### Sailor Moon - Episode 47: *"Much Ado About Babysitting"*

*(Ann and Alan have a new plan to gather energy.)*

**Alien Alan** "So many babies, so full of energy, they don't even know what to do with it."

**Alien Ann** "It's perfect, Alan. All the energy we need with no fuss."

*(Alan pulls out the Cardians.)*

**Alien Alan** "So, Ann, pick a Cardian that'll zap the juice from those gurgling babes."

**Alien Ann** "Okay."

*(She picks.)*

-----  
*(On the roof of their apartment complex...)*

**Alien Alan** "Cardian Skullcur, I command you to arise!"

*(He plays his flute and summons Skullcur.)*

-----  
*(At a baby school and day care center, Mrs. Winston picks up her son, Jordan.)*

**Mrs. Winston** "Hey, big guy. Jordan, were you a good baby in school today?"

**Teacher** "Oh sure. Jordan's the best."

**Mrs. Winston** "But he didn't say any words, huh? Guess I'll have to be patient."

**Jordan** "Ba ba."

**Teacher** "Bye, sweetie. See you tomorrow. We're doing fingerpainting."

*(Serena and Amy pass by and see Mrs. Winston.)*

**Serena** "Look, it's Jordan."

**Amy** "From down the block."

*(Mrs Winston sees them.)*

**Mrs. Winston** "Oh, hello girls."

**Jordan** "Ba ba."

*(Suddenly, the sky turns red. Skullcur appears out of the sky.)*

**Serena** "What's going on?!"

**Amy** "I don't know!"

**Skullcur** "Your energy is mine now!"

*(Summoning dark magic, fine tendrils drift downward.)*

**Skullcur** "Give it to me!"

*(The tendrils wrap themselves around the babies and drain their energy. They also snag Mrs. Winston and the teachers.)*

**Amy** "Mrs. Winston!"

**Mrs. Winston** "So weak..."

*(Soon, everybody in the center is out cold. The tendrils retreat, and Skullcur disappears, laughing.)*

**Serena** "Oh Amy, look at 'em! They're not even moving! What are we gonna do? We've got to get them some help."

*(Jordan had been shielded from the draining by his mother, and now he crawls out from under her. Just then, Darien arrives at the center in a terrible hurry.)*

**Darien** "Hurry! Go call an ambulance!"

**Amy** "Right."

-----  
*(Ambulances rush Mrs. Winston, the teachers, and the babies to the hospital. Serena, Amy, and Darien ride along with Mrs. Winston and Jordan.)*

**Serena** "Everything's gonna be all right, you guys. We're almost there. Just hang on."

-----  
*(Meanwhile, in the secret room, Ann and Alan are delighted with their plan.)*

**Alien Alan** "Ha ha ha ha ha. You picked a good card, Ann. It worked like a charm."

**Alien Ann** "Ha ha ha. And there are so many babies in this town. The Doom Tree's gonna be very well fed."

**Alien Alan** "Yeah, but we gotta keep a low profile. These humans are oddly attached to their offspring, and we can't alert the Sailor Scouts."

-----  
*(At the hospital...)*

**Serena** "So what did the doctor say, Amy?"

**Amy** "Good news. The babies are going to be out in about a week."

*(What a relief.)*

**Serena** "Great! And how's Jordan?"

**Amy** "Jordan's totally fine, but Jordan's mom is in bad shape. She got it all in the attack and has to stay a while."

*(Then Amy gets to worse news.)*

**Amy** "Problem is, her husband's out of the country on a business trip, so there's no one to take care of Jordan."

**Serena** "Aw..."

**Amy** "They just moved here about a month ago, so they don't really know anybody to take care of him, and the nursery here is jammed with all the other kids, so they really need him out of here. Poor little guy has nowhere to go. My mom and I would take him, but she's taking off for a medical conference in Paris, France. I just wish I knew someone who could take care of him."

