Sailor Moon - Episode 59: "A Charmed Life"

(Within the Negamoon spaceship that's the temporary headquarters of Rubeus and the Negamoon Sisters...)

Prisma "I hate being stuck here in the past. It's all so...primitive. Why can't Rubeus take us home to the future already?"

Avarie "Quit whining, Prisma. We have work to do here. Besides, what are you so impatient for? You don't have anyone waiting there for you."

Prisma "Can it, Avarie."

Bertie "Bicker, bicker, bicker. That's all you two do. Hm hm hm..."

Avarie "Oh Prisma, just 'cause you haven't had a date since we got here..."

Prisma "I've been too busy working."

(Rubeus appears from a Negamirror.)

Rubeus "You sisters at it again?"

Avarie & Prisma "Rubeus!"

Rubeus "If you really want to get back to the future, you'll capture the new Crystal Point I just found."

(It's a hot day. Mina's sitting on a bench in the park...waiting.)

Mina "It's so hot. I wish they'd get here."

(She's getting rather sleepy. She yawns.)

Mina "Maybe I'll go take a nap in the shade."

Lita "Hey, Mina!"

Mina "Hmm?"

(Lita is hurrying to meet her.)

Lita "Sorry I'm so late. I-I missed the bus."

Mina "You are WAY beyond late."

Lita "I'm really sorry..."

(She sits down on the bench with Mina.)

Lita "...but at least I'm not the last one here."

Mina "But Serena's always late."

Lita "What? You hold me to a different standard than you do her?"

Mina "Of course, Lita."

(Lita stretches.)

Lita "This'll be so fun. You know, we haven't been on a serious shopping spree in ages."

Mina "Maybe we can all buy ourselves some synchronized watches."

(And they both laugh. They know who could use one the most.)

Lita "Especially Serena."

(Suddenly...)

Rini "Hey, I said get lost, you guys, okay?"

(Both girls look. Rini is walking through the park. Following her is her floating Luna Ball, and behind IT...are two boys: one Rini's age, and the other a little older.)

Younger Boy "How does that ball float? Tell us!"

Rini "Bug off!"

Older Boy "We're not leaving 'till you tell us, Rini!"

Rini "You know, I finally managed to figure it out. I wasn't sure which one of you is stupidest, but now I know: both."

(The little one doesn't take kindly to insults...)

Younger Boy "You're gonna get it!"

(...and the older one knows how to deal with them.)

Older Boy "Outta the way!"

(He walks over and picks Rini up.)

Older Boy "He he he he. I'll handle this."

Lita "Put her down!"

(The boys turn...and see Lita and Mina looking down at them.)

Mina "Aren't your moms calling you, boys?"

(Both boys know it's no fun to mess with older girls, especially if they're already angry.)

Boys "Uh...bye. See ya."

(And they make tracks.)

Lita "Those dweebs aren't so stupid. They're smart enough to run away."

Rini "Huh?"

Mina "Are you okay, pumpkin? That kid may have seemed pretty obnoxious, but I think he has a crush on you."

Lita "Are you totally crazed? That kid's nothing but a little fungus. You've gotta stop reading so many romance novels."

Mina "Look who's talking. You think the paperboy likes you just because he rides by your front door every morning."

(Mina's the romantic, and Lita's the flirt. Both are so similar and yet so different.)

Lita "Oh, come off it, Mina. Admit it. You're jealous."

Mina "You're hallucinating. Why would I be jealous of you? I'm perfectly happy with myself just the way I am."

(Rini watches at Mina and Lita argue. And we thought Raye and Serena were the only two Scouts who tended to bicker.)

Lita "Sure, Miss Lonelyheart."

Mina "There's more to life than collecting boyfriends."

Lita "Yeah?"

(Rini interrupts.)

Rini "Please, please stop it."

Lita & Mina "Huh?"

(They both stop and turn to Rini.)

Rini "I know a guy who needs a girlfriend. Serena drove Darien wacko, so he broke up with her."

Serena "And how do you know that?"

(Serena has just arrived. She overheard, and BOY is she mad!)

Serena "HAVE YOU BEEN LISTENING TO MY PHONE CALLS?!"

Rini "Sammy was, and I happened to be listening..."

(That's all she needed to hear.)

