

## TRANSCRIPT FOR

### Sailor Moon - Episode 30: "A Crystal Clear Destiny"

*(With the arrival of Sailor Venus and her guardian cat, Artemis, the Sailor Scouts are now complete. They had shown up just in time, too. Thanks to Sailor Venus, the others were spared being crushed by Malachite's force field dome.)*

**Sailor Moon** "Thanks for saving us, Sailor Venus."

**Sailor Venus** "No problem. I'm just really excited I'm finally getting to meet all you guys."

**Sailor Moon** "Wow, Sailor Venus in the flesh. This is major cool."

*(The name Sailor V had been turning up as a popular fictional heroine, but now, Sailor V (or rather, Sailor Venus) is a reality.)*

**Sailor Venus** "We'll be a super team."

**Sailor Moon** "Oh hey, are we glad to have ya."

**Sailor Mercury** "Yes, now, we're finally a full-fledged team."

**Sailor Jupiter** "The Sailor Scouts!"

*(Artemis, however, has to interrupt their friendly get-together.)*

**Artemis** "Enough with the warm, fuzzy moments. Time to cut to the chase. Those guys from the Negaverse aren't fooling around. I'm sure they're already planning to strike back big. You guys gotta be ready."

**Luna** "Right. Meeting at the temple tomorrow. Okay?"

**Sailor Venus** "Okay. Gotta book it. See ya."

*(And she and Artemis jump onto a rooftop and leave.)*

**Sailor Mercury** "She's in a hurry."

**Sailor Mars** "She was like...almost rude."

**Sailor Moon** "I think she's wicked cool."

-----  
*(Artemis did have a point. The Negaverse is already planning retaliation.)*

**Malachite** "Queen Beryl, I know we can get all those crystals back."

**Zoisite** "Give me one more chance. I'll get those crystals, then get rid of Tuxedo Mask once and for all."

*(But Queen Beryl, having discovered Tuxedo Mask's true identity during his last conflict with Zoisite, has something special planned for him.)*

**Queen Beryl** "I don't want to get rid of him now."

**Malachite** "But he wants those crystals, my queen."

**Queen Beryl** "I've decided to bring Tuxedo Mask here. He can be of great value to us."

**Zoisite** "But we don't know who he is."

**Queen Beryl** "You don't, but I do. Now, be quiet and listen to my orders."

**Malachite** "Yes, your majesty."

---

*(At that same moment, Darien is not feeling too well. As Tuxedo Mask, he had been stabbed by Zoisite, who had disguised herself as Sailor Moon. To top that, he almost had to give up his Rainbow Crystals in order to save the Sailor Scouts. Only Sailor Venus's timeliness had kept him from having to go through with it. Now, as dawn approaches, he's in his apartment, leaning against the door, struggling with the stab wound in his shoulder.)*

**Darien** "I can't believe I was so stupid...falling for that fake Sailor Moon. Grr. Almost got the Scouts toasted, too. Why was I so blind? If it weren't for Sailor Venus, I would've handed over the crystals to the Negaverse. Now they hate me."

*(He gets up (leaving a bloody mark on the door) and staggers over to his couch to sit down, but he doesn't get much rest. The television goes on, and Zoisite's in the picture!)*

**Zoisite** "Nice place, Darien."

**Darien** "Huh? How did you find me?"

**Zoisite** "I told you, Darien. The Negaverse sees everything. You didn't think you could hide forever, did ya...Tuxedo Mask?"

*(So they know. Big deal.)*

**Darien** "What do you want, Zoisite?"

**Zoisite** "We're both tired of chasing after the Rainbow Crystals, so I propose a duel. You and me, winner take all."

**Darien** "I don't believe you."

**Zoisite** "Oh, I'm serious. What's the matter, Darien? Scared to fight me without your Sailor pals along? Is that it?"

**Darien** "I'm not afraid, of you or anybody from your world."

**Zoisite** "Good. Then meet me at the Starlight Tower at five o'clock this afternoon. Come alone, and bring the crystals with you."

