

TRANSCRIPT FOR

Sailor Moon - Episode 70: *"Promises Fulfilled"*

(One morning at school, Molly presents Serena with some interesting bracelets.)

Molly "How do you like the love bracelets I made?"

Serena "Wow, they're pretty. So why are they called love bracelets?"

Melvin "Well, as you weave the strands together, you think about true love. Then, if your heart suddenly goes thumpety-thump because of someone, you cut it off your wrist, and..."

Molly "...true love will be fulfilled. It's all arranged."

Melvin "Right."

(Serena looks around the class. Everyone's talking about them.)

Serena "I just noticed. Everyone's either wearing one or making one. Will it work for Darien and me? I need all the help I can get. Oh, I just gotta get one of those. How do I do it?"

Melvin "You should probably take a class so you don't mess up the way they work."

(He gives Serena a sign advertising a new store.)

Melvin "There's a new place that specializes in love bracelets on 10th Street."

Serena "Yeah?"

Melvin "They've got everything you need to get you started, and if you do buy something, you'll receive a free lesson on how to make them. It's their Grand Opening special, and you do need love help, Serena. Go give it a try if you want your Darien."

Molly "They say if you put love into your weaving, you'll be able to share long-lasting love with the person you give it to."

Melvin "Yeah, just like Molly and me."

Serena "Well...maybe it'll work for me."

(But she recalls...)

Serena "Huh?"

(Remember, we're talking about a total dumping here.)

Darien "Please, Serena, I just can't see you anymore. I don't have the same feelings for you as before. You're making it very hard on both of us. Serena, leave me alone!"

Serena "Huh? Darien, I don't understand. We promised each other we'd be together forever. Darien..."

(Trying to fix this up is gonna take a miracle.)

(Serena walks silently home from school, those painful memories still haunting her. What hurts the most is the fact that it had been so sudden that she can't understand the reason behind it. She sighs.)

Amy "Serena."
Serena "Huh?"

Lita "Serena..."

(She turns. It's Amy and Lita.)

Lita "What's wrong, Serena? You look so down."

Amy "Is everything okay in school?"

Serena "No, I'm fine. There's nothing wrong. Really."

Lita "Great. I hate it when you're a mope."

Amy "Yes, you're much more fun when you're happy. Just come to us if you need to talk."

Serena "Thanks a lot, guys. You really are great buds, and I'm really okay."

(She changes the subject.)

Serena "Hey, did you know a love bracelet store has opened up on 10th Street?"

(Then...)

Serena "Huh?"

Amy "Huh?"

(Hit the brakes. Who's coming out from an alleyway now?)

Serena "Darien..."

(She just HAS to try again.)

Darien "Huh?"

Serena "Just be cool. Now I'll just gracefully saunter up to him."

(Darien continues walking.)

Serena "Wait, Darien!"

(But she trips and falls again. She starts crying again while Darien continues to walk on.)

Serena "But Darien, I just don't understand what changed...between us. I've thought about it...a million times, and I can't come up with any reasonable answer. I would even change my meatball hair if you want me to."

(There. She said it. "Why, Darien? Why?" She's almost completely broken down now.)

Serena "Please, Darien, please. Why don't you tell me?"

(Little does she realize that Darien is himself fighting a private battle...one that insists that he keep himself away from Serena. Though he doesn't express it outright, he actually feels the same way...for the same reason. Other than because Serena would be placed in danger, he doesn't know why he has to do it.)

Darien "No, don't change, Serena. That's not it."

(And he walks on.)

Serena "But Darien...don't leave me."

(Now Amy and Lita see the problem.)

(Within parts unknown, Emerald has a little retreat of her own.)

Emerald "Ha ha ha. Prince Diamond will be so pleased when I've completed my mission. As soon as I've filled twentieth-century Tokyo with Dark Power, I will snatch the Silver Crystal, that bratty kid Rini, and destroy the simpy Scouts. My next Negative Point will be..."

