

TRANSCRIPT FOR

Sailor Moon - Episode 26: "Grandpa's Follies"

(Cherry Hill Temple, home of Raye and her grandfather, the temple caretaker. A young man is sleeping at the steps to the temple, and Grandpa is on the roof. It all seems quiet...)

Grandpa Hino "I love it when there's a full moon. Hmm. Reminds me of when we used to go camping and roast marshmallows with my grandpa."

(...until...)

Grandpa Hino "Huh?"

(Zoisite shows up. This doesn't look good.)

Zoisite "Ha ha ha ha."

Grandpa Hino "Who are you? What are you doing up there?"

(Zoisite wastes no words. She hurls the Dark Crystal into the air.)

Grandpa Hino "Grr. I feel evil. Ungh..."

(It orients on Grandpa. Does he have a Rainbow Crystal?)

Zoisite "Ha ha ha ha ha. Queen Beryl'll be so pleased when I retrieve the Rainbow Crystal from this old geezer."

(YES! The Indigo Crystal!)

Zoisite "Once we've collected all the crystals, we can finally release the Negaforce. Ha ha ha ha."

(He yells as the crystal struggles to free itself.)

Zoisite "Ha ha ha ha. Like taking candy from a baby."

(But this old geezer isn't giving up without a fight.)

Grandpa Hino "I must summon my will against this evil!"

(Calling on all his strength, he breaks the grip of the Dark Crystal.)

Zoisite "No! This can't be!"

(Grandpa struggles for breath, but the Dark Crystal isn't affecting him now.)

Zoisite "What do you know? The geezer's not so old after all. **ZOI!**"

(She sends a powerful wind that sends Grandpa off the roof. The yelling catches the attention of Raye and her crows.)

Raye "Huh?"

(The crows fly after Zoisite, determined to harass her.)

Zoisite "Huh? Yuck. Crows. I hate crows."

(Meanwhile, Grandpa makes a nasty landing on the temple courtyard.)

Raye "Grandpa!"

(Zoisite shoos away the crows and disappears.)

Raye "He must've fallen off the roof."

(Raye rushes to her grandfather's aid.)

Raye "Grandpa, what happened?! Did you lose your balance?"

(There's some stirring. The noise has woken up the young man who was sleeping at the steps. He yawns.)

Man "Gee, I thought temple life was supposed to be peaceful."

(Noticing him, Raye asks...)

Raye "Who are you? What do you want here? The temple's closed."

(He takes one look at Raye...and is immediately head-over-heels.)

Chad "WOOOOOAH! My name's Chad. I'm a struggling musician. I've heard all sorts of great things about this place. Please let me stay. I'll do anything you want. Please."

(Meanwhile, Zoisite contemplates when to go after the Indigo Crystal again.)

Zoisite "The old guy won't be able to fight me off forever. No one's that strong. Go ahead and resist, old man, but it won't do you any good. Ha ha ha ha. Like it or not, you're one of us. Ha ha ha ha."

(The next day, Raye discusses the problem with her grandfather with the other Sailor Scouts.)

Serena "You know, maybe you should take your grandpa to the doctor or something."

Raye "He refuses to go."

(Grandpa is acting rather odd. Somersaulting in the air, swinging on a rope, and wearing a tablecloth as a cape, you would think he was acting like a superhero.)

Grandpa Hino "WOAH! HAAA! HA HA! WAHOO! Ha ha ha ha ha! All right, Chad. Do it just like that."

(Oh yeah, and Chad's tagging along, though not too well.)

Chad "What? No way! I'm a singer, man, not a monkey."

Grandpa Hino "Use your fear!"

(Chad gives it a go, but the rope breaks, and Chad crashes to the ground face-first.)

Chad "Major bummer. Hey, wise master...am I a black belt yet?"

(He collapses. The girls show up at the temple while Raye's grandfather is pouring water over Chad's head.)

Grandpa Hino "Get up! We're not finished!"

Raye "Grandpa, what have you done to him?"

(Serena notices the "capas.")

Serena "Oh ho ho. Look, Raye. Your grandpa's turned into a superhero."

Raye "Those are tablecloths."

(A second dousing awakens Chad.)

Grandpa Hino "Move it, Chad. You can't be sleeping on the job if you're gonna be MY apprentice."

Amy "Who's that guy?"

Raye "Some toasted rock star recuperating from his last tour, so he says."

(Oh my.)

Grandpa Hino "I'm waiting."

(Raye decides to help Chad.)

Raye "Chad, are you gonna be all right, you think?"

Chad "Huh? I guess so, but check my face. Is anything out of place?"