**Darien** "Right. I'll be there."

**Zoisite** "And Darien, maybe you should have a doctor look at that shoulder. You don't look so good. Must be painful. Ha ha ha."

*(After leaving her final insult, the television turns off.)*

**Darien** "Starlight Tower at five."

*(A duel with Zoisite in the tallest building in the city...in less than twelve hours!)*

---

*(Next day, Serena decides to put scout business over Miss Haruna's detention.)*

**Serena** "Oh please, please, Miss H. I'll finish my detention tomorrow, okay? I'm really late, even for me."

---

*(She runs down the street to the temple.)*

**Serena** "A busy girl's got things to do. I mean, can't be on time for everything. Ooh, but that Raye is gonna be so self-righteous."

*(One thought crosses her mind.)*

**Raye** "If you're one minute late, YOU'RE MEATLOAF!"

*(Then she puts the thought aside as she sees Darien, stooping.)*

**Serena** "Hey, there's Darien."

*(She decides to give him the usual hard time.)*

**Serena** "Hey, there's a bee on your back."

*(And she slaps his back, right on the hidden wound!)*

**Darien** "Ow!"

**Serena** "It's gone now."

**Darien** "Thank you. I hate bees. Appreciate it, Meatball Head."

**Serena** "Ooh...stop calling me that! I get enough from your friend Raye. I don't need it from you, too."

*(She gives him both the pink eye and the raspberry.)*

**Darien** "Okay, I won't say it anymore. Hey, I gotta get going. See ya around, Serena."

*(His attitude's changed. This takes Serena by surprise.)*

**Serena** "What? No way. Darien was actually nice to me."

*(Then she notices her hand, the one she had slapped Darien with.)*

**Serena** "What's this?"

*(There's red on her palm.)*

**Serena** "Hey, this looks like BLOOD?"

*(Oh my!)*

**Serena** "He's hurt. Must be bad."

*(Something's not right.)*

**Serena** "He's not himself. I better follow him and see if he's all right."

---

*(Five o'clock is approaching. Darien is in an alley.)*

**Darien** "Maybe I should see a doctor. I need all the strength I can get against Zoisite."

*(A hand reaches behind him and grabs his healthy shoulder.)*

**Serena** "Hey!"

*(Daraian reflexively turns and readies his hand for a karate chop.)*

**Serena** "AAAH!"

**Darien** "Why are you following me?!"

**Serena** "Cool your jets, would ya?!"

**Darien** "Sorry. You just surprised me."

**Serena** "Well, you don't need to go ballistic, Darien. I just was worried about you, that's all."

**Darien** "What for?"

**Serena** "Cause you're bleeding, and I doubt it happened in karate class. Am I right?"

**Darien** "Why do you care, anyway?"

**Serena** "Cause...you're Raye's friend."

**Darien** "Just leave me alone."

**Serena** "Ooh..."

**Darien** "It's not serious."

*(He walks away.)*

**Serena** "Not serious? Ha! As if. You know...I got a C+ at First Aid! I can tell!"

*(She goes after him.)*

**Serena** "Ooh. Would you? I-I'm gonna find out what that guy's up to."

---

*(Darien continues toward Starlight Tower. From a high floor in the tower, Zoisite watches.)*

