Sailor Moon - Episode 49: "Food Fetish"

(Serena isn't the only Sailor Scout who has daydreams about the mysterious Moonlight Knight.)

Lita "Moonlight Knight, you can save me anytime."

Amy "Ditto for me."

(To tell the truth, ALL the Sailor Scouts have fallen for him, even Amy, who tends to prefer computers over boys.)

Lita "I wish the Moonlight Knight were for real and...and not just some superhero."

(They're talking at a square in the park.)

Lita "He's such a bodacious hunkster. Can you imagine going out with HIM?"

Amy "Hey Lita, stop torturing yourself. That's never going to happen, okay?"

(Elsewhere in the park, Melvin catches up with Molly.)

Melvin "Molly, wait up!"

Molly "Huh?"

Melvin "Got something for ya! Ha ha ha..."

Molly "Not more inchworms."

(Nope. It's a lunch.)

Melvin "No, even better: a super deluxe lunch for two to celebrate our anniversary."

Molly "Anniversary of what, dweebmeister?"

Melvin "Of the very first time you called me 'dweebmeister.' There's yummy chocolate cake for desert, Moll."

(He drags Molly along as Amy and Lita watch.)

Melvin "Come on. We'll have a feast, just you and me."

(It gives Amy an idea for Lita.)

Amy "On second thought, Lita, if Melvin can get a girlfriend, the Moonlight Knight can be yours easy."

Lita "Oh, if only it'd happen today, Amy. I've got this huge gourmet lunch...but no one to share it with."

(At school, Melvin and Molly settle down to have lunch. Serena notices and quietly spies on them. Melvin offers Molly some coconut shrimp.)

Melvin "Coconut shrimp, your fave. Say ahh."

Molly "Nnnooo thanks."

Melvin "Oh, come on. There's three dozen."

(Serena is ticked off. She doesn't have her lunch with her.)

Serena "Ooh, I can't believe him! Here I am, starving, and he won't share!"

(Then she remembers.)

Serena "I've got it! Lita will share her lunch with me. She's always got tons."

(As she runs off to find Lita...)

Melvin "Moll, please, for me..."

Molly "I'm saving room for that desert."

(Lita and Amy arrive back at school.)

Lita "So Ames, it's just you and me."

Amy "I'd love to, but I've got some work to finish."

(Then they hear the sounds of a flute.)

Amy "Huh?"

Lita "Hey, what's that?"

(It's Alan playing his flute in the music room. He's already attracted a large crowd of young ladies, all fallen for him.)

First Girl "He's so cool."

Second Girl "I could listen to him all day."

First Girl "Me too."

Third Girl "Isn't he wonderful?"

Second Girl "Alan!"

First Girl "Alan. What a beautiful name."

(Amy and Lita join the crowd.)

Amy "I wonder where he learned to play the flute like that."

Lita "He doesn't have a girlfriend. I'll eat with him."

Amy "Well, join the line. What do you think all these other girls are standing around for?"

Lita "But I just have to get to know this guy better. He's...so cool."

(Amy laughs for a second...then remembers something.)

Amy "Hey, wait a second! Didn't the Moonlight Knight start showing up when Alan came here. What is HE'S the Moonlight Knight?"

Lita "Huh? Alan? D'you think so?"

Amy "Why not? Could be anyone."

(It IS possible.)

Lita "Huh?"

(Just then, Alan stops playing, and all the girls start to go nuts, crowding around him and offering to share their lunches.)

Alan "Calm down, everyone. Please. Thanks, all of you, but I don't ever do lunch."

(But the girls won't take no for an answer. Alan simply steps between them, past Amy and Lita, and out the door.)

Lita "Huh?"

(The girls all head off in hot pursuit.)

Lita "Amy's right. He could be the Moonlight Knight. Guess I better try and find out. After all, they say the way to a man's heart is through his stomach."

(She imagines sharing her lunch with Alan.)