(She lowers her earring and lets it probe for the next source of Dark Power.)

Emerald "...right there."

(Emerald soon appears over her next target. It is a tall building...on 10th Street. She throws a Dark Power Wedge, which rights itself upon landing and establishes the link with the Negamoon.)

Emerald "Droido Regalia..."

(Regalia soon emerges from the wedge.)

Regalia "At your service."

Emerald "Droido Regalia, I am giving you orders to fill this place with Dark Power as soon as possible. There is no room for failure."

Regalia "Yes, madam."

(And she disappears as she sets to work.)

Emerald "She'd better succeed. I want to go back to my Prince Diamond right away."

(Later, Serena, Amy, and Lita arrive at the same building.)

Lita "So this must be the House of Love Bracelets."

Amy "Maybe this idea will help you, Serena. You never know."

Serena "Well, um..."

Lita "I know you're thinking it's hopeless with Darien, but you never know, Serena."

Serena "Huh?"

Lita "I know this sounds really goofy, but you gotta concentrate and really believe in the powers of love, or they're just not gonna work for you at all."

(She adds a confession.)

Lita "I read that in a book from the library. So you've got nothing to lose to try it even if it sounds like a...a dumb idea."

Serena "Hmm...hey, that's a good way of looking at it, Lita."

(So they go inside. Amy shows a basic kit which includes several bundles of string and a how-to book.)

Amy "Here. These are all the materials you'll need to make your love bracelet. Give it a whirl, Serena."

(Serena still has her doubts.)

Serena "Can't wait."

Lita "You waiting for an invitation?"

Serena "Um..."

(Lita shows Serena into a nearby room.)

Serena "Well, uh..."

Lita "Just go! We're gonna wait for you right out here. Okay, Serena?"

Amy "Go for it, girl."

Serena "Okay."

(There is a crowd of people in the room: including Melvin and Molly.)

Teacher "Oh, hi. Are you here for a lesson?"

Molly "Oh, Serena."

Melvin "Come find your love, Serena."

Serena "Hey, Molly...Melvin."

Teacher "Since you're friends, you just go sit at the same table with them."

(Serena takes a seat across the table from Molly and Melvin.)

Molly "You really made me so scared this morning, Serena. You looked so pathetic, you know?"

Teacher "Start your bracelet and stop yakking. Cut ten pieces of string, and each piece should be three feet long."

Serena "Got that."

(The teacher demonstrates the next step.)

Teacher "Then take the center of the string and weave them through and up exactly like this, and repeat it twice."

(But as usual, Serena is having difficulty.)

Serena "Um...I can't even..get the tape part yet."

(This is gonna take a while.)

Teacher "Well, maybe you should try the one for little kids. What do you think?"

(She shows how.)

Teacher "Take the first two strings and weave them like writing the number four: just like this. Then you simply have to repeat it two more times."

Serena "Oh...uh..."

(Uh oh. I don't the teacher was expecting THIS much trouble.)

Teacher "Ha ha...uh, well, it's difficult for all beginners at first."

(The bell rings.)

Teacher "Class, today's lesson is over. Please read your instructions and finish your bracelets at home. Thank you."

Serena "Sure. Easy for her to say. She's the big expert."

(She heard that!)

Teacher "Just do it! Understand?"

Serena "Oh, all right..."

(After everyone is outside...)

Teacher "Bye bye. Have fun with your project."

(When the door is closed and the room is empty...)

Teacher "Hm hm hm..."

(Yup, that teacher's really Regalia.)

Regalia "Now, bracelets, go to work!"

(Just then, Emerald appears.)

Emerald "Regalia, tell me what your plan is for filling this place with Dark Power."

Regalia "Tonight, each student who wears those dumb love bracelets will be contaminated with Dark Power, and it'll spread wherever they go."

Emerald "Excellent. This plan is brilliant. He he he..."

(That evening, Rini and Luna quietly peek into Serena's bedroom.)

