### Sailor Moon - Episode 83: *“Star Struck, Bad Luck”*

*(TRANSCRIPT NOTE: This episode was released to television uncut and with no significant edits apart from those spanning the whole series, but I have noted where the Japanese version displayed its episode title and where the commercial break was originally located.)*

*(The scene is red as blood. Raye sees dark forces in the heart of Tokyo.)*

**Raye** “I feel some sort of presence here!”

*(This dark force is ripping the city apart.)*

**Raye** “Oh no! What could it be?!”

*(As if in answer, a bright light shines behind her. She turns around to find a star-shaped object.)*

**Raye** “AAH! I know it's something evil!”

*(The city continues to crumble.)*

**Raye** “WHAT'S GOING ON?! WHO ARE YOU?!”

*(The star rises into the sky along with two others. They then disappear.)*

**Raye** “AAH! NO, WAIT!”

*(Suddenly, the entire city and her friends rapidly disintegrate in front of her eyes...)*

#### ----- Point of Actual Episode Title -----

*(She awakens with a start. She's in her house at Cherry Hill Temple. In front of her is Serena...snoring. The others are here, too, in a Study Buddies session. Everyone is studying hard...with the usual exception.)*

**Raye** “Oh...”

**Amy** “Is there something wrong, Raye?”

**Lita** “Did you have some kind of premonition?”

**Raye** “Well, sort of, and it was super-noisy, too.”

*(Raye lifts Serena upright again, and Serena grudgingly wakes up and yawns.)*

**Raye** “Actually, this daydream was majorly strange.”

**Mina** “Why was it strange?”

**Serena** “Ha ha. Talk about having a strange dream. Boy, did I ever have a loo-loo! I had eaten big gobs of ice cream. Then, I had to go to the doctor. Can you guess who was there? It was Darien. He had to go, too, because he had eaten too many of the cookies I had made for him! Ooh, that actually happened.”

*(The girls all share in the frustration. Honestly, does she have anything better to talk about?)*

**Amy** “Serena, I don't mean to be a nag, but we came here to study, not sleep.”

**Lita** "You're not really happy with the mark you got last time, are you, Serena?"

*(Serena makes a face. It had been truly AWFUL.)*

**Serena** "Well, I'm pretty sure I got at least one of the answers right."

*(Amy pushes a point, though. A critical time is approaching for the girls' education. In less than a year, they'll all enter high school, and there's a significant event that occurs beforehand.)*

**Amy** "Aren't you concerned about the high school exam? 'Cause you need to pass it to get in the best class."

**Serena** *(Downtrodden voice)*  
"Yeah."

**Mina** "It's hard to keep up with school and fight evil-doers, but there's no use crying in over misspelled silk."

**Amy** "Woah, wait a minute! What was that, Mina?! Forget what she said, Serena. There's no use crying over spilled milk."

*(You did it again, Mina.)*

**Mina** "Hey, that's a good one, too."

**Serena** "I think misspelled silk is a little more fitting in this case."

*(Raye smiles. Everything seems normal...even Serena...)*

**Mina** "Either way, the point is that you forget about your mistakes and move on."

**Amy** "Not exactly, Mina. It's important to learn from your mistakes, too."

*(...but as she pores over her own studies, she can't help thinking about that omen she received.)*

**Lita** "Amy, can you help me here?"

*(Being who she was, she can't take anything like this for granted.)*

**Amy** "This is the way you do it."

**Lita** "Ah..."

*(It's a warning, and she knows it.)*

-----  
*(In a dark laboratory in parts unknown lies a vast array of test tubes. Each one contains a pinkish liquid and what appears to be some simple organism. Within the same room is a scientist, holding one of the tubes over a Bunsen burner with tongs. His name is Dr. Tomoe. The darkness conceals much of him, allowing only his glasses and his lab coat to be seen. He gives an evil chuckle as he works.)*

**Dr. Tomoe** "Hm hm hm."

*(He takes the test tube and pours it into a beaker containing a green liquid. Moments after the two solutions meet, the organism expands rapidly, bursting the beaker! Floating in the air is a small pod: the original organism transformed.)*

**Dr. Tomoe** "Come here, Kaori."

*(Responding instantly is Kaorinite (Kaori, for short), Dr. Tomoe's assistant.)*

**Kaorinite** "Yes, Doctor."

**Dr. Tomoe** "At last, I have completed my Heart Attacker. Mikuji will seek out a human with a pure heart. She will then attack and steal the heart."

**Kaorinite** "A pure heart?"

**Dr. Tomoe** "Yes. A pure heart is the first ingredient towards almighty-ness, which is the ability of having unlimited power to rule the world! Almighty-ness is achieved when three objects of power, usually in the form of a charm or amulet...are stolen from people with pure hearts."

