

TRANSCRIPT FOR

Sailor Moon - Episode 13: "Wedding Day Blues"

(Crossroads Junior High School. Serena and Molly are in Miss Helen Lambert's sewing class. Everyone is bored, and Serena has become so bored that she's asleep at her desk.)

Miss Lambert "Then you take your pattern, and you draw a line like so to make sure the seam is in the right place. Now, you can sew it together."

(Even Miss Lambert seems to be a bit out of it. There's a blush to her face. Something must be on her mind. Molly notices.)

Molly "Wha...?"

Miss Lambert "Does anyone have any questions?"

(Serena talks in her sleep.)

Serena "Can I have more chocolate fudge, please?"

(Miss Lambert walks to the window. Now Molly knows Miss Lambert is spaced out.)

Molly "Miss Lambert, you feeling okay?"

(At lunch, Serena tries to get herself wide awake while she and Molly discuss what happened earlier with Miss Lambert.)

Serena "I thought sewing class was never gonna end. Weren't you just bored to snores, Molly?"

(Molly nods. Suddenly...)

Melvin "Gossip update, girls!"

Molly & Serena "CAN IT, MELVIN, UNLESS YOU WANNA GET MASHED INTO MEATLOAF!"

Melvin "Oh, but this gossip is sizzling! My sources tell me that Miss Lambert's getting married. That's why she turned into such a space case."

(A brief flashback.)

Herbert "Helen, darling, would you do me the honor of becoming my wife? Would you? Please? I'll be the happiest man in the world."

Miss Lambert "Oh Herbert. Of course I'll marry you."

(Back to lunch.)

Melvin "And you wanna know the best part? He's a computer salesman. Stupendous, huh?"

Serena "Yuck. That sounds totally boring. When I get married, it's gonna be to the most wicked cool guy. I'll have a humongous wedding, and an awesome dress, and a chocolate cake that goes to the ceiling."

(She snaps back to reality when her ice cream falls on her head.)

(That afternoon, Miss Lambert is out looking for a wedding dress. She looks downtrodden. The dresses are so expensive!)

Miss Lambert "I'll never be able to afford my dream dress on my teacher's salary."

Miss Haruna "Helen?"

(It's Miss Haruna, the class's regular teacher and a good friend of Miss Lambert.)

Miss Lambert "Huh? Oh, Patricia."

Miss Haruna "That's right. It's me, but you've been keeping secrets, Helen. You didn't tell me you and Herbert were getting married."

Miss Lambert "Hey, word travels fast."

Miss Haruna "Oh, this fabric is beautiful. It must be fun shopping for your dress. I'll bet you've already got the fabric all picked out."

Miss Lambert "No, I'll just buy something simple from a store. All the nice fabrics are too expensive."

Miss Haruna "HELEN, NO WAY! You can't wear just any old dress! This is your wedding! It should be your dream dress! I mean, come on! You're the sewing teacher, for goodness sakes, aren't you? Ha ha ha ha."

Miss Lambert "Will you help me then, Patricia?"

Miss Haruna "Of course. I know a discount place with tons of fabric. Come on!"

(A car parked nearby closes its window. Inside, Nephrite gets a dreaded idea.)

(That night, at his mansion home, he summons the map of the stars.)

Nephrite "Powers of the Negaverse, I seek your guidance with my new victim. This schoolteacher is wasting vast amounts of energy planning her wedding. Precious energy that could be harnessed to release the Negaforce. I must capture it, and perhaps, I could lure in the Sailor Scouts!"

(Next day, Serena passes by a wedding chapel conducting a wedding.)

Serena "A wedding chapel. Oh...they look sooooo happy. And now, they get to have a totally gigantic party and pig out on cake."

(The owner of the chapel is doing some serious work.)

Chapel Owner "Right here. This contest is gonna make my wedding chapel a bundle."

(A big advertising sign is being carried in. Serena reads it.)

Serena "Sew the winning wedding dress...AND WIN A TRIP TO HAWAII?! ALL EXPENSES PAID?!"

(Raye hears Serena as she passes and looks at the sign, too.)

Serena "Oh, that is so romantic! Hawaii's got to be the perfect place for honeymoons."

(She dreams of her wedding, then realizes one thing.)

Serena "Yeah right. In your dreams, Serena. I've never even had a date."

(Meanwhile...)

Raye "That's not fair only having a contest for women getting married! Anyone who can sew should be able to enter your contest!"

Chapel Owner "I never said you couldn't, miss. As long as you marry in MY chapel someday, you can enter."

