Sailor Moon - Episode 57: "Gramps in a Pickle"

(Something's up at Cherry Hill Temple.)

Grandpa Hino "Uh oh. Play it cool, Chad. Raye's coming, and she's got that look."

(What are Grandpa Hino and Chad planning that would make Raye mad? The caretaker just innocently sweeps.)

Grandpa Hino "I think she must've seen the ad I took out for our martial arts school."

Chad "No."

(Raye walks up to them and shows her grandfather and Chad a magazine.)

Raye "What's this?"

Grandpa Hino "Uh, a magazine?"

Raye "I can see that, Mister Comedy. Now, if you don't mind, would you turn to the two-page spread on page ten?!"

(This takes Grandpa by surprise. He grabs the magazine and flips to page ten.)

Grandpa Hino "TWO-PAGE SPREAD?! BUT I PAID FOR A ONE-INCH AD! THIS'LL COST A MINT! Oh..."

Raye "So what's this about you starting a martial arts school?"

Grandpa Hino "Oh, well, I'm just the adviser. Chad's doing the teaching."

(Chad, the rock-and-roll reject turned assistant caretaker? Grandpa turns to the bells.)

Grandpa Hino "Please prepare Chad for the road ahead. With the money we make, we'll be able to hire someone new..."

(As he leaves, he adds...)

Grandpa Hino "...so we won't have to listen to Raye's bellyaching about the chores."

(Raye and Chad just stare at him. Raye and her grandfather had never gotten along too well.)

(At her house, Serena is at her table, which is covered with books. Luna sees this and is surprised.)

Luna "Serena studying? Am I dreaming?"

(As far as she knew, Serena never voluntarily studied. She jumps onto the table to check on her. Then she sees: Serena has fallen asleep.)

Luna "No, Serena is..."

(Someone else is in the room.)

Rini "That crystal's here somewhere. If I could only get my hands on it..."

(Luna meows.)

Serena "OH! Stop that, you little rodent!"

(Serena wakes up and grabs Rini.)

Rini "What are you doing?! Let me go! AAH!"

(Serena places the little rodent across her knees.)

Serena "Not 'til you tell me what you're up to."

(Wait a minute...)

Serena "Oh, I forgot. Oh, I'm supposed to be helping Raye at the temple."

(When Serena gets up, Rini gets launched into the wall.)

Rini "There's gotta be an easier way to find that crystal."

(Cherry Hill Temple...)

Raye "Special today. Two-for-one good luck charms."

(Once Serena arrives at the temple, she dresses in the traditional robe. The other girls are already there and at work.)

Serena "So how do I look? I've always wanted to wear one of these."

(Rini's there to watch.)

Rini "Try not to trip."

Serena "Scram, brat."

Lita "Hey Mina, have you got more good luck charms over there?"

Mina "Um..."

(As Mina looks, Serena sits down next to Lita.)

Serena "Wow. You guys are really doing well, aren't ya? Good luck charms are a real hot ticket this year."

(Amy, though using an abacus instead of a calculator to figure out their profit, is handling the money matter like a pro accountant.)

Amy "Yes, keep it up, guys. We've made enough to cover temple expenses for a year."

Mina "All right. Let's try to make enough to hire a dry cleaner."

Raye "Yeah, ironing's murder."

Lita "Don't tell me you ironed all those robes by yourself, Raye."

Raye "Yeah, sure I did. Serena never showed up to help."

(Later, in an empty single-room house on the temple grounds, Grandpa prepares Chad for his new job.)

Grandpa Hino "All right, Chad! Once more from the beginning! One! Two! One, two! Yeah, good!"

(Through holes in the rice paper door, eyes peep in as Chad practices punching.)

Grandpa Hino "Now again, come on! That's good! Excellent! That's it! Come on!"

(Now Chad and the caretaker work on a little acrobatics to limber up. Outside, Serena, Raye, and Rini with her Luna Ball look in through the holes.)

Serena "Your grandpa'a like a big rubber band."

(Indeed, he's flexing and stretching as well as Chad.)

Raye "I know, but I'm really worried about him. His doctor told him to take it easy, so what does he do? Organizes martial arts classes for the whole world."

(Suddenly, the door bursts open.)

Grandpa Hino "WOULD YOU BE QUIET?!"

(Raye protests her grandfather...)