Rini "I wonder if she's finished her love bracelet yet."

(There, she sees Serena asleep over her desk. She fell asleep trying.)

Rini "Ah, the doofus fell asleep. Now how can I get her to make one for me?"

Luna "Cut her some slack, Rini. She's totally whipped. She's been struggling to make her own for hours."

Rini "Oh. Okay, Luna."

(Then, Serena mumbles in her sleep...)

Serena "Oh Darien, when we were so happy once. I just don't understand..."

(Within a dream, there are Darien and Serena, together and happy. But suddenly, something rips the two of them apart. Now it's clear. It's Darien's recurring nightmare: his deepest secret...and the thing that keeps them apart in the real world.)

Darien "Serena!"
Voice "Darien...you must stay away from Serena! If you marry Serena, she will be placed in grave danger, and the world as we know it will be shattered forever."

(And once again, that image of her disappearing before his eyes.)

Darien "You can't Serena! No, Serena!"

(Suddenly, Serena snaps awake! Wait a minute...SHE was the one who had the nightmare?)

Serena "What a dream! More like a nightmare..."

(Over her hours of toil, running alongside her hope of reconciling with Darien had been that probing question of "Why?". Could this have been an answer to her prayers? She looks to the picture she has of the two of them.)

Serena "Wow, that was weird."

(Suddenly, just as with Darien's own picture, the glass in the picture frame cracks. Once again, Serena gains understanding of the scope of the problem Darien had been hiding.... Now she knows why.)

----- **Commercial Break** -----

(Minutes later, Serena is at Darien's apartment. Now that she had an idea of what was happening, she had to talk to him. She knocks the door hard.)

Serena "Darien! Darien!"

(Darien opens the door.)

Darien "Hey, not so loud. Do you know what time it is?"

Serena "Oh, I'm sorry, but Darien, I have something really important to talk to you about."

Darien "Serena, there's nothing to talk about, so please...go home."

(Time to drop the bombshell.)

Serena "Please...tell me...if you had a strange dream about us lately."

(That got his attention.)

Darien "Strange dream?"

(Meanwhile...)

Luna "I wonder why Serena took off to see Darien so urgently..."

Rini "...and didn't even finish her bracelet first."

(Inside...)

Darien "It's the same dream, all right."

Serena "It gives me the creeps. But hey, maybe we ate something bad, and it's nothing but a bad nightmare."

Darien "But it said you wouldn't survive."

Serena "Oh Darien, I understand now why you were so cold-hearted: it was...just to protect me from getting hurt, yeah?"

Darien "I really tried to ignore the nightmare at first, but then I kept having the same one every night. Now I believe it's not just a dream but that it actually tells us of our future."

Serena "But Darien...I don't care what happens to me, as long as I can be with you."

Darien "Huh?"

(He can't risk it.)

Darien "Serena...we...must stay...away from each other."

(And he pushes Serena out the door.)

Serena "Wait. Please..."

(She pounds on the door.)

Serena "Darien, don't shut me out of your life! I don't care what happens to me! I just wanna be with you! Even if the world collapses, I just want us to be together! Darien! Darien!"

(Inside, Darien asks himself...)

Darien "Why does it have to be this way?"

(While outside, Serena is sobbing outside the door, now more heartbroken than ever.)

(Outside the complex...)

Luna "Strange that Serena's so late."

Rini "Yeah."

(The elevator door soon opens, and Serena steps out. Rini turns...)

Luna "Oh, here she is now."

Rini "Serena..."

(Suddenly, the bracelet in Rini's hand begins to glow brightly. It sticks to her hand!)

Luna "Rini, what's wrong?!"

Rini "It's not coming off my hand!"

(Oh no! It's Regalia's spell on the bracelet! With Rini holding it, the spell is trying to affect her! Then, as Serena steps out the front door, Rini's screams snap her back to reality.)

Serena "Rini!"

Luna "Got to get it off!"