Serena "Little spore!"

Rini "AAH!"

(She rushes over, picks up Rini, and drops her off a short distance away for a little talk.)

Serena "Anyway, we haven't broken up. We had a fight."

Rini "That's not the way I heard it."

Mina "Think Darien's your type?"

Lita "Oh, give me a break, Mina. I don't go after my friend's boyfriends."

Mina "What about when you chased after Andrew when his girlfriend left?"

Lita "That wasn't serious. I was just flirting."

Mina "Oh, give me a break."

Lita "What's that supposed to mean?"

Mina "You know..."

(There they go again. Meanwhile, Rini is pulling Serena's hair.)

Serena "Let go this instant!"

(Finally, Serena tries to swing her head and whip Rini away...)

Serena "Let go, you brat!"

(...but as she does so, Rini pulls down and swings off her hair. Rini lands safely behind Serena while Serena herself falls flat.)

Rini "Didn't anyone ever tell ya to be careful what you wish for?"

(In headquarters...)

Rubeus "So which one of you's gonna take over the latest Crystal Point?"

(He brings up an image of where the Crystal Point is.)

Rubeus "It's a store that sells crystals and charms and jewelry. It seems to be very popular with the kids."

Prisma "Jewelry? Sounds fun."

Bertie "Hmm...I could use a new charm bracelet."

Avarie "So why's it so popular? Must be junk if kids can afford it."

Rubeus "Who knows? It's just the latest rage with these humans. They seem to think these charms have positive energy and will bring them good luck."

(The image fades.)

Avarie "Bunch of rubbish."

Rubeus "Maybe so, but it's important we take control of this point, so I want you to put together a plan to seize that store and capture the customers."

Avarie "Count me out, Rubeus. I'd never set foot in a place that sells anything but top-quality jewels."

Prisma "I can't believe this."

Avarie "I'm not, Prisma. Tacky trinket shops aren't my thing. Bye now."

(She disappears.)

Prisma "Avarie, come back here!"

(Avarie retires to another part of the ship.)

Avarie "A girl does have to keep up her standards, but it'd be a pity if I lost all of those shopping bonus points I've earned."

(She produces a wine glass. She jiggles it...and summons a servant...)

Avarie "Droid Jellax..."

(The wine erupts from the glass and takes shape beside Avarie. It's Jellax.)

Jellax "You need me, commander?"

Avarie "I certainly do. I want you to go see Rubeus. Tell him I'll take the mission at the jewelry mart after all."

Bertie "You missed the train on that one, Ave."

Avarie "Whaddya mean?"

(Bertie floats past her sideways.)

Bertie "I mean it's too late. Prisma's already gone. You blew it."

(She rights herself.)

Bertie "Rubeus said that if he'd known what a prima donna you were, he wouldn't have brought you."

Avarie "He did, did he? Well, I'll just have to change that impression, won't I, Bertie?"

(And she and Jellax disappear.)

Bertie "Bring me back a gift. Bye now."

(Back in the city, Serena, Mina, and Lita walk down the street. Serena is walking backwards with Luna on her shoulder, trying to convince Mina and Lita to stop arguing.)

Serena "Come on, you guys. Just make up already. We can't shop if you won't talk to each other."

Lita "I'll forgive her if she apologizes."

Mina "Nothing to apologize for."

Serena "Oh ho ho."

(This is tougher than she thought.)

Luna "They're getting as stubborn as you are, Serena."

(Suddenly, Serena trips and falls backwards.)

Serena "OH! That hurt! Why didn't you warn me about that?!"

(She gets up and notices...a charm shop, the same one that's supposed to be a Crystal Point.)

Serena "Ooh, hey. What's that?"

Mina "Huh?"

Lita "It's a charm shop. Supposed to sell charms that'll bring you luck with boyfriends."

Mina "Better than Raye's charms?"

(Serena is already at the door.)

Serena "What are you waiting for? Come on! Let's check it out!"

Mina "This could be wicked cool. Wanna go in?"

(Lita nods. They both agree for a second...)

Lita & Mina "Hmph."

(...then turn away from each other as they walk inside. From an alley, Rini watches.)

Rini "I better follow them in there. That could be where the crystal's hidden."

(Avarie and Prisma are now running the store.)