*(Darien thinks about it, and then...)*

**Darien** "I'll take care of him."

**Serena** "Huh?"

**Darien** "Tell the doctors it's taken care of."

*(Amy is concerned.)*

**Amy** "But Darien, are you sure you want the responsibility? I mean, taking care of babies is really hard work. You've got to watch him every minute."

*(Jordan cries when he drops his pacifier. Serena quickly picks it up and offers it to Jordan.)*

**Serena** "Oh, here you go. Got your binky."

**Amy** "You sure you know what you're getting into, taking him for a whole week? He could just cry all the time, you know? I'm sure he's not used to being away from his mother."

**Serena** "Here it is, sweetie."

*(He takes it for a second...)*

**Jordan** "Who's this goofball with the hair? Can't she see I'm hungry?"

*(...but then he spits out the pacifier and cries again.)*

**Serena** "Oh, poor Jordan needs a hug. Probably scared from all these tubes."

*(She picks him up.)*

**Serena** "I'm gonna take him to our place."

**Amy** "Yes right. You and a nine-month-old. You couldn't even take care of your goldfish."

**Serena** "Aw..."

*(Darien starts babysitting right away...)*

**Darien** "We'll have a good time, won't we?"  
**Serena** "Huh?"

*(...and it makes Serena blush.)*

**Darien** "Coo-cootchie cootchie coo."  
**Serena** "Oh..."

---

*(They take Jordan to Darien's apartment, a more sensible location. Jordan's crying again, so Darien puts up a mobile and shakes a rattle.)*

**Darien** "Hey, hey. You're a happy baby. Yes you are. You don't wanna cry anymore."

*(Darien makes a funny face, but Jordan continues to cry.)*

**Jordan** "Stop with the dumb faces and change my diaper."

*(Jordan stops crying for a second when he sees Serena.)*

**Serena** "I bet I can make Jordan smile."

*(Serena acts silly, and it works. Jordan laughs.)*

**Jordan** "She IS a goofball."

**Darien** "Okay, Meatball Head. You can make tracks anytime."

**Serena** "Huh?"

**Darien** "I'm the one who volunteered for this, so I don't want you to think you have to help."

*(He lays on the bed and lifts Jordan above him.)*

**Darien** "All right! We're flying!"

**Serena** "Oh, that's a relief. This babysitting business is major hard work."

**Darien** "Woo hoo!"

**Serena** "Wonder if Darien'll be in such a good mood after a three A.M. wake up call."

*(She sits down next to Darien. She leans on him as she daydreams.)*

**Serena** "Some day, I'll have my own happy family just like this..."

*(Then she realizes that she's acting a bit strange.)*

**Serena** "Huh?"  
"Oops."

*(She gets up.)*

**Serena** "Ha ha ha. So Darien, where do you keep your comic books? I'll read him a story."

*(Suddenly, Jordan starts crying again.)*

**Serena** "Hmm. Woah, he sure changes moods fast."

**Darien** "Maybe it's 'cause he's hungry. I'll fix him a bottle."

*(He had bought some baby supplies and had packed them in a bag. He pulls out a can of formula and a bottle, but Serena takes them away.)*

**Serena** "Hey, let me do that."

*(She tries. After spilling some of the formula, scalding her hand with the hot water machine, and turning on the tap water on a bit too hard, she manages to fix up a bottle.)*

**Serena** "Dinner is served."

*(Darien is shocked. Serena is a mess! She picks up Jordan and offers the bottle.)*

**Serena** "Here you go. A nice, warm bottle."

*(Jordan refuses.)*

**Serena** "No way. Nothing makes this kid happy."

**Darien** "Um, maybe you got the bottle a little too hot."

*(Serena tries it herself as Jordan wails.)*

**Jordan** "Where's my mommy? These people are totally clueless, and now the big goofball's stealing my milk!"

**Serena** "It's good. Wanna try some?"

*(Darien puts Jordan back down on the bed.)*

**Darien** "Well, guess he's not hungry."

**Serena** "Then what's wrong?! Has he got some kind of...disease? Maybe it's measles...or-or chicken pox or...or whooping cough or...or tropical flu. Oh..."

