

TRANSCRIPT FOR

Sailor Moon - Episode 63: *"Enemies No More"*

(The wise man who guides Rubeus and the Negamoon Sisters is getting impatient.)

Wise Man "Rubeus, we need that child now. We've lost more ground in the future. We can't afford any more delays in our mission."

Rubeus "Well, can you help us?"

Wise Man "I can tell you the crystal's energy will be emitted from the Cherry Hill Temple sometime this afternoon. I want that child and the crystal!"

(Cherry Hill Temple? One of the sisters has been there before...twice.)

Rubeus "Catsy's familiar with that temple, so I'll send her."

Wise Man "Just make sure she knows what she's doing, Rubeus. You've already failed too many times. No one's irreplaceable, you know? And I hope Catsy's trustworthy. I see dark clouds around her."

Rubeus "She would never betray us, wise man. I've got her wrapped around my finger."

Wise Man "For your sake, I hope you're right."

(Raye is walking back to the temple.)

Chad "Uh, Raye, help me out here. I can't see anything."

(Chad is behind her, carrying what she's bought, and it's a bunch.)

Chad "Raye, where are you?!"

Raye "Chad, would you quit griping and just hurry up?"

Chad "Well, why'd you buy so much stuff anyway? Your closet's already full."

Raye "Look, you promised me a full day of shopping if I let you sing at the temple, and I suffered quietly."

(When it comes to singing, Chad's tone deaf.)

Chad "Suffered?! Hah!"

(As Raye and Chad pass a store, Catsy walks out the door, also carrying stuff with her.)

Chad "You need to learn some music appreciation."

(Chad, blinded by the stacks of boxes, crashes into Catsy, and both fall to the ground.)

Catsy "AAH!"

(Raye turns around.)

Raye "What a nimbus."

Chad "Oh...Oh. I'm so sorry. Are you okay?"
Catsy "OW!"

Catsy "Why don't you watch where you're going, you big clod?!"

Chad "Sorry. I couldn't see where I was going."

Raye "Hurry it up, Chad. My stuff's gonna get all wrinkled, unless you wanna iron it all."

(Meanwhile, Catsy notices something familiar.)

Catsy "He looks like that guy from the martial arts classes at the temple."

(She had tried to turn it into a Negamoon stronghold, but was foiled by the Sailor Scouts. Meanwhile, Chad had picked up Catsy's bag.)

Chad "Sorry. Forgive me."

Catsy "NO!"

(And she rudely snatches the bag from him.)

Catsy "You ruined my day!"

Chad "Huh? Hey. Lemme buy you an ice cream or something. I'm really sorry."

Catsy "Well, sorry isn't good enough."

(Chad gawks as she walks away.)

Catsy "If my face turns black and blue, he's gonna get a REAL martial arts lesson."

(Back at the scene of the accident...)

Raye "Hey, what are you staring like that for?!"

Chad "Oh, I think I've...seen her before. I think she's been at the temple."

Raye "Huh?"

(Hmm. Chad senses something familiar about that woman, and this catches Raye's attention.)

(Back at headquarters...)

Catsy "My lipstick had better not be smeared or else."

Rubeus "Bout time you got back here."

(Rubeus tends to make surprise entrances, and this one almost makes Catsy drop her bag.)

Catsy "Rubeus, you startled me."

Rubeus "I've been waiting quite a while."

Catsy "You have? Did we have a meeting?"

(He holds Catsy close.)

Rubeus "No, Catsy, we didn't. I was just really looking forward to seeing you. I missed you."

(Catsy blushes.)

Catsy "Did you really?"

Rubeus "Of course. You're my finest warrior. When you're gone, I worry. Now, I have a special mission for you."

Catsy "Oh, what is it? Have you located another Crystal Point to capture?"

Rubeus "No, you need to go back to that temple."

Catsy "WHAT?! ARE YOU KIDDING ME?!"

Rubeus "No, Catsy. Our target'll be there today."

