

## TRANSCRIPT FOR

### Sailor Moon - Episode 37: *"Tuxedo Unmasked"*

*(Some time ago, Andrew's girlfriend Rita had carried a Rainbow Crystal, and it had put her in grave danger. She's now on an archeological expedition in Africa.)*

**Rita** "Sure is hot today."

*(She's taking notes about the dig when someone approaches her.)*

**Prince Darien** "Hello, Rita."

*(It seems that her troubles aren't over.)*

**Rita** "Who are you? How do you know my name?"

**Prince Darien** "I'm Prince Darien, from the Negaverse. And now, I'm going to take you back to Queen Beryl, you and the other six Rainbow Crystal carriers, too."

**Rita** "What are you talking about?"

**Prince Darien** "You'll find out, soon as you're back in the Negaverse."

*(What's he doing with the Dark Crystal?)*

**Rita** "Negaverse? What? What are you doing to me? HEEELLLP!"

*(Oh no! Rita is being sucked into the Dark Crystal! She disappears inside.)*

**Prince Darien** "Four down. Three to go."

*(Rita. "Game Machine" Joe. The priest. And Hercules the cat! They're all trapped in the Dark Crystal! Darien comments on Hercules's predicament.)*

**Prince Darien** "Nice comeback for the seventh Shadow."

-----  
*(One evening in winter, Amy receives a phone call.)*

**Amy** "Hello. Anderson residence."

*(A familiar voice answers.)*

**Greg** "Hey, Amy? That you? It's me, Greg."

**Amy** "Greg, where are you? You sound so close."

**Greg** "Yeah, I'm just here for the weekend with my folks."

**Amy** "Hey, why don't you come over?"

**Greg** "I can't, Amy, but listen. Turn on your TV, okay?"

*(She turns it on. A special news report is on the air. On the screen is a picture of...Peggy Jones!)*

**News Reporter** "If you have any information, contact the police immediately."

**Greg** "That's Peggy Jones. The artist? She's one of the carriers of those Rainbow Crystals, and she's missing, Amy."

**Amy** "Missing? You mean like kidnapped?"

*(Prince Darien's struck again! Now he has five of them. Greg is one of the only two left.)*

---

**Greg** "Uh huh. They're after me, too. I had a vision about it. The Negaverse is trying to round up the seven Crystal carriers."

*(A side effect of having had a Rainbow Crystal in him, Greg is a clairvoyant, able to see the future. Apart from the other Sailor Scouts, only he knows Sailor Mercury's real identity.)*

**Amy** "Where are you? I'll get my friends and we'll come and protect you."

**Greg** "Thanks, Ame, but it's fate. I'll just have to try and keep outrunning them or something. Bye."

**Amy** "No, wait. Don't hang up. Greg..."

*(But he hangs up. He doesn't want her involved. As he walks away, Greg can sense Darien's presence.)*

**Greg** "I can feel you searching for me, but I won't let you find me. I just hope that Amy can save the others."

*(Greg walks away, but he passes Lita on the way. He walks on, but Lita notices.)*

**Lita** "Hey, wait. That was Greg."

*(By the time she turns around, though, he has already disappeared into the crowd. Lita is thinking of following him when her communicator beeps.)*

**Lita** "Hmm. Yeah, hi. This is Lita."

*(It's Luna.)*

**Luna** "Hey, Lita. We're at the temple. We need you to come over here A.S.A.P."

**Lita** "Got it."

*(As Lita rushes to Cherry Hill Temple, the special report is read again.)*

**News Reporter** "To update, Peggy Jones, formerly known as Lonni Lanai, is missing. The discovery was made..."

---

*(What DOES the Negaverse want with the crystal carriers? Malachite wants to know, too.)*

**Malachite** "I've been trying to figure something out, my queen. If the Rainbow Crystal carriers were defeated, why are you trying to gather them again? They're useless now."

*(Apparently, Queen Beryl knows something that Malachite doesn't.)*

**Queen Beryl** "But that's not true, Malachite. They'll be very useful, perhaps. Even more useful than you. Once we have all of them trapped inside the Dark Crystal, we'll have one more chance to bring back their powers."

**Malachite** "But I thought Sailor Moon, uh, had destroyed the seven warriors with her Moon Wand."

*(Here comes the kicker.)*

**Queen Beryl** "HAH! We can still harness their powers. Once the Seven Shadows are reunited in the crystal, they will meld into one mighty warrior, known as the Invincible Shadow."

