### Sailor Moon - Episode 42: *“So You Want to be in Pictures”*

*(Serena is walking down the street when...)*

**Serena** “Hey, there's Darien.”

*(If she hadn't known the truth about Darien, she would've scoffed him off for being totally insulting. However, since her Sailor Scout memories have been reinstated, she knows it all.)*

**Serena** “Hey!”

*(Next thing he knows, Serena is right next to him.)*

**Serena** “Miss me, big guy?”

*(Serena latches onto Darien's arm. The problem is, Serena knows, but Darien doesn't. As far as he's concerned, she's just a Meatball Head.)*

**Darien** “Woah! You scared me!”

**Serena** “Oh come on, Darien. You don't have to be like that around me.”

*(Darien is feeling embarrassed.)*

**Darien** “Oh, how come you know my name, but I don't know yours?”

**Serena** “Oh okay, if you want to be that way. My name is Serena, and you and I were meant to be together.”

**Darien** “He he. This girl is a total wacko.”

**Serena** “Huh? Darien. You really don't remember me, do you?”  
“I guess...I-I've got my memories back, but he doesn't.”

*(This is a low blow to Serena.)*

**Serena** “That means he doesn't remember anything about us.”

*(Saddened, she clutches his arm even tighter. Meanwhile, Ann is across the street when she notices Darien. She goes mushy.)*

**Ann** “Oh hey, it's that hunkmeister I saw the other day.”

*(She tries to cross over, but ends up trapped in the middle of the street, cars whizzing in front of and behind her.)*

**Ann** “Ah! Serena, hang on to that guy for me, will ya?!”

**Serena** “Oh hi, Ann.”

**Darien** “Woah. Another wacky girl. What's going on?”

*(He frees his arm and takes off. Wait a sec. Where's Ann?)*

**Darien** “No offense, but I've got to get to work now.”

*(Serena would've followed, but Ann, having just crossed, grabs her wrist and stops her.)*

**Ann** "WHY'D YOU LET HIM GO?! I NEARLY GOT KILLED TRYING TO GET OVER HERE!  
OH!"

**Serena** "Will you let go of my wrist right now?!"

*(Ann lets go. Serena turns around.)*

**Ann** "So, his name's Darien. Thank you, Serena."

*(She shouts down the street.)*

**Ann** "Hey Darien, my name's Ann."

*(But he's nowhere to be seen.)*

**Serena** "Hey Ann, what are you up to? Darien is mine!"

**Ann** "Oh, so Darien's YOUR boyfriend."

**Serena** "Well...not exactly."

**Ann** "THEN, he's not yours at all, is he? He's up for grabs. I'll make him mine forever by piercing his heart with my love arrow. He won't be able to resist me."

*(Serena is terribly frustrated.)*

**Serena** "As if!"

-----  
*(In Serena's bedroom, Luna and Artemis discuss another serious matter.)*

**Luna** "This new threat really creeps me out. I think it's too much for Sailor Moon to handle alone."

**Artemis** "Yeah, but the other Sailor Scouts are living peaceful, normal lives. Do we really have to drag them into this, Luna?"

*(Luna turns.)*

**Luna** "Well..."

*(Serena has just walked in. She's majorly bummed.)*

**Serena** "Major drag. Darien doesn't remember a thing about me. It's like we never existed."

*(Luna jumps from the dresser to the bed.)*

**Luna** "Don't worry, Serena. He'll probably be getting his memories back really soon, and so will the Sailor Scouts."

*(At the mention of the Scouts...)*

**Serena** "What? Why?! You don't trust me?"

*(Serena spins her volleyball on her finger.)*

**Serena** "I can protect the earth all by myself."

*(She tosses the ball up.)*

**Serena** "Don't you believe me? Look look. Big Serena, little Earth."

*(She catches it when it comes down.)*

**Serena** "Relax, guys. I got it covered."

**Artemis** "Well..."

*(Artemis jumps from the chair to the bed.)*

**Artemis** "You know, you're right, Serena. You really whipped Queen Beryl into shape, so we should have total confidence in you, right?"

**Serena** "That's right. Leave everything in my capable hands. The world won't have a thing to worry about."

*(She lofts the volleyball into the air and slams it in an overhead serve. It ricochets off the wall...and returns right on her face, knocking her down.)*

**Luna** "Still feel totally confident, Artemis?"

**Artemis** "Did I say that?"

-----  
*(In the secret room that houses the Doom Tree...)*

**Alien Alan** "Something's happening with the Doom Tree. The leaves are withering. I don't like this. We're feeding the thing enough energy."