*(Typical of Serena to overreact.)*

**Darien** "Kill the hysterics and hand me a diaper, would ya?"

*(Oh...)*

**Darien** "It was his diaper he was trying to tell us about."

**Serena** "Can't be. We just changed his diaper at the hospital."

*(She changes the diaper.)*

**Jordan** "So whaddya expect? I'm on a liquid diet."

**Serena** "Okay, there you go. Nice and dry."

*(Jordan starts crying again.)*

**Serena** "Oh, now what? I just gave you a brand new diaper with baby powder and everything."

**Jordan** "Yeah, but now I'm hungry. You better not have polished off my whole dinner."

*(This is so frustrating.)*

**Serena** "Oh, I wish babies could talk. I don't know what to believe in!"

*(Darren offers the bottle.)*

**Darrien** "Maybe he's hungry, now that he's all dry. Here, pal."

*(Jordan takes the bottle.)*

**Jordan** "Finally. This pair's a real brain trust."

**Serena** "I don't get it, Darrien. This baby comes along, and you are sweet as peppermint. Then you see me, and you're Mister Sour Pickles."

**Darrien** "Just trying to survive Hurricane Serena."

**Serena** "Oh, that's so funny. Ha ha ha ha."

*(Then she thinks...)*

**Serena** "First a meatball, and now a hurricane. It's not very flattering."

*(Darrien continues to talk to Jordan.)*

**Darrien** "That's good milk, isn't it big guy? Keep that up, you'll grow big and strong."

*(He sits Jordan up and tries something.)*

**Darrien** "Milk is good for you, Jordan. Can you say 'milk' for me?"

**Jordan** "I'm not a trained seal."

*(Serena protests.)*

**Serena** "Oh, and here I thought you had half a brain, Darrien."

*(She picks Jordan up.)*

**Serena** "He's not old enough to talk. He's gotta learn to stand up first."

*(Serena stands Jordan up.)*

**Darrien** "Good, Jordan. Ooh, good. Now, walk to me. Oh yes..."

*(Jordan sits down.)*

**Serena** "Oh, here. Let's try again."

*(She stands Jordan up again.)*

**Serena** "There you go."

*(Jordan sits down again.)*

**Serena** "Oh..."

*(Now, Darien protests.)*

**Darien** "And you're not pushing him? Poor kid probably doesn't even know how to crawl, and you're making him walk to you. On second thought, maybe that's why he's staying put."

**Serena** "Hey! I'll bet my allowance for two weeks he walks before he talks! So there! Hmph."

**Darien** "Hmph. You're on, Meatball Head."

**Jordan** "Weirdos."

---

*(At dusk, Serena storms home.)*

**Serena** "OH! He is the most totally pompous, arrogant blowhard! I mean, who does he think he is?! And why did I ever THINK I liked him?! We have NOTHING in common! Nothing at all!"

*(She stops at a bridge and looks out over the water.)*

**Serena** "I know he hates me. He just won't come right out and say it 'cause he doesn't wanna hurt my feelings like that. Oh, what am I gonna do?"

*(She starts crying.)*

---

**Commercial Break**

*(The next morning, Luna wakes up and tries to wake up Serena.)*

**Luna** "All right. It's time to leave the sack, lazybones."

*(Only one problem: Serena isn't here.)*

**Luna** "Huh? Serena up before noon on a Sunday? Something must be terribly wrong."

---

*(Serena is with Darien again, pushing Jordan's stroller through downtown.)*

**Darien** "You really didn't need to come, Meatball Head."

*(Darien's arms are full with baby supplies.)*

**Serena** "Now how are you supposed to push the stroller with your arms full?"

**Darien** "Well, I just hope I bought enough to last 'til his mom's well."

*(Ann rounds the corner and sees Serena and Darien.)*

**Ann** "There's Darien and Serena..."

*(Then, noticing the stroller...)*

**Ann** "...and what are they doing with a baby stroller? He'd better be helping her babysit. That can't be his baby."

*(She's about to walk to them, but then Mina, Amy, and Lita walk by.)*

**Mina** "Aw, look at the cute little family. Aren't they adorable? You make such a nice couple."

*(That ticks Serena off.)*

**Serena** "I'll give ya a couple...of black eyes if you don't stop it, Mina. I'm just helping out!"

**Lita** "Don't have a coronary, Serena. Actually, we think it's really nice of you to take care of Jordan while Mrs. Winston's in the hospital."