(She leaps and bites down on the bracelet, forcing it off of Rini's hand. On the ground, the bracelet continues to throb with Dark Power.)

Serena "Oh, are you okay now, Rini?"

Rini "I think so."

(Serena turns to Luna.)

Serena "Luna, what happened, anyway?"

Luna "It was your love bracelet. Look at it."

(She gasps.)

Serena "Ooh, that's creepy!"

(Then she realizes...)

Serena "Oh no! That's it!"

Luna "Now what's wrong?"

Serena "Take care of Rini, Luna."

(And she takes off.)

Rini "Wait!"

(At Amy's school, students all over are being struck with Regalia's spell.)

Students "AAAH!"
"I can't get it off!"
"Help me!"

(Only Amy, who has no love bracelet, isn't affected. She soon realizes that something is very wrong. Even Molly and Melvin are writhing in pain.)

Melvin "Somebody help me!"

Molly & Melvin “HELP!”

(Amy quickly uses her wrist communicator to relay the emergency.)

Raye “What is it, Amy?”

Lita “The new love bracelet place? Okay, Amy! I'll be right there!”

Mina “Okay! Two shakes! We're there, Artemis! Boogie!”

Artemis “Let's do it!”

(Serena isn't answering...because she came to the same conclusion and is already there with Rini and Luna. Atop the building, the Dark Power Wedge continues to grow.)

Luna “SERENA!”

Serena “I hate that it's from this place. **MOON CRYSTAL POWER!**”

(Summoning the power of the locket, Serena transforms into Sailor Moon, champion of justice.)

(Meanwhile, on the roof, Regalia is ecstatic with all the Dark Power she's gathering.)

Regalia “Stronger, Dark Power! Stronger!”

(Suddenly, the door opens.)

Sailor Moon “Stop yelling, you fashion mess!”

(Regalia turns.)

Regalia “Who are you, you little twerp?!”

Sailor Moon “I'm Sailor Moon! How dare you mess with people's romance dreams! They're what make hopes reality! Shame on you for controlling them with Dark Power! I am Sailor Moon...and on behalf of love and dreams, I'll fight you and triumph over evil! You're history.”

Regalia “I'm deeply moved. It's impossible for a nitwit like you to stop me. Behold the ring...the Nightmare Ring!”

(A large energy ring smashes onto the floor in front of Sailor Moon.)

Regalia “Give this girl her worst nightmare! Ha ha ha! This Lonesome Ring's a perfect fit for you: selected for a boy-crazy girl who gets jealous but has no boyfriends!”

(She launches another ring.)

Regalia “Lonesome Ring, give this lonely girl without a boyfriend loneliness like she's never had before!”

Sailor Moon “How dare you! I have a boyfriend, you spaced-out Negatramp!”

Rini “Look out, Sailor Moon!”

Luna "Be careful!"

(Sailor Moon jumps out of the way and ends up at the retaining wall.)

Regalia "Let's see now. What else do I have?"

(Sailor Moon's getting riled up. Regalia better watch out.)

Sailor Moon "Ooh!"

Regalia "The Promise Ring! Promise this girl shall never have good friends!"

(Suddenly, a rose shatters the ring. Regalia looks up.)

Regalia "AH! What's YOUR problem?!"

(It's Tuxedo Mask.)

Tuxedo Mask "You are a big, pathetic wretch. Promise rings and love bracelets are symbols of love people feel for each other! How dare you use them...to try and destroy true love! I, Tuxedo Mask, won't allow it!"

Regalia "Ha ha ha! True Love? HAH! I scoff at love! ISOLATION RINGS! HYAH!"

(Tuxedo Mask bats the rings away with his walking stick, but they come to a stop...)

Regalia "Isolate this man forever from his own true love!"

(...and start coming back.)

Regalia "There are more where those came from, you caped canary!"

(Just then...)

Sailor Mercury "**SHINE AQUA ILLUSION!**"

(The ice attack freezes the rings, which drop harmlessly to the ground.)