*(Ann appears in her human guise.)*

**Ann** "Yoo hoo. Hi, Alan. You won't believe the day I've had."

*(She jumps and lands next to Alan, reverting to alien form in midair.)*

**Alien Ann** "Hey, how about some energy, huh?"

**Alien Alan** "Ann, look for yourself. The Doom Tree. It's in trouble."

*(Ann gasps.)*

**Alien Ann** "Don't be so negative, Alan."

**Alien Alan** "I'm not. It's obviously not doing so well. We need to find new human energy for it."

**Alien Ann** "That's easily rectified."

*(They both laugh. Alan pulls out his Cardian deck.)*

**Alien Alan** "Okay, Ann. Let's hunt us up some humans. Pick a Cardian, any Cardian."

**Alien Ann** "Oh, okay."

*(Ann tosses her choice into the air.)*

**Alien Alan** "Ah, Cardian Minotaur."

*(He commands the Cardian...)*

**Alien Alan** "Come forth! We require your services."

---

*(At Metro Studios, prospects for a movie role are being considered.)*

**Casting Director** "Now, I'll show you possibilities for the role of Perry Ladsmith's sister."

*(The casting director has been around town, taking pictures of prospects. He begins by showing a slide of Molly and Serena. He points to Serena, who had just gotten spiked by the volleyball...)*

**Casting Director** "Not her, but..."

*(...then at Molly.)*

**Casting Director** "...this girl."

**Producer #1** "Hmm. She might do."

*(The next slide is of Lita in a defensive stance.)*

**Producer #1** "I think not quite right."

*(Next: Mina sniffing a flower.)*

**Producer #2** "She's close."

*(The next is of Amy picking up a fallen book.)*

**Producer #2** "Hair may be too short."

*(And finally, there's a picture of Raye at the temple. What a strange coincidence. All the Sailor Scouts (save Serena) have been picked, as well as Molly.)*

**Producer #1** "Why don't we just hold a general audition and pick one?"

**Producer #2** "Fine. Schedule it for tomorrow."

**Casting Director** "Yes, sir."

*(Ann and Alan appear in the back of the room, hidden by the darkness. They converse telepathically.)*

**Alien Ann** "Whaddy think o' THOSE girls?"

**Alien Alan** "Good possibilities..."  
"...for stealing energy from, that is."

*(The lights come on. As the casting director gets up, he sees Ann and Alan.)*

**Casting Director** "Hey! Who are you?! This room is for staff only! You're not allowed to be in here!"

*(Ann approaches.)*

**Alien Ann** "Oh, we weren't aware of that. We're so sorry."

*(Her eyes glow. The entire room shakes, and the producers and casting director drop unconscious.)*

**Alien Alan** "Ha ha ha ha. And so the feast begins, my dear, but don't ruin your appetite on these old geezers when we've still got the main course: all those vibrant teenagers."

**Alien Ann** "Let's just skip the appetizers and move right on to the main course."

*(They both laugh.)*

-----  
*(Serena can't believe it!)*

**Serena** "AH! WHAT?! YOU'RE GONNA BE IN A MOVIE?!"

*(Molly had just told Serena the news.)*

**Molly** "Shh! Keep it down, Serena."

**Serena** "Oh..."

*(Molly sits at her desk.)*

**Molly** "I don't know for sure yet. The casting director just called and asked if I could come down for an audition this afternoon."

**Serena** "Hmm. Uh, how great."

**Molly** "Hey, Serena?"

**Serena** "Yeah, Moll?"

**Molly** "I'd feel a whole lot more comfortable if you'd come with me today."

**Serena** "Oh, I think there's a chance I could fit it in."

*(Molly is overjoyed. She stands up and takes Serena's hand in gratitude.)*

**Molly** "Oh, can you? Oh, you're such a good friend, Serena."

*(Serena laughs. Of course, she won't pass up the opportunity to steal the spotlight.)*

**Serena** "And while I'm there, maybe I can swing MYSELF an audition. Naturally, I'll be chosen and become the hottest new megastar."