**Mina** "...as long as you treat him better than your goldfish."

**Serena** "Ooh!"

*(Why did she have to bring up the subject? Amy approaches and passes on some info.)*

**Amy** "Hey Serena, Raye's going to be doing a fire reading up at the temple. She's trying to home in on this new Cardian. Meet us there, okay?"

**Serena** "I'll be there."

*(Ann, though out of earshot, watches.)*

-----  
*(Later, at Cherry Hill Temple...)*

**Raye** "I call upon you, great fire. Show us who this evil new Cardian is on the count of...5...4...3...2...1."

*(Skullcur's image appears in the fire.)*

**Amy** "That's the one!"

**Serena** "She put that weird spell on all those poor babies."

**Raye** "And she'll do it again. Seems like she's tuned in to baby energy. She's searching for more targets."

**Amy** "Is there any way we can stop her?"

**Raye** "Not unless she appears again. Now that I've tuned in to her energy, I can keep an eye out for her, but we'll still have to be really careful."

**Lita** "Got you, Raye."

**Mina** "Aren't you in luck, Serena? You've got an excuse to be with Darien."

**Serena** "You know what? Since this Jordan came along, I've seen a whole side to Darien I never knew he had."

**Lita** "But last week you said he was a cold-hearted, stuck-up dork."

**Serena** "Hey! I'm the only one who gets to talk about him that way. Catch ya later."

*(She leaves. Just then, Raye gets a vision.)*

**Raye** "Cardian's planning another attack. The Sailor Scouts are gonna have to be ready for her on a moment's notice."

**Mina, Amy, & Lita** "Right."

---

*(Darien pours another bottle of formula...)*

**Darien** "Hmm..."

*(...while Jordan has fun pulling out tissues from a box. Then the doorbell rings.)*

**Darien** "Come in."

*(It's Ann.)*

**Ann** "Hey, Darien. It's me. I heard you're on baby duty this week, and I thought I'd better see if you needed a hand with him. I'm really good with babies, you know?"

*(She kneels down and picks up Jordan to stop him from pulling out tissues.)*

**Ann** "Hey you, stop that."

*(Jordan cries in protest.)*

**Ann** "Yeah, I know you don't like it, but you can't go messing up Darien's nice, clean apartment, so it's time to shut up already."

*(Jordan stops for a second...)*

**Jordan** "That's not a nice thing to say. Boy, you're a rude one."

*(...then starts crying again.)*

**Ann** "I'm warning you."

*(Darien looks in.)*

**Darien** "Oh, I think he needs to be changed. Could you do it?"

**Ann** "Of course, Darien. I was just about to do that."

*(Ann changes Jordan's diaper.)*

**Ann** "There. All dry, so stop whining."

*(Jordan continues to wail, but he stops when Darien gives him the bottle.)*

**Ann** "Oh, he's just the cutest little munchkin, don't you think, Darien? If you need anything else, I'll be glad to help. I love babies, and they love me. Okay, there."

*(She picks up Jordan.)*

**Jordan** "What a phoney. Why can't he see through her?"

*(Just then, Serena walks in.)*

**Serena** "Hi, Darien. Door was open. Wanna take Jordan to the park?"

*(She instantly backs up when she sees Ann.)*

**Serena** "Oh..."

*(Then Ann storms out.)*

**Serena** "Hey Ann, what's wrong?"

**Darien** "Ann, wait. Don't go. Please, I don't want you to be mad."

*(Ann closes the door behind her. Serena gets the wrong impression and starts to cry.)*

**Serena** "You found someone else to help you with Jordan, haven't you? Fine. I'll take off. See ya 'round."

*(She turns to leave, but Darien stops her.)*

**Darien** "No, Serena. Don't you go, too."

*(Serena demands...)*

**Serena** "What's going on?"

**Darien** "Jordan threw up at her, and she got unglued."

**Serena** "What is she? Your girlfriend?"

**Darien** "Of course not. Why made you think that?"

**Serena** "You know, I don't care if she is. I've had it with the way you treat me! You can take care of Jordan by yourself! I'm outta here!"

