Sailor Moon - Episode 35: "Ice Princess"

(Mina is with Serena at her house, watching a skating competition. Luna and Artemis are sitting in front of them watching as well. Currently on the ice is the greatest skating pair of the day: Janelle and Misha.)

Serena "So cool!"

Mina "Oh, wow. They sure are. I can see why they won the gold medal in the Winter Olympics."

Serena "Oh, amazing."

Mina "I wish I could do that."

(Serena gets up and does a pirouette. She promptly loses her balance and lends face first on top of the cats.)

Luna "Serena, please."

Artemis "Hey Luna, you think since she likes skating so much, maybe it's a sign her old princess self is emerging?"

(He and Luna recall the memories of a thousand years ago.)

Luna "Hmm, could be. Skating sure was popular back in the old days on the Moon."

Artemis "Yeah, and Princess Serena was one of the best."

Serena "What? Really? He ha ha. Hey, I'm not surprised. I'm just a grab-bag of the most amazing talents. Ha ha ha."

(Then why's your coordination so rusty?)

(Serena and Mina aren't the only ones watching the skaters.)

Malachite "Queen Beryl, I've learned ice skating was a popular sport during the Silver Millenium on the Moon."

Queen Beryl "Very interesting. And so you think you can lure Sailor Moon into a trap through skating. Is that it?"

Malachite "That's the plan, Queen Beryl."

Prince Darien "Here we go again. Using humans to do your dirty work for ya, huh? Ha ha."

Malachite "What's your point?"

Prince Darien "How about standing up and fighting your enemy face to face?"

Malachite "Shouldn't matter how I do it, as long as I get it done. I would've had the Silver Crystal a long time ago if it weren't for Sailor Moon's good luck."

Prince Darien "I don't believe in luck."

(The two growl at each other. This rivalry has been going on for a while.)

Queen Beryl "Down, boys. Down. Malachite, you better get on with your figure skating plan. Let's hope it works."

Malachite "It will."

(As Janelle and Misha practice...)

Misha "What's wrong with you, Janelle? Timing way off."

Janelle "Get a new partner, then."

(...they receive a visitor.)

Malachite "Janelle and Misha, you just got a new boss. As of now, you're working for the Negaverse."

(Uh oh...)

(A couple days later, a new ad goes out: a free lesson from Janelle and Misha at the new Skater's Palace skating rink. Every girl in town wants to go to the rink, including Serena and Mina.)

Luna "Oh, so this is the new skating rink."

Serena "Wow. Pretty amazing, huh? Today's the grand opening, and they've got Misha and Janelle giving free skating lessons. OH! I don't know if I can stand waiting to see this!"

Mina "Ditto!"

Raye "Yeah, but I don't see why you dragged me here?"

(Amy, ever studious, is reading a book.)

Amy "I should be studying for my Universal Statistical Analysis and Mathematical Theory exam."

Serena "Aw Amy, you'll ace it."

Mina "We've gotta have a group of five to get the free lessons. Come on, guys."

(Serena nods.)

Lita "That's a weird rule."

Raye "Why five?"

Serena "Forget that. Come on. Let's book it."

(Serena and Mina push the others on their way. Hmm...five...)

(Inside, the girls put on their outfits and lace on their skates.)

Amy "Wow, there's so many people."

Raye "Figure skating sure is popular."

Artemis "Watcha think, Luna? Like the old days, huh?"

Luna "Yes. Uh, where's Serena?"

(She's stumbling as she tries to put on her skates.)

Serena "Oh...um...wait for me. I'll be...right...there. AAAH!"

(She falls down a step.)

Serena "THESE SKATES MAKE ME CLUMSY!"

(It hard to believe that this clumsy loser is actually a princess.)

Luna "Oh, she's on her butt again."

Artemis "So, that's not unusual."

Amy "Oh, poor Serena."

Raye "She's unbelievably embarrassing."

(Cries are heard from the crowds.)

Mina "Janelle! Misha!"

Serena "Where? Where?!"

(Misha and Janelle take to the ice.)

Serena & Mina "AAAH! THERE THEY ARE!"

Serena "Oh, I can't believe they're here!"

(They both fall instantly head over heels over the stunning Misha.)

Serena & Mina "Oh Misha..."

(Raye and Amy are impressed, and Lita...)

Lita "What a hunk."