*(This does NOT look good.)*

**Queen Beryl** "The Sailor Scouts won't have a chance against the Invincible One, and finally, I'll be rid of them."

**Malachite** "Impressive, your majesty, but uh...why'd you send Prince Darien on such an important mission?"

*(Jealousy? It's unbecoming of Malachite.)*

**Queen Beryl** "Instead of you, you mean? Is that it, Malachite? You question me...like Zoisite?"

*(Gulp.)*

-----  
*(Cherry Hill Temple. While Grandpa and his assistant, Chad, shovel snow, the Sailor Scouts are having an emergency meeting in Raye's house.)*

**Mina** "So Greg's back in town, and he thinks the Negaverse is after him?"

**Amy** "Yes, he had a vision about it."

**Artemis** "Wonder what they're up to. The Negaverse knows something we don't. Why else would they be going after Greg and the others all over again?"

*(Lita gets up. She was never much for talk.)*

**Lita** "What are you waiting for? Let's go."

**Amy** "Where? Greg wouldn't... He refused to even tell me where he was calling from."

*(Lita helps Amy.)*

**Lita** "I think I saw him before you called. He-he's probably wandering around downtown somewhere."

*(She leaves a word of advice to the others.)*

**Lita** "Grandpa's probably next. Better watch him, Raye."

*(Suddenly, Serena starts crying for no apparent reason.)*

**Luna** "Serena, why the water works?"

*(She had been reading one of Raye's comics. Must be a sad part.)*

**Serena** "The cutester died. Poor guy is really King Rad!"

**Raye** "Huh? Thanks for runing it! I haven't read that one yet!"

**Serena** "Then you won't mind if I keep it."

**Raye** "No way, Serena! Give it back!"

*(The two start wrestling for possession.)*

**Raye** "It's brand new!"

*(The others have seen this once too often.)*

**Luna** "Give it a rest."

**Artemis** "Wish they cared about the Negaverse as much."

-----  
*(Speaking of which, downtown...)*

**Darien** "I sense it. The sixth Shadow's close by."

*(He sees Greg crossing a street.)*

**Darien** "Right on time."

*(He goes for it.)*

**Darien** "Hello, Greg."

**Greg** "Sorry. You must have mistaken me for someone else."

**Darien** "Oh, come on. Don't play innocent. It's pointless."

**Greg** "I really don't know what you're talking about."

**Darien** "I thought you were supposed to be so smart. Some kind of fortune teller with visions of the future? Now, come on. Tell me, Greg. What reason could I have for talking to you?"

*(Only one, and Greg knows it.)*

**Greg** "You want to...you wanna...you wanna take me back to the Negaverse with all the others."

**Darien** "You got it, Greg, so you must know there's just really no point in fighting me."

**Greg** "Oh, I don't have to fight you, you Negaverse lackey. The way I see it, I get away from you without exchanging a blow."

**Darien** "Don't insult me, boy."

**Greg** "Your shades are blinding you, geek."

**Darien** "Huh?"

**Greg** "SOMEONE HELP ME! STOP THIS GUY! HELP!"

*(The people on the street crowd on Darien, preventing him from moving. In the confusion, Greg makes his getaway. Darien makes his way through the crowd after him.)*

---

*(Elsewhere downtown...)*

**Amy** "Hold on, Lita. Maybe we should head back. We've been all over the city, and still no sign of him."

**Lita** "I don't believe this. I mean, the guy's practically your boyfriend, right, Ames?"

*(Lita's tendency for directness reflects even in conversation...)*

**Amy** "Where did you get that nutsoid idea? Greg and I are just good friends."

*(...and she has a knack for sensing when her friends have problems.)*

**Lita** "Ever heard of that river in Egypt: D-Nile?"

*(As in denial.)*

**Amy** "No way, Lita. Besides, I don't have time for a boyfriend with my schoolwork and computer class and being a Sailor Scout."

**Lita** "Come on, Amy. Sailor Scouts get to have fun, too."

*(It's getting dark. The street lamps go on.)*

**Lita** "Anyway, I think you're just looking for an excuse. You're just scared 'cause you like him so much. You-you keep him at a distance. You never let him know that you really go for him. This is your chance to let him know how you really feel."