Lita "Here. You like it?"

Alan "Uh huh."

(And what if he IS the Moonlight Knight?)

Amy "Hey, Earth to Lita. Lita, come in. Earth to Lita."

(Amy has to interrupt her spacing out.)

Lita "Ha ha ha. Just planning a little research."

Amy "Huh?"

Lita "I mean, if this guy IS the Moonlight Knight, I think the Sailor Scouts should know about it, huh?"

(Alan accelerates his step, but his little following is relentless in its pursuit. The girls follow him everywhere he goes, down the stairs, through the hall...)

(...and even out the building. Other boys are totally jealous!)

Boys "What's that guy got that we haven't got?"

(Alan plans his exit. He quickly turns a corner, and before the girls see him, he jumps, landing on the roof. The girls turn and continue blindly forward. However, Lita, lagging behind, looks up and sees him.)

Lita "Huh? How'd he get up there? Did he fly?"

(It might be possible, especially if he IS the Moonlight Knight.)

Lita "Hmm. Oh well. At least he got rid o' the herd. Bet he won't mind MY company."

(She's all set.)

Lita "He's all mine now!"

(She races to the roof.)

(Up there, Alan privately plays his flute.)

Alan "I wonder. This weird human food, maybe it's the reason these girls all act so crazy."

Lita "Hey Alan, want some company?"

(Lita has just made it onto the roof, panting.)

Lita "We...we can even have...lunch together."

Alan "Sure. Why not?"

(While Lita tries to get a lunch date with Alan, Amy checks out something on a computer as she eats her lunch. Taking whatever knowledge she has on the Moonlight Knight, she runs Alan's specs through the computer to see if there's a possible match. The results come in, and they say Alan almost certainly ISN'T the Moonlight Knight.)

Amy "The likelihood of Alan's being the Moonlight Knight is point two percent. Not very good odds in my book."

(As she finishes her lunch...)

Amy "I wonder if we'll ever find out who he is."

Serena "Amy, help."

Amy "OH!"

(Startled, Amy stands up, turns, and sees Serena leaning against the wall, starving and exhausted.)

Amy "You scared me!"

(Serena sees the lunchbox.)

Serena "Please, food. I need food."

Amy "Sorry. I just finished my lunch."

(She rushes over to check. Sure enough, it's empty.)

Amy "Forget yours?"

(Amy had hit it on the head.)

Amy "That's twice this week now. Silly."

(Serena goes to tears and starts her high whine.)

Serena "You didn't even leave me a crumb."

(She faints and almost falls on top of Amy, if Amy hadn't caught her first.)

Amy "SERENA, STAY WITH ME! I'LL GIVE YOU SOME ORANGE JUICE!"

(Meanwhile, on the roof, Lita offers Alan a little delicacy she's made: Squid on a Stick.)

Alan "What is that?"

(He seems a tad revolted by the face on the treat.)

Lita "Squid on a Stick. Try it."

(He takes the Squid on a Stick, reluctantly.)

Alan "Wh...I don't know if I can eat anything that's staring at me. Anyway, isn't this some sea creature, Lita? It looks kinda weird and slimy."

Lita "No, it's not slimy at all, Alan...but don't force yourself. If you're afraid to try it, it's no big deal. It IS funny looking, but good."

(She gets a surprise when she sees Alan put it in his mouth. She anxiously waits for the verdict.)

Lita "You like it?"

(He slowly chews it, getting an idea of the flavor.)

Lita "Alan? You choking? Ooh...huh?"

(He finally swallows.)

Lita "So...?"

Alan "Hey, that was pretty good."

(He likes it! Lita offers her lunch tray, which has plenty of the Squid on a Stick.)

Lita "Here! There's plenty more. I've always got enough for two or three. Mmm, I just love to cook."

(Some distance away, Alan's "sister" watches in a furious envy.)

Ann "What's he doing with her?"

