### Sailor Moon - Episode 62: *"Prediciton of Doom"*

*(Serena is reading a bedtime story to Rini.)*

**Serena** "After his long and strenuous journey, the prince found her, but the princess had fallen into an eternal sleep under a wicked witch's spell. He knelt down and kissed her..."

**Rini** "Boring."

**Serena** "You gotta be kidding. This is the best part of the story."

**Rini** "But I already know this story."

**Serena** "So you mean I've just been reading this for my own enjoyment? Hey, but that's okay."

*(She continues reading.)*

**Serena** "So, the princess suddenly opened her eyes and the spell was broken. Oh, isn't it romantic, don't you think?"

*(When she doesn't hear an answer, she turns around.)*

**Serena** "Rini? Rini?"

*(Rini has already fallen asleep.)*

**Serena** "Oh, she slept through the best part."

**Luna** "Come on, Serena. Give the poor kid a break."

**Serena** "Oh..."

**Luna** "I mean, here she is in the past trying to help her mom and dad who are in big trouble in the future."

*(This recent discovery puts a different light on the precocious Rini. She's a girl on a mission.)*

**Serena** "Oh, I wish I could do something to help them."

-----  
*(Dark visions abound, and Darien suffers from one of the most terrible. Although Darien really loves Serena, he can't get a horrible vision out of his mind. It's all about a wedding day...)*

**Serena** "Oh Darien, finally the two of us can live happily ever after."

*(...turned horribly wrong. He mumbles in his sleep.)*

**Darien** "Serena..."

*(It happens every time in his dream. Right in front of his eyes...)*

**Darien** "SERENAAAA!"

*(Serena disappears. Then, a voice calls out to him.)*

**Voice** "Prince Darien, remember, you must keep your distance from Princess Serena."

*(He gets up.)*

**Darien** "Not you again. Who are you anyway?"

**Voice** "I know that is going to be difficult for you, but you must stay away from her. Her safety, your safety, the future of the very planet hangs in the balance."

*(These constant omens are driving Darien crazy.)*

**Darien** "Grr...THIS IS JUST A STUPID DREAM, THE SAME NIGHTMARE I'VE HAD EVERY NIGHT! HOW DO I KNOW YOU'RE FOR REAL?!"

**Voice** "Because I have seen the future, and I know the truth. You must believe me."

*(He talks aloud.)*

**Darien** "IT CAN'T BE! IT CAN'T BE, YOU LIAR!"

---

*(He awakens and sits up in his bed.)*

**Darien** "I get too close to Serena, something'll happen to her?"  
"This is tearing me apart, Serena."

---

*(He picks up a picture of him and Serena together.)*

**Voice** "Serena will be in terrible danger."

*(The picture glass cracks, and Serena falls over. He gasps...then looks again. The glass is still cracked, but the picture is as it was before.)*

**Darien** "What...just happened?"  
"Should I listen to my dreams? Or how can I risk not to?"

---

*(The next day, Darien looks out over a bridge, considering what to do.)*

**Darien** "How can she be in danger because of me, when we truly care for each other?"

*(Serena sees Darien and walks up.)*

**Serena** "Hi there, Darien."

*(Dairan turns toward her.)*

**Serena** "Thought I might find you here. I-I'm worried about Rini. Has she said much to you?"

**Darien** "Well, no, not really. She did say something 'bout Crystal Tokyo. That's about it, though."

**Serena** "Hah. She hasn't talked about that to me."

*(Darien limbers up.)*

**Serena** "Uh wait, Darien, can't you stay and talk a while?"

**Darien** "No. Gotta get going. See ya 'round, Serena."

*(And he jogs off.)*

**Serena** "But Darien..."

**Darien** "I'm sorry... Serena."

**Serena** "Oh Darien, you seem so distant suddenly. ALL RIGHT, THEN! ALL RIGHT! RUN AWAY! JUST SEE IF I CARE!"

*(What's wrong with him?)*

**Serena** "Darien... oh, I miss you so much."

---

*(At the Crown Fruit Parlor (upstairs of the arcade), Darien is rather preoccupied.)*

**Darien** "What am I gonna do?"

*(Andrew sees him so somber and walks over.)*

**Andrew** "Something wrong, Darien?"

**Darien** "Hmm? Hey Andrew..."

*(Andrew sits down next to him.)*

**Andrew** "You haven't been quite yourself lately, and I just wondered if everything's okay."

**Darien** "Well..."

**Andrew** "Come on, Darien. Tell me what's going on. Maybe I can help you if you talk it out. I'm your best friend, right?"