**Amy** "I would never have the nerve."

*(Someone is holding up a missing cat sign. News of Hercules's disappearance is spreading, too, but Amy sees someone else sneaking through the crowd: Greg!)*

**Amy** "No way."

**Lita** "Well then, we'll just have to figure out another way to get you guys together."

*(Amy isn't listening. She's heading after Greg. Lita calls out and stops her.)*

**Lita** "Amy, where are you going? Amy, wait up. Come back."

**Amy** "I saw Greg!"

*(Lita runs after her.)*

**Lita** "What? Where was he?"

*(She points to the crowd.)*

**Amy** "There!"

**Lita** "Huh? He must have gone this way."

-----  
*(Greg heads down an alley. He looks back...)*

**Greg** "I can't let that creep catch me."

*(...then looks forward and sees two people at the other end of the alley.)*

**Greg** "Who's there?"

*(Fortunately, It's Sailor Mercury and Sailor Jupiter.)*

**Greg** "Sailor Mercury!"

**Sailor Mercury** "You expected someone else?"

**Sailor Jupiter** "You're pretty hard to track down, you know that?"

**Prince Darien** "Ha ha ha. Are these your bodyguards now? This should be fun."

*(Darien jumps down. The odd thing is he isn't fighting as Tuxedo Mask. Instead, he wears his suit of armor.)*

**Mercury & Jupiter** "Hey, that's Darien!"

**Prince Darien** "Correction: Prince Darien, Champion of the Negaverse. Now out of my way, if you wanna stay healthy. It's not you I want, girls. It's your friend."

----- **Commercial Break** -----

**Prince Darien** "Run along, Sailor Scouts, if you know what's good for you."

**Sailor Jupiter** "Sailor Mercury, get Greg outta here."

**Sailor Mercury** "Huh?"

**Sailor Jupiter** "I wanna teach this guy a lesson."

**Sailor Mercury** "No, you go. I'll fight him."

**Sailor Jupiter** "No. It would really be better if YOU go 'cause of what we talked about."

**Sailor Mercury** "But..."

**Sailor Jupiter** "Now get lost."

**Sailor Mercury** "Okay, but be careful. I'll call for help."

*(She runs away with Greg.)*

**Sailor Jupiter** "All right, traitor. You ready to rumble? No way we're letting you capture Greg. We know what you're up to, pal. This is the end of the line."

**Prince Darien** "You think you can stop me...without all your little girlfriends? Think again."

**Sailor Jupiter** "We'll see about that, Darien. **JUPITER THUNDER CRUSH!**"

*(Darien easily dodges the anticipated blast.)*

**Prince Darien** "That's your best shot?"

---

*(On the run, Sailor Mercury calls for backup.)*

**Sailor Mercury** "This is Sailor Mercury. Somebody please come in."

*(Mina answers with Luna and Artemis.)*

**Luna** "We hear you, Mercury. You in trouble?"

---

*(Raye and Serena, by the way, are in a tug-of-war over the comic book.)*

**Sailor Mercury** "You could say that. Greg and I are okay, but Sailor Jupiter's duking it out with Prince Darien."

*(The mention of Darien snaps Raye back to reality.)*

**Raye** "Huh? What'd she just say?"

**Mina** "Prince Darien? Uh, don't you mean Tuxedo Mask?"

*(When Raye had let go, Serena had fallen back and hit her head on the desk. She's out of it for the moment.)*

**Sailor Mercury** "No, this is definitely Darien, and get this: he says he's the Champion of the Negaverse. Some brainwashing, huh?"

**Luna** "Did you hear that?"

*(Serena is just regaining consciousness, but she heard Luna and Sailor Mercury.)*

**Serena** "Uh huh. I wish I hadn't, though."

*(She heads out, dizzy.)*

**Serena** "Oh, I've gotta get my wand. Catch ya later."

---

*(Her Jupiter Thunder not working, Sailor Jupiter decides on a more direct approach. Though she's quick with her chops, Darien is even quicker. He tops it off by blocking her last punch with his hand.)*

**Prince Darien** "Very impressive. You didn't land a single punch."

**Sailor Jupiter** "I was just warming up, hotshot."

**Prince Darien** "That's as good an excuse as any. Now it's my turn. You better take some notes 'cause you're gonna get beaten and beaten badly."

*(Darien makes his moves, but Sailor Jupiter is quick, too. However, she backs up a little too much.)*

**Prince Darien** "Careful."

*(She backs into a trash can and falls over. Quickly getting up, she backs against the wall.)*

**Prince Darien** "I'm warmed up now. Still wanna rumble?"

**Sailor Jupiter** "You don't scare me."

*(Darien throws a powerful punch...that he stops an inch from her face. Sailor Jupiter hadn't flinched.)*

**Prince Darien** "Ha. You've got guts, Jupiter...but it takes more than guts to beat the Negaverse. Give up now. You'll never win."