Catsy "Excellent. I'll capture that little fungus and get that crystal for us, too. This'll be great. Just you wait. We'll be heading back to the future by the end of the day."

Rubeus "We'd better. The wise man's losing patience."

Catsy "I'll do it for us."

(Rubeus walks away.)

Catsy "Huh? Rubeus, wait! I got you something!"

Rubeus "Hmm?"

Catsy "I thought of you as soon as I saw it. It's a wonderful cologne. Reminds me of your strength."

(She places a vial of cologne in his hand.)

Catsy "Ha ha ha. Here."

Rubeus "Thank you...but I really have no use for such things."

(And he crushes the vial in his hand.)

Catsy "WHAT?!"

(He shows Catsy the mess of broken vial in his hand.)

Rubeus "See that? That's what'll happen to our lives if you fail. You keep that in mind at the temple. Don't come back empty-handed."

(Catsy arrives at the temple early that afternoon, dressed differently.)

Catsy "I guess I'm kind of early. The kid's not showin' up 'til four. I'll have to find something to do 'til then."

(Her mind drifts to another matter.)

Catsy "I know. If I make up my face just right, I'm sure Rubeus'll wanna take me out for a victory celebration."

(Opening her compact, she gets a surprise. Rubeus's face is in the mirror!)

Rubeus "Catsy, has the kid shown up yet?"

Catsy "Uh unn. It's not four yet. There's no one here."

Rubeus "There's always somebody there. Now, quit primping and check the place out."

Catsy "Hmph. I was just gonna do that!"

Rubeus "Yeah right. Sure you were. You know, the Sailor Scouts are friends with the girl who works at the temple. Why don't you go snoop around and see if you can get anything on them or the crystal."

Catsy "I'll do that."

Rubeus "And another thing, Catsy: you look beautiful, as always."

(The image fades, and the mirror returns to normal, reflecting her face.)

Catsy "Thank you, my darling."
"He really does care about me. He was just being hard on me earlier to make sure I succeeded on this mission."

(Then...)

Raye "NO MORE SINGING, CHAD!"

(Raye is chasing Chad through the courtyard, swinging a broom.)

Raye "ONCE A WEEK! THAT WAS THE DEAL! THAT'S ALL I CAN STAND! DO YOU HEAR ME?! NO MORE SINGING!"

Catsy "Well, I won't have to worry about him giving me trouble. He can't even stand up to that girl."

(Mina and Lita are at a cafe, bored stiff. Luna and Artemis are both lying down on their laps. Mina yawns.)

Mina "I'm so bored. I don't have any money for shopping or the movies."

Lita "Yeah, tell me about it."

Mina "Hey Luna, why are you hanging out with us? Where's Serena?"

Luna "Oh, that Serena. She went over to the temple to bum some more comic books off of Raye again."

Mina "Amy's studying. Raye's working. Everyone's busy but us."

Artemis "And neither of you's got a boyfriend, so you're stuck with us cats. He he he ha ha ha..."

(Artemis is trying everyone else's patience. It's bad enough that neither girl has a steady boyfriend, but a talking cat rubbing it in takes the cake.)

(Serena is reading one of Raye's comic books, and she's already doubled over in laughter. Raye walks in.)

Serena "These old comic books are great! You should read 'em again."

Raye "Geez, are you still here?! I thought you were gonna borrow those and take your annoying self home!"

Serena "I was, Raye, but I realized if I just read them all here, I won't have to haul 'em all home and get all tired and sweaty."

Raye "Lazy slug."

(Just then...)

Catsy "Hello. Is anybody here?"

Raye "Huh? Huh?"

(Catsy is at the door.)

Catsy "Knock, knock. Anybody home?"

(She and Serena walk up to the door.)

Raye "Hello. May I help you?"

Serena "Hmm?"

Catsy "Actually, I'm hoping to help you. I'm from the Regal Makeup Company...but...I have a feeling I won't sell much makeup here. You two must both be models, right?"

(The false flattery drives Serena and Raye crazy.)

Raye "Oh, do you really think we look like models?"