*(Darien tries a roundabout approach. He doesn't want to tell Andrew the truth because Andrew knows Serena as well.)*

**Darien** "Yeah. You could be right. So tell me, Andrew, what's the best way to get a girl to totally despise you?"

**Lizzie** "Sorry to keep you waiting."

**Darien** "Huh?"

*(A waitress has just arrived with a strawberry sundae.)*

**Lizzie** "Hi there, Darien."

*(Suddenly, it comes to him. Darien has his answer.)*

---

*(At a bus stop, the girls eat ice cream bars and talk about their recent discovery.)*

**Mina** "So, have you had a chance to talk to Rini about her troubles yet, Serena?"

**Serena** "Nah."

**Raye** "We know she's from the city in the future called Crystal Tokyo, and it's been under some terrible attack by ruthless invaders from the Negamoon."

*(Meanwhile, Luna and Artemis fight for the last ice cream on their shared stick.)*

**Amy** "And Rini's mother's been captured by these invaders, right? And that's why Rini's here now."

*(Serena seems to be out of it.)*

**Serena** "Yeah."

**Lita** "And Rubeus and the twisted sisters followed Rini here to catch her and alter the future."

*(She snaps her attention to Serena.)*

**Lita** "Wake up, Serena. Your ice cream's melting. Earth to Serena. Hello?"

**Serena** "Guys, why do you think Darien's going way out of his way to avoid me?"

**Girls** "What?"

**Luna** "Serena, the topic at hand is Rini and all HER problems. Think you can stick to the subject?"

**Artemis** "Right. We've gotta help that girl and get her back to the future."

**Other Girls** "Right."

*(A motorcycle pulls up. A young man is driving, and a young lady is holding tight behind him. Her constant giggling annoys Serena.)*

**Serena** "How can I hear myself think?! Stop that racket!"

*(The driver lifts the visor on his helmet. It's Darien...)*

**Serena** "Darien."

*(...with another girl!)*

**Serena** "Darien..."

**Darien** "Hmm?"

**Lizzie** "Huh?"

**Serena** "Darien, who is this girl? She's a...a cousin of yours, right? Or...or some other relative, isn't she?"

**Darien** "Since when do I have to report in and tell ya who all my friends are? Get a life, Serena."

*(He lowers the visor.)*

**Darien** "Hold on tight, okay? We're outta here."

**Lizzie** "Who is she? Darien..."

**Darien** "Just some girl I know."

*(Darien's motorcycle pulls away. Serena is downtrodden all over again.)*

**Serena** "I'm just...some girl..."

*(Darien isn't too thrilled, either, but it's for her own safety.)*

**Darien** "Serena, 'til I find out what that dream means, It's gotta be this way. I'm sorry. It's killing me, too."

---

*(That night, Serena is sitting in front of the refrigerator, trying to eat her way out of total heartbreak, but Luna is outside the kitchen.)*

**Luna** "What's that noise? Could it be a burglar?"

*(Luna peeks in.)*

**Luna** "Serena, what on earth are you doing?"

*(Serena is too sad for words.)*

**Luna** "You'll have a terrible time getting to sleep if you eat all that stuff, Serena."

*(Serena responds in the middle of tears...)*

**Serena** "I don't care."

*(Rini, thirsty, walks into the kitchen.)*

**Serena** "I just don't care if I don't sleep or if I get fat. Darien's got himself a new girlfriend."

*(This news gives Rini a shock.)*

**Serena** "And now that my guy's got himself a new girl, I'm just gonna eat away my sorrows."

*(Now Rini's in tears. Something about this isn't right.)*

---

*(She takes off down the street in a panic.)*

**Rini** "Darien's got a new girlfriend. That can't be. It just can't be. Why would he do that?"

*(In her panic, she doesn't realize that she's run onto the street, and a truck is heading straight for her!)*