Raye "Are you totally bonkers?! You're gonna have a heart attack! You're too old for this!"

Chad "I don't know, Raye. Seems like he's in pretty good shape to me."

(Grandpa is offended.)

Grandpa Hino "THIS IS MY TEMPLE, AND I CAN DO WHATEVER I WANT!"

Raye "And I'm your granddaughter, and I won't stand by while you make a fool of yourself and disgrace us!"

Grandpa Hino "YOU'RE THE DISGRACE!"

Raye "No, YOU are!"

(They stare at each other in anger, but Raye stands down.)

Raye "Forget it. I'm not getting into a staring contest. Do what you want."

(She leaves as her grandfather taunts...)

Grandpa Hino "I never lose. Nobody beats me in a staring contest. Now, who wants to spar a bit with us?"

(Serena isn't interested.)

Serena "Gotta...clean my room."

(Rini is confused.)

Rini "What's 'spar' mean?"

(But Serena doubles back...)

Serena "Uh, come on, Rini. You're helping."

(...and picks up Rini before any harm comes to her.)

Rini "Aaaah! Let me go! What are you doing?!"

Serena "Shush."

Rini "Ow! Don't pull my hair!"

(In their hidden headquarters, Rubeus looks over the holographic map of Crystal Tokyo.)

Avarie "Rubeus, you seen Catsby? She's got my perfume."

Rubeus "Catsby's out on a mission, Avarie. Found another Crystal Point. She didn't think she'd need you guys' help on this one, though."

(The map changes to top view, where Rubeus points out the second Crystal Point.)

Rubeus "It's some kind of temple. Real peace-loving place."

(A temple? As an image forms, we see the Point: the new martial arts school...in Cherry Hill Temple!)

Rubeus "From what I hear, they don't even have any guards there. Should be a piece of cake to take it over."

(Outside Cherry Hill Temple...)

Grandpa Hino "Hey, girls! Join our self-defense course? Two for one if you bring another cute friend."

(Grandpa himself isn't doing too well.)

First Student "Disgusting!"

Second Student "Get away from me!"

Young Lady "Terrible little man."

Grandpa Hino "I was only teasing. Thought it was a good sales pitch. Oh...I don't get it. I really thought this class was gonna be a big hit for us. Maybe Raye was right. Maybe I AM too old for this."

(Rini's Luna Ball rolls to his feet.)

Grandpa Hino "Huh?"

(And where there's the Luna Ball, there's...)

Rini "Ha ha ha ha. You're a funny old man."

(Suddenly, a well-dressed Chad rushes to Grandpa.)

Chad "Grandpa! Class is full!"

(While Grandpa couldn't get ladies to join, Chad has been faring better...a LOT better!)

Grandpa Hino "You mean all of them are gonna sign up?!"

Chad "They sure are! Bodacious, huh?"

(Raye's grandfather can only stare.)

Grandpa Hino "Oh...oh, it sure is! Oh boy! Raye's sure gonna be mad about this! Ah ha ha ha ha!"

(That night, the new school receives a visitor.)

Catsy "**POWER OF THE NEGAMOON!**"

(Catsy lets her Dark Fire fly, encompassing the training ring.)

Catsy "This time tomorrow, this place'll be ours, our very own temple of doom. Ha ha ha ha ha."

(The ring becomes loaded with Negaenergy. Now, it only needs some people to let it loose.)

----- **Commercial Break** -----

(Next morning, Raye has to clean the walkways.)

Raye "Ooh!"

(Serena drops in.)

Serena "Hey Raye, watcha doing?"

(Raye is not in a good mood, so she answers sarcastically...)

Raye "Taking a bubble bath! What's it look like?!"

Serena "Eeyikes! Who got up on the wrong side of the bed?"

Luna "I thought you were off today."

Raye "No-O-o. Since Karate Chad's out practicing, I got stuck with all his chores!"

Serena "Maybe you're just jealous 'cause Grandpa likes him more."

Raye "Are you trying to be annoying?"

(Serena answers sarcastically...)

Serena "Not particularly."

(Raye's grandfather and Chad walk to the martial arts school.)

Grandpa Hino "Let's go, Chad! Practice your hollering!"

Chad "Feel the burn, ladies! Feel the burn!"

Grandpa Hino "Good, Chad! Good!"

(Serena, Raye, and Luna gawk at the sight. Raye's grandfather seemed to be as enthusiastic as Chad, if not more.)