**Zoisite** "Right on time."

*(Just then, a strange field surrounds Darien.)*

**Darien** "What's happening?"

*(He hears someone behind him.)*

**Serena** "Darien, what's going on?"

*(Serena had followed him!)*

**Darien** "Huh? Huh? Serena, you've gotta get outta here!"

**Serena** "Wish I could."

*(Then, both of them are transported to Starlight Tower.)*

---

*(Meanwhile, at Cherry Hill Temple, the girls are waiting for Serena.)*

**Raye** "That Serena's not a Sailor Scout, she's a Failure Scout."

**Amy** "Hey, I'm getting really worried."

**Lita** "Even for her, it's beyond late."

**Luna** "Yes, even with detention, she should've been here by now."

*(Raye asks Amy...)*

**Raye** "You try her on the communicator?"

**Amy** "I did, and I got nothing but static."

*(Suddenly, a girl asks...)*

**Voice** "Is this the Sailor Scout meeting?"

*(The girls turn.)*

**Amy** "Huh?"

**Raye** "Huh?"

*(It's Sailor Venus in her real form.)*

**Mina** "I AM in the right place."

**Raye** "Who are you?"

**Artemis** "Don't tell me you forgot a handsome cat like me."

**Mina** "I'm Mina."

*(Then Amy recognizes the face.)*

**Amy** "Sailor Venus, is that you? You look different."

**Mina** "We all do in real life. I didn't recognize you at first."

**Artemis** "Let's get to it. If your friend Sailor Moon's real name's Serena, she's probably in a heap of trouble."

**Mina** "Looks to me like you guys were arguing 'cause she hasn't shown up yet, and...she hasn't...called...or anything?"

*(Raye shakes her head.)*

**Luna** "Serena can be a major flake, but this time, I've got a really bad feeling."

*(Mina turns and starts to walk away.)*

**Lita** "Hey, where are you going?"

**Mina** "We passed the Starlight Tower and got bad vibes. We should check it out. You guys coming?"

**Amy, Raye, & Lita** "Uh huh."

**Mina** "Let's go!"

-----  
*(On a floor high in Starlight Tower, Zoisite awaits her visitor. Darien and Serena soon appear, but Serena had fainted in the transit and is unconscious.)*

**Zoisite** "Hm hm. Hello, Darien. Hope you enjoyed the ride. I hope you've held up your end of the bargain. I've brought all five of our Rainbow Crystals."

*(She sets them down on the floor between them.)*

**Zoisite** "I'll show you mine. Now, you show me yours."

*(Darien has one condition.)*

**Darien** "No matter what, you let the girl go."

**Zoisite** "Don't worry. We have no interest in her."

**Darien** "All right. Here they are."

*(And he places his two Rainbow Crystals with the other five.)*

**Darien** "Ready when you are."

*(All seven Rainbow Crystals lay between Darien and Zoisite.)*

**Darien** "What are we waiting for?"

**Zoisite** "Ha ha ha ha."

*(Something's up.)*

**Darien** "What's so funny?!"

**Zoisite** "Humans. You never learn. You're such innocents."

*(Malachite appears.)*

**Darien** "You double-crossed me! What's he doing here?!"

*(He picks up the Rainbow Crystals.)*

**Malachite** "Someone's got to hold the crystals during your duel."

*(The crystals disappear in Malachite's hand.)*

**Darien** "Are you backing out on me?!"

**Zoisite** "No chance! We're having this duel! Don't you worry! I've been looking forward to this for a long while."

**Malachite** "Zoisite, remember our orders."

**Zoisite** "I will."

*(Darien pulls out a rose...)*

**Darien** "And what were THOSE?!"

*(...and throws it. Malachite disappears as it flies his way. It flies on and scratches Zoisite's face.)*

**Zoisite** "AAAH! MY FACE!"

*(This makes her VERY angry, and the screaming wakes up Serena. Though her vision is still blurry, she can still make out Zoisite and Darien.)*

**Darien** "I want those crystals back here now! Winner takes all, remember?"

*(Serena gets up and is puzzled by what she sees.)*

**Serena** "Hey, that's Zoisite. What's Darien doing arguing with her?"

**Darien** "Get 'em back here!"

*(Zoisite rubs the scratch on her cheek.)*

**Zoisite** "You hurt my face, and you're gonna pay for it."

*(She begins to disappear.)*

**Zoisite** "If you want those crystals..."

*(Now, only her voice remains.)*

**Zoisite** "...I'll be on the roof. You've got two minutes, and if you don't show, I'll assume you're no longer interested in the Rainbow Crystals."