(Meanwhile, Alan tries other things. It seems Lita's plan is working.)

Alan "I've never had anything so yummy."

Lita "What more could a girl ask for: lunch outside on a beautiful day...with the very coolest, hunkiest guy in the entire school? I'm so happy, Alan. So, where'd you learn to play the flute so well?"

Alan "It's my destiny."

Lita "Huh?"

Alan "I have to. Kinda like you and cooking, I guess. It just comes naturally, you know."

Lita "Oh..."

(Alan is curious about Lita's reaction.)

Alan "Hmm?"

Lita "I live to cook. Some day, I'll have my own restaurant. I'll be a world-famous chef. It'll be packed every night, and people'll come from all over the globe just to have me cook for them. At least, that's my dream. I'm just not sure I'll be good enough."

Alan "Why not?"

Ann "Hi, ya guys."

(They turn and see Ann approach.)

Alan "Ann, what are you doing here?"

Lita "Wanna join us?"

Alan "For lunch?"

Ann "Thanks, but I don't think it's wise to put that junk in your system. It could make ya sick!"

(How rude!)

Lita "Hey! Nobody ever gets sick from my food, and if they did, it's probably 'cause of the company they keep! You understand what I'm saying, Ann?!"

Ann "Well, too much food dulls the mind. That must be why he's with you!"

(As Ann and Lita argue, Alan continues to eat.)

Lita "For just a sister, you sure are mighty jealous."

Ann "Stay away from my brother."

(Just then, Alan eats something VERY spicy.)

Ann "D'you hear?!"

Alan "This is spicy!"

(Ann and Lita quickly rush to him.)

Ann "You okay?"

Lita "She upsetting you?"

(Then they start arguing again.)

Lita "Nice going!"

(Ann and Alan stare each other down while Alan cries for help, all the while losing control of his human disguise. Staring intently at each other, Ann and Lita neither notice him nor hear him.)

Alan "Water! Mmph! Mmph! Water! Mmph! Mmph! Mmph!"

----- **Commercial Break** -----

(It seems Serena's extreme hunger is giving Miss Haruna a headache. She talks with her after a session in detention.)

Miss Haruna "Serena, I'm not putting up with this again, you hear me? Your stomach growling's disrupted my class twice this week. I won't have it!"

Serena "Believe me, it won't happen again."

Miss Haruna "Better not. Now go home and eat."

Serena "Thanks."

(She hungrily trudges out. Amy is at the gate.)

Amy "Hey there, Serena. Are you in trouble?"

Serena "Only because nobody would share their lunch with me today."

Luna "Serena..."

Serena "Yes, Luna?"

(Luna deposits her lunch at her feet.)

Serena "All right. Is that my lunch? Please, Ames, tell me I'm not hallucinating."

Amy "It's real, Serena. This isn't a dream."

(Serena quickly picks up her lunch.)

Serena "Oh...food...lovely...food..."

(Meanwhile, Alan has some explaining to do.)

Alan "Ann, wait up. I-I can explain."

Ann "What for?"

Alan "Ann..."

Ann "I know we gotta try and act like these dumb humans, but eating their food? And why did you have to decide to try out food with her? Why not go to a restaurant?"

Alan "Ann, you're overreacting."

Lita "Hey, hi again."

Alan "Huh?"

Ann "Hmm."

(Lita had caught up with them.)

Lita "We still on for lunch tomorrow?"

(Just great.)

Ann "Hmm..."

Alan "I'm not sure."

Ann "Hey, don't say no on my account. I don't really care."

(She walks away.)

Alan "Ann, wait. Don't be mad like this. Come back."

(As Ann passes Lita...)

Ann "Hope you're happy."

Lita "Huh? Woah, what's her problem?"

Alan "Sorry about that."

Lita "You know, Alan? There's something I gotta ask you. Why is your sister so wacko?"

(Lita laughs. Alan sighs.)

