Sailor Moon - Episode 15: *"Dangerous Dollies"*

(Queen Beryl's castle in the Negaverse. Some time ago, Commander Jedite had been on the spot for not getting results. He has since been placed in Eternal Sleep. Now, Nephrite is getting close to suffering the same fate.)

Queen Beryl "Nephrite! Tell me. What is happening with the Sailor Scouts?"

Nephrite "It's under control. Don't worry yourself about it."

(Zoisite, Queen Beryl's only female commander and Nephrite's rival, begs to differ. She appears floating above the scene and remarks...)

Zoisite "Ha ha ha ha. Ah, it seems to me that those three little girls are giving you a lot of trouble, Nephrite. Perhaps you need a little bit more of the feminine touch. Am I right, Queen Beryl?"

Queen Beryl "It sounds like a good idea. Zoisite could be helpful."

Nephrite "No way!"

Zoisite "Queen Beryl thinks that we should work together."

Nephrite "It appears that Queen Beryl has given the job to me. I do as I like. I work alone. Excuse me."

(And he vanishes.)

Queen Beryl "He's so...arrogant."

(Zoisite chuckles to herself.)

Zoisite "My plan is working. Queen Beryl is losing confidence in Nephrite."

(Serena's house...)

Mr. Tsukino "My, Serena. You're up early."

(Serena proudly nods.)

Sammy "Big deal. You got outta bed."

Serena "Huh?"

Mr. Tsukino "Sammy, it says right here your friend Mika just won a big prize for designing dolls."

Sammy "She did?"

Mrs. Tsukino "You know, Mika's mother is already famous for her doll designs."

Mr. Tsukino "Talent runs in the family."

(Serena pretends her spoon is a microphone.)

Serena "This is Serena, star reporter. How's it feel having a star as your girlfriend?"

Sammy "Can it, donut-breath."
Serena "He seems to be kinda...hostile."
Sammy "Not as hostile as your teacher."
Serena "Uh unn. No way. For once, I'm gonna be early."

(Then she checks her watch. She's done it again!)

Serena "AAH! LOOK AT THE TIME! I AM GONNA BE LATE!"

(At school...)

Miss Haruna "Late again, Serena? Principal's office, please."

(That afternoon, as Serena and Molly walk home...)

Molly "How come you're always late, Serena?"

Serena "Don't ask."

(Just then, two younger students walk up to Serena.)

Girl "Aren't you Serena? Sammy's sister?"

Serena "That's me. Why?"

Other Girl "He's such a creep. We don't like him anymore."

Serena "Yeah? What did he do?"

Girl "It was really mean."

(She recounts that morning. Sammy was at his desk.)

Mika "Sammy? Sammy?"

Sammy "Hi, Mika. Congratulations. That's great about your prize."

Mika "Sammy, this is...for you."

(She had presented Sammy with a gift-wrapped present.)

Sammy "For me?"

Mika "It's the doll I made that won the contest."

(She was giving it to him? No way!)

Sammy "I can't take it. It's too valuable."

Mika "You're my best friend. I want you to have it."

(The boys then started taunting.)

Boy "Look at the lovebirds."

(Another boy sings tauntily...)

Other Boy ♪Sammy loves Mika.♪

Sammy "It's not true!"

(He pushes the gift back to save face, but it slips through both their hands and crashes to the ground.)

Other Boy "It's not my fault."

(Mika opens the wrapping. The prize doll is broken. Mika is heartbroken!)

Other Girl "...and Sammy didn't even say he was sorry."

Girl "Mika was cying all afternoon."

Other Girl "You're his sister. We thought you should know."

Serena "I'll talk to him. That's for sure."

Girls "Thank you."

Molly "Do you think Sammy will listen to you?"

Serena "I'm his older sister, and he's gonna have to listen. He's gonna find Mika and apologize."

(At Mika's house, Mika is still terribly sad about the broken doll. Her emotion is reflected in her newest creation. Someone knocks.)

Mika "Come in."

(Mika's mother walks in to see what she's working on.)

Mrs. Cassidy "Why is it so dark in here, Mika?"

Mika "It helps me to concentrate."

Mrs. Cassidy "You've already started making a new doll."

(She looks at the partial doll. It's face is sad compared to her usually cheerful dolls.)

Mrs. Cassidy "She looks as if she's gonna cry."

Mika "Really?"

Mrs. Cassidy "Anyway, it a very pretty doll. Let's compare it with your prize winner. Where is it, honey?"

(She didn't want to tell her it's been destroyed.)

Mika "I don't have it."
Mrs. Cassidy "What?"
Mika "I lent it to someone."
Mrs. Cassidy "Someone? Who?"
Mika "Someone."
Mrs. Cassidy "We'll compare them some other time. Okay."