Raye "Ugh! Grandpa's on some adolescent trip."

Serena "You're right. We've gotta stop him."

Raye "He won't listen."

Serena "But we've gotta try."

(Class is about to begin, and the ladies are just itching to see the hot instructor.)

First Lady "I can't wait."

Second Lady "That tall instructor's so cute."

Third lady "Suzy, we're here for self-defense."

Second Lady "So what. He's still cute."

(Somewhere in the crowd is Catsby. What's she doing here now?)

(Soon, the doors open, and Chad and Grandpa walk in. The girls all go googly.)

Third Lady "Look. Here they are."

Fourth Lady "What a hunk."

Fifth Lady "Wait. How's my hair look?"

(The ladies all applaud.)

Chad "Ladies, are you ready?"

(While Chad talks, Raye's grandfather goes a bit stir crazy. He IS on an adolescent trip.)

Grandpa Hino "Let's start the show!"

(He walks in and slaps each lady's hand.)

Grandpa Hino "Get ready to feel the burn and to learn, and we'll have heaps of fun while we're at it!"

(He stops in front of Catsby. She proposes a challenge.)

Catsy "Oh, but I want a whole lot more than fun. I want a serious workout, little man. Can you deliver?"

(Now it's Grandpa that's going googly.)

Grandpa Hino "Oh, whatever you say."

Catsy "This is an aerobic self-defense class, right? How about some hand-to-hand combat, hmm?"

Grandpa Hino "Uh, well..."

(Catsy snaps her fingers.)

Catsy "Ready, Rhonda?"

(Behind Catsy is Rhonda, a giant among the women.)

Rhonda "Raring to go."

(Next to the ring, a lady complains...)

Lady "Hand-to-hand combat?"

(But Rhonda's just itching for a fight.)

Rhonda "Round one, GO!"

(Rhonda sends her into the ring.)

Lady "That wasn't fair! OH!"

Rhonda "So?"

Catsy "Hey, warm up first. Wouldn't want you pulling any muscles early on."

(Rhonda easily throws the helpless lady into the air. As she comes down...)

Lady "I don't like this! OOF!"

(From outside, Raye and Serena watch in shock.)

Serena "Woah. Totally vicious."

(They close the door and discuss the matter a little more privately.)

Serena "Raye, that trainer...she looks kinda familiar."

(Suddenly...)

Rini "Hey, I'm all ready. Pretty cool, huh?"

(Rini is in front of them, in an exercise outfit. She wants to get in on the fun of the class, too. The thing is, though, Serena and Raye don't want to let teeny Rini in with that amazon Rhonda.)

Serena "You can't go in there. I TOTALLY FORBID IT!"

(Meanwhile, Rhonda is still dishing out the punishment on that poor lady.)

Lady "HELP ME! OOF!"

(Rini is shocked at the sight.)

Rini "What's going on?"

(Noticing the intense violence of the class, Rini backs away from the door.)

Rini "That doesn't look fun. I don't wanna do this anymore."

(And she runs away.)

Serena & Raye "Huh?"

Serena "She's just like me."

(You can't blame her. Rhonda is really taking it out on that lady. Now Rhonda picks her up and piledrives her to the mat. It's becoming less of a class and more of a wrestling match.)

Catsy "Back to your corner, Rhonda."

(Seeing her chance, the poor lady decides on a charge.)

Lady "I'm gonna get you, you big hellfire!"

(Rhonda kicks her...)

Rhonda "Bye bye."

(And sends her back to the other corner, tangling her in the ropes.)

Lady "AAH! HELP!"

(Grandpa quickly gets her down. This has gone far enough.)

Grandpa Hino "This isn't the kind of school I wanted."

Catsy "Gotta tell you, pops. You run a self-defense school, you gotta strut your stuff."

Grandpa Hino "Oh, well, uh..."

(Fortunately, he gets some help. Chad, Raye, and Serena walk in on the scene.)

Chad "Hold it, Grandpa! No one has to fight!"

Catsy "Huh?"

Grandpa Hino "But this is my school."

(Catsy tries sweet talk.)

Catsy "Right. Show us what you got, pops."

Chad "Stop goading him, lady!"

Raye "Why does he have to fight?"

Grandpa Hino "That's my granddaughter, Raye. She thinks I'm too old, that I should get a rocking chair. Can you imagine that?"