Raye "Yes! Sign me up!"

(As she walks away...)

Raye "He doesn't even know I don't have a boyfriend."

Serena "Hi, Raye."

(Serena!)

Raye "Ah! What are you here for?"

Serena "Why wouldn't I be?"

Raye "Oh, no reason, ha ha. It's a free world. Hey, wait! Your mom has a sewing machine, hasn't she?"

Serena "Why, yeah. Getting too big for your uniform?"

Raye "Ha ha ha...very funny."

(Raye makes a queer face.)

Serena "Ew, don't make that face."

(Raye pushes Serena onward.)

Raye "Come on! Let's go!"

Serena "What do you want...?"

(Miss Lambert walks up to the sign...and gasps when she reads the prize.)

Miss Lambert "Herbert's always dreamed of Hawaii."

(Minutes later, at Serena's house...)

Mrs. Tsukino "It's so nice to finally meet you, Raye."

Raye "Likewise."

(Serena is not pleased, and Luna is puzzled.)

Luna "What's going on?"

Mrs. Tsukino "So, tell me again how you two met. I don't seem to remember about that."

Raye "Serena came to my grandpa's temple. We met, and it just clicked. Been friends from the very start."

Serena "Yeah right. She nearly bashed my head in."

(Their first meeting had definitely made an impact on Serena. Raye had decked her, mistaking her for an evil force.)

(Serena then sees...)

Serena "AH! That the last piece of shortcake, mom?"

(How rude.)

Mrs. Tsukino "Oh Serena..."

(She turns to Raye.)

Mrs. Tsukino "Go right ahead, dear. I hope you like it."

Raye "Thanks. It looks good."

(She starts eating it. Luna quietly asks...)

Luna "Hey, why are you acting so strangely?"

Serena "She's up to something."

Raye "Mmm. Delicious! You should enter this cake in a contest."

(Serena's mother is surprised by the compliment.)

Raye "It's really the best shortcake I've ever had."

Mrs. Tsukino "Do you mean that?"

Raye "Uh huh."

Serena "So get to the point, will you, Raye?"

(Serena's mother is laughing.)

Raye "Some contests have great prizes. You can win cars and jewelry and money, and sometimes you can even win trips to Hawaii."

(Serena's mother stops in mid laugh, and Serena herself now realizes Raye's intentions.)

Serena "What?!"

Raye "Part of the reason I came here today is because there's this really great contest I wanna enter, but I need help. I need to sew a wedding dress. Can you help me?"

Mrs. Tsukino "Sorry, but I don't sew."

(Now both Serena and her mother are laughing. Raye is puzzled.)

Raye "Huh? I don't get it. What's so funny?"

(Then she gets it. Disgusted, she leaves.)

Raye "Thanks a lot. You let me embarrass myself when you know your mom doesn't sew. Great friend you are."

Serena "I forgot. Besides, it serves you right for trying to sneak behind my back about the wedding dress contest, brat!"

(Raye just gives Serena the pink eye and the raspberry.)

Serena "EW, YOU TAKE THAT BACK!"

Luna "You're hopeless! If you spend half as much energy helping me find the Moon Princess, our mission would be over. It's ridiculous. You and Raye have got to stop fighting!"

(Later, Serena discusses her problems with Amy.)

Amy "So, why are you upset?"

Serena "Because Raye wants to enter that wedding dress contest and win MY trip to Hawaii."

Amy "Serena, you wouldn't want to miss two weeks of school."

(Serena falls back in disgust. Amy ALWAYS thinks of school first. It drives Serena crazy!)

Serena "Amy, you've gotta be kidding. There's more to life than school, you know? Anyway, will you help me make a dress, please? I've got to win that contest."

(Amy finally agrees...)

Amy "Okay, okay. I'll help you out."

Serena "YEAH! Oh, I'm gonna show that brat Raye."

(...on one condition.)

Amy "Here you go."

(She will only HELP. She lends Serena her collection of sewing books.)

Amy "I hope you've been paying attention during sewing class because I don't have time to sew, I'm afraid."

(Serena should have guessed. She mumbles to herself...)

Serena "I knew there was a catch."

(At a fabric store, a hot red car pulls up. Inside, the store is a battle zone! Women are almost tearing each other apart to get just the right fabrics for their supposedly winning dresses.)

Woman "I'm first!"

Another Woman "You give that back!"

Clerk "Security!"

Miss Haruna "I'm taking this piece."

(Miss Lambert can only stand and watch the riot.)