(Janelle and Misha round out their routine. Serena and Mina keep gawking, and many of the other girls are love-crazy, too.)

Janelle "Welcome to Skater's Palace, so it's time to slap on your skates and have a whole lot of fun."

Serena & Mina "They're wonderful!"

Janelle "It takes years and years to be good skater, but the first step is to just get on the ice."

(The girls (Serena & Mina included) are still wowing. Janelle points to Serena & Mina.)

Janelle "Oh, you two seem to be full of energy. Come on out here."

Serena & Mina "You mean US?"

Serena "Wait! I haven't gotten on my other skate."

Mina "What's up?"

Raye "What's up with you?"

Mina & Raye "Hurry up!"

Raye "Serena, you're always late."

Serena "Hurry. Oh, stop it, Raye."

Raye "Okay, guys. Let's go."

(They timidly get on the ice. Raye first, then Amy, then Mina...)

Mina "Serena..."

Lita "Serena..."

Serena "Y-yes?"

Lita "This isn't your first time skating. Is it, Serena?"

Serena "Oh Lita, what makes you say that? Don't worry. Artemis said I was a champion back on the Moon. It'll come back."

Lita "Oh...okay. Let's go."

(Lita enters the rink. The other girls are slowly learning to keep their balance on their skates, but Lita is already cruising.)

Amy "Look at Lita."

Raye "She's really good."

Serena "She's okay...I guess. Hey, I was good...in my old life...so I can be great."

(Serena finally steps onto the ice.)

Serena "Now, here goes nothing."

(She just slips around on the ice.)

Serena "Heeellp!"

(Whatever skill she had a thousand years ago is probably long gone now. Within seconds, she crashes onto the ice.)

Amy "Serena..."

Raye "We don't know her."

(This is majorly embarrassing.)

Serena "Oh, I don't get it."

(She gets up...and falls down again.)

Serena "I should be good."

(She tries again. She falls again. Luna and Artemis can't believe it.)

Artemis "Unbelievable."

(Luna adds the sarcastic touch.)

Luna "Oh yes. A real gold medal performance."

(Meanwhile, Lita shows surprising skill. Janelle and Misha are observing her very closely. Luna and Artemis are impressed, too., and it brings back another memory.)

Artemis "Remember, Luna. Princess Jupiter was a terrific skater, as good as Princess Serena."

(Why has Lita retained her skill while Serena's has faltered?)

Amy "She's amazing."

(Serena is still trying to keep her footing on the ice, unsuccessfully. All the girls are impressed with Lita's performance, but Lita herself can't figure out how she had been able to do it.)

Lita "Where'd that come from?"

(It's odd. Serena has the knowledge but not the skill, while Lita has the skill but not the knowledge.)

Janelle "Very, very nice. Now, let's all get out here and skate."

(Lita hears someone clapping to her left.)

Lita "Huh?"

(She turns. Misha is applauding her, too, and rather personally. Elsewhere, the girls try to help Serena to stand on the ice.)

Mina "Serena..."

Amy "Try again."

Serena "I was supposed to be so great. What happened?"

(She falls again, taking the girls with her, but she's right: what happened?)

(In the control room, Janelle monitors all the girls on the ice. The cameras have been fitted with Negaverse scanners, so she can see if the girls match the profiles of the Sailor Scouts. So far, she hasn't had any luck.)

Janelle "No. Not her."

(Another girl.)

Janelle "No."

(Another... but she's interrupted.)

Janelle "Ah. Mister...Malachite."

Malachite "So, you think you can figure out who Sailor Moon is by her movements and athletic ability."

Janelle "Of course. You know, I have some experience since being gold medalist."

Malachite "Hmm... Well yes, that's right, but you've never seen her in person before, so be careful."

Janelle "Yes."

(The screens return to the views of the rink. She continues scanning.)

Janelle "No... No..."

(Then she notices something. It's Serena being helped by Amy and Mina.)

Janelle "Sailor Moon is supposed to be the very best warrior, but a little clumsy. She can't be as bad as this oaf."

(Amazing. Serena's extreme clumsiness has saved her from being revealed. But who is Janelle looking at now? It's Misha talking with Lita and Raye.)

Janelle "Misha..."

(On the ice...)

Misha "Beautiful skating. You want to skate with me?"

(Raye tries to take him herself...)