Raye "No, you're face is gonna be fine."

(Turning to her grandfather...)

Raye "What are you trying to do? Ruin his career now?"

Grandpa Hino "He asked me to teach him the ways of the temple, so that's what I did! At least he listens to me...not like some members of my own family!"

(He goes to tears and cries on Raye.)

Grandpa Hino "If I don't train him, you'll be left all alone to run the temple, but you can't do it by yourself."

(Raye turns to her friends.)

Raye "See what I mean? Usually, he's so happy, but now, he's like this all the time."

(Chad gets up.)

Chad "All right. That's it. I have to finish today's training, so my master will be happy again."

(He kneels in front of a ceremonial gong.)

Chad "O great temple gong, as I ring you, please shower this place with peace and happiness..."

(But all he gets for pulling the rope is another shower, and as suddenly as he had become sad, Grandpa starts acting kiddish and dances around.)

Grandpa Hino "Ha ha ha ha. I got you, Chad. I got you, Chad. I got you, Chad. The old water in the

Raye bucket trick works every time."
"Grandpa, knock it off!"

(Serena is laughing.)

Amy "Serena, stop it."

(Raye's grandfather hears Serena.)

Grandpa Hino "You thought it was funny, right?"

Serena "Oh yeah, Grandpa. It was the best."

Grandpa Hino "Maybe I should take you on as my apprentice, too, eh?"

(They're both laughing.)

Raye "You must be running a fever to say something like that."

Chad "Excuse me, Raye, but don't you think you're overreacting?"

Raye "Just stay out of this. Okay, Chad?"

Chad "It was just a joke."

Raye "Stay out of it!"

Chad "Woah!"

Raye "Grandpa, you're going to see a doctor. Ever since you fell off the roof, you've been acting like a granola bar."

Serena "Don't listen to her, Grandpa. A pit bull with a toothache's got a better sense of humor. Cuter, too."

Grandpa Hino "Who wants to go flying?"

(Raye is in a bad mood, and she takes it out on Serena.)

Raye "I've figured it out. You got meatballs on the sides of your head TO GO WITH THE SPAGHETTI INSIDE!"

(She knocks Serena down.)

Raye "Mmph."

(Now Serena's the one crying. She's also gone into a high whine.)

Serena "Did you see that? Raye hurt me."

(Amy and Lita have had enough.)

Lita "Get a life, Raye. You can't go shoving people around like that."

Serena "Yeah, big bully."

Amy "Lita's right, Raye. Apologize right now, and she'll stop that awful crying."

(Not this time.)

Raye "Hmph."
Amy "Fine. Be that way, brat. I'm sick of having to break up your pre-adolescent fights. Grow up. Get a life."

Lita "Yeah, give us a call when you get outta diapers."

(And they walk away. Serena notices and stops wailing.)

Raye "Fine, get outta here. I'm not apologizing to anybody, especially that ditz Serena."

Chad "Can I talk to you, Raye?"

Raye "NOT NOW, CHAD!"

(Chad gasps.)

Raye "Finish your lesson!"

Chad "Oh..."

(My. She's copped up her biggest attitude yet.)

(Later...)

Raye "So, what'd you want to talk to me about, Chad?"

Chad "About your grandpa."

Raye "He's not himself. I'd understand if you wanted to leave right now."

Chad "No, actually. I'd like to stay and learn more about your temple."

Raye "Huh?"

Chad "It's so peaceful here, and, to be honest, I get stagefright real bad. Maybe your grandpa can help me get over it."

Raye "...if you survive his training."

Chad "Oh, he's already taught me a lot about facing my fears. It's...it's just all that flying through the tree stuff's worse than slamdancing. Think a pit helmet would help?"

(Raye laughs.)

Chad "What's so funny?"

Raye "Oh, I don't know. Flying around in tablecloths isn't part of the usual training."

Chad "What?"

Raye "I think something's wrong with Grandpa. That night, when you showed up at the temple, he fell off the roof. I'm afraid he's losing it."

(Do you get the feeling that you're being watched?)

Serena "Oh, it's time to play matchmaker. Yeah. Cool. I can totally see Raye going out with a hot rock star."

(Luna doesn't like the sound of it one bit.)

Luna "Serena, don't. The last thing you need is to do more meddling into Raye's life."

(Does she listen?)

Serena "Come on, Luna. It'll be a kick. Don't be such an old stodgemeister."

(Of course not.)

Luna "Just how do you plan to play matchmaker anyway?"

(She had to ask.)

Serena "Tada!"

(Uh oh. The Luna Pen.)