Catsy "What? You mean you're not?"

(Catsy shows her wares.)

Catsy "Ha ha. This is our hydrating night cream. Makes your skin look silky smooth."

(This is so fascinating.)

Catsy "If you use it every night, your skin will be so beautiful everyone will notice. Oh, but maybe that'd just make your boyfriends jealous."

Raye "Boyfriends? Oh no. Neither one of us has a boyfriend right now."

Serena "Hey, that's not true! I've got one, but he's just not really...talking...to me...right at the moment."

Raye "Hey, you got any reality check cream? My friend here needs a jar big time."

Serena "Just be quiet! Darien is gonna come back to me, Raye. He loves me. I know he does."

Raye "Yeah, but you treated him badly, and he's smart enough not to hang around for that. When you apologize and really mean it, then maybe he'll wanna go out with you again."

(Catsy listens very carefully.)

Raye "But anyway, it's probably good that you guys are taking a break. You were getting WAY overinvolved. You ignored your friends and spent all your time with him."

Serena "I did, didn't I?"

Raye "We forgive you."

Serena "Thank you, Raye."

Catsy "Your friend is right."

(Serena and Raye turn and listen.)

Catsy "If you said or did something to hurt your boyfriend, you should apologize immediately. Otherwise, you could lose him for good. You finally apologize, but he's got someone new. Then you'll grow bitter and get ugly and wrinkled."

Serena "Oh, what should I do?"

Catsy "Apologize, like she said."

(Serena goes to tears.)

Serena "But I don't want to."

Catsy "You should, and then you'll feel happier than before because you saved your relationship instead of letting your pride rule your world, and then someday you'll get married and together the two of you will rule the whole universe, and everyone'll call you the queen of Tokyo."

Raye "Wow."

(There's something odd about her words. Catsy catches herself.)

Catsy "Huh?"
"What am I doing? I'm being nice to them and telling them all my dreams with Rubeus."

(Serena and Raye are starting to think the lady's a space case.)

Raye "You're nice...but I'm afraid I can't buy anything."

Catsy "Oh. Well...that's all right, but maybe you could refer me to some of your friends."

Raye "Nobody else lives up here."

Catsy "Younger brothers or sisters? We've got a great sunscreen just for kids."

Raye "No, I'm sorry. It's just Grandpa and me."

Catsy "Well, all right, then. Thanks for your time, girls."

(When Catsy leaves, Serena and Raye talk about the weird saleslady.)

Serena "Huh? That was weird."

Raye "Maybe if you had a case like hers, you could take those comic books home, hmm?"

(Meanwhile, Catsy is thinking of something else.)

Catsy "I've seen that blonde girl hanging out with Rini, so I bet the kid'll show up alone. Hm hm hm hm. This job's gonna be easier than I thought."

----- **Commercial Break** -----

(Later...)

Serena "Bye, Raye. I'll come back tomorrow to read the rest."

(Chad hears her.)

Chad "Hey Serena, got a new tune. You wanna hear it?"

Serena "Sorry, Chad. Gotta go do my homework."

Chad "Too bad."

(Serena knows about Chad's singing problem and isn't thrilled at all. As she runs down the steps to the temple...)

Rini "Hey there, Serena!"

Serena "What?"

(Rini is running up the steps.)

Serena "Rini, you really shouldn't come over here to read all of Raye's comic books. She's a busy girl."

Rini "Well, unlike you, I only come when I'm invited."

(She sticks out her tongue, gives Serena the pink eye, and continues up the steps. That little pest makes her so mad at times.)

Serena "Ooh, that little virus..."

(The bus starts to pull away. The horn catches Serena's attention, and she rushes for the bus.)

Serena "OH, WAIT! HEY, WA-WA-WA-WAIT FOR ME! STOP!"

(When Rini skips into the temple courtyard...)

Catsy "Hi there, munchkin!"

(Rini looks around.)

Rini "Huh? Huh? Huh?"

Catsy "Up here!"