*(She oohs and laughs as she daydreams.)*

-----  
*(Later, the prospects start arriving at the studio. Lita is at the gate.)*

**Lita** "Wow, Metro Studios! This is exciting!"

*(Then Amy arrives.)*

**Amy** "Hi, Lita."

**Lita** "Hey, the school genius got an audition, too. I didn't know you were interested in this kind of thing, Amy."

**Amy** "Well, I'm not really, but the casting director talked me into it. I think I might forget about it, though."

**Lita** "Huh? Oh well. Might as well give it a try."

*(Then Mina and Raye arrive. Since Mina and Raye go to different schools, they don't recognize Lita and Amy.)*

**Mina** "Uh, excuse me. Uh, are you two here for the audition?"

*(Amy nods.)*

**Lita** "Yes, we are."

**Raye** "Then why don't we all go in together? Movie studios are supposed to be mazes, and I wouldn't wanna get lost."

*(Raye then remembers her manners.)*

**Raye** "Oh, sorry. I should introduce myself. My name is Raye."

**Lita** "Oh, hi. My name is Lita."

**Amy** "And my name is Amy."

**Mina** "And hey, my name is Mina, and it sure is nice to meet all you guys."

**Raye, Lita, & Amy** "Nice to meet you."

*(As all four look at each other, something clicks in their minds.)*

**Raye** "Huh? I have this weird feeling that I've met you before."

**Amy** "I...don't think...so."

**Mina** "Strange. I feel like you...guys are...familiar, too."

**Lita** "It's way weird, but I got this d.j... vu flash, too."

-----  
*(Serena (carrying Luna) and Molly had arrived earlier and are at the auditioning studio, but Serena has a little problem.)*

**Serena** "Are you sure you can't let me in?"

**Guard** "No, miss. Only those being auditioned are allowed."

**Serena** "But...please, can't you make a teeny-weeny-weeny-weeny little exception?"

**Guard** "Absolutely not. Now please, wait outside."

**Molly** "Sorry, Serena."

*(As Molly walks inside, the others arrive at the door. Serena and Luna are surprised.)*

**Serena** "It's the Scouts."

*(The guard turns around and indicates the door.)*

**Guard** "Hi, girls. If you were called for the audition, you can wait in this room here."

*(They walk in as Serena mentally notes...)*

**Serena** "Raye...Mina...Lita...Amy... Oh...I sure miss 'em."

-----  
*(Molly and the others wait inside. Soon, someone walks in. There's a very odd look in his eyes.)*

**Director** "Sorry to keep you...waiting, but let's go ahead and get started right now."

*(Amy stands up.)*

**Amy** "Um, excuse me, sir. I think I'd like to drop out of the audition today."

*(The director opens the curtain. Behind is a very strange set. All the girls gasp.)*

**Mina** "I didn't know this was a sci-fi flick."

**Molly** "What a cool set."

*(On top of a column...are Ann and Alan in their true forms!)*

**Alien Alan** "It's what my planet now looks like. You're in for more surprises."

*(The girls gasp again.)*

----- **Commercial Break** -----

**Amy** "Oh, excuse me. I'm sorry, but I'm not interested in auditioning for a science fiction film. I think I'll just leave now, but thank you anyway."

*(As Amy begins to walk away...)*

**Alien Alan** "You have to stay."

*(He begins to play his flute.)*

**Alien Ann** "Minotaur, come forth!"

*(She throws the Cardian into the air, and Minotaur emerges.)*

**Minotaur** "Minotaur! AAH!"

**Mina** "Awesome special effects."

**Lita** "Yeah. If I didn't know better, I'd think...that was real."

*(Minotaur jumps and blocks Amy's exit.)*

**Amy** "I think it IS real! AAAH!"

**Alien Alan** "Go to work, Minotaur. Steal their energy, all of it, right now!"

*(On no! Major trouble! Minotaur roars.)*

**Amy** "Run! This way!"

*(They all make tracks.)*

**Alien Ann** "Alan...there's no need to scare them silly. Let's just steal their energy."

**Alien Alan** "Oh, get serious, Ann. This is the fun part, okay? It's like music to my ears."

*(Ann coughs in disgust.)*

**Alien Ann** "Yeah, if you're tone deaf. I'm outta here. I'll find a quick hit of energy on my own."

*(She changes to her human guise.)*

**Ann** "Hmph."

-----  
*(Meanwhile, Serena is trying to find her way out. She discovers that she's back where she started.)*

**Serena** "Oh no."

*(Luna is frustrated.)*

**Luna** "We're just walking around in circles."

**Serena** "Uh...oh, stop complaining. It's hard to find the way out of here. It's like we're in a maze...or something."

**Luna** "Oh, just admit it. You're totally lost."

*(The studio door opens, and Ann steps out.)*

**Serena** "Oh..."

**Ann** "Oh hey, Serena. So, wh-what are you doing here, I wonder?"

**Serena** "Oh ha ha. Forget about ME. What about YOU?"

**Ann** "That's really none of your lousy business!"

**Serena** "Hah!"

*(This rivalry between Serena and Ann is getting very hostile.)*

**Serena** "None of yours, either!"

*(Someone runs past them, carrying assorted equipment.)*

**Darien** "Oh, sorry, girls. I'm in a major hurry."

*(Both of them recognize the voice.)*

**Serena** "That sounded like..."

**Ann** "Darien?"

**Serena** "Oh, of course! I knew it was Darien."

**Ann** "So, I guess this place must be where he works, then."

**Serena** "I'm gonna follow him."

**Ann** "Not without me, you're not."

*(They both take off after him...)*

**Serena** "Darien?"

*(...leaving a terribly frustrated Luna behind.)*

**Luna** "D'oh. That girl. She's so easily distracted."

*(Then, she notices black smoke emerging from the open door. At the same time, she feels bad vibes. She looks inside.)*