*(This is totally weird.)*

**Serena** "What's happening? Did the Negaverse bring him here because of me?"

*(The room shrouds in fog.)*

**Zoisite** "Well, Darien, I hope you and your little friend are good runners."

*(Icicles form on the ceiling. They start to drop! Serena and Darien start running.)*

**Darien** "Hurry!"

**Serena** "This is so weird. I thought for sure they'd be after ME."

*(One particularly large icicle drops and breaks up the floor. Pieces crumble and fall down and spread out as a gaping hole begins to replace the floor.)*

**Serena** "OH! Someone get me outta here!"

**Darien** "Head for the elevator!"

----- **Commercial Break** -----

*(They reach the elevator, and Serena mashes the UP button repeatedly.)*

**Serena** "Aren't you supposed to take the stairs in emergencies?"

**Darien** "What stairs?"

*(The elevator opens.)*

**Darien** "Come on! Hurry!"

*(They get in as the last of the floor crumbles.)*

-----

**Serena** "Whew! Oh, that was close!"

**Darien** "Not over yet."

*(The inside of the elevator is covered with vines.)*

**Serena** "What's that? What's happening?"

*(The elevator door disappears, replaced by more vines. There's a jerk, then the elevator begins to climb.)*

**Darien** "Don't worry, Serena. I won't let anything happen to you!"

-----

*(Meanwhile, on the ground outside Skylight Tower, the other Sailor Scouts notice that there's evil in the air.)*

**Sailor Mars** "I don't see any way in, guys."

**Sailor Jupiter** "Mercury, can you do a computer scan?"

*(Sailor Mercury activates her VR visor. Looking up, she spots something. She zooms in.)*

**Sailor Mercury** "Serena's trapped in an elevator with Darien."

**Sailor Mars** "Can we get 'em out?"

*(Sailor Mercury looks ahead of her.)*

**Sailor Mercury** "I don't think so. Everything is sealed."

**Luna** "We've got to get into that building."

**Artemis** "That's right."

*(Sailor Jupiter tries something.)*

**Sailor Jupiter** "I call upon the great power of Jupiter. Help me bust into that building!"

*(She's charging up for...)*

**Sailor Jupiter** "**JUPITER THUNDER CRUSH!**"

*(The Jupiter Thunder blasts a door off its hinges.)*

**Sailor Jupiter** "Nothing like the direct approach. Ha!"

*(Well, it worked.)*

**Sailor Jupiter** "Hurry, before it's too late."

-----  
*(Zoisite makes a quick trip to Malachite's abode for final advice.)*

**Malachite** "Are you ready?"

**Zoisite** "Never been more ready for anything in my entire life. He's gonna pay for cutting my face."

**Malachite** "Revenge can be sweet. Just don't get carried away."

-----  
*(Inside the elevator...)*

**Serena** "Ooh, this elevator ride is taking so LONG! It's like slow torture. Darien, why are you after the Rainbow Crystals?"

*(Isn't that kind of private?)*

**Serena** "Oh, I'm sorry. Ha. I guess that's pretty nosy of me, huh?"

**Darien** "I wanna know who I am."

**Serena** "Huh?"

-----  
*(For the first time, we see Darien's whole story.)*

**Darien** "You see, my whole life, I've never known who I really am or where I come from. I mean, I'm not even sure my real name is Darien."

*(Serena listens intently as we flash back.)*

**Darien** "I was orphaned in a terrible car crash when I was really young."

*(His first memories were of being in a hospital.)*

**Doctor** "Complete amnesia. No memory whatsoever, and he doesn't have any known relatives, so we better arrange for an orphanage."

*(He's the only survivor of a car driving off a cliff, but the crash made him lose his memory.)*

**Young Darien** "Who am I?"  
"I don't...remember."

*(One name comes to his mind.)*

**Young Darien** "Darien? Darien. Is that my name?"

---

**Darien** "I lived at the orphanage 'til I could get a job. It never bothered me much 'til I kept having this recurring dream. There's this princess waiting for me. She keeps begging me to bring her this Imperium Silver Crystal. I think she can tell me who I am. What's weird is that, even though it's a dream, I feel as though I've met this girl. Pretty crazed, huh?"