(Rini looks up. Catsy, in her regular clothes, is coming down at her! She soon lands right in front of Rini and squats to look at her eye to eye.)

Rini "AAAAAH! Let go!"

(Rini tries to run, but Catsy pins her down.)

Catsy "Ha ha ha ha. No one's saving you this time, brat!"

(Suddenly, a broom hits her head.)

Catsy "AH!"

Chad "Get away from her!"

(Chad sees her face.)

Chad "I know you! You're the sicko from the martial arts class!"

Catsy "You'll pay for that! How dare you hit me with that flea-ridden broom of yours! Who do you think you are, surfer boy?!"

Chad "Wha..."

Catsy "You think I'm scared of you after seeing you run around here like a wet chicken? Hey, you're barbecued chicken!"

(Catsy blasts with Dark Fire, and Chad runs for it.)

Chad "WAAH! HELP! WACKO ON THE PREMISES!"

(Chad takes a spill.)

Raye "HEY! What's going on?!"

(Raye sees Chad on the ground. Catsy soon appears behind him.)

Raye "Not you again?! I should've known you'd be back!"

Catsy "See ya!"

(Raye picks up a rock and throws it at Catsy, just missing.)

Raye "Chad, hurry! Get away from her!"

Chad "Coming, Raye!"

Catsy "Fine, then I'll get you both at once."

(She releases more Dark Fire. Raye and Chad get knocked around as Catsy gloats. Raye turns...)

Raye "LOOK OUT!"

(...and sees Dark Fire heading straight for her!)

Chad "RAYE!"

(Chad jumps...and intercepts the Dark Fire. Raye opens her eyes. She sees Chad on top of her, bruised and burned.)

Raye "Chad, are you all right?"

(Catsy is stupified.)

Catsy "He saved her. Why would he wanna save someone who treats him the way she does?"

Chad "Well, Raye, actually I'm feeling majorly mangled."

Catsy "I don't understand. I thought you hated each other. I mean, all she does is boss you around."

Chad "It's what's on the inside that counts, lady, but you wouldn't understand."

(Chad loses consciousness.)

Raye "Chad, just hang in there. I'm not letting anyone hurt you again, you hear me? I promise! I'll get her for you!"

(She rests Chad on the ground.)

Raye "Nobody does this to my friends. Nobody."

(She turns to Catsy.)

Raye "**MARS STAR POWER!**"

(Catsy is surprised again.)

Catsy "Huh? I don't believe. You're Sailor Mars?! How can this be?!"

Sailor Mars "**MARS CELESTIAL FIRE SURROUND!**"

(Catsy quickly disappears before she's toasted. She reappears on a rooftop.)

Catsy "I've played this game before. Remember, Mars? But this time, I'll be the winner. You're gonna wish you'd never heard of the Negaverse."

(They both engage. Catsy starts by leaping into the air and producing a shower of Dark Fire.)

Sailor Mars "You don't scare me."

(Sailor Mars jumps past the shower. They both attack, and their powers clash. Catsy jump kicks, but disappears)

before connecting. Instead, she reappears behind Sailor Mars and rebounds off a tree, elbowing her and sending her flying.)

Catsy "Bye, guys."

(Sailor Mars carries Chad out of the way of another Dark Fire shower, but her legs get singed.)

Sailor Mars "AH! Oh, my ankle!"

Catsy "Why are you protecting him? It's not like he's your boyfriend or anything."

Sailor Mars "Well...obviously, you don't have many friends, 'cause if you did, you wouldn't ask that question, but then again, who'd wanna be friends with you?"

Catsy "And the way you talk to your friend, what is it? Serena? That supposed to be friendship?"

(She knew?)

Sailor Mars "I knew you looked familiar. You're the makeup lady!"

Catsy "That's right, and you're about to get a makeover. I've totally had it with you Sailor Scouts constantly meddling and interfering with our plans."

(Sailor Mars struggles to get up.)

Sailor Mars "If you think I'm gonna give up, you're outta your puny mind. I mean it!"

(She falls to one knee.)