Miss Lambert "What a total zoo."

(Just then, a piece of material drops by her feet. She picks it up.)

Miss Lambert "How beautiful."

Maxfield "It was made for you."

(Miss Lambert turns to discover a man looking on. Nephrite (disguised as Maxfield Stanton) has plans.)

Nephrite "Your wedding dress. Am I right?"

Miss Lambert "Yes. It shows?"

(Nephrite holds up the fabric.)

Maxfield "It's perfect for you. If I were you, I'd snap it up right away. Definitely."

(He wraps it around himself.)

Maxfield "Yes. The quality is just superb. It's hard to come by, fabric like this, and the color will suit you beautifully. You really must take it."

(Nephrite takes the opportunity to place his crest on the fabric. With the evil icon locked into the material...)

Maxfield "Here. You look stunning."

(Miss Lambert is dazzled by his smooth words.)

Miss Lambert "I don't care how much it costs. I'm taking it."

(Little does she realize that the fabric she holds is now a mind-controlling, energy-draining cloth of doom.)

Commercial Break

(Elsewhere...)

Molly "Are you totally nuts, Serena?! You're failing sewing."

Serena "I am not, Moll. I'm just taking my time to learn things, you know?"

Molly "Yeah, but making a wedding dress has gotta be one of the hardest things you can do. Probably the only person who could help is Miss Lambert, and she's gaga over her own wedding."

Serena "That's how come I'm asking you."

Molly "Oh please, Serena. I know you better than anyone. I know what you'll do: read your stupid comic books while I do all the work."

Serena "Some friend you are."

(Luna jumps down to listen in.)

Serena "Come on, Molly. I'll do all your homework for a week."

(Molly knows Serena's homework habits.)

Molly "Some offer!"

Serena "Molly, I'm desperate. Please..."

(Luna wonders...)

Luna "Now what's she up to?"

(Then Luna notices something.)

Molly "Huh?"

Serena "What?"

(Soon, Serena and Molly look as well. Herbert is walking up the stairs to Miss Lambert's apartment with a bouquet of flowers.)

Serena "Isn't that Miss Lambert's building?"

Molly "Uh huh."

Serena "Do you think he's the guy?"

Molly "Ha ha ha. He's majorly geeky."

(They then see him walk up to Miss Lambert's door.)

Molly "AH!"

Serena & Molly "IT IS HIM! MISS LAMBERT'S MARRYING A GOOBER?!"

(He knocks.)

Herbert "Helen, are you there?"

(No answer. All he hears is the hum of a sewing machine. He knocks again.)

Herbert "Tell me what I've done wrong. Why won't you answer my calls? Helen, can you hear me in there? It's me, Herbert."

(Then the door opens, knocking Herbert back.)

Herbert "Ow!"

(Miss Lambert doesn't look herself at all.)

Herbert "Helen, is that you? You look so different..."

(Instead of her dress, she's wearing shorts, an open blouse, and a tank top. She isn't even wearing her glasses!)

Herbert "...but I like it. Here. These are for you."

(Herbert shows the flowers he meant to give as an apology, but Miss Lambert swats them away.)

Miss Lambert "I don't want your silly flowers. Go away. I don't wanna marry you anymore, okay? You're nothing but a wimpy, balding, boring little weakling, so get lost, okay?"

(Miss Lambert clutches at her chest for a minute.)

Miss Lambert "It's over, Herbert! Now go away and stay away! I've got too many things to do!"

(And she slams the door.)

Herbert "Helen, wait!"

Molly "Poor guy. She really let him have it."

Serena "No kidding. I've never seen her get that mad before. Rats. This means her engagement is off now, so I don't get to sleep in class."

Molly "You're weird."

(Luna takes Miss Lambert's odd behavior very seriously.)

Luna "I have a feeling the Negaverse is at work here."

(Inside her apartment, Miss Lambert is furiously sewing with the evil cloth. She just keeps sewing and sewing, and the evil marker of the Negaverse drives her onward and onward.)

(Later...)

Amy "Do you think the Negaverse has gotten to Miss Lambert?"

(Luna nods.)

Luna "We've got to check all this out right away, with Raye and Serena. Come on! We don't

have much time!”

(They're at Cherry Hill Temple to pick up Raye.)

Amy “I like it here. It's so peaceful...”

(Suddenly...)

Grandpa Hino “Raye!”

Amy & Luna “Huh?”

Grandpa Hino “Raye, come back here!”

(Raye had snatched her grandfather's bedsheets, and now he's in hot pursuit.)