Prisma "Sure it works. Guaranteed to make your wishes come true."

(Two young ladies are with them in the showroom. One looks at a red jewel she's picked.)

First Lady "I wish..."

(She and her friend hold their jewels to their hearts as they wish.)

First Lady "I wish for Bobby Gordon to ask me to the Homecoming dance."

Second Lady "And I wish for Greg Matheson to ask me to the dance AND take me to dinner."

(With a flash, the jewels go into effect. They don't grant wishes. They inject Negaenergy into the victims, turning them totally sour.)

Second Lady "Greg's a geek. Matter of fact, all guys are."

First Lady "Yeah. Bobby Gordon is a total wuss."

(A total one-eighty, thanks to Negaenergy.)

Prisma "Two more transformations for us, and all the more energy for the Negamoon. Who would've thought these silly charms were such a booming business?"

Avarie "We'll have this Crystal Point taken over in no time, and who knows? Maybe we'll even have enough time for a shopping spree."

----- **Commercial Break** -----

(Serena, Mina, and Lita are now browsing the store's trinkets and potions. Serena is especially enthusiastic.)

Serena "Lita, Mina, check this out. This stuff is so cool. Oh, I just wanna buy it ALL. Oh look. Oh look. There are crystal balls and charms and pyramids. Everything that's supposed to be lucky. OoOOoh!"

(Then she sees something.)

Serena "Huh?"

(She walks over to it. It's a vending machine for...)

Serena "A good luck potion! I wonder if it works."

(Luna grumbles sarcastically...)

Luna "Yes, for sure. Who would be such a fool to fall for such a moronic hoax?"

(Serena holds up a coin.)

Serena "Tada!"

(Guess who's gullible enough.)

Luna "Oh no."

(Elsewhere...)

Lita "Serena, maybe this'll help you make up with Darien."

(She turns to Serena and...)

Lita "HUH?!"

(Serena has opted to buy a super-economy-sized bottle of potion, and she's trying to drink the whole bottle!)

Mina "Stop, Serena. You think that's good for you?"

Lita "What is that stuff, anyway?"

(Serena finishes the bottle.)

Serena "Good luck potion."

Luna "Total hogwash."

Mina "I don't know. Aren't you supposed to take it in doses?"

Lita "Hey, if that stuff really works, you should be in for some major good luck."

Serena "Yeah?"

(The huge drink causes Serena to burp out a little gas.)

Prisma "Sorry to keep you waiting, ladies."

(Prisma and Avarie walk up to them.)

Girls "Huh?"

Avarie "We have lots of good luck charms, girls. Come on over and take a look. I'm sure you'll find something to make your life happier. Improve your love life?"

(The girls are invited to the showroom, where all the "charmed" stones are.)

Serena "Wow, these are majorly cool."

Prisma "But that's not the best part. They're guaranteed to make any wish come true."

Serena "Even if your wish is something like...making someone forgive you for saying something you didn't mean?"

Prisma "Oh yes. Actually, I've got a charm that's perfect for you. It's called the Forgiveness Stone. Works every time."

(Prisma picks up a box with a stone in it and places it on the counter.)

Serena "Ooh, wow! I'll bet Darien'll forgive me for sure now. Okay..."

(But Mina and Lita cover up the box with their hands.)

Mina & Lita "Wait!"

(They want the charm, too.)

Serena "Oh...Oh, excuse me, you guys. It's my charm."

(They take their hands off.)

Mina & Lita "Oh."

Mina "Sorry. I thought maybe Lita could use it first to apologize for our fight."

Lita "What? YOU forgive ME?"

Serena "What?"

(Mina is laughing.)

Mina "Forgive ME? You kidding?"

(Prisma and Avarie look at each other and silently agree: this'll be cake.)

(Meanwhile, Rini looks into the store from the display window.)

Rini "They're not in there. They must've gone in the back."

Tough Voice "Security. What are you doing getting your fingerprints all over that glass?"

Rini "Huh?"

(Rini turns around. It's just Darien playing a joke on her.)

Rini "Darien, you scared me."

Darien "Sorry, pipsqueak. So, what you up to?"

(In the back room, Serena has trouble making up her mind.)