(She continues to work on her new doll, knowing full well that the broken doll is in her drawer.)

(In his mansion, Nephrite considers his next move.)

Nephrite "The stars know everything."

(He summons his star map and seeks insight.)

Nephrite "They will guide me to the next victim: a person whose energy is reaching its peak."

(He sees his next target.)

Nephrite "Ah, Orpheus the Musician is playing his harp. Orpheus has chosen my next target. Mika Cassidy, your energy is MINE! Ha ha ha ha!"

(As Serena storms home to berate her little brother, Sammy is already trying to figure out a way to apologize. He had been too shy to say it outright that morning, so he's trying to write a letter.)

Sammy "Dear Mika,
I'm sorry I broke your doll. It was an accident..."

(He throws it away.)

Sammy "I CAN'T GET THE WORDS TO COME OFF RIGHT!"

(Just then, Serena knocks at his door.)

Serena "Sammy, can I please talk with you?"

(Quickly, he covers up by pulling out a book.)

Sammy "Co...Come in."

(Serena enters.)

Serena "So, let's talk about Mika."

(Oops. She knew anyway.)

Sammy "Huh?"

Serena "You broke Mika's doll today, and I want you to apologize to her right now!"

Sammy "That's my business! Go away!"

Serena "Oh, I guess I'll have to tell Mom and Dad. Is that what you want?"

(The "tell the parents" play. Good move.)

Serena "So you'll do what I say, right?"

Sammy "Yeah."

Serena "So go over to Mika's and say you're sorry, now!"

Sammy "Okay. I'll go."

(Across the street from Mika's house, Sam rehearses his apology.)

Sammy "Mika, I'm so sorry. Please forgive me. I didn't do it on purpose. Good. That should do it."

(Just as Sammy starts to cross the street, a hot red sports car turns left and tears down the street his way. Sammy manages to get out of the way as the car pulls up to Mika's house.)

Sammy "Oh, wow! What a car!"

(Nephilite (a.k.a Maxfield Stanton) steps out of the car. He has business with Mika. He rings the remote doorbell. Mrs. Cassidy answers through a two-way speaker at the gate.)

Mrs. Cassidy "Yes?"

Maxfield "My name is Maxfield Stanton. I called a few minutes ago."

Mrs. Cassidy "Oh, I'll be right there."

(Sammy looks on in intense curiosity.)

Sammy "A visitor? I'll come back another time."

(Minutes later, in Mika's house...)

Maxfield "I had thought the art of classical dollmaking was completely lost to the world, but I was wrong. Your works are masterpieces."

Mrs. Cassidy "Oh, I'm very flattered."

Maxfield "And your daughter also has a great talent."

Mrs. Cassidy "That's very kind."

Maxfield "Mika's doll that won first prize in the...the contest, it was very beautiful. I wonder...could I see it again?"

Mrs. Cassidy "We don't have it at the moment. Mika, why don't you show him the one you're working on?"

Mika "All right."

(Moody, she gets up to get her doll. A minute later, she unveils it on the coffee table.)

Maxfield "Ooh. She's wonderful. I love her face."

(He picks it up.)

Maxfield "Her expression is...is so sad."

(It has that unhappy look to it, which is something he REALLY likes, because he touches its forehead gives it a dose of Negaverse power. He mentally intones...)

Nephrite "Feel the power of the Negaforce. Build Mika's energy to its peak, then I shall steal it for Queen Beryl."

(The crest is in place.)

Mrs. Cassidy "This is so exciting."

Maxfield "I was wondering if you can make ten copies of this doll just for me."

Mika "Ten? What for?"

Maxfield "I'm sure I could sell them all easily."

Mrs. Cassidy "My exhibition opens this Saturday. Some of Mika's work will be there as well. Can you try to come and see them?"

Maxfield "I can hardly wait."

(Later, Mika gets to work on Maxfield's request.)

Mrs. Cassidy "You finished one already."

Mika "Yeah. I feel so full of energy. I have to start the second one."

(Her mother knows that enthusiasm is a good thing, but Mika seems to have a little too much. She's been working into the night.)

Mrs. Cassidy "We know how you feel, Mika, but you need your sleep."

Mika "I feel fine."

Mrs. Cassidy "It's time to put your things away, dear."

(The Negamarker has taken hold of Mika through the doll, making her work nonstop and increasing her energy output. Nothing's going to stop her, not even her mother. Mika pushes her mother away.)

Mika "Go away!"

(Mika continues to work, oblivious to anything around her. Meanwhile, Sammy returns to Mika's house. Her mother answers the door.)

Sammy "Is something wrong?"

Mrs. Cassidy "Oh Sammy, she's been making dolls day and night. I told her to stop, but she refused. She's changed. I don't know what to do."