Sailor Moon "Sailor Mercury!"

Sailor Mercury "I got here as fast as I could."

Regalia "Drat! Didn't work! Let's see now...how about I throw an Enemy Ring? Enemy Ring, make friends enemies!"

(The two Sailor Scouts have to keep running until...)

Sailor Mars "**MARS CELESTIAL FIRE SURROUND!**"

(Sailor Mars' attack stops the rings.)

Sailor Mars "Mars is here."

Moon & Mercury "Good shot, Sailor Mars!"

Regalia "Ooh! Try and outrun five Rings of Hatred at once! True Hatred Rings, divide them!"

----- **Commercial Break** -----

Regalia "True Hatred Rings, divide them!"

(Regalia launches the 5 rings.)

Sailor Jupiter "**JUPITER THUNDERCLAP ZAP!**"

Sailor Venus "**VENUS LOVE CHAIN ENCIRCLE!**"

(The timely arrival of the two remaining Sailor Scouts stops the Rings of Hatred.)

Jupiter & Venus "We're here, everyone!"

(Regalia is now surrounded.)

Regalia "Oh no."

Tuxedo Mask "Your turn, Sailor Moon."

Sailor Moon "Okay!"

(Time to finish this game with the Moon Scepter.)

Sailor Moon "**MOON SCEPTER ACTIVATION!**"

(And Regalia goes down. With the Droid gone, The spells on the bracelets are lifted, and everyone returns to normal.)

Molly "Melvin?"

Melvin "What happened, Molly?"

(Furthermore, the Dark Power Wedge shrinks and shatters. Emerald then appears, laughing.)

Emerald "Ha ha ha!"

Artemis "That laugh!"

Luna "Makes my hair stand up."

Emerald "Hear me now, you impertinent little upstarts! Listen! I'm warning you. The Dark Gate will be open very soon, and when it is, Dark Crystal power will flow swiftly and steadily into Tokyo. Then the Silver Crystal will be sucked into darkness, and the entire world will be covered by our lovely power...FOREVER! HA HA HA HA!"

(Then, she disappears.)

Tuxedo Mask "Sailor Moon..."

Sailor Moon "Hmm? Uhuh..."

Tuxedo Mask "We're here to protect both the present and future of Tokyo from all evil forces. No matter how difficult, that is our mission. We must overcome all obstacles and adversaries whatsoever."

Sailor Moon "Anything, Tuxedo Mask."

Tuxedo Mask "Sailor Soldiers, we must fight together, for the mission. Farewell."

Sailor Moon "Always for you."

(And he leaps into the night.)

Sailor Moon "Tuxedo Mask..."

(Then...)

Sailor Mars "Sailor Moon, you get going! Hurry up, now!"

Sailor Moon "Huh?"

Sailor Mars "Follow your dreams! Go get him!"

Sailor Mercury "I'm not sure what happened between you two, but it sure seems there's no more misunderstanding."

Sailor Moon "How do you know that, Amy?"

Sailor Venus "Couldn't you see it on his face? It's very clear."

Sailor Jupiter "Yeah, don't be a dolt, girl."

Sailor Venus "You look so beautiful now. Your cheeks are all rosy from our great battle. You're glowing!"

Sailor Mars "Hurry!"

Sailor Moon "Thank you, everybody!"

Luna "Serena, just don't trip and fall."

Artemis "Yeah, impress Darien!"

Rini "Yeah, you'll get him!"

(And so, later that night, Serena continues to run.)

Serena "Darien!"

(Darien is standing there, waiting. He turns when he hears her.)

Darien "Serena?"

Serena "I know, Darien, that we can't get married, because of our destiny, but just for this moment, could we for get about everything and be ourselves?"

(She flies into his arms.)

Serena "Darien!"

Darien "Serena..."

(For the first time in a long time, Serena really feels happy.)

Serena "Darien..."

Darien

“Serena...”

(And as they kiss, they know that no matter what, they would remain together, no matter what it takes.)