Serena "Ooh, but I love them ALL. Now, how do I know this one is for me? Now, what if these are better, huh? And maybe I need more than one."

(She's trying everyone else's patience. Avarie tries to ask Mina if she's interested.)

Avarie "Would you like to look at some while your friend decides?"

(But by now, Mina had changed her mind.)

Mina "I don't think so. Last time I got a charm from my friend Raye, it didn't turn out so good."

Serena & Lita "Huh?"

(Prisma tries to con Lita...)

Prisma "What about you?"

(...but Lita's changed her mind, too.)

Lita "I don't need charms to fix my life, thanks."

Mina "Come off it, Lita. Tell us. When was the last time YOU went out on a date?"

(Mina explains...)

Mina "I'm just trying to help as your friend."

Lita "I know you are, Mina. I'll find someone when the time is right."

(Mina and Lita have made up. Prisma's getting steamed.)

Prisma "No you won't."

Girls "What?"

(Oops. Don't want to reveal too soon...)

Prisma "Nothing."

Lita "You know, we have our whole future ahead of us, but if we keep getting into these petty fights, we won't be friends in the future."

Mina "You're right, Lita. Anyway, we came to help Serena with HER boyfriend problems. Let's concentrate on them."

Lita "Yeah. So, tell us about this big fight, and maybe we can help ya."

Serena "Sounds good."

Rini "You don't deserve such a nice guy."

(They turn around.)

Serena "Hmm? Rini?! What are you doing here?"

Darien "Rini? You back there?"

(Darien parts the curtains to look into the showroom. He finds Rini...and Serena.)

Serena "It's Darien. Maybe the charm really worked. Have you forgiven me yet?"

Darien "*Maybe I should say yes. She looks so sincere.*"

Rini "Darien, I wanna go now. I wanna get an ice cream."

(He squats down.)

Darien "I can't go with you today, Rini. I've got something else to do."

(And he walks away.)

Serena "Darien, wait!"

(Outside the store...)

Darien "I don't understand why it always has to be so tough between Serena and me."

(Across the street, Amy and Raye are searching.)

Amy "Lita didn't tell you what store they'd be in?"

Raye "Nah, just that they'd meet us out here. They'd better show soon, or I'm gonna be steamed."

(In the showroom...)

Rini "See what you did, Serena? Darien was gonna buy me an ice cream 'til he saw your face."

(Serena has had it with the little imp.)

Serena "OOH, I'M SO SICK OF YOUR FOLLOWING ME! WHY DON'T YOU JUST GO FIND SOME FRIENDS YOUR OWN AGE?! OR BETTER YET, GO BACK TO WHEREVER YOU CAME FROM!"

Rini "Not as long as you continue to annoy Darien like you do."

(They stare at each other.)

Serena "What do you know, anyway?!"

Rini "Plenty more than you, which isn't too tough to do."

(For the sake of appearances, Prisma has to do something.)

Prisma "OUT! GET OUT OF MY SHOP!"

(Lita and Mina turn.)

Lita "Hmm..."

Serena "Oh..."

(Serena and Rini stop arguing.)

Avarie "Cool it, Prisma. We need these girls to complete our mission."

(Uh oh. The secret's starting to spill.)

Mina "Mission? What kind of mission?"

Prisma "Nothing you want to worry your pretty little airhead with, SO QUIT ASKING!"

(Mina and Lita are awfully suspicious.)

Lita "I've got a bad feeling about this place."

Prisma "Oh, do you now?"

(She holds up her hand, which contains a shiny jewel.)

Prisma "Well, before you go, take a look at this charm. One touch, and your most cherished wish is sure to come true."

(They're not buying it.)

Mina "I've got a REAL bad feeling about this. Serena, get Rini outta here."

(Serena knows what that means. She gets in front of Rini. Prisma and Avarie realize that the jig is up, and that it's time to play their trump card.)

Avarie "Droid Jellax, come forth!"

(Jellax emerges from the ceiling and takes humanoid shape upside-down on the ceiling.)

Avarie "Get rid of these pests!"

(Mina and Lita jump back. This is trouble.)

Serena "They're not salespeople. They're monsters...from the Negaverse!"

(Avarie and Prisma ditch their disguises and reveal themselves as Negamoon Sisters.)