Raye "Oh, I'd love to. I'm so flattered you asked."

(...but his eyes are on Lita. He takes her hand and skates with her to center ice.)

Lita "He's so nice...and I love his hair. It's just like my old boyfriend Freddy's. No, it's a whole lot nicer than Freddy's 'cause Freddy dumped me."

(How many old boyfriends does Lita have?)

(Misha pulls her close.)

Lita "Oh Misha."

(But what's he really thinking?)

Misha "Hmm. This one has to be Sailor Moon."
"Ready to skate?"

(He tries to lift her up, but Lita, though slim, is very tall, and thus a bit heavy. He can't do it.)

Lita "I'm sorry. I'm too heavy, huh? Let's try something different."

(Also, Lita's very strong. She turns the tables and lifts HIM into the air. All the girls watch in awe.)

Mina "She just lifted Misha over her head."

Amy "No one in the world's EVER done that, have they?"

(It is rather remarkable, and Misha is among the most impressed.)

Misha "Incredible!"

(They continue to skate.)

Misha "Amazing."

(However, there's one person who isn't impressed. In fact, she's downright angry!)

Janelle "Misha, how could you do this to me?! I knew you were looking for new partner, but this amazon?!"

(She speaks over the public announcement system.)

Janelle "Attention please. Your lesson is all over for today. Could you please leave rink immediately? Thanks for lovely afternoon."

(This takes everyone by surprise, including Misha.)

Serena "Come on, guys."

Raye "Why so soon?"

(Lita, of course, is very reluctant to go.)

Lita "Well, I guess I have to go. Bye, Misha."

(But he stops her.)

Lita "Huh?"

Misha "You can't leave. You're the best...truly the best partner ever."

Lita "Partner?"

(Considering what has been happening earlier, this doesn't look like a good sign.)

----- **Commercial Break** -----

(All the girls are leaving the rink.)

Artemis "Hey! Over here!"

(Only Amy, Mina, and Raye show up.)

Luna "Where are Serena and Lita?"

Mina "Misha asked Lita to stay. She's getting a special class just with him."

Raye "Oh, how lucky."

(But what about Serena? Amy turns around.)

Amy "Huh? Hey, what happened to Serena? I thought she was right behind us."

Raye "Huh? Lightning Serena strikes again."

(Suddenly, all the doors to the rink slam closed, and all the security shutters drop in place. This is very disturbing!)

Mina "This is way weird!"

Raye "What's going on?"

Amy "Do you guys think that this could possibly be another Negaverse trap?"

(As for Serena, she's still inside the rink. She's now sneaking around.)

Serena "I'm not leaving here. Not 'til I get my skating lessons."

(Janelle is watching a particular monitor VERY closely.)

Janelle "That OAF! Who she think she is skating with MY Misha?! Misha! Traitor!"

(And she punches the screen. Her fist goes right through the monitor. Outside, Serena sneaks her way near the control room. She's right next to the door when, suddenly, the door flies open and smashes into Serena. Fortunately for her, it also hides her. Janelle storms out, and Serena recovers from the hit, though her voice is a bit tinny at first.)

Serena "OW! That hurt. Huh?"

(She looks inside the control room.)

Serena "What's this?"

(Sparks are flying, but one monitor remains clear. It shows Lita and Misha, as well as the scanner's findings: a positive match for Sailor Jupiter!)

Serena "That's Lita!"

(The control equipment is about to blow! She gets out of the room just in time.)

Serena "AAH! What's going OOOON?!"

(On the ice...)

Misha "Such a graceful, natural skater. She *MUST* be Sailor Moon. A pity we have to destroy her."

Lita "He's so hunky."

(Suddenly...)

Janelle "Misha!"

(Lita and Misha turn. Janelle has stepped onto the ice, and she's not very happy.)

Janelle "Misha! I guess we really ARE finished! Well, you're gonna be sorry you ever skated with me, pal. THIS IS GOODBYE!"

(Her eyes are flashing red.)

Misha "Janelle..."

(Something weird is about to happen. Lita stands in front of Misha.)

Lita "You'd better get outta here."

(Misha pushes her aside.)

Misha "Get out of the way! Janelle, don't be jealous. This girl was pretty good. I thought she might be Sailor Moon."

Lita "Huh?"

(Too late. Janelle transforms into a Negamonster!)