Catsy "Ha ha ha. Hey Mars, just to show you what a nice person I am, I'll let you say bye to your boyfriend."

Sailor Mars "He's not my boyfriend, but someone like you wouldn't understand. All you think about is yourself, your face, and your clothes. Well, let me tell ya. It's not gonna last!"

Catsy "Huh? Of course it'll last. I take good care of myself. My looks are quite pleasing."

Sailor Mars "Blech! It's all worthless if you don't have love and respect."

Catsy "I have those things."

(But she recalls her recent episode with Rubeus back at headquarters. She really doesn't have a lot of respect.)

Catsy "I'm not listening to you anymore! Rubeus loves me. He just doesn't show it! Anyway, you're trying to trick me. Probably stalling 'til your Sailor friends get here. Well, I'm not falling for it, Mars."

Sailor Mars "Wait!"

(She teleports beside Rini.)

Catsy "This stupid brat's ours now."

----- **Commercial Break** -----

Sailor Mars "Stop!"

Catsy "She's going back to Rubeus as planned."

(Suddenly, an all-too-familiar rose whizzes past Catsy.)

Catsy "Hey! Who's there?!"

(Guess who's come to join the party?)

Tuxedo Mask "Tuxedo Mask at your service, and I suggest you get away from that child if you know what's good for you. You seem like a smart lady."

(It seems that the tables turn whenever he shows up. He jumps between Catsy and Rini.)

Tuxedo Mask "Wise choice, Catsy."

(He picks up Rini and carries her away.)

Catsy "You can't take her away. She's mine!"

(Not looking, she had forgotten about Sailor Mars, and Celestial Fire brings Catsy to her knees.)

Sailor Mars "Good always conquers evil. Don't you know that?"

Rubeus "Not much of a victory pose, Catsy."

(Who's dropping in now?)

Catsy "Rubeus, you came for me."

Rubeus "Not really. What happened to the kid, Catsy?"

Catsy "She's gone, but we can get her back together. If we team up as one, we'll be invincible. It's meant to be, my darling."

Rubeus "Gimme a break. You're a loser. I've got no interest in teaming up with a failure like you, Catsy. Don't bother coming back to headquarters. You're no longer a member of my team."

(What?)

Catsy "Rubeus, I know you can't mean that after everything we've been through, the battles we've fought. We can beat these guys! Love conquers everything!"

Rubeus "Yes, it's true. Love IS a very powerful thing, Catsy."

Catsy "Then you do care about me. You'll join me! Fight by my side!"

Rubeus "I said love is a powerful thing...that can be used to manipulate simps like you."

(What's this?)

Catsy "You can't mean that. I know. I've failed you, but I can do this if you believe in me. Tell me you believe in me!"

Rubeus "Pah! This is world domination, not a popularity contest. Anyway, you've been wearing so much perfume lately, I CAN'T STAND TO BE ANYWHERE NEAR YOU!"

(Sounds like Catsby's about to get dumped.)

Rubeus "From now on, you're on your own, Catsby."

(Catsy jitters nervously. Sailor Mars watches this carefully.)

Rubeus "But I will give you one last chance to beat the Scouts. Use this well."

(He produces a big Negabomb, which floats down to Catsby.)

Catsy "What? What is it?"

Rubeus "A Negabomb that'll blast this dump into chopsticks! Think of it as my farewell gift to you, huh? Much more practical than those stupid knickknacks you gave me."

(He disappears.)

Catsy "So it's all over, then. Well, might as well USE my present."

Sailor Mars "No, don't use that thing. Now's your chance. Start over, WITHOUT him."

Catsy "No! He hates me. Everyone does. Rubeus...the only man I ever really loved..."

(She's in tears.)

Catsy "...but it was a lie. There's no sense in dragging it all out."

(She's gonna blow herself up...and the temple with her!)

(Suddenly...)

Sailor Venus "NO! **VENUS LOVE CHAIN ENCIRCLE!**"

(The Love Chain knocks the Negabomb out of Catsby's hands and sends it high into the air.)