Chad "DON'T LISTEN TO HER!"

Catsy "It's your temple, mister."

Raye "Grandpa, don't!"

Chad "You said self-defense training was about NOT fighting!"

Raye "Who is this woman, anyway? I mean, she can't just waltz in and pound on people. This is your school."

Catsy "Sounds like maybe they don't believe you can do it, gramps. Come on. Why don't you climb in the ring? Pops here can decide for himself. Go easy on Rhonda, okay?"

Chad "Don't listen to this witch!"

(Grandpa's in a fix. She wants to listen to Raye and Chad, but, in his adolescent trip, he's gone crazy for Catsy.)

Raye "Come on, Grandpa. What's it gonna be, huh?"

(Catsy wins.)

Grandpa Hino "The ring."

Chad "Uh, Grandpa, bad idea."

Raye "Let Chad fight."

Serena "Yeah, he's ready. Let him go in there for you."

(Chad feels rejected.)

Chad "Forget it. I'm outta here."

(And with a bowed head, he leaves. Raye walks up to her grandfather.)

Raye "Oh, that's just great. When you get whomped on, don't come to me to pick up the pieces, okay?!"

(Her grandfather is insulted.)

Grandpa Hino "HEY, I'M GONNA WIN! IF YOU'RE NOT WITH ME, THEN GET OUTTA HERE!"

(All the girls discuss the matter over tea and cookies.)

Mina "So you don't wanna watch, Raye? Are you sure?"

Lita "I mean, what if Grandpa gets hurt? Somebody should be there to take care of him. Nobody's in his corner."

(Serena munches on a cookie.)

Raye "If he wants to relive his youth, I don't care."

Amy "Raye, you know your Grandpa only acts that way most times to tease us."

(Amy indicates her trigonometry book.)

Amy "He's really very smart. He's the one getting me through Trig."

(As she eats, Serena voices a concern.)

Serena "I keep thinking about that woman. I feel like I've met her somewhere before."

(Raye just pours more hot water into a teapot.)

Raye "Hmm..."

Serena "Why'd she want him to fight? It's all so weird."

Raye "Didn't you hear me? I said I don't care."

Serena "I don't believe that after all he's done for you."

(Raye pours too much hot water. She drops the teapot as the water scalds her hand. Serena is right. Raye's worried to the point of distraction.)

Raye "AH!"

Serena "Raye! You all right?"

(Raye cleans up.)

Raye "I'm fine."

Mina "Chill out. I've never seen you so jumpy before. Why don't you go stop the whole thing if you're so worried."

(Rhonda is back at abusing that lady...and all comers as well. When the last of them hits the mat, the entire rings begins to release its stored Dark Fire.)

Rhonda "Lessons are over, peons. Time for the REAL battle to begin."

(The ring floods all the ladies with Negaenergy, and when they get up this time, they go for each other with catlike ferocity! Catsby is thrilled.)

Catsy "Hm hm hm. Excellent. Soon, we'll be able to use all that Negaenergy to take over the Star Point. Ha ha ha ha."

(Grandpa is shocked at the display!)

Grandpa Hino "WHAT'S WRONG WITH YOU GIRLS?! THIS ISN'T A CLASS ANY MORE! IT'S A FREE-FOR-ALL ZOO! STOP THIS RIGHT NOW! YOU'VE ALL TURNED SO VIOLENT!"

(He gets in the ring.)

Grandpa Hino "GIRLS! GIRLS, PLEASE!"

(Rhonda is enjoying this. She's downing ladies left and right.)

Grandpa Hino "DON'T YOU KNOW THE FIRST PRINCIPLE OF SELF-DEFENSE IS SELF-DECIPLINE...and a little bit of caution, too? NOW COME ON, GIRLS! KNOCK IT OFF!"

Lady "BE QUIET!"

(A lady tries to karate chop him. Seeing that he's being attacked, he has no choice. He throws himself against the ropes and comes back charging through the mess, punching as he goes. A few seconds after charging through, all the ladies drop to the mat, unconscious.)

Catsy "Ha ha ha ha ha. Looks like the old fossil's still got it."

(She snaps her fingers.)

Catsy "Rhonda, take care of this old guy."

(A glow is surrounding Rhonda.)

Rhonda "I'm gonna mangle ya! Hah! Chew ya up and spit ya out!"