Janelle "LIAR!"

Misha "Look. You can see for herself. Her abilities are first-rate, but there's no way she could replace you. Come, Janelle. You're still my partner."

(The talk of Sailor Moon as well as Janelle's transformation make Lita totally confused.)

Lita "Misha, what are you talking about?"

Janelle "You're lying! You'll pay for this!"

(Janelle finishes her transformation.)

Janelle "Your spotlight just went out!"

Lita "Oh no!"

Misha "Stop, Janelle!"

(Janelle charges at them, then jumps.)

Janelle "Here's my triple axel with a KICK!"

(She flashes her leg out and kicks Lita and Misha. Misha just gets knocked down, but Lita is sent sliding to the boards.)

Lita "Ow!"

Misha "Janelle..."

Janelle "Yes, Misha. Misha, my partner."

(Misha's eyes begin to flash, too.)

Misha "You still got that killer instinct."

(When they touch hands, Misha transforms into a Negamonster, too.)

Lita "Oh no! They're from the Negaverse!"

(The transformation is complete. They laugh evilly.)

Janelle & Misha "We've got every move down! We're the best around!"

Janelle "Misha."

Misha "Janelle."

Janelle & Misha "We're going for the gold! A perfect ten! We're an invincible team, the likes you've never seen!"

(Lita is in trouble.)

Lita "Oh no!"

(Janelle & Misha charge Lita and jump.)

Janelle & Misha "Ha ha ha ha ha! Let the games begin, starting now! HAH!"

(They land a twin jump kick that sends Lita into the stands. Serena arrives at the same moment and sees the situation.)

Serena "Oh, Lita. Don't worry. **MOON PRISM POWER!**"

(Serena summons the power of her Moon Prism Locket and transforms into Sailor Moon, Champion of Justice. Down below, the Negaverse skaters consider Lita's fate.)

Janelle "I'll finish her now."

Misha "As you like."

Sailor Moon "You degrade your talents by helping the Negaverse!"

(They turn to see Sailor Moon high in the stands.)

Sailor Moon "I'm Sailor Moon, Champion of Justice, and if you don't know what I'm about, on behalf of the Moon, I'll show you! HAH!"

Janelle "Sailor Moon?"

Misha "So YOU'RE the one."

Janelle & Misha "Give us the Imperium Silver Crystal!"

Sailor Moon "Get a life."

(She jumps onto the ice, her boots becoming ice skates.)

Sailor Moon "AH! CHARGE!"

(Oops. She stumbles. We'd forgotten that she had lost her skill. Big mistake.)

Janelle & Misha "Thought she was supposed to be a good skater."

Sailor Moon "Why can't I skate?! I've turned into Sailor Moon!"

Janelle & Misha "Sailor Moon, prepare yourself."

(Jeannelle produces blades on her arms.)

Misha "Ready?"

Janelle "The Death Spiral."

(Misha spins and sends Janelle skating at high speed towards Sailor Moon. Janelle aims her blade arm, but who's this? Tuxedo Mask has entered the ice.)

Janelle "Ready?"

(She throws her blade, but Tuxedo Mask takes Sailor Moon away before the blade can reach her.)

Janelle "Missed."

Sailor Moon "Huh?"

(She then looks at her savior.)

Sailor Moon "Tuxedo Mask! You've rescued me again."

Tuxedo Mask "Not exactly. I just don't think it's fair they mix up Negaverse business with innocent humans..."

Sailor Moon "What?"

Tuxedo Mask "...so I'm shutting this stupid sideshow down. Then, I'll be back for your Crystal."

Sailor Moon "Oh no. OH!"

(Janelle and Misha are nearby, with an evil look on their faces.)

Misha "So, how about little competition, you two?"

Janelle "We hear you were pretty good in your day."

Tuxedo Mask "And what makes you think you can beat us?"

Sailor Moon "Oh no. We don't wanna do this."

Misha "Let's find out."

Janelle "Yeah. See if you've still got any edge."

(They charge.)

Sailor Moon "Uh oh."

Janelle & Misha "**DOUBLE SPIN MEGAKICK!**"

(It looks like this twin jumpkick is gonna be a major headache!)

Tuxedo Mask "JUMP!"

Sailor Moon "Huh, what?"

Tuxedo Mask "Here goes."

(He throws her into the air! Amazingly, she goes into a spin!)