(They go to the park, and Lita decides to lead up to the big question.)

Lita "Alan...do you, um...ever, uh, hang around in a white robe and a turban?"

Alan "No, never."

(But then he notes something.)

Alan "Wait. That sounds like the Moonlight Knight."
"Why do you ask?"

Lita "Oh, never mind. It's dumb. I thought that you might've been somebody that I know."

Alan "A turban? Uh, I got a question for you. Do you think there's a link between food and love?"

Lita "Oh yeah, you bet there is."

Alan "So if...if you really love somebody, the best thing you can do is offer them some kind of food?"

(Lita finds this question weird.)

Lita "Huh? Well...if it's made with feeling."

Alan "What kind?"

(Lita takes it as a joke and chuckles.)

Lita "Oh Alan, you're so funny."

Alan "I am? How come?"

Lita "I said feeling, not filling, silly."

(Unbeknownst to them, Ann is spying on them. In anger, she crushes a can under her foot.)

Ann "I don't believe this! HE'S ACTUALLY GIGGLING!"

(She reverts to alien form. She has plans for them.)

(Serena sits down and immediately wolfs down a very late lunch. Being in such a rush, she's not being very neat, and Amy and Luna are caught in the mess.)

Serena "Yum yum. This is so good."

(Amy has to hold up her handkerchief to prevent getting the mess on her face.)

Amy "Se-RE-na! Slow up! You're as obsessed with food as Lita is with...snagging Alan!"

(Serena stops for a second.)

Serena "Wait, don't tell me. Alan looks like her old boyfriend, eh?"

(She finishes her meal.)

Serena "Well, I'm putting a stop to this."

Amy & Luna "Huh?"

(She gets up and takes off down the street.)

Luna "Where are you going?"

(Serena stops and answers Luna...)

Serena "She goes after all the cool guys in school, and then, there's nobody left for us! Now I've had it, and I won't take it anymore!"

(She continues down the street.)

Luna "Know why she eats so much? Takes a lot of fuel to run that motor mouth."

Amy "Ha ha. No kidding."

(Back at the park...)

Alan "Is that why you wanna open your own restaurant, Lita? To give your love to complete strangers?"

Lita "No."

Alan "I could never do that. There's only one person I could love."

Lita "Oh."

Alan "I just don't see how you could do it. Love's supposed to be special."

Lita "I know, but food brings people together. Anyway, it's different love. Not romantic. When it's love, real love, you wanna do something special to show that you care."

Alien Ann "KITCHEN'S CLOSED!"

(Lita turns and sees Ann in her alien form, though she can't recognize her.)

Alien Ann "The party's over, now!"

Alan "Wh..."

Lita "Who are you?!"

Alien Ann "You're trespassing."

(Her eyes glow red, and an energy blast sends Lita flying.)

Alien Ann "Hmm..."

(She approaches Lita's lunch, which had fallen out of her hands.)

Alien Ann "See your cute little lunch bag?"

(Ann crushes it under her foot.)

Alien Ann "That's what you're gonna feel like once I'm done with you!"

Lita "You wanna make a bet on that, huh?! Come on! I dare you!"

(Alan steps in front.)

Alan "No! Stop it!"

Lita "Grr!!"

(Both get hit with another energy blast. Just then, Serena and Amy arrive and see the fight.)

Amy "Lita!"

(Lita struggles to get up.)

Lita "You're gonna pay for that!"

(Serena is shaking in her shoes.)

Serena "It's the weirdest..."

Luna "Seems Lita could use some help."

(Amy nods and Serena stops shaking.)

Serena "Huh?"

Luna "Finished shaking yet?"

(Enough of that.)

Serena "**MOON CRYSTAL POWER!**"

(Summoning the power of the Moon Crystal Locket, Serena transforms into Sailor Moon, Champion of Justice. Meanwhile...)

Lita "What's your problem, anyway...Negaverse sleaze?!"