Mina "Serena, take Rini and go. Hurry!"

(Rini protests.)

Rini "I'm not going anywhere with this bimbo!"

Serena "This bimbo is your last hope."

(Avarie and Prisma jump. As Serena picks up Rini and tries to run, Avarie cuts off her exit.)

Avarie "You're not going anywhere."

(Then Prisma blocks the other way.)

Prisma "It's no use trying to fight, you dim-witted simps, 'cause you're not leaving 'til we've made you ALL Negaslaves."

(From the ceiling, Jellax emerges and dives at the girls in an attack, forcing them to scatter. In her jump back, Mina discovers a fire extinguisher. Meanwhile, Avarie has Serena and Rini cornered.)

Lita "Serena!"

(Serena tightly clutches little Rini. Avarie brandishes her whips.)

Avarie "Don't be scared. I won't hurt you if you do what I say."

Mina "Back off, fashion freak!"

(Mina aims the extinguisher's hose at Prisma, Avarie, and Jellax and...)

Mina "HAH!"

(She squeezes the trigger. The extinguishing chemical creates a mist that blinds them temporarily. Quickly, Serena runs with Rini while Lita heads for Mina.)

Avarie "You're not gonna get away with this! Come on! Show yourselves."

(Serena ducks behind the showcase counter. Luna soon joins them.)

Serena "Luna."

(Luna points to a nearby door.)

Luna "Head for that door over there. I think it's the exit."

Avarie "We'll find you. Don't worry."

(Lita and Mina find each other. This is their chance.)

Lita "Think it's time we showed these chicks bad service doesn't pay off."

Mina "Right behind you, Jupiter."

Lita "Let's go! **JUPITER STAR POWER!**"

Mina "**VENUS STAR POWER!**"

(Within the mist, they transform into Sailor Jupiter and Sailor Venus.)

Sailor Jupiter "You Negatwits ready to rumble?"

Avarie & Prisma "Huh?"

(As the mist clears, Avarie, Prisma, and Jellax take a look.)

Sailor Jupiter "In case you didn't know, we're the Sailor Scouts, and that means you're in big trouble!"

Sailor Venus "That's right, ladies. We're gonna wring you up and hang you out to dry."

Avarie "Who do you think you are?!"

Sailor Jupiter "Sailor Jupiter..."

Sailor Venus "...and Sailor Venus, and you're about to get a great big dose of Sailor Scout medicine."

(Avarie readies her whips.)

Avarie "Hey, I'm shaking."

Prisma "We sisters have got you silly Sailor Scout wimps beat, especially since the prettiest ones are running the show."

(Then it starts...)

Avarie "Ha ha ha ha."

Prisma "Huh?"

(Prisma turns around. Avarie is laughing at her.)

Avarie "Let me get this straight. You think you're the prettiest? Oh Prisma, you are such a comedian. I'm the prettiest."

Jupiter & Venus "Huh?"

(The Scouts can't believe it. They're arguing.)

Prisma "Yeah right."

Avarie "Hah!"

Sailor Jupiter "This for real?"

Sailor Venus "They're way worse than we are."

(Prisma prepares Dark Thunder.)

Prisma "I've had it with you, sister, and all the rest of you. YOU ARE TOAST!"

(She fires. It packs a punch, forcing Sailor Jupiter and Sailor Venus to jump out of the way. Sailor Venus then tries to jump kick Avarie, but she easily jumps out of the way.)

Avarie "Gotcha, blondie."

(Avarie lashes her whip...and snares Sailor Venus's neck.)

Avarie "Hey, sherry's in a whip."

(Meanwhile, Prisma tries to blast Sailor Jupiter with her Dark Thunder. Sailor Jupiter dodges and tries to punch Prisma, but Prisma dodges as well. As Sailor Jupiter lands, something emerges from the floor. It's Jellax! Soon, Sailor Jupiter is all jammed up.)

Prisma "Excellent work, Droid Jellax! Now find out from our guests where their other friends have gone."

Sailor Jupiter "I won't tell, but I'll tell you one thing: I'm sure they booked it outta here and are long gone!"

Prisma "You're lying!"

(Prisma shocks Sailor Jupiter with Black Lightning.)

----- **Commercial Break** -----

(Again, she demands...)