*(And he disappears.)*

**Sailor Jupiter** "Traitor."

---

*(Downtown, Greg stops Sailor Mercury.)*

**Greg** "Sailor Mercury..."

**Sailor Mercury** "Huh?"

**Greg** "Hold on a sec."

*(He turns in a different direction.)*

**Greg** "This way. Let's hide in that amusement park."

---

*(In another part of the busy streets, Serena is complaining.)*

**Serena** "Oh, it's freezing, Luna. I wanna go home to bed."

**Luna** "Stop the high whine, would you, Serena? We've got to find Sailor Jupiter now."

**Serena** "Then we get to have some cocoa?"

*(She slips on an icy spot and lands on her butt.)*

**Serena** "AAAH! Waaah!"

*(Sailor Jupiter finds them.)*

**Sailor Jupiter** "Serena, are you all right?"

**Luna** "Jupiter?! What happened?! Where's Darien?!"

**Sailor Jupiter** "He got away, but Greg sure was right. Prince Darien's hot on his trail."

**Luna** "Where'd they go?"

**Sailor Jupiter** "Don't know. Someplace safe, probably."

---

*(At the amusement park, which is closed for the evening...)*

**Sailor Mercury** "Greg, I don't like it here. It's too deserted."

**Greg** "Yeah, but I've always wanted to come here with you...on a date..."

**Sailor Mercury** "You have? Really?"

**Greg** "...but I was too scared that you'd turn me down, Amy, and...I was afraid it would ruin our friendship."

**Sailor Mercury** "This is so weird, Greg, 'cause I felt the same way for ages."

**Greg** "We've really got lousy timing, Amy. You've got to go. I've put you in too much danger already. I'll make some kind o' deal with these Negaverse guys. I won't let them take me until they promise not to hurt you."

*(He's willing to sacrifice himself for her. How noble.)*

**Sailor Mercury** "That's really sweet of you, but I can't let you do that for me. I'd miss you way too much, more than I do now. Anyhow, sacrifice is very noble, but it isn't always the best answer. You've got to think it through."

**Greg** "You...think so?"

**Sailor Mercury** "For sure. I mean, it's almost like giving up or running away because you're too scared to face the consequences if you DO stick it out. That's why I always ran away from you. I was scared of getting hurt, so I just pretended I was more interested in everything else I had to do, but I don't want to give this up. We've got to fight, Greg."

**Prince Darien** "Yoo hoo."

*(The lights on the ferris wheel behind them light up.)*

**Prince Darien** "That's good, Mercury, 'cause a fight's exactly what you're gonna get."

*(And standing at the hub of the wheel...is Prince Darien.)*

**Sailor Mercury** "That's Prince Darien. How did he find us in here?"

---

*(Meanwhile, not far from the amusement park...)*

**Sailor Jupiter** "Hey! Look over there!"

*(They see the lights on the ferris wheel.)*

**Serena** "Park's supposed to be closed."

**Luna** "Let's go check it out."

**Serena & Jupiter** "Right!"

-----  
(Back at the ferris wheel, Prince Darien jumps down and confronts Greg and Sailor Mercury face to face.)

**Sailor Mercury** "You traitor! I can't believe you let the Negaverse turn you against us! YOU'RE the enemy!"

**Prince Darien** "So glad we got that straight, Mercury. Now, please, back off. I really have no desire to hurt you, okay? It's your boyfriend I'm after, not you."

**Sailor Mercury** "Never! **MERCURY BUBBLES BLAST!**"

(But Darien sees through the fog.)

**Prince Darien** "You really think you can stop me with those silly bubbles? HAH!"

(He activates the Dark Crystal...and starts to pull Greg in!)

**Sailor Mercury** "GREG! NO!"

**Greg** "AAAH! STAY BACK, MERCURY!"

(He becomes trapped in the Crystal.)

**Sailor Mercury** "LET HIM GO, DARIEN!"

**Prince Darien** "Not a chance."

----- **Commercial Break** -----

**Prince Darien** "So long, Mercury."

**Sailor Mercury** "Why do you want him? Let him go. You can't turn those people against us anymore. They don't have any crystals for you. I'm warning you, Darien. Let Greg and the rest of them go."

**Prince Darien** "HAH! Idle threats. Both you and I know it. Now, there's only one left: that grandfather, but if you really wanna go for it, that's fine with me, Mercury. You'll lose, of course."

(She stands defiant. Darien takes it as a challenge and changes...into Tuxedo Mask!)

**Tuxedo Mask** "Hey. I thought you'd be glad to see your old friend, Tuxedo Mask, again."

(Who is he fooling?)

**Sailor Mercury** "He's not the Tuxedo Mask who was the Sailor Scouts' trusted friend."  
"MERCURY BUBBLES BLAST!"

(Tuxedo Mask deflects the bubbles with his cane.)