(Rhonda changes into her true self! No wonder she's an ace at wrestling techniques. She IS a wrestler...from the Negaverse! She sports a spiked hairdo, and on her championship belt is a Negamoon Crystal.)

Rhonda "LET'S WRESTLE!"

(Raye's grandfather stands his ground as Catsy's exercise suit changes back to her normal clothes and tutu.)

Grandpa Hino "Bring it on, Cockatoo Girl!"

(Rhonda is happy to oblige. She pushes back on the ropes he's on, then lets go. The ropes slingshot him to the opposite side.)

Catsy "All right. He's down, Rhonda. Give him your special double-whammy with a twist."

(From the top turnbuckle, Rhonda leaps into the air.)

Rhonda "You're toast!"

(Grandpa is still dizzy as Rhonda prepares a nasty elbow drop with her spiked pads.)

Raye "NO!"

(Raye has just shown up. She quickly pushes her grandfather out of the way, but Rhonda's elbow hits the back of her right knee.)

Raye "Grandpa! Oh..."

Grandpa Hino "Raye! Are you all right? You shouldn't have done that, Raye."

Raye "She would've spiked you, Gramps. I couldn't let her do it."

Grandpa Hino "I'M GONNA GET THEM FOR THIS! I'LL SHOW THESE CREEPS NO ONE MESSES WITH MY FAMILY!"

Raye "Huh?"

(He gets up and faces Rhonda.)

Rhonda "Back for more?"

Grandpa Hino "You're nothing!"

Rhonda "OH YEAH?!"

(Rhonda delivers a series of kicks. He dodges one, but the second is about to connect...when Raye pushes him out of the way again. The kick hits her shoulder and sends both of them into a corner.)

Grandpa Hino "No, Raye! You gotta get outta here!"

Rhonda "Here!"

(Raye shields her grandfather as Rhonda proceeds to repeatedly kick Raye's back.)

Grandpa Hino "You were right. I'm all washed up. I'm so stupid."

Raye "No, Grandpa. You're not stupid. You're the greatest champ on Earth, and the greatest grandpa."

Grandpa Hino "Thanks, Raye."

Catsy "What are you waiting for?! Finish him off already!"

(Rhonda charges up her arms...)

Rhonda "Join the other fossils, old man!"

(...and sends an energy bolt at him.)

Raye "NO! Grandpa!"

(He gets pushed back into the corner. He's weakening.)

Catsy "Let's get this over with. Finish the old guy off!"

(Rhonda turns up the juice.)

Raye "NO! GRANDPA!"

(He can barely move after that assault. Just then, Serena runs in.)

Serena "Ooh. Looks like trouble. **MOON STAR POWER!**"

(Serena summons her powers and transforms into Sailor Moon, Champion of Justice. Meanwhile, Catsy is

preparing to finish the job...)

Catsy "Ha ha ha ha. Let's give him the Spiral Spike."

(She's standing in Rhonda's hands. Rhonda launches her into the air, and Catsy prepares for contact.)

Catsy "You are ancient history!"

(She surrounds herself with her Dark Fire. This looks like big trouble...)

(But what's that? Something spins through the air and hits Catsy, knocking her off course. As Catsy, with cat-like agility, lands on her feet, the object returns to it's thrower like a boomerang.)

Catsy "Who's there? Who threw that disc?"

(It was Sailor Moon. She had thrown her Moon Scepter at her!)

Sailor Moon "I am Sailor Moon, and I know just what you're up to. I recognize that sorry tutu. I will fight to defend this temple from evil. I am Sailor Moon! I'm stronger than I was before, and I'm gonna knock you out!"

(Catsy ignores her and powders her face.)

Catsy "Go take a powder, Moon twit."

Sailor Moon "Oh!"

(Sailor Moon is insulted.)

Catsy "Rhonda, get her!"

(Rhonda launches an energy bolt at Sailor Moon.)

Rhonda "You're meatloaf!"

(Suddenly, a rose spins in front of the beam and absorbs the flames.)

Rhonda "Hmm?"

(Standing atop a turnbuckle is...)

Sailor Moon "Tuxedo Mask, you came again!"

Tuxedo Mask "Haven't you figured it out yet, Sailor Moon? We're partners against evil. I'll always be here when you need help."

Sailor Moon "Oh..."

(She's not too convinced, but there's no time for that.)