*(Just then, Serena happens to look at Jordan. He's managed to stand himself up!)*

**Serena** "LOOK!"

*(Serena gasps. Darien turns to look...)*

**Darien** "Huh?"

**Serena** "Oh..."

*(...and gasps too.)*

**Darien** "He's standing up! Woah!"

*(Then, slowly but surely, Jordan takes his first steps!)*

**Serena** "Oh...oh..."

**Darien** "I don't believe it!"

*(Jordan is walking!)*

**Serena** "You owe me ten bucks, pal."

*(They can't believe it.)*

**Serena** "Oh yes! Look at him! Ooh..."

*(Jordan walks right up to the tissue box...and proceeds to pull out tissues again. Serena and Darien are overjoyed.)*

**Serena** "We did it! He walked, Darien!"

*(Just then, Amy walks in and sees the celebration.)*

**Amy** "Hey, what's going on?"

**Darien** "Huh?"

*(Hearing Amy, Serena and Darien stop.)*

**Amy** "I hope I'm not interrupting anything."

**Serena** "Amy, it was totally amazing! Jordan started to walk!"

*(Darien picks up Jordan.)*

**Darien** "Halfway across the room!"

*(Well, that IS cause to celebrate.)*

**Amy** "Wow, how great!"

*(Darien stands Jordan up on the floor.)*

**Darien** "Hey Jordan, why don't you show Amy how you can walk?"

**Serena** "Yeah, do it again, little guy. Come on."

*(However, Amy isn't here on a social call. She whispers in Serena's ear...)*

**Amy** "Serena, Sailor Scouts needed right away."

**Serena** "Huh?"

**Amy** "Raye's got new readings. The Cardian's on the move."

*(Uh oh. Quickly, Serena tells Darien...)*

**Serena** "Uh, sorry, Dar. We gotta book it. Ha ha."

**Darien** "What?"

**Serena** "Big report due for biology tomorrow."

*(Serena and Amy leave.)*

**Amy** "Bye, guys. Have fun."

*(Darren is puzzled.)*

**Darrien** "Huh..."

**Jordan** "Ba ba."

-----  
*(Above another baby school in the city, Skullcur begins her next attack.)*

**Skullcur** "I want your energy."

*(She's about to begin, when...)*

**Sailor Mars** "Not this time, sister!"

*(Sailor Mars, Sailor Jupiter, and Sailor Venus mount an advance strike while they wait for Sailor Moon and Sailor Mercury.)*

**Sailor Mars** "Stop right there, Negaslug, or I'm gonna turn your sizzle into fizzle!"

**Sailor Jupiter** "So don't give us any of your dribble!"

**Sailor Venus** "**VENUS CRESCENT BEAM SMASH!**"

*(Skullcur has to fly out of the way. She prepares a defense by blowing magical bubbles down on the babies. The bubbles encase the babies and lift them up into the air to surround Skullcur. Now, the Sailor Scouts can't hit her without risking harm to the babies!)*

**Skullcur** "Nobody stops me, Sailor wimps, so don't even bother trying."

----- **Commercial Break** -----

**Skullcur** "Now your turn, Sailor failures."

*(She prepares a dark spell.)*

**Sailor Mars** "We've gotta stop this energy vampire!"

**Sailor Jupiter** "Hey, tell me about it!"

*(Skullcur releases energy bolts that knocks out the Sailor Scouts. Just then, Amy and Serena arrive.)*