**Rini** "Huh?"

*(The truck just misses her...)*

**Rini** "AAAAAH!"

*(...but her extreme distress causes her to release another Moon Beam.)*

---

*(This does not go unnoticed.)*

**Serena** "Wh...wh...what was that?"

*(Luna dashes into Serena's room, where she's still eating.)*

**Luna** "Oh, Serena, quickly. Rini's in terrible trouble. She's missing again."

**Serena** "Oh no. That was Rini's energy. Oh Rini..."

---

*(Serena isn't the only one who's noticed.)*

**Rubeus** "So, girls, the little brat's revealed herself again."

**Prisma** "Yes. We've pinpointed where her energy was released."

**Rubeus** "Get her, and don't fail me this time!"

---

*(Rini, still crying and panic-stricken, runs through a park, where two of the Negamoon Sisters await.)*

**Avarie** "Gotcha now, ya slippery little weasel."

*(Avarie and Prisma go after her. Rini runs for it...)*

**Rini** "Mommy..."

*(...while Serena is looking for Rini.)*

**Serena & Luna** "Rini!"

**Rini** "Help me!"

*(Serena spots Rini and the sisters.)*

**Serena** "I'm in a majorly bad mood, and I'm taking it out on you Negatramps! **MOON CRYSTAL POWER!**"

*(As Serena transforms, Avarie gets a hold of Rini.)*

**Rini** "Help!"

**Prisma** "Hah! You're not getting away this time, kid!"

**Sailor Moon** "Don't be so sure."

**Prisma & Avarie** "Sailor Moon?!"

*(Luna jumps at Avarie's arms and scratches it, making Avarie let go of Rini.)*

**Avarie** "OW! AH!"

**Sailor Moon** "I stand for love, and I stand for justice, too, but I won't stand for bullies like you! I'm Sailor Moon, and on behalf of the Moon, I'll punish you!"

**Avarie** "Hm hm hm hm hm. We've been expecting you, and we've brought a little surprise with us."

**Sailor Moon** "What kind of surprise?"

**Avarie** "Okay, Droid Hypnotica, come forth!"

*(Hypnotica appears out of the sky.)*

**Hypnotica** "Ha ha ha ha! Hypnotica!"

*(Sailor Moon looks up.)*

**Hypnotica** "Look into my eyes."

*(With eye contact, Hypnotica casts her evil spell.)*

**Sailor Moon** "Uh oh."

**Hypnotica** "You're getting sleepy."

**Sailor Moon** "What are you doing?!"

**Luna** "Be careful, Sailor Moon."

**Hypnotica** "Go to sleep. Go to sleep. You must rest forever."

*(Under the trance, Sailor Moon grows weak.)*

**Luna** "Oh no! Sailor Moon, you've got to stay awake."

*(But Sailor Moon is already losing it.)*

**Sailor Moon** "You were wrong about eating too much before bed, Luna. Good night. I'm so tired."

*(And she falls into a very, very deep sleep. Rini is getting very nervous.)*

**Prisma** "You like that, kid? That's good, 'cause it's your turn."

*(Prisma and Avarie are suddenly interrupted. The rest of the Sailor Scouts have arrived.)*

**Sailor Jupiter** "So, the weird sisters are at it again. Why am I not surprised?"

**Prisma** "I hate these meddling Scouts."

**Avarie** "Yeah, but there's two of us and four of them. Sorry, sis, but I don't care for these odds. I'm outta here."

*(She leaps into the air.)*

**Prisma** "Wait!"

*(Prisma follows.)*

**Sailor Mars** "What? You taking off so soon?"

**Prisma** "Before we say good night, kids, we'll let Hypnotica tuck you in. Ha ha ha ha..."

*(She disappears.)*

**Avarie** "Droid Hypnotica, put the silly Scouts in the same lovely dream world their Sailor Moon is in, then say good night forever."

*(Avarie disappears.)*

**Hypnotica** "You're getting sleepy..."

**Luna** "Don't listen to her, girls! She's trying to hypnotize you. You must resist her and not let yourselves fall asleep!"