*(The dreams have all been about the Moon Princess. What does he have to do with her?)*

*(Serena is very curious. She had never known Darien had such a strange past.)*

**Darien** "Anyway, thanks for listening, Meatball Head."

**Serena** "Don't start. Remember, you said you weren't gonna call me that anymore. Remember that?"

*(Darien turns.)*

**Serena** "You do remember?"

**Darien** "Of course."

**Serena** "Well, I'm glad you told me. Must be hard not knowing who you are."

**Darien** "I get clues."

*(Serena takes a close look at Darien. There's something awfully familiar about his face, and she's tempted the notion before.)*

**Serena** "Huh? He can't be Tuxedo Mask. No way. I'm just imagining things."

---

*(Malachite looks over the city.)*

**Malachite** "Soon, the Universe will be no more. Only the Negaverse will prevail. Hm hm hm hm."

*(He begins to summon dark powers. Every light in the city goes out.)*

-----  
*(At the same moment, the other Sailor Scouts are running up the stairs as fast as their legs can take them.)*

**Luna** "Hurry, girls!"

-----  
*(The entire city is taking on a dark, foreboding image. Evil energies are gathering at Starlight Tower. Soon, the Sailor Scouts find themselves in darkness.)*

**Sailor Mercury** "We can't stop!"

*(The energies begin to collect.)*

**Sailor Jupiter** "We've gotta hurry!"

**Sailor Venus** "I'm getting major Negavibes."

*(They become a swirl.)*

**Artemis** "This is getting ugly."

*(And soon, Starlight Tower takes on the image of something from the Negaverse.)*

-----  
*(Meanwhile, the elevator Serena and Darien are in comes to a stop.)*

**Serena** "Oh...we're stopping. Now what, Darien?"

-----  
*(Zoisite has a dark scheme.)*

**Zoisite** "Ha ha ha. Who cares what Beryl wants? I'm in charge of Tuxedo Mask's destiny now."

*(She juggles a fireball.)*

**Zoisite** "Too bad he's gonna have a little accident."

*(And she sends the fireball spiraling down the elevator shaft.)*

**Serena** "Darien! Look! Fire!"

*(This is trouble...majorly BIG trouble! And what's worse, Serena can't transform without revealing her identity!)*

**Serena** "Sailor Moon could get us outta this, but then Darien'll find out who I really am."

----- **Commercial Break** -----

*(Serena realizes that she has no choice. She either has to trust Darien to her identity or let Darien and herself fry.)*

**Serena**                    *"There's only one choice. No fun getting toasted."*  
                                  *"Oh...you're going down, Zoisite!"*

*(Darren turns. What's she saying?!)*

**Serena**                    **"MOON PRISM POWER!"**

*(Darren gasps.)*

**Darren**                    *"It's her! Serena's Sailor Moon!"*

---

*(Meanwhile, Zoisite watches as the fireball spirals down...and creates a fantastic explosion.)*

**Zoisite**                    *"Such a pity. Hm hm hm hm. I'll just tell Beryl it was an accident. She won't mind with all seven crystals."*

**Sailor Moon**            "HOLD IT!"

**Zoisite**                    *"Who's that?"*

*(She turns around. Sailor Moon and Darren are on the roof. Sailor Moon's quick feet had taken them safely past the flames.)*

**Sailor Moon**            *"Takes more than a measly fireball to get rid of Sailor Moon, you slimemeister! You should know that after all this time. I am Sailor Moon, enemy of the Negaverse, and that means YOU."*

**Zoisite**                    *"Ha ha. How ironic. It isn't you that I want, but your pal, Tuxedo Mask."*

**Sailor Moon**            *"Oh...Tuxedo Mask? Gimme a break. He's not even here, Zoisite."*

**Darren**                    *"Yes I am."*

**Sailor Moon**            *"No way."*

**Darren**                    *"I am Tuxedo Mask!"*

*(Though she doesn't want to, she turns.)*

**Sailor Moon**            *"You are?"*

*(He shows a rose.)*

**Darren**                    *"Mm hmm."*

**Sailor Moon**            *"He is Tuxedo Mask. I don't believe it."*

*(Sure enough, Darren transforms into Tuxedo Mask. Now, each knows the other's identity.)*