Grandpa Hino “Give that back now! You can't make a wedding dress from my sheets.”

(Raye then sees Amy...too late. They collide, and Amy falls on top of Luna.)

Grandpa Hino “I said no! Imagine cutting up my best sheets for a dress.”

Raye “Grandpa...”

Grandpa Hino “Don't argue with me.”

Raye “Oh, you're no fun, Grandpa! I can win a trip to Hawaii if I win the wedding dress sewing contest.”

Grandpa Hino “What part of 'no' don't you understand? Anyway, do you even know how to sew?”

(Amy had gotten back up, and Luna is on her shoulder. They can't believe their eyes!)

Luna “What was that you said about peaceful?”

Grandpa Hino “There now. I'm so sorry for this rude disruption. Welcome to the Cherry Hill Temple. How can I help you today? Have you come to make a wish?”

Amy “Actually, we're here to see Raye.”

Grandpa Hino “Really? Well, be warned. She wiggled out over weddings! She's completely losing it!”

(Serena is sneaking around her house.)

Serena “All right. The coast is clear. Not a parental unit in sight.”

(She's in her parents' room. She desperately needs material for her wedding dress, and she decides on the curtains.)

Serena “Oooh, silky. You'll be perfect.”

Mrs. Tsukino “Perfect for what, Serena?”

(Uh oh. Busted.)

Mrs. Tsukino "Why are you sneaking around up here in my bedroom? And why are you hugging my fine silk curtains?"

(She gets up close and personal.)

Mrs. Tsukino "Speak up, dear."

(She cooks up an excuse.)

Serena "I need the fabric for an extra credit sewing project I'm doing. Please, Mom?"

(She grovels on her mother's arm.)

Serena "Please?"

Mrs. Tsukino "Oh please, give me some credit. I know all about that wedding dress contest. You are NOT going to Hawaii, Serena."

Serena "Mom, it's two weeks free!"

Mrs. Tsukino "For even thinking about my curtains, I'm thinking about grounding you for at least a whole week."

Serena "Oh no, Mom. You've dashed all my dreams."

(She starts crying.)

Mrs. Tsukino "Dream up some new ones while you clean your room."

(That evening, Miss Lambert finishes her outfit.)

Miss Lambert "Ha ha ha! It's perfect. Ha ha ha. I'm so tired."

(The influence of the Negamarker has made her use a great deal of her energy. Now Miss Lambert, drained, collapses in a heap. Outside, a bouquet of flowers is at her door.)

(At the wedding chapel...)

Chapel Owner "Let's keep the line moving, folks. The wedding dress contest is about to begin."

(He chuckles to himself.)

Chapel Owner "I'm gonna make a bundle."

(Meanwhile, Serena, Amy, Raye, and Luna are outside. Serena's fingers are bandaged from all the work.)

Serena "Those chores. I'll be mangled..."

Amy "I guess your room must be squeaky clean. Right, Serena?"

Raye "Don't worry. You'll have plenty of time to heal when you get grounded for flunking sewing."

(Serena wails.)

Amy "Raye, stop."

Luna "Amy's right. We've got the Negaverse to worry about. Serena, you disguise yourself as a contestant and try to find Miss Lambert right away. Understand?"

Serena "What? How can I? I don't even have a dress."

Raye "You've got the Luna Pen, remember?"

Serena "Oh. Oh yeah..."

(She raises the Luna Pen...)

Serena "**DISGUISE POWER!** Turn me into a totally gorgeous bride like in the magazines."

(...and the Luna Pen disguises Serena as a great-looking contestant.)

Serena "Do I look hot or what? Oh, wow! What a dress. I look so totally cool. Jealous, Raye?"

Luna "Serena..."

Amy "Remember, we're here on Sailor business, nothing else."

Luna "You're not going in to win."

Serena "Yeah, I know."

(Later, the lights come on. The show's starting.)

Chapel Owner "Ladies and gentlemen, how about a big round of applause for all our beautiful contestants in our wedding dress contest?"

(The audience applauds them. Meanwhile...)

Raye "I couldn't find Miss Lambert."

Amy "Me neither. Maybe she didn't come."

(Serena herself looks down the line to see if Miss Lambert is on stage with her.)

Serena "Huh?"

(The show continues.)

Chapel Owner "Thank you, and now I'll introduce...our guest hostess..."

(The lights dim.)

Chapel Owner "Zoe Sublime!"

(The curtain opens, but the lady who appears...is Miss Lambert!)