**Hypnotica** ♪Go to sleep. Go to sleep. You must rest forever. ♪

*(Hypnotica's spell is strong. All of them are starting to get drowsy, but Sailor Mars has a bone to pick.)*

**Sailor Mars** "Where'd you learn to sing? Yodeling school?"

*(She pulls out a mystic scroll.)*

**Sailor Mars** "I call upon the power of Mars! **FIREBALLS CHARGE!**"

*(The spell latches onto Hypnotica and transforms her into smoke.)*

**Sailor Mercury** "Cool move, Sailor Mars. I was in trouble big time."

*(Sailor Venus and Sailor Jupiter rush to Sailor Moon.)*

**Sailor Venus** "Hey, come on, Sailor Moon. Wake up."

*(The smoke forms a disc, and Hypnotica's eyes peek in.)*

**Hypnotica** "Not likely. She's dreaming. She's running out of energy, then falls asleep forever, except there's no waking from this dream. It's real."

*(The smoke rushes into Sailor Moon, despite Sailor Jupiter's efforts to stop her.)*

**Sailor Jupiter** "STOP!"

**Hypnotica** "Ha ha ha ha ha..."

**Sailor Mercury** "WHAT WAS THAT?!"

**Sailor Mars** "Sailor Moon!"

**Sailor Venus** "Sailor Moon?"

**Sailor Jupiter** "Wake up! You've gotta wake up!"

*(Sailor Moon starts to glow pink, but she's still asleep.)*

---

*(They rest her on a bench in the park.)*

**Sailor Jupiter** "Hang on! Wake up!"

**Sailor Venus** "Sailor Moon!"

**Sailor Mars** "Don't go to sleep!"

*(Sailor Jupiter bangs her fist against the bench in frustration.)*

**Sailor Mercury** "Her energy's leaving her body. If we don't find a way to stop it, we won't be able...to wake her up. Oh, can't...you hear us?"

**Sailor Venus** "Wake up, Sailor Moon."

**Sailor Mercury** "Oh..."

**Sailor Venus** "Wake up."

*(It's no use.)*

**Sailor Jupiter** "Wake up! Wake up!"

**Sailor Mercury** "I'm afraid she's leaving us."

*(Suddenly, Luna runs off.)*

---

*(One thing is on her mind as she's running: what Serena had said at the refrigerator earlier.)*

**Serena** "Now that my guy's got himself a new girl, I'm just gonna eat away my sorrows."

*(Luna makes a beeline for Darien's apartment...)*

---

*(...and jumps on him from the window, waking him up.)*

**Darien** "Huh? What?"

**Luna** "Darien, you have to come with me. Sailor Moon's in great danger. She's falling into an eternal sleep, and you've got to come wake her up. No one can do it but you."