**Serena** "**MOON CRYSTAL POWER!**"

**Amy** "**MERCURY POWER!**"

*(They quickly transform into Sailor Moon and Sailor Mercury.)*

**Skullcur** "Butt out!"

*(She blasts at them and knocks them down.)*

**Skullcur** "Good! I'll zap your energy, too!"

*(Her magic tendrils begin to sap their energy.)*

**Sailor Moon** "Mercury, can you move?"

**Sailor Mercury** "No. She's zapping all my strength. We've got to do something or we're fried!"

*(Help arrives, however, as a white rose streaks across Skullcur's face, forcing her to let go of Sailor Moon and Sailor Mercury.)*

**Moon & Mercury** "Huh?"

**Moonlight Knight** "How dare you attack the most innocent of humanity: these helpless babies! You'll pay for it, you evil parasite!"

**Sailor Moon** "Moonlight Knight, you saved us!"

**Moonlight Knight** "Had to, Sailor Moon. If you and the Sailor Scouts don't stop her, no baby anywhere will be safe."

*(The bubbles trapping the babies soon land on the ground and fade. Meanwhile, Sailor Mercury is getting very angry at Skullcur.)*

**Sailor Mercury** "Hey, you baby snatcher, I don't know where you get off stealing these innocent kids, but it's stopping...right this instant! **MERCURY ICE BUBBLES FREEZE!**"

*(Sailor Mercury discovers a hidden power! The super cold bubbles encase Skullcur in ice.)*

**Skullcur** "AAH! She's f-f-f-freezing m-m-me!"

*(Sailor Moon is astonished.)*

**Sailor Moon** "Woah! Mercury, where did that come from? I know those weren't your usual Bubbles."

**Sailor Mercury** "I don't know. All of a sudden, I just felt this new power inside me. I guess 'cause I couldn't stand the thought of her getting away and zapping more babies."

**Sailor Moon** "Right, Sailor Mercury! We've gotta put this babynapper outta business! Woman, you're getting moon dusted!"

*(Sailor Moon summons the Moon Scepter...)*

**Sailor Moon** "**MOON SCEPTER ELIMINATION!**"

*(...and promptly blasts Skullcur to dust. Her card drops to the ground and fades to black. As the other Scouts wake up, they are relieved to hear the cry of babies alive with energy.)*

**Moonlight Knight** "Excellent work, Sailor Scouts, but it sounds like you might have some diapers to change. Ahem. Uh, I'll leave it to you."

*(He leaves.)*

**Sailor Moon** "Typical guy, but a hunky one."

---

*(A few days later, Mrs. Winston is released from the hospital, and she heads to Darien's apartment to pick up Jordan.)*

**Serena** "Oh, I'm sure glad Mrs. Winston's finally out of the hospital."

*(Serena and Darien are at the door to the building with Jordan in his stroller when Mrs. Winston arrives.)*

**Mrs. Winston** "Jordan, my little guy!"

*(She kneels down to talk to him.)*

**Mrs. Winston** "It's your mommy."

*(She stands up to talk to Serena and Darien.)*

**Mrs. Winston** "I can't tell you how much I appreciate you taking care of Jordan while I was sick. I hope he wasn't too much trouble."

**Darien** "He was great."

**Serena** "Yeah, but the poor little guy really missed his mommy."

*(Serena and Darien talk to Jordan.)*

**Serena** "Now you be a good boy and let your mommy get some rest."

**Darien** "And I'll forgive you for not talking to me, Jordan, as long as you're still my very best buddy."

**Serena** "Bye bye, Jordan."

*(Then, something amazing happens!)*

**Jordan** "Bye, Darien."

**Darien** "Hmm?!"

**Jordan** "Meatball Head."

**Serena** "Huh?!"

*(Mrs. Winston pushes the stroller out as Jordan says goodbye.)*

**Jordan** "Bye."

*(Serena and Darien wave goodbye to Jordan and his mother, then they think about what had just happened.)*

**Serena** "Unbelievable."

**Darien** "He said my name!"

*(Another cause to celebrate!)*

**Serena & Darien** "We're geniuses! We taught him how to walk and talk! All right!"