**Luna** "What's this strange power I'm feeling?"

---

*(Molly and the others are still running, Minotaur right behind them.)*

**Mina** "Hurry!"

*(Alan is pleased with himself.)*

**Amy** "We've got to find a way out of this place!"

**Lita** "But how? Where's the exit?"

*(Molly is getting exhausted.)*

**Molly** "I...can't run anymore."

*(She collapses. Amazingly, as Amy and Mina help her up, Raye and Lita take defensive positions in front of her.)*

**Raye** "I feel this strong urge to do something other than run around in circles."

**Lita** "We've got no choice but to fight!"

*(Raye throws her purse at Minotaur, then pulls out a spell scroll from the temple.)*

**Raye** "Maybe an evil charm will work on this creep. It's worth a try. I banish you monster, NOW!"

*(It stuns Minotaur momentarily, long enough for Lita to grab her arm and throw her into a column, causing rubble to fall on her. This is amazing! They've still got some of the Sailor Scout fighting instinct in them.)*

**Luna** "They're really something. They fight against evil even when they're not warriors."

---

*(Meanwhile, Ann is weakening.)*

**Ann** "How could I lose Darien? It's 'cause of lack of energy. I've gotta do something FAST; find some energy...before I totally fade."

---

*(Ann drains the energy from an actress in her dressing room.)*

**Ann** "Don't worry. You'll be okay. Just have a little snooze, and you'll be fine."

*(She chuckles.)*

---

*(Back at the set, Minotaur's horns extend, busting through the rubble. She emerges, and boy, is she angry!)*

**Raye** "Man, what kind of a creature is this?"

**Minotaur** "No one beats a minotaur!"

*(She's got eyes on Molly!)*

**Raye** "Watch out!"

**Molly** "Someone help me!"

*(Too late. Minotaur's horns extend and pin Molly to a wall. Then, Minotaur drains her energy.)*

**Molly** "AAAAAH!"

*(Luna decides to take action. She jumps at Minotaur, scratching her face. She screams, and her horns retreat. Molly drops to the ground, unconscious.)*

**Alien Alan** "What's going on?"

---

*(Meanwhile, Serena is back at the door to the auditions.)*

**Serena** "Oh, don't tell me I'm lost again."

*(Noticing the door open, she looks inside.)*

**Serena** "Hello. I-I wonder. Are the auditions finished yet? Uh..."

*(She walks inside.)*

-----  
(Meanwhile, on the set.)

**Lita** "Come on! What are you guys waiting for? This is our only chance to get away."

**Amy** "You're right."

(They try to carry Molly out. Up on the column...)

**Alien Alan** "Oh, where can that Ann be anyway? All right, Minotaur. It's up to you now."

(Minotaur roars as she prepares for another attack. Alan disappears.)

**Luna** "Oh boy. This thing is strong. What can I do?"

(She realizes...)

**Luna** "There's no other choice. I've got to turn them back into Sailor Scouts."

(But then...)

**Serena** "What a weird movie set."

(It's Serena. What timing!)

**Luna** "Serena!"

**Serena** "Hmm? Luna? Luna, what?!"

**Luna** "It's about time. Transform yourself now!"

**Serena** "Wha...hey, tell me what's going on in here first."

**Luna** "There's no time. Quick!"

**Serena** "Okay. **MOON PRISM POWER!**"

(Serena summons the power of her Moon Prism Locket and transforms into Sailor Moon, Champion of Justice. Meanwhile, the others face a problem.)

**Lita** "Dead end."

(They're trapped.)

**Sailor Moon** "Hey, bull-face! Yeah, you with the horns!"

(Sailor Moon is atop one of the ruins.)

**Sailor Moon** "I really don't know what you're up to, pal, but I'm here to stop you. Understand?"

(A frustrated Luna adds the sarcastic touch.)