Sailor Moon "OH! Look, Tuxedo! I can skate again!"

(Janelle's and Misha's kicks miss low. Sailor Moon struggles, but she manages to land and stay on her skates. Her skill's coming back!)

Sailor Moon "Easier said than done."

Janelle & Misha "Hah! Not for long!"

(They charge her again.)

Tuxedo Mask "Quick! Jump higher!"

Sailor Moon "I'll be shishkabob if I don't."

(Janelle and Misha both produce arm blades. The situation brings out more of Sailor Moon's ability.)

Sailor Moon "Oh! Here goes."

(She jumps and goes into another spin, sailing over their heads and landing behind them. She makes a better landing, too.)

Sailor Moon "All right! Oh, I sure nailed that one! This is way, way cool!"

Tuxedo Mask "Very smooth move, Sailor Moon."

Sailor Moon "Ha ha! Thanks!"

(Janelle and Misha charge again, this time spinning low with a skate extended.)

Janelle & Misha "**TRIPLE SPIN KICK!**"

(The attack catches Sailor Moon and Tuxedo Mask off-guard, sending them into the boards. Janelle and Misha jump for the final blow.)

Janelle & Misha "You're ancient history!"

----- **Commercial Break** -----

Janelle & Misha "Prepare to fight! Hah! Get up, losers!"

Sailor Jupiter "**JUPITER THUNDER CRUSH!**"

(This catches Janelle and Misha off-guard. Lita had regained consciousness, seen the situation, and transformed into Sailor Jupiter.)

Sailor Moon "Sailor Jupiter!"

Sailor Jupiter "Some gold medalists. It must have been fool's gold."

(The attack has given the evil skaters a literal shock.)

Misha "I'll get you."

(Then more help arrives. Sailors Mercury, Mars, and Venus drop from an opening in the roof.)

Sailor Moon "Scouts, glad you're here."

(Malachite, seeing things turning against him, appears himself to take control of the situation.)

Malachite "Nice to see you scouts again, one last time. And Prince Darien, if you'd only minded your own business, we'd have that crystal!"

(A giant orb has been planted in the rink's ceiling. Malachite now activates it. The orb begins to glow. Two giant ventilators lower and begin to blow freezing air on everybody.)

Sailor Mars "It's freezing!"

Sailor Mercury "It's so cold!"

(Janelle and Misha are caught in it, too. Ice begins to form on the boards and ceiling of the rink.)

Malachite "Ha ha ha ha. Two minute warning, then you're all getting iced, and then, I'll be coming back for the Silver Crystal. So long, Scouts. Prince Darien, can't say I'm gonna miss you."

(He disappears.)

Tuxedo Mask "Malachite!"

(The cold air is starting to affect everyone.)

Sailor Venus "I can't stand it anymore. Oh no."

(Tuxedo Mask tries one last effort.)

Tuxedo Mask "Gotta stop it."

(He takes his walking stick and throws it at the orb. It hits the orb dead-on, which shatters and explodes. With the orb gone, the ventilators stop.)

Sailor Mercury "It's stopped."

Sailor Mars "It's over."

(Janelle and Misha had just gotten up again, and they are furious!)

Sailor Jupiter "Sailor Moon, that's your cue."

Sailor Moon "Huh? Oh, right."

(She readies the Crescent Moon Wand...)

Sailor Moon "**MOON HEALING ACTIVATION!**"

(...and transforms Janelle and Misha back to normal.)

Misha "Janelle."

Janelle "Misha."

(With the Negaverse out of their lives, their relationship reflourishes.)

Sailor Moon "Hey. Where's Tuxedo Mask? Where'd he go? Have you guys seen him?"

(Gone again.)

(Lita is taking Misha and Janelle's reconciled relationship hard. That night, the others try to get her out of her melancholy.)

Serena "Hey, Lita."

Mina "Are you okay?"

Lita "Yeah, I'm fine. I guess it just wasn't meant to be, but hey. I'm cool. Uh...uh, I'll find myself another guy, and..."

(A guy in a black leather jacket passes by them. Lita is over Misha in an instant.)

Lita "What a hunk! He reminds me of Freddy. That hair. Those eyes. 'Tray cool, don't you think?"

(Every guy's hair reminds Lita of Freddy. This is nuts!)

Serena "Not again."