**Tuxedo Mask** "Hah! Same tired old tricks."

(But don't underestimate her. She had this planned. While he's busy, she snatches the Dark Crystal!)

**Tuxedo Mask** "HEY! QUEEN BERYL'S CRYSTAL!"

**Sailor Mercury** "Dangerous to underestimate your enemy. Beryl's a lousy teacher. Now, I'm going to set these people free."

*(Sailor Mercury throws the Crystal to the ground and shatters it. All the captured carriers are freed. As if this weren't bad enough for Tuxedo Mask, Sailor Moon and Sailor Jupiter choose this moment to enter the scene. Sailor Mercury reports the good news.)*

**Sailor Mercury** "They're free!"

**Sailor Jupiter** "So I see."

**Sailor Moon** "Oh wow!"

**Sailor Jupiter** "How'd you get the crystal? Y-You did it all alone? Just you against him?"

**Sailor Mercury** "I guess all Luna's training finally paid off."

*(Sailor Moon then sees the six people unconscious on the ground.)*

**Sailor Moon** "Hey. These are the Rainbow Crystal carriers. Are they okay?"

**Sailor Mercury** "I hope so. Prince...uh, Tuxedo Mask was trying to capture them all again."

**Tuxedo Mask** "I still will, but first, I'm getting rid of you Scouts."

**Sailor Moon** "You wanna bet? You picked the wrong enemy. I am Sailor Moon, Champion of Justice, and on behalf of the Moon, I will right wrongs and triumph over evil, and that means you."

*(The other Scouts get down to business.)*

**Sailor Jupiter** "**JUPITER THUNDER CRUSH!**"

**Sailor Mercury** "**MERCURY BUBBLES BLAST!**"

*(The double-team attack connects to paralyze Tuxedo mask.)*

**Luna** "SAILOR MOON! USE YOUR MOON WAND!"

**Sailor Moon** "I'm on it, Luna."

*(It's something she had wanted to do for a long time. She readies the wand.)*

**Sailor Moon** "**MOON HEALING ACTIVATION!**"

*(The wand's enhanced power starts to have an effect on Tuxedo Mask.)*

**Tuxedo Mask** "What's happening? I feel so strange."

*(Slowly, flashbacks of events Queen Beryl had erased from his mind start to come back to him.)*

**Tuxedo Mask** "Where are all these images coming from?"

**Luna** "It's working, Sailor Moon! Don't give up. Just a bit more."

*(Sailor Moon gives it a little more power. It works!)*

**Tuxedo Mask** "NO! LET ME GO!"

*(Soon, Tuxedo Mask turns back into...plain old Darien.)*

**Sailor Jupiter** "You did it, Sailor Moon! It's the old Darien!"

**Sailor Mercury** "It's really him."

*(Sailor Moon feels faint. She falls to her knees.)*

**Luna** "Way to go, Sailor Moon!"

*(But the moment doesn't last. Soon, dark forces surround Darien and pull him back into the Negaverse!)*

**Sailor Jupiter** "He's gone!"

**Luna** "It's Beryl."

**Sailor Mercury** "I really thought we'd gotten him back."

**Sailor Moon** "No. Not again."

-----  
*(Queen Beryl had managed to summon Darien back, but now she has to put him through the memory eraser again.)*

**Queen Beryl** "That Sailor Moon. What a nuisance. Now, all those flashbacks have to be erased, but there's bound to be some setbacks. Or does it matter? Because once I win him to my side for good, nothing will stop us. We'll be invincible."

-----  
*(The next day, Amy and Greg decide to go to the amusement park together. Serena and company tag along. The thing is, Amy and Greg have been on the ferris wheel a LONG time.)*

**Amy** "Want to go around one more time?"

**Greg** "Uh, sure."

*(Back on the ground...)*

**Serena** "How long are they gonna ride that thing? And who does she think she is? This is so totally rude leaving us here standing and waiting. I'm completely starved."

**Mina** "Whatever you said to her, Lita, must've really worked."

**Serena** "What?"

**Raye** "What's the matter, Serena? You'd think you're jealous or something."

**Serena** "Stuff it, stinge-face."

*(Fortunately, Lita interrupts before it goes ballistic.)*

**Lita** "Hey, come on, you guys. Don't start. Let's just be happy for Amy, okay?"

**Serena** "Come on."

**Mina** "Yeah. One day, you guys'll have boyfriends, too."

**Raye** "Serena? Not a chance!"

**Serena** "Oh, look who's talking, wallflower."

**Raye** "You're sure hung onto Tuxedo Mask a long time."

*(Love makes people do strange things. Let's consider these a few of them.)*
