See what happens when you work together? Sailor Scouts then become unbeatable."

**Amy** "Luna's right."

*(Serena nods. She then gets bugged by Raye's licking her ice cream.)*

**Serena** "Could you please stop slurping?"

**Raye** "Huh?"

**Serena** "You sound like a pig."

**Raye** "You should talk. You're drooling, Meatball Head."

*(Uh oh. Here we go again.)*

**Serena** "DON'T CALL ME THAT!"

*(Raye takes off, taunting her as she dashes off.)*

**Raye** /Meatball Head!/  
*(Of course, Serena gives chase.)*

**Serena** “Raye, you come back here!”

*(Then, she drops her ice cream cone.)*

**Serena** “AAAH! My ice cream...”