Alien Ann "Big mistake calling me sleaze. You've baked your last cookie."

(Before she can attack, however...)

Sailor Moon "Hold it, block-brain!"

Alien Ann "Huh?"

(Ann turns.)

Alien Ann "Sailor Moon!"

Sailor Moon "That's right, and I saw you smash that lunch bag. I hate to see good food wasted, but you know what I hate even more? It's Negatrash like you!"

(Luna quietly notes...)

Luna "I hope she's not too porked out to pull this off."

Alien Ann "Go preach somewhere else, loudmouthed twerp! This fight doesn't concern you!"

Sailor Moon "I'm not a twerp, but I'll tell you what you are: moon dusted!"

(Suddenly, Alan's eyes flash, and Sailor Moon is caught in a trap. Luna, Lita, and Amy (who has transformed into Sailor Mercury) are caught in another trap.)

Lita "What's happening?!"

Sailor Mercury "Hold on!"

(Alan reverts to alien form and rejoins Ann, but she's still cross with him.)

Alien Ann "Hey, I can handle it. I don't need you."

(He tries to change her mind.)

Alien Alan "Yes you do..."

(Alan kisses her.)

Alien Alan "...just like I need you, Ann. I love you."

(Ann's hatred is gone in an instant.)

Alien Alan "Now..."

(He pulls out his deck of Cardians.)

Alien Alan "Pick a Cardian, my sweet."

(She picks Cardian Mophead. The card rises into the sky.)

Alien Alan "Cardian Mophead, I command you to come forth now!"

(Alan plays his flute and summons Mophead.)

Mophead "Mophead at your service."

(The traps fade...)

Sailor Moon "Huh?"

Luna "Lita, you okay?!"

(...but they soon realize that they've got company. Mophead takes a stake and strikes at once, missing Sailor Moon several times.)

Mophead "Your energy's null!"

(She jumps up and tries to drive her stake down on Sailor Moon. Sailor Moon just manages to get out of the way, and the stake drives into a kiddie dome, which crumbles and explodes. Ann and Alan laugh.)

Alien Ann "Very entertaining."

Mophead "I'll finish 'em."

(Sailor Mercury tends to Lita.)

Sailor Mercury "What happened, Lita? Where did they come from?"

Lita "I don't know. One minute, I'm talking to Alan. The next, I'm eating asphalt. You ready to whip 'em?"

Sailor Mercury "Uh huh."

Lita "**JUPITER POWER!**"

(Lita transforms into Sailor Jupiter as Sailor Moon faces a problem.)

Alien Ann "Get ready for blastoff, Sailor Moon!"

(Sailor Moon sees help on the way.)

Sailor Moon "Jupiter!"

Sailor Jupiter "We'll trash 'em good, don't you worry!"

Alien Alan "Cardian Mophead, I command you! Finish 'em off!"

(Mophead shampoos her hairdo, freshens up, and attacks.)

Mophead "Say bye-bye, Sailor Scouts!"

(She shoots a ribbon, which snares Sailor Moon and Sailor Mercury. Sailor Jupiter tries to attack...)

Sailor Jupiter "**JUPITER THUNDER...**"

(...too late. Mophead ties her up, too.)

Sailor Jupiter "I can't move, Luna!"

Luna "Jupiter!"

Alan "Ha ha! Wrapped up just like a piece o' sushi."

Ann "And all ready to be dipped."

Mophead "End o' the line, Sailor saps!"

(She shoots more ribbon...)

Sailor Mercury "Huh?"

(...and wraps Sailor Moon and Sailor Mercury together. More ribbon piles on to form a ball.)

Sailor Jupiter "You guys!"

(Mophead then tosses the ball on top of the fountain, letting it bob on the upward stream of water.)

Alien Ann "Ha ha ha ha. Didn't know Sailor Scouts could float."

Sailor Jupiter "I've got to do something."