Serena "That's not Sublime! It's Miss Lambert!"

Chapel Owner "What are you doing? Where's Miss Sublime?"

Miss Lambert "She's nothing!"

(Her eyes flash. In a moment, the Negaverse's charm spell overcomes the chapel owner...)

Chapel Owner "I do believe you are the loveliest bride I've ever laid eyes on, and I've seen plenty."

Miss Lambert "Not anymore, little man. You won't be wasting any more energy on all those moronic marriage ceremonies. From now on, you and all you out there in the audience are investing your energy in a new cause! You can't resist me. You measely humans, your energy is MINE!"

(Miss Lambert laughs evilly, and the crest glows radiantly. Soon it starts draining the energy from everyone in the audience. They all collapse. Soon the contestants begin to drop, too...including Serena! Luna pops out from under her dress to warn her.)

Luna "Serena, don't look in her eyes."

(The unexpected visit revives Serena.)

Serena "Hey, why don't you ever let me enjoy my naps?!"

Luna "They always come at the wrong time!"

(Meanwhile, Nephelite senses that his victim is hitting peak energy levels.)

Nephelite "Excellent. Now I can release the Black Widow...TEGABOW!"

----- **Commercial Break** -----

(At his summons, Tegabow, the Black Widow, emerges from the crest, and Miss Lambert collapses.)

Serena "Miss Lambert! You won't get away with this, bug-breath."

Tegabow "Really?"

Serena "Yeah, 'cause I really hate spiders."

Tegabow "Be careful, little fly."

Raye & Amy "Who are you calling a fly?"

(Raye and Amy are on one of the hanging pedestals, and it's being lowered onto the stage.)

Tegabow "That's Black Widow to you! And who are you?"

Amy "We are the Sailor Scouts, sworn to defend justice..."

Raye "...and right wrongs and triumph over trash like you!"

Serena "Hey! We're not supposed to say that stuff yet."

(Turning to Tegabow...)

Serena "YOU! In just a second, we're gonna mush you into moondust. Get it? **MOON PRISM POWER!**"

(Serena summons the power of her Moon Prism Locket...)

Amy "**MERCURY POWER!**"

(Amy raises her Mercury Power Stick...)

Raye "**MARS POWER!**"

(...as does Raye with her Mars Power Stick. The three transform into Sailor Moon, Sailor Mercury, and Sailor Mars.)

Sailor Mars "I AM MARS!"

Sailor Moon "MOON!"

Sailor Mercury "MERCURY!"

All Three "THE SAILOR SCOUTS!"

(Tegabow wastes no time. She charges at them, shooting silk. Sailor Moon, as usual, doesn't move, and she gets caught in the silk.)

Sailor Mercury "NO!"

Sailor Mars "NO!"

Tegabow "You're mine now, Sailor Moon. No one has ever escaped my web."

Sailor Moon "It's so slimy."

Sailor Mercury "**MERCURY BUBBLES BLAST!**"

(Sailor Mercury fogs up the stage.)

Tegabow "Hmm? What's happening?"

Sailor Mars "**MARS FIRE IGNITE!**"

(And Sailor Mars frees Sailor Moon.)

Sailor Mercury "We did it."

(Sailor Moon is still thrashing.)

Sailor Moon "It's so slimy. Get it off. Get it off..."

Sailor Mars "But it's gone."

Sailor Moon "But I still feel yucky, slimy all over."

(Tegabow tries again.)

Tegabow "It takes more than that to defeat me."

(She launches more silk, but this time, Serena counters. Readying her Moon Tiara...)

Sailor Moon **"MOON TIARA MAGIC!"**

(She throws it right in the line of fire. It cuts through the silk...and Tegabow! She crumbles into moon dust. With Tegabow gone, the people soon regain their strength, including Miss Lambert.)

Miss Lambert "Oh my. What am I doing here?"

(A few days later, Herbert and Miss Lambert are married.)

Miss Lambert "Thank you."

Amy "Miss Lambert looks so beautiful."

Serena "I still wish I'd won that trip."

Luna "But she really deserves it."

(Serena gives Luna a joking raspberry.)

Amy "Maybe if you catch the bouquet, Serena, you can start planning a honeymoon, too."

Miss Haruna "That bouquet is MINE!"

(Miss Lambert throws the bouquet. Serena, Raye, and Miss Haruna all struggle for it, but it slips out of their grasps and lands...in Amy's hands.)

Serena, Raye, & Haruna "Amy?"

Serena "Rats."