**Sailor Moon**            *"Of all the..."*  
*"Cranky old Darren my dream hunk? This is gonna take some adjusting to."*

**Tuxedo Mask**            *"You should get outta here, Sailor Moon. This fight doesn't concern you anymore."*

**Sailor Moon**            *"Course it concerns me, you kidding? If we stick together, we can beat 'em. Let's do it."*

**Tuxedo Mask** "Sailor Moon, I'VE got to earn those crystals."

**Sailor Moon** "I know, so you can find your princess."

**Tuxedo Mask** "Yeah."

**Zoisite** "So, Tuxedo Mask, you still interested in fighting for the Rainbow Crystals or not?"

**Tuxedo Mask** "You know I am, but you've got to guarantee a fair fight and Sailor Moon's safety first."

**Zoisite** "Of course. I wouldn't have it any other way."

*(Behind Sailor Moon and Tuxedo Mask, a glint can be seen. It's a sharp, deadly ice crystal!)*

**Zoisite** "Well, come on then. Ha ha. Let's get it over with."

**Tuxedo Mask** "You're on."

*(The ice crystal starts to float, then flies straight at Tuxedo Mask. Sailor Moon sees it...)*

**Sailor Moon** "WATCH OOOOOUUUUUT!"

*(...too late. It plunges into him.)*

**Sailor Moon** "NOOOO!"

*(SONG CUE: My Only Love)*

*(He drops to the ground.)*

**Sailor Moon** "TUXEDO MASK!"

**Tuxedo Mask** "It's up to you now to get the crystals."

*(She nods.)*

**Tuxedo Mask** "And...I want you to know that I've always been...on your side and always will be..."

*(His hand falls to the ground. He slips into unconsciousness.)*

**Sailor Moon** "Tuxedo Mask, no. Please don't go."

*(Just then, the other Sailor Scouts arrive.)*

**Sailor Venus** "That's Tuxedo Mask."

**Sailor Mars** "Yeah, but I think we're too late."

**Sailor Moon** "Dear Darien, you can't go. You can't."

*(And from that came the magic ingredient: her true love.)*

-----  
*(Malachite is looking over the Rainbow Crystals, when suddenly they fly away.)*  
-----

*(Back at the tower, the Rainbow Crystals, one by one, begin to join. Red...Indigo...Violet... Green... Yellow...Blue...)*

**Luna** "Oh! The crystals! They're becoming one!"

*(...and Orange. The Imperium Silver Crystal is reformed.)*

**Luna** "The Imperium Silver Crystal!"

*(Everyone just stands and watches this spectacle. Even Zoisite's mesmerized.)*

**Artemis** "What happens now?"

**Luna** "Don't know. Maybe the Princess will be revealed."

*(The crystal unites with the Crescent Moon Wand, and Sailor Moon, as if in a trance, stands up. Everyone realizes it immediately.)*

**Sailor Venus** "It's Sailor Moon!"

**Sailor Mercury** "SHE'S the Moon Princess!"

**Sailor Mars** "Who'd have thought?"

*(Then, the most astounding thing happens. She becomes dressed in royal garb. She is indeed the Moon Princess!)*

**Luna** "We've finally found her, Artemis."

**Artemis** "And about time."

**Serena** "Hm hm. Me, Serena, a princess? Now this is way past weird."

*(So, the secret is finally out, and the Imperium Silver Crystal is now in Princess Serena's control. What will happen next? The times ahead will become the most dangerous of the Sailor Scouts' young careers, and Serena must now fulfill her destiny. With the crystal in her possession, she can now face Queen Beryl herself, but the evil queen will not take this sitting down. Can Serena defeat Beryl, or is she just...**A Reluctant Princess?**)*