Luna "No, Serena! You promised you wouldn't use the Luna Pen for pranks anymore!"

(Too late.)

Serena "**DISGUISE POWER!** Turn me into a fortune teller matchmaker."

(Serena turns into one of those Asian-type fortune tellers. The look is good, but the intentions need work.)

Serena "She'll never recognize me."

(She goes for it.)

Luna "Wouldn't count on that."

(Talking in a heavy accent to disguise her voice...)

Disguised Serena "Ooh, I sense strong vibrations. Let me tell you your fortune. You see the sticks here? When I throw them into the air, they're going to tell me your future."

Raye & Chad "Huh?"

Disguised Serena "And I have a strong hunch wedding bells will be ringing. Ready?"

(She throws the sticks into the air and begins to gesture.)

Disguised Serena "RAAA!"

(Luna has to laugh. She knows this is one trick Serena is NOT going to pull off.)

Disguised Serena "RAO! RE! RA! YA!"

(Chad gulps as Disguised Serena takes two of the sticks and makes an X.)

Disguised Serena "You see how the sticks are crossed in my hands. That means only one thing: time for a little kissyface."

(How frustrated can a talking cat get?)

Disguised Serena "Come on. What are you waiting for?"

(Chad is, like, totally nervous, man.)

Raye "This ditz is outta control."

Disguised Serena "Huh?"

Raye "Let's go, Chad."

Chad "Okay."

Disguised Serena "No kissyface? Oh..."

(Raye walks back alone.)

Raye "What do we owe you for the fortune?"

Disguised Serena "Ten bucks would be nice, young lady."

(The glasses of her disguise fall down her nose.)

Raye "Yeah. Ten bucks should buy a heap of Sailor V comic books, wouldn't it? BUT YOU'RE NOT GETTING MY MONEY! GET LOST, SERENA, AND STAY LOST!"

(Busted!)

Serena "You know it's me?"

Luna "She knows about Disguise Power, remember?"

(Raye walks away.)

Serena "Raye, wait."

(Serena's crying again.)

(Later, at her house...)

Luna "Cheer up, Serena."

Serena "I can't. I totally embarrassed myself with Raye. She hates me."

Luna "She doesn't hate you. She thinks you're a major ditz, which, under the circumstances, I don't blame her, but you know Raye. Tomorrow, it'll all blow over."

Serena "But she wouldn't even let me apologize!"

Luna "Of course she will, eventually, and then I bet she'll be glad to have some help with her grandpa."

(Luna munches into a cupcake. Serena's mother had left a sizable pile of them.)

Luna "Mmm. Wow, your mom's chocolate cakes are much yummy."

Serena "How can you even THINK of food right now?"

(With her mouth full...)

Luna "Mmm, you must be really upset."

(Serena decides to take a bite.)

Serena "Major chocolate hit. Yum."

(She's over her sadness in an instant, and she gets an idea!)

Serena "I know! Let's take this up to Raye's temple as a peace offering."

Luna "Mmm?"

(For once, she has a good idea.)

Serena "This is inspired. If there's one thing Raye can't resist, it's anything chocolate. Ha ha. Ha ha. Oh, I may not even have to apologize."

Luna "Serena, your mom brought those in specially for us."

Serena "Aren't you always telling me discipline builds character?"

(As she walks off with the cupcakes...)

Luna "Hey, wait. Give me one more."

(What's this? Luna has a sweet tooth?)

Luna "I had to go and open my big mouth. I wanted those cupcakes all for me."

----- **Commercial Break** -----

(As evening sets in, at Cherry Hill Temple, Chad tries the ropes again.)

Chad "CONQUER YOUR FEAR! This time, I'm gona do it, Raye."
?You just watch me. This one's for you.?

(Though he's tone-deaf, Raye's starting to like the guy.)

Raye "Can't sing too well, but sure is a cutie."

(Wait a minute.)

Raye "CHAD, LOOK OUT!"

(Chad isn't watching where he's going, and he crashes into a tree He then falls into some bushes.)

Chad "RAZE BUSHES!"

(Even the crows are laughing.)

Raye "You know, I'm really worried about Grandpa. I think he's getting too old to stay here. I'm gonna have to ask the sacred fire's guidance for this one. I don't know what to do anymore."

(She doesn't know it, but her grandfather is beseeching the sacred flame at this moment.)

Grandpa Hino "Sacred flame, I seek your guidance. Help me to fight the evil that threatens me."

(He senses something. Turning around...)

Grandpa Hino "Come on! Try and take me, ya creepy witch!"

(Sure enough, Zoisite appears.)