*(The vision of the cracked picture flashes into his mind.)*

**Darien** "But I can't do it."

**Luna** "I know you still care about her, so why must you continue to avoid her?"

**Darien** "Because..."

*(He doesn't want to tell Luna. It might be dangerous.)*

**Luna** "She's running out of time! GO TO HER!"

*(So, there's only one thing to do...help her.)*

-----  
*(He takes off on his motorcycle.)*

**Darien** "Hold on, Serena. You can't leave me!"

*(He becomes Tuxedo Mask en route.)*

**Tuxedo Mask** "HOLD ON, SAILOR MOON! HOLD ON!"

----- **Commercial Break** -----

*(Back at the park...)*

**Sailor Venus** "Wake up, Sailor Moon. Please wake up. Oh, come on. Please. Oh, please, Serena..."

**Sailor Jupiter** "Oh Serena, how can we get through to you?"

**Sailor Mercury** "Sailor Moon..."

*(When she touches Sailor Moon...it's cold!)*

**Sailor Mercury** "Her temperature's dropped drastically!"

-----  
*(Time is running out! Can Tuxedo Mask make it to the park in time?)*

**Tuxedo Mask** "Hold on, Sailor Moon! Wait!"

-----  
*(The Sailor Scouts receive a surprise.)*

**Sailor Mercury** "Look! I think Tuxedo Mask is here!"

*(A light shines on them.)*

**Sailor Mars** "Huh?"

*(It's the motorcycle...and Tuxedo Mask!)*

**Rini** "Tuxedo Mask, you're here!"

**Sailor Mercury** "I just hope he can do something for her."

**Sailor Venus** "I sure hope so, too."

*(Tuxedo Mask, seeing Sailor Moon in such a bad state, rushes to her.)*

**Tuxedo Mask** "Sailor Moon! Wake up! Can't you hear me? Huh? Oh..."

*(What about the nightmare? He's a danger to her! But...)*

**Sailor Moon** "Oh, Darien..."

**Tuxedo Mask** "Serena, please forgive me!"

*(And, just like in Sleeping Beauty, he kisses her...)*

**Hypnotica** "STOP!"

*(...and breaks the spell.)*

**Rini** "Look, everyone!"

*(They all turn. Sailor Moon stirs.)*

**Sailor Mercury** "The power of love brought Sailor Moon back to us! This is so great!"

*(Sailor Moon opens her eyes, and she and Darien speak quietly to each other.)*

**Sailor Moon** "Darien? I feel warm."

**Tuxedo Mask** "I'm so glad...Serena."

**Rini** "Just like my storybook. The fairy tale came true."

*(One person, however, is not thrilled at all.)*

**Hypnotica** "How rude of you to interrupt her sleep, cape boy."

*(She takes the horn on her head and draws a sword. She dives at them. It's just then that Sailor Moon regains her senses.)*

**Sailor Moon** "Look out!"

*(She pushes Tuxedo Mask, but Hypnotica still manages to nick his shoulder.)*

**Sailor Moon** "How dare you attack my guy! I'm the one you want, so come on, Negattrash! Let's rumble!"

**Hypnotica** "Lights out for you. It's past your bedtime."

**Sailor Moon** "I'll say when it's my bedtime, thank you."

*(Speaking of bedtimes, it's time to put Hypnotica to bed. Serena summons the Moon Scepter.)*

**Sailor Moon** "**MOON SCEPTER ELIMINATION!**"

*(She blasts at Hypnotica, who crumbles into moon dust.)*

---

*(Later...)*

**Tuxedo Mask** "Sailor Moon, amazing job. I'm...really glad you're all right again."

**Sailor Moon** "Darien, I just knew in my heart you still loved me."

**Tuxedo Mask** "Serena..."

*(He can't stop thinking of those bad omens.)*

**Tuxedo Mask** "...but I...I...I don't love you."

**Sailor Moon** "What? But how can I believe that when you just came to my rescue?"

**Tuxedo Mask** "That's another story. Believe me."

**Sailor Moon** "Oh..."

**Tuxedo Mask** "Our love is like a rose: beautiful when it's in bloom, but it can't last forever."

*(He crushes a rosebud and the petals scatter in the wind.)*

**Sailor Moon** "NO!"

*(And Tuxedo Mask drives away, leaving Sailor Moon in tears.)*

**Sailor Moon** "Come back, Darien."

-----  
*(Darien himself is torn.)*

**Darien** "Oh, Serena. I can't stand...hurting you."

-----  
*(The next day, Serena meets the girl Darien was with...and gets a surprise!)*

**Serena** "Oh no! Get outta town, Lizzie! Wow! I didn't know that you were Andrew's little sister."

**Lizzie** "Sure am, and Andrew asked Darien if he'd give me a ride home, and that's when you saw us."

**Serena** "Giving you a ride home? That was it?"

**Lizzie** "Yep, and it was really nice of him to go out of his way 'cause I was already major late that day."

**Serena** "But wait. I thought Darien was your boyfriend."

*(Lizzie giggles.)*

**Lizzie** "No way. He's just a friend. I've got the greatest boyfriend I'm totally wild about. See ya 'round, 'kay?"

**Serena** "Oh, I've still got a chance to get him back."

*(She sips on a fruit smoothie.)*

**Serena** "Mmm. Mmm, but I just...I just don't understand why Darien has to keep avoiding me all the time. There must be some logical reason. Yeah, that's right. Yeah, there has to be...a good reason. Yes, that's it. I'll find out exactly what is, and then I'll be able to win my guy back again!"

*(Her mind made up, she finishes her smoothie very quickly.)*

**Serena** "YES-O!"