Sammy "I'll try to talk to her."

(They go to Mika's room. Her mother knocks the door.)

Mrs. Cassidy "Mika dear, Sammy's come here to see you."

Mika "I'm busy."

Sammy "Mika, I'd like to talk to you."

Mika "Leave me alone!"

(This is serious!)

----- **Commercial Break** -----

(Later, outside Sammy's room, Serena checks on her little brother.)

Serena "Sammy, here."

(She's bringing him some juice.)

Sammy "What do you want?"

Serena "I'm just worried about you. So why are you so down, anyway?"

Sammy "Oh."

Serena "You apologized to Mika, didn't you?"

Sammy "Hmm. Well, I..."

(He explains to his sister.)

Serena "That's major weird. Mika's changed so much."

Sammy "She used to be so nice. This is not like her. Do you think...it's because of what I did to her?"

Serena "I have an idea. Why don't you give her a really nice present? Girls love to get presents."

Sammy "Maybe..."

(Later, Luna checks on Serena.)

Luna "What's the matter, Serena?"

Serena "I didn't tell Sammy, but I'm really worried about Mika."

Luna "Serena, amazing! You're using your brain."

Serena "Well, I wanna help Sammy get his friend back, but what's so cool: it's like 'The Curse of the Dolls.' It's so romantic."

(Luna takes back what she had said about Serena.)

Luna "Romantic?! Have you gone completely crazy? I don't know. It sounds very fishy, like the Negaverse has something to do with it."

Serena "The Negaverse? Get real. Anyway, that's Amy and Raye's department."

(What's it gonna take to convince her?!)

Luna "Serena!"

Serena "Joke, Luna."

(Saturday, outside Mika's house, Luna tries to look in Mika's room from a tree branch while Serena and Amy wait below.)

Serena "Do you see anything?"

Luna "No, she's got the curtains closed."

Serena "Sammy told me she hasn't been to school in a whole week."

(Then Amy notices the poster on the outside wall.)

Amy "Hey, look! The doll exhibit! Surely she'll go to that!"

(In another part of town, Sammy looks at another poster, one featuring the fictional Sailor V. It reminds him of something Mika said...)

Mika "Sailor Venus is cool, but I like Sailor Moon better."

Sammy "Yeah, me too."

(...and gives him an idea!)

Sammy "I know what I should give her."

(Back home, Sam gets to work making a sculpture of Sailor Moon. Though not an expert sculptor, he IS trying.)

Serena "Present for Mika?"

Sammy "Yeah."

Serena "Wow. It's so cute. You did a great job."

Sammy "You like it?"

Serena "Where'd you get the idea to do a pig?"

Sammy "It's Sailor Moon."

(Oh dear.)

Serena "Sorry."
Sammy "It's the thought that counts, anyway. Right?"
Serena "Right, and Sailor Moon is the messenger of love."

(Meanwhile, Raye and Darien are on another date, walking through the park.)

Raye "I know going to a doll show's a weird thing to do, but these are supposed to be...really special."

(At the doll exhibit...)

Maxfield "Congratulations. The show's a big hit."
Mrs. Cassidy "Thank you very much."
Maxfield "Where's Mika?"
Mrs. Cassidy "She's finishing her last doll out in the waiting room. I'm afraid she's been working much too hard."
Maxfield "Really?"

(In the waiting room, Mika puts the final touches. She doesn't notice the cursed doll turning its head.)

(At the same time, Amy and Luna are looking around. Amy is carrying Luna in a basket while Luna peeks out.)

Luna "Everything seems quiet so far. Look. There's Raye and Darien."

(Darien and Raye are across the room behind Amy.)

Amy "Oh, you're right."
Raye "Wow. They're so pretty. Don't you think they're pretty, Darien?"
(Darien didn't really want to go, but he's doing it to please Raye.)

Raye "This one's by the daughter of the artist. Do you like it?"

Darien "What?"

Raye "Are you bored?"

Darien "Well, dolls kinda aren't my thing, you know?"

Raye "Yeah, but you can always learn something new."

Darien "Well, yeah. I...guess I can give it a try."

Raye "Good. Let's go over this way."

(As Raye guides Darien to the next exhibit, Darien passes Nephrite posing as Maxfield...and gets a strange sensation. Nephrite gets the same feeling.)

Darien "Do we...know each other?"

Maxfield "No, we've never met."

(Soemthing strange is going on here.)

Raye "Darien, come on."

(Serena and Sammy have just entered, and Serena talks with Mrs. Cassidy.)

Serena "How's Mika today?"

Mrs. Cassidy "Not so good."

Sammy "I've changed my mind. I wanna go home."

Serena "Chill, Sammy!"

Mrs. Cassidy "Mika's outisde in the waiting room. Why don't you go and say hello to her?"