Prisma "AAAAH! TELL ME WHERE THEY ARE! AAAAH!"

(Serena and Rini are still hiding behind the counter.)

Prisma "AAAH! LIAR! TELL ME!"

(Suddenly...)

Sailor Mars "**MARS CELESTIAL FIRE SURROUND!**"

(Sailor Mars and Sailor Mercury have just arrived. The Mars Celestial Fire cuts through both the jelly, freeing Sailor Jupiter, and the whip, releasing Sailor Venus.)

Sailor Venus "Primo timing, you guys."

(Sailor Jupiter gets up.)

Sailor Jupiter "You weird sisters, you are in for it now!"

Sailor Venus "You're gonna wish you never met the Sailor Scouts."

Sailor Jupiter "**JUPITER THUNDERCLAP ZAP!**"

Sailor Venus "**VENUS LOVE CHAIN ENCIRCLE!**"

(Avarie and Prisma counter...)

Prisma "Take this, Scouts!"

(Dark Thunder meets Jupiter Thunderclap, and Avarie's whips encounter the Venus Love Chain. The powers clash in a flash of light. The end result: nothing! Their powers had cancelled each other. Avarie and Prisma fall back.)

Prisma "We're equally matched. What do we do now?"

Avarie "Droid Jellax, give us a hand here!"

(Jellax rises from the floor.)

Jellax "At your command."

Prisma "Waste these punks. I'm getting tired of them."

Sailor Venus "We can beat her."

Jellax "Nobody beats me, blondie. You're history!"

(As the Scouts face a sticky situation, Serena finds a way to get Rini out of the way: she puts her in a closet.)

Luna "What are you doing?"

Rini "Let me outta here!"

Serena "It's the only safe place for her. We'll come back and get her when it's all over."

Luna "You sure there's enough air in there?"

Serena "Of course, Luna."

(There's no time to lose.)

Serena "**MOON CRYSTAL POWER!**"

(She has to become Sailor Moon in a hurry!)

(Back at the fight, Jellax seems to have things wrapped up...or should I say, gummed up.)

Prisma "All right. Whoever tells me where your friend went goes free."

(Jellax forms a blade from one of her arms, to show the alternative.)

Sailor Moon "I'm right here, slime queen!"

(Sailor Moon is surprised. Why are ALL the Scouts here?)

Sailor Moon "Hey Mercury, I thought you were in computer school."

Sailor Mercury "Class finished early."

Sailor Mars "Do you mind cutting all the chit-chat?!"

Sailor Moon "Umm..."

(Jellax makes a dive for Sailor Moon.)

Jellax "MEET YOUR DOOM!"

(But Sailor Moon has other plans.)

Sailor Moon "Not today, squish-face!"

(She brandishes the Moon Scepter.)

Sailor Moon "**MOON SCEPTER ELIMINATION!**"

(Jellax is blasted in midair and crumbles.)

Sailor Moon "Hah! Moondusted!"

(Jellax's Negamoon Crystal fades, and the jelly bonds disappear, freeing the other Scouts.)

Other Scouts "All right, Sailor Moon! You did it!"

(Little do they notice that Rini had escaped from the closet and had seen the battle.)

(Later, the girls all enjoy a big lunch at the pizza house.)

Lita "How can you drink that stuff? It's so gross."

(Serena has another super-economy-sized bottle of good luck potion from the store, and it's going down fast. Serena answers as she's drinking...)

Serena "When I drink enough, I won't have to apologize to Darien."

Amy "You're going to make yourself really sick."

Raye "Yeah, and then we'll have to listen to her belly aching."

Serena "HEY! DON'T YOU EVEN START IN WITH ME, RAYE!"

Raye "Could you please breathe downwind?"

(What's that supposed to mean?)

Serena "OOH!"

Raye "Just don't go talk to Darien right now, okay?"

Serena "Why not?"

Raye "You smell like you just ate a bunch of frogs."

Serena "Oh, you're just saying that 'cause you're jealous. Well, you just wait. I'm gonna have more good luck than I know what to do with. Luck, luck, luck, luck, luck, LUCK."

Raye "Sure...catching some frog prince."

(Serena is not daunted. She replies sarcastically...)

Serena "Ha ha ha. Hilarious."