**Luna** "Smooth opening line, Serena."

**Sailor Moon** "I stand for love and justice, and live to dump trash like you!"

*(Minotaur growls.)*

**Sailor Moon** "On behalf of the Moon, I'll punish you!"

**Minotaur** "Not likely."

*(She extends her horns, but Sailor Moon vacates the spot.)*

**Lita** "Poor girl."

**Mina** "This seems so familiar to me, but I don't know why."

**Sailor Moon** "Relax, bonehead. I'll make you normal again."

*(She thinks it's a transformed human. But then, Sailor Moon realizes that she can't summon the Crescent Moon Wand!)*

**Sailor Moon** "The Moon Crescent Wand! I lost it!"

*(It must have happened after the fight with Queen Beryl. Minotaur wastes no time. Sailor Moon has to dodge left and right to avoid becoming shishkebab.)*

**Raye** "This is nuts! Why are we standing here?! We've gotta help her beat this thing!"

*(Where did that come from?)*

**Raye** "Huh? What am I talking about?"

**Luna** "Raye..."

*(Sailor memories are resurfacing.)*

**Luna** "It's coming back to them as they watch Sailor Moon fight. Oh, she's getting fried!"

*(Luna's right. Meanwhile, Minotaur has Sailor Moon pinned to a wall and is draining her energy.)*

----- **Commercial Break** -----

**Sailor Moon** "AAAAAH! I'm losing energy..."

*(Minotaur lifts Sailor Moon by the horns in triumph.)*

**Minotaur** "You're mine! End o' the line, Moon girl!"

*(Luna has to do something. She rushes to the other girls.)*

**Luna** "Quick! You girls have to help Sailor Moon!"

*(The sight of Luna talking shocks them at first.)*

**Mina** "That cat talked!"

**Amy** "What did you say?"

**Luna** "Oh, I hope you won't regret this, but you girls have just got to help Sailor Moon."

**Amy** "How can we?"

**Luna** "The Luna Mind Meld, of course."

*(As she did with Serena, Luna links minds with the others and shares her memories. Their own memories slowly come back to them.)*

**Raye** "Queen Beryl and the Negaverse! We fought her alongside Sailor Moon."

**Lita** "No, Princess Serena. I remember. We're all warriors sworn to protect her."

**Amy** "Right. So let's get to it, huh?"  
"MERCURY POWER TRANSFORM!"

**Raye** "MARS POWER TRANSFORM!"

**Lita** "JUPITER POWER TRANSFORM!"

**Mina** "VENUS POWER TRANSFORM!"

**All Four** "SCOUT POWER!"

*(Their memories revived, they transform into Sailor Mercury, Sailor Mars, Sailor Jupiter, and Sailor Venus. As Minotaur finishes the last of the drain...)*

**Sailor Mercury** "MERCURY BUBBLES BLAST!"

*(Sailor Venus gets her down, while Sailor Jupiter sets up a shocker.)*

**Sailor Jupiter** "JUPITER THUNDER CRUSH!"

*(Sailor Mars and Sailor Venus prepare a deadly double team.)*

**Sailor Mars** "MARS FIRE..."

**Sailor Venus** "VENUS CRESCENT BEAM..."

*(They unite powers.)*

**Sailor Mars** "IGNITE!"

**Sailor Venus** "SMASH!"

*(The twin attack proves powerful enough to defeat Minotaur.)*

**Minotaur** "Help me..."

*(She becomes a card again, which fades to black. The images of Ann and Alan appear before the Scouts.)*

**Alien Alan** "Sailors, savor your victory."

**Alien Ann** "It won't last. See ya."

*(They disappear.)*

**Sailor Moon** "Hi, guys."

**Sailor Mars** "Hey, bet you're glad we're back to save your butt. Huh, Sailor Moon?"

**Sailor Jupiter** "It's good to be back."

---

*(All together again, they return to their normal Scout routines, such as meeting at Cherry Hill Temple.)*

**Mina** "Guess what, Amy? I heard they cancelled that movie because the director and the producers are in the hospital for exhaustion."

**Amy** "It was that Minotaur. It's no big deal for me 'cause I've got to get down to my studies."

*(Serena is laughing like a hyena, and Raye is getting annoyed.)*

**Raye** "That meatball-head Serena, braying like a donkey. We always have to bail her out of some mess."

**Luna** "Oh, it sounds like old times, doesn't it? I hope you girls don't mind I gave you back your memories."

**Lita** "Hey, I'll take being a Sailor Scout any day. Forget that boring, peaceful life. Fighting the Negaverse! That's the ticket! Huh, Scouts?"

*(They nod.)*

**Serena** "Oh ho. Oh, I'm so glad you guys are back."

**Luna** "Til she and Raye have their first fight."

**Serena** "Now, if I can just get Darien to remember me. Oh! Oh! I will. I will, I will, I will!"