Serena "Thanks."

(Pushing Sam along...)

Serena "Move it, Sammy."

(Mika has just finished the last doll.)

Mika "Finished."

(At that, the cursed doll begins to act funny. Shadows begin to form around it. When Serena and Sammy step in...)

Sammy "I brought..."

(...they notice something wrong.)

Nephrite "Her energy level has reached its peak. COLLECTING TIME, JUBO!"

(Jubo emerges from the doll, a monster composed of doll parts! She begins to sap Mika's energy.)

Serena "Mika!"

----- **Commercial Break** -----

(Drained, Mika collapses to the floor. Sammy rushes to her.)

Sammy "Mika!"

(But Jubo sends an evil beam at him, knocking him out. His doll ends up under Jubo's feet, which is promptly crushed by the same feet. Luna appears at a window.)

Luna "SERENA! TRANSFORM NOW!"

Serena "**MOON PRISM POWER!**"

(Serena summons the power of her Moon Prism Locket and transforms into Sailor Moon, Champion of Justice.)

Sailor Moon "I am Sailor Moon, the Champion of Justice! I right wrongs and triumph over justice. Sammy put his whole heart into that Sailor Moon doll you just smashed into smithereens, and Mika's beautiful dolls, you have turned to evil! This will not be permitted! In the name of the Moon, I punish YOU!"

Luna "Great show she's putting on. I wonder how long she can keep it up."

(Jubo sends one of the doll copies at Sailor Moon. This one has pretty sharp teeth!)

(Sailor Moon escapes the assault out the window.)

Sailor Moon "Oh no! Somebody help me!"

Luna "Great while it lasted."

(Jubo jumps after her.)

Jubo "You can't escape me!"

(As Sailor Moon stands terrified, help comes along.)

Mercury & Mars "Sailor Moon!"

Sailor Mercury "**MERCURY BUBBLES BLAST!**"

(The cold fog provides cover so that the other Sailor Scouts can catch up to Sailor Moon.)

Sailor Moon "Whew. What a relief."

Sailor Mercury "Sailor Moon, are you all right?"

Sailor Mars "Bet you're glad to see us, right?"

Luna "MEOOOW! Watch out, Sailor Scouts!"

(Jubo has launched two more evil dolls at them. Sailor Mars counters with mystic spells.)

Sailor Mars "I call upon the power of Mars. **FIREBALLS IGNITE! CHARGE!**"

(Planting a spell on each of them, the dolls drop to the ground. Jubo, however, isn't impressed. She just shoots her limbs, which regenerate after they're shot.)

Jubo "It's no use attacking!"

(One whizzes by Sailor Mars, giving some of her hair a trim.)

Sailor Mars "Watch out. They're sharp, like knives."

Sailor Mercury "I'll try my VR vision."

(Sailor Mercury activates her VR visor to probe Jubo.)

Sailor Mercury "Scanning for structural weaknesses...yes! I detect one in her ankle! Sailor Moon, aim at her right foot!"

(Tough task, considering Jubo's still shooting limbs at the three of them.)

Jubo "You will never get close enough!"

(Suddenly, something whizzes past her face and plants itself in the ground: a rose!)

Jubo "Who are you?"

Sailor Moon "Tuxedo Mask!"

Tuxedo Mask "Use your Tiara!"

(Taking advantage of the pause, Sailor Moon readies the Moon Tiara...)

Sailor Moon "**MOON TIARA MAGIC!**"

(...and throws it toward Jubo's right ankle. It cuts through, disintegrating Jubo.)

(With Jubo gone, Mika regains consciousness.)

Mika "What's happened to me? Samuel!"

(She rushes over to him. Sammy soon regains consciousness as well.)

Sailor Moon "So you two finally woke up."

(Sailor Moon's silhouette can be seen through the curtain.)

Sammy & Mika "Oh! Sailor Moon!"

Sailor Moon "We taught the bad guys a lesson. Be good freinds, you two. See ya."

(She leaves.)

Sammy "I don't believe it! Sailor Moon saved us!"

(Then he sees the mess.)

Sammy "The present I made for you is all smashed."

Mika "You made it for me?"

Sammy "Well, I wanted to apologize."

Mika "You don't have to apologize. You tried to save me, didn't you?"

Sammy "That's right."

(Next Monday morning, at school, Sammy is at his desk.)

Mika "Sammy, I made this doll for you."

(It's a doll of Sailor Moon, and a very good one, too.)

Sammy "Wow! That's great! Sailor Moon is so totally cool!"

(Mika resented that.)

Mika "Not more totally cool than me, I hope!"

Sammy "No, no. Course not. Wait, Mika!"

(Another misunderstanding. Oh well.)

Sammy "It's tough being popular."