----- **Commercial Break** -----

Alien Ann "Not getting seasick, are ya?"

Sailor Jupiter "If only I could get my arms free."

(Her wish is granted. Suddenly, a white rose shoots to the ground...)

Sailor Jupiter "The rose!"

(...and cuts through the ribbon, freeing Sailor Jupiter.)

Ann & Alan "Huh?"

Sailor Jupiter "Moonlight Knight, you freed me."

(He stands atop a lamp post.)

Moonlight Knight "Thought you could use some help, Jupiter. Can't let these creeps keep you down. Sorry they destroyed all that lovely food of yours, but maybe a little revenge will taste just as sweet. Hmm?"

Sailor Jupiter "Oh, thanks, but you know...I know what to do!"

(She turns and faces her foes.)

Sailor Jupiter "You've tied up my friends long enough! YOU'RE ANCIENT HISTORY!"

(Sailor Jupiter summons her inner strength and discovers her hidden power.)

Sailor Jupiter "In the name of Jupiter, I call upon the forces of love and nature to banish this mophead!
JUPITER THUNDER DRAGON!"

(Her thunder forms into a dragon, which heads for Mophead, looks at her for a second, then shocks her in a terrific bolt of lightning.)

Mophead "I'm...I'm finished!"

Alien Ann "I'll get her!"

(Then, at that moment, the rest of the Sailor Scouts arrive.)

Sailor Venus "**VENUS CRESCENT BEAM SMASH!**"

Alien Alan "Watch out!"

(He teleports Ann and himself out of the way as the Venus Crescent Beam just misses them.)

Sailor Mars "**MARS FIRE IGNITE!**"

(The Mars Fire burns the ribbon and frees Sailor Moon and Sailor Mercury, who splash down in the fountain, both a tad singed. Sailor Moon sarcastically thanks Sailor Mars.)

Sailor Moon "Hey, thanks a lot, pyro."

Sailor Mars "Nothing's good enough for you, is it?"

Sailor Venus "Be thankful there was some water for you to fall in."

(Mophead gets enough gumption for one last attack.)

Mophead "This isn't over!"

Sailor Jupiter "Sailor Moon! Your scepter!"

Sailor Moon "You got it!"

(She summons the Moon Scepter...)

Sailor Moon "**MOON SCEPTER ELIMINATION!**"

(...and dusts Mophead. Her card fades to black, and Ann and Alan find themselves in trouble.)

Alien Alan "Let's go."

(They disappear.)

Sailor Moon "Whewee."

Moonlight Knight "Excellent teamwork, Sailor Scouts!"

Sailor Scouts "Huh?"

Sailor Jupiter "Moonlight Knight, can you tell us who you are?"

Moonlight Knight "I'm a true friend of the Sailor Scouts. That's all for now. Farewell."

(He jumps away into the trees.)

Sailor Jupiter "Wait! Don't go!"

Sailor Mercury "Is he Alan?"

Sailor Jupiter "I don't think so, Mercury. He's too romantic. Alan's cool, but he's got nothing on that guy."

Sailor Moon "What?! You're after the Moonlight Knight, too?!"

Sailor Jupiter "It's just that he reminds me of my ex-boyfriend."

(The others drop in frustration. To her, EVERY guy looks like her old boyfriend.)

Sailor Jupiter "One of these days, I'm gonna fix him lunch. Then, his heart will be mine."

(To make up for his previous behavior, Alan whips up a surprise for Ann.)

Alien Alan "Okay, you can open your eyes."

(Taking Lita's advice, he offers a plate of Earth food.)

Alien Alan "Ta da. A buffet of luscious delights for my one and only."

Alien Ann "Oh Alan, you did all this for me? Oh..."

(She has just one question. It's about some of the food.)

Alien Ann “Uh, what are those big, ugly, brown things?”

Alien Alan “Uh, don't know. You try 'em first.”