Zoisite "Ha ha ha ha. Grandpa, you're way too weak to hold me off this time."

(He unleashes mystic power...)

Grandpa Hino "We'll see about that!"

(...but Zoisite counters with force of her own. It shakes the temple and alerts Raye in her bath.)

Raye "What's happening?!"

(Then she senses it: the Negaverse!)

Raye "I feel serious Negavibes."

(She quickly heads for her room. Meanwhile, her grandfather is losing.)

Zoisite "I want that crystal. **ZOI!**"

(Unleashing her ensnaring cherry blossoms, she catches him off guard. Now trapped, he can't resist the force of the Dark Crystal.)

Zoisite "You're on my side, remember?"

(He still struggles.)

Zoisite "Surrender the Rainbow Crystal!"

(She releases the Indigo Rainbow Crystal from Raye's grandfather, but it's shot down in mid-flight by Tuxedo Mask's rose.)

Tuxedo Mask "Not so fast, Negascum!"

Zoisite "Tuxedo Mask! I thought you might show up."

Tuxedo Mask "You're not going to get away from me this time!"

Zoisite "We'll see about that, Tuxedo Mask."

(The Shadow from the Indigo Crystal is freed, and it takes over Grandpa's body.)

Tuxedo Mask "Not him, too?"

(The Shadow distracts Tuxedo Mask while Zoisite retrieves the Crystal.)

Zoisite "Queen Beryl will be thrilled. Hm hm hm hm hm. Gotcha again, cape boy."

Tuxedo Mask "You're not getting away with that crystal!"

Zoisite "Really?"

(And she jumps away. The Shadow charges, but Tuxedo Mask jumps over him and runs after Zoisite.)

Tuxedo Mask "Don't you ever stay to fight your own battles, Zoisite?!"

Zoisite "Ha ha. Why should I?"

(Tuxedo Mask keeps chasing her. The Shadow tries blow Tuxedo Mask off his balance, but misses. When Chad steps outside, the Shadow turns and sees him.)

Chad "I WANT MY MOMMY!"

(Chad starts running, with the Shadow in hot pursuit.)

(Meanwhile...)

Tuxedo Mask "How'd she disappear so fast?"

Zoisite "Ha ha ha ha. I win again, Tuxedo Mask, but watch your back. When I return, I'll come for YOU. Ha ha ha ha."

(Chad bursts into Raye's room while Raye is dressing.)

Chad "Raye, you gotta come quick! AH!"

(Raye is startled, and she covers herself with her robe. Chad turns his back.)

Raye "WHAT'RE YOU DOING, CHAD?!"

Chad "You...monster! I mean, you gotta come fight this monster!"

Raye "What kind of monster?"

(He steps outside.)

Chad "I don't know, but he's real fast."

(Growling is heard. He's coming. Raye dresses in a flash and steps outside with Chad.)

Raye "Where...?"

(Then she sees him.)

Raye "Oh, gross!"

(Both of them take off, the Shadow right behind them. They head for the sacred flame. As they step into the room, the Shadow blows powerful wind. Raye is pushed down, but Chad crashes into the wall.)

Raye "He's out cold."

----- **Commercial Break** -----

Raye "He's out cold."

(But Chad, miraculously, gets up and shields Raye.)

Chad "Stay back, you cross-eyed lobster!"

Raye "Chad, it's dangerous."

Chad "Yeah, but I've never felt more alive than now. My fear is gone. As Grandpa said, use your fear!"

(The Shadow charges, as does Chad. Chad tries to use his head as a battering ram, but he gets knocked down.)

Chad "I've gotta work on headbutts."

Raye "What do you want?!"

(She beseeches the sacred flame...)

Raye "Sacred flame, show me who's behind this evil monster!"

(The flame shows an image of the Shadow that morphs into...her grandfather!)

Grandpa Hino "Help me, granddaughter."

Raye "It's the Negaverse! They've managed to turn Grandpa into this beast!"

(She tries to get the good side out...)

Raye "Grandpa, it's me, Raye! Don't you recognize me? Can you hear me? Grandpa, fight this evil!"

(...bt the evil influence is too strong. The Shadow charges. Raye breaks through one of the wall panels and runs outside. The Shadow jumps over her and cuts off her retreat. He punches. If Raye hadn't ducked in time, she would have ended up like the statue over her head: smashed. The Shadow prepares for another punch, but a rock hits his head.)

Serena "HOLD IT!"

(What a relief. Serena and Luna have shown up just in time.)