Rhonda "You're mine!"

(Rhonda jumps at Tuxedo Mask. Tuxedo Mask jumps at Rhonda. They meet in midair...and Tuxedo Mask lands his kick. Rhonda is not too thrilled when she lands.)

Tuxedo Mask "Sailor Moon! Your scepter!"

Sailor Moon "Right."

(She summons her Moon Scepter.)

Sailor Moon "**MOON SCEPTER ELIMINATION!**"

(So much for Rhonda. One blast turns her into moon dust, and her Negamoon Crystal fades. Catsby realizes that now she's alone. Looking in her compact, she realizes that her face has gone red.)

Catsy "Oh, this is a total embarrassment. I won't let you turn me all shades of red! You're done for! **FIRE!**"

(Catsy goes after Sailor Moon with her Dark Fire. Sailor Moon ducks under the flame, which blasts a hole in the wall. Sailor Moon is glad to get out...)

Sailor Moon "Help me!"

(...but Catsby's right behind her.)

(Meanwhile, inside...)

Raye "Everything will be okay again, Grandpa. I promise. You just rest."

(She sets her grandfather on the mat to rest. It's time for Sailor Mars to go into action.)

Raye "I'm gonna get that lady for this. **MARS STAR POWER!**"

(With the new Star Power Sticks, the other Sailor Scouts have enhanced powers. Now, it's time to show Catsby just how hot Sailor Mars's fury can be.)

(Outside...)

Catsy "Here comes the the *coup de grace*. Bye now."

(Catsy launches her Dark Fire, but Sailor Mars pushes Sailor Moon out of the way and uses her own fire...)

Sailor Mars "You're gonna pay for that big time! **MARS FIRE STAR FLASH!**"

(Catsy sends more Dark Fire, and their powers collide.)

Catsy "Ha ha ha. What a wimp. You're no match for my Icefire!"

(Sure enough, Catsby's Dark Fire is starting to push Raye's fire back.)

Catsy "Ha ha ha ha ha. Give it up, Mars. You can't win."

(Sailor Mars is struggling.)

Sailor Moon "I gotta help her."

(But Tuxedo Mask stops her.)

Tuxedo Mask "No! Let her be! This is her fight!"

(Sailor Mars finds the way. She concentrates.)

Sailor Mars *"Hey Grandpa, you with me? Lend me your strength to vanquish this Negamonster. I believe in you, Gramps. Let's beat her together."*

(She feels the power flow in her, and she lets it all out.)

Sailor Mars **"MARS CELESTIAL FIRE SURROUND!"**

(Intense rings of fire break through the Dark Fire and whiz past Catsy, setting her tutu on fire.)

Catsy "AH! MY TUTU! YOU'VE SINGED MY TUTU!"

(She disappears trying to beat out the fire.)

Sailor Mars "Teach her to mess with fire! HAH!"

Sailor Moon "Thanks for helping us out, Tuxedo Mask, especially knowing how...you feel about me."

(He can only growl in response. She always has to bring the subject up. He keeps having a vision...of her as Princess Serena...facing destruction. He constantly has to face this torment, and he doesn't want her involved.)

Tuxedo Mask "Well, I'm only doing what's right. No sense in getting all mushy about it."

Sailor Moon "That's it? Huh?"

(He leaves before she can ask further.)

Tuxedo Mask "See ya round."

(Sailor Mars tries to cheer her up.)

Sailor Mars "Hey, thanks for coming to my rescue. You really nailed that muscle-head monster."

(Next day...)

Serena "You sure your grandpa's heart can take this kind of punishment?"

(Raye and Serena are watching from outside the doors.)

Raye "I wouldn't set foot in there to stop him. Would you?"

Serena & Raye "Uh unn."

(Rini is in there, giving Chad and Grandpa some aerobics instructions...)

Rini "Okay, everybody. Let's move it. Twenty more leg lifts, then we start to work on the hips."

(...and they're all having fun.)

Chad "This music's got me movin'! I think I feel a brand new song comin' on!"

Grandpa Hino "Just promise not to sing, Chad, or I'll have to use my karate moves on you."

(The last thing anyone wants to hear is Chad singing, but to threaten him with THAT?)

Rini “Hey guys, this is so cool. We're gonna have to get Serena in here. She's been eating too many muffins.”

(How insulting.)

Serena “Oh!”