Sailor Jupiter "**JUPITER THUNDERCLAP ZAP!**"

(And the Thunderclap detonates it safely out of range.)

Sailor Moon "Hey Mars, you okay?"

(They're all here!)

Sailor Mars "Sailor Scouts!"

Sailor Moon "Right, defenders against all evil."

Sailor Mercury "We're talking about you, fashion-freak!"

(Catsy is totally dismayed. Now she can't even trash the temple...and herself with it.)

Catsy "Save your breath. I'm not going anywhere."

(The other Scouts gasp. They hadn't seen what had gone on earlier.)

Catsy "That's right. Now that you've thwarted my kidnapping plans, Rubeus has banished me forever! It's all over! I have nothing left!"

(She gets up.)

Catsy "It's all your fault! Ooh...rotten Sailor Scouts!"

(Disillusioned, Catsy goes into a frenzy, swinging at the Scouts in a rage!)

Catsy "AAAAAAH! YOU'RE GONNA PAY FOR MY PAIN!"

(As Catsy flails at them, Sailor Mars thinks about something.)

Sailor Mars "Poor Catsy."

Catsy "Nobody believes in me anymore!"

Sailor Mars "THAT'S NOT TRUE!"

(Catsy doesn't listen. Sailor Jupiter is about to kick Catsy...when Sailor Mars throws herself in front of Catsy and takes the kick herself. This shocks everyone: the Sailor Scouts AND Catsy.)

Sailor Mars "Don't hurt her, you guys!"

Sailor Jupiter "What?"

Sailor Mercury "What?"

Moon & Venus "What?"

Sailor Mars "I said don't hurt her."

Sailor Jupiter "Mars, have you gone bonkers?"

Sailor Mars "No, it's just a gut feeling I've got."

(She turns to Catsy.)

Sailor Mars "Your heart's good. You've just been following the wrong path. Rubeus used and abused you, Catsy, and you deserve better. I know you're good deep inside, and even though you've done some rotten things, I believe in you, Catsy, and you should, too. Whaddya say? You wanna give up this life of evil?"

(For the first time, Catsy realizes what true friendship and respect is about. She starts to cry.)

Catsy "Yes."

(Sailor Mars turns to Sailor Moon.)

Sailor Mars "Hey Sailor Moon, can you help us out here? You think you can use your crystal on her?"

(An odd request. Normally, it takes the Crescent Moon Wand to perform Moon Healing, but it was lost after the battle with Queen Beryl.)

Sailor Moon "I don't know. I've never used it that way before."

Luna "I don't think it really could hurt. Why not give it a try?"

Artemis "Yeah. The positive energy of your Crystal might just negate whatever negative energy is left in her. I say go for it."

Luna "Why not?"

(Sailor Moon nods.)

Sailor Moon "Guess we'll see."

(She tries...)

Sailor Moon **"MOON CRYSTAL HEALING ACTIVATION!"**

(It works! The Negamoon Crescent disappears from Catsy's forehead, and the evil is removed.)

(A couple days later, Raye is on a crutch, her burnt ankle bandaged. She can't do much...)

Raye "Come on, Chad. A turtle could do this faster than you. Grandpa's gonna have a fit if it's not done right."

(...but boy can she boss Chad around. He's trying to polish the floors. The trouble is, his face and arms are bandaged.)

Chad "Right away, sergeant! Hut, hut, hut, WAH!"

Raye "You crashed into the wall again."

Catsy "Yoo hoo. Anybody home?"

(It's Catsy.)

Catsy "I'm from the Regal Cosmetic Company. Would you like to try some of our products?"

(This time, she's in the cosmetic business for real. She's started a new life.)

Raye "Sure."

(Chad may not be able to see very well, but he can hear crystal clear.)

Chad "Hey! I recognize that voice!"

Catsy "Goodness, you'll be needing a good moisturizer soon. Must be real dry in there."

Raye "Good for you, Catsy. Your future's looking a whole lot brighter."