Serena "YOU'RE GONNA BE NOTHING BUT MOON DUST IN ABOUT TWO SECONDS, NEGACRUD! **MOON PRISM POWER!**"

(Serena summons the power of her Moon Prism Locket and transforms into Sailor Moon, Champion of Justice.)

Sailor Moon "I AM SAILOR MOON, CHAMPION OF JUSTICE! I will right wrongs and triumph over evil, and that means YOU!"

Raye "You don't know how glad I am to see you."

Sailor Moon "Hmm, glad to hear it."

(She offers the cupcakes (Of all the times...))

Sailor Moon "Why don't we seal our apology with a big bite of chocolate cupcake?"

Luna "Sailor Moon, don't you think there are a few more important matters at hand here?!"

Sailor Moon "Yeah, I guess you're right. **MOON TIARA...**"

(Raye stops her.)

Raye "Sailor Moon, you can't dust him! That monster's my grandpa!"

(Uh oh.)

Luna "He must have carried a Rainbow Crystal! Sailor Moon, if you'd brought your communicator, we could've called the other Scouts for help!"

(No time for chit-chat. The Shadow charges. Sailor Moon and Raye run. As this is going on, Raye gets an idea.)

Raye "Get ready to stop, okay, Sailor Moon? We'll stun him so we can transform him back."

(She prepares one of her temple spell scrolls.)

Raye "Scroll...I call upon the power of Mars. **FIREBALLS CHARGE!**"

(She flips into the air and plants the spell on the Shadow's face. The spell takes effect and paralyzes him. Sailor Moon pulls out the Crescent Moon Wand.)

Sailor Moon "**MOON HEALING ACTIVATION!**"

(The healing dust reverts the Shadow back into Raye's grandfather.)

Raye "Oh, poor Grandpa..."

(Now realizing what had been wrong, she feels sorry for having treated him so badly.)

Sailor Moon "Is he all right?"

Raye "I think so."

(A little later, outside the temple, Amy and Lita meet each other. They seem to have a common thought.)

Lita "Hey, Amy."

Amy "Huh? Lita, hi. Where are you going?"

Lita "I'm headed for Raye's temple."

Amy "Funny. Me too. I fell lousy about what I said to her yesterday, especially when her grandpa's flipping out. She needs her friends right now."

Lita "Raye was really rough on Serena, but still..."

Amy "Yes, I know. What do you think we should do?"

Lita "Well, we might not be able to do anything about her grandpa, but I'm sure she'd be glad to know her friends are still there for her to count on."

(It's settled. They'll go together.)

(Meanwhile, Serena, Raye, her grandfather, Chad, and Luna are all enjoying the cupcakes.)

Raye "Boy, fighting monsters sure makes me hungry."

Serena "Mmm, me too."

Chad "I wonder if your grandpa'll show me how to do that transformation thing."

Grandpa Hino "How to do what, Chad?"

Serena "Oh, you know: turn into that big ol' red lobster thingy..."

(Raye laughs and covers Serena's mouth.)

Raye "You promised not to tell him about it, remember?"

(Serena nods.)

Raye "So Chad, do you think you're about ready to go back to the real world now?"

Serena "No, he should stay."

Chad "Well, I'd like to hang with Grandpa AND get back to my music."

(The girls are worried.)

Serena & Raye "Oh..."

Chad "Okay, not singing. Ha ha. Got the point."

Raye "That's a mistake."

Chad "Huh?"

Raye "I had a vision, and it showed me why you came here. It was to get over over your stagefright, and you did it."

(And she kisses his cheek. Serena, Luna, and Raye's grandfather all gasp (Luna dropping the cupcake in her mouth), and Chad goes wild!)

Chad "OH, I FEEL A SONG RISING IN MY HEART! I've gotta sing! I'm cured! I can go on stage again!"

(Serena's still being the matchmaker.)

Serena "And maybe you could go on tour with him as a backup singer."

Raye "Stop trying to fix me up with Chad already, would ya?! The only guy I'm interested in is Darien. Nothing's gonna change that."

Serena "Chad's a rock star!"

Raye "You're gonna SEE stars!"

Grandpa Hino "Stop it, Raye! I've told you a thousand times: you can't date until you're at least sixteen."

Raye "Huh?"

(Serena taunts Raye with a neener-neener.)

Serena ?Ha ha-ha ha-haa haa.?

Raye "Why do I put up with you?!"

Chad "Wanna hear my song?"

Raye & Grandpa Hino "MAYBE ANOTHER TIME!"

(So is the scene when Amy and Lita walk up.)

Amy "Listen."

Lita "Hmm. Sounds to me like Serena and Raye managed to patch things up between them."

Amy "I'd never thought I'd love to hear them argue."