**Kaorinite** "You mean, if you're able to locate these chosen people and take their object of power..."

**Dr. Tomoe** "Yes! Then I shall have the whole world in my hand! HA HA HA HA HA!"

*(With that, the newly-created Daimon Pod lifts into the air and escapes through an open pipe. Moments later, Kaorinite vanishes, leaving her lab coat behind. The Daimon Pod leaves out of a sewer grate and flies into the night.)*

-----  
*(Test scores are in on the latest English skills test. Serena's effort? A paltry five. The note written under the score reads, "I beg you, PLEASE study a bit more.")*

**Serena** "AAAAH! Oh...this is hopeless."

-----  
*(She walks home, head down in shame.)*

**Serena** "I know I didn't study, but I never thought it would be this bad."

*(Raye is walking in the opposite direction, her head also looking down.)*

**Serena** "Oh no, what are mom and dad gonna say when they find out...or worse, what's Raye gonna say?"

*(Raye doesn't see Serena yet.)*

**Serena** "She always seems to find me during a crisis like a Serena-seeking missile. Ooh!"

*(Well, Raye sees you now, Serena...because her head just bumped into yours!)*

**Serena** "Wah!"

**Raye** "Serena?"

*(The two of them head for a nearby water fountain. Raye quickly splashes water on the bump on her forehead.)*

**Raye** "Oh, you should've been watching where you were going, Serena."

**Serena** "As if, Raye! You're the one who walked right into me, you know? My turn!"

*(Serena pushes Raye out of the way so she can get some relief.)*

**Raye** "Relax. I heard about your mark, but you don't have to take it out on me."

**Serena** "*Mind your own business!*"

**Raye** "Aw, come on, whatever. Marks aren't everything. Everyone knows you're the bomb with lots of other good qualities."

**Serena** "Huh? Boy, you must've been hit on the head!"

*(Actually, Raye's still distracted. The vision of her friends disintegrating before her eyes still haunts her.)*

**Raye** "Strange...say, Serena, what do you want to do with your life?"

**Serena** "Me?"

*(Serena is surprised by the seriousness of the question. They both lean against a fence as they talk.)*

**Serena** "I don't know. There are so many opportunities, it's hard to choose. How about you?"

**Raye** "Well...a singer, a songwriter, a model, an actress, a musician, but most of all, I just...oh, it's silly."

**Serena** "No, go on."

**Raye** "Oh, you don't wanna know."

*(Raye slaps Serena's back and nearly knocks her over.)*

**Raye** "Ha ha ha! Okay, I'd like to fall in love and get married, but it's too embarrassing to say. He he."

**Serena** "You said it, though, didn't you?"

**Raye** "Well, you're probably gonna get married to Darien someday, aren't you, Serena?"

**Serena** "Now you're embarrassing me, but yes, he is my Mr. Wonderful."

**Raye** "Well, don't you think Darien would wanna marry someone who achieved better marks?"

*(Sucker punch!)*

**Serena** "*Pow! Right in the kisser!*"

**Raye** "Academics aren't everything, that's for sure, but you should still try to do your best to improve for your own sake and Darien, too. Well, gotta go. Ha ha."

*(And Raye starts walking away.)*

**Raye** "Don't worry about it, and cheer up, Serena. Cheerfulness is one of your very best qualities."

**Serena** "Oh..."

*"Thanks. No matter how nasty she is to me, I think in her own way, she still is kinda cool. I know really is she's a very good friend. She's okay."*

---

*(What's that in the sky? Why, it's that Daimon Pod from last night. Where is it going? Hold on. I think it's spotted something. It gives off a black flash for a moment and descends. Oh no! That's Cherry Hill Temple*

*down there! The Pod descends on its target. A strange substance emerges from the pod...and then it disappears! The Heart Snatcher has merged its genetic code with that of the temple's fortune tree. Meanwhile, floating in the sky above the temple...)*

**Kaorinite** "Hm hm hm hm. Now to find the one with the pure heart. Okay, my dear, where are you?"

*(Moments later, Raye climbs the stairs to the temple. Careful, Raye! Something is not right in this picture today!)*

---

*(Meanwhile, Serena is moping at the foot of some stairs by the sidewalk.)*

**Serena** "Amy was absolutely right."

*(She sighs in frustration.)*

**Serena** "If Darien ever saw this horrible mark..."

*(And just when things couldn't get any worse...)*

**Darien** "That is a horrible mark."

**Serena** "He would say...huh? WHA?!"

*(She turns around suddenly. Darien is looking at the grade from over her shoulder. She immediately backs herself against the wall. Darien sighs.)*

**Serena** "Ha ha. Lovely day, isn't it?"

**Darien** "Serena..."

**Serena** "Don't say another word. I'm planning to make some big changes starting with joining the study group at Raye's house. I promise I'll do better."

*(She crumples the test and throws it away.)*

**Darien** "That sounds like a good idea."

**Serena** "It's hard with me juggling school with preventing global devastation."

**Darien** "Ha. Yeah, I know, but I think we should postpone our next date."

*(Gulp.)*

**Serena** "Ha ha. Yeah, okay. Good idea. My thoughts exactly."

*(Darien picks up Serena's fallen book and hands it back to her.)*

**Darien** "Here. Study hard now. See ya."

*(And he walks away.)*

**Serena** "We'll never date again."

---

*(Raye is getting VERY disturbed at her premonition. She decides to meditate at the temple's sacred flame in hopes of discerning any meaning from her vision.)*

**Raye** "Please reveal the meaning of my dream."

*(Her hands weave symbolic gestures.)*

**Raye** "Sun, moon, sky, earth, fire, air, water, rock, star."

*(Little does she know that nearby is that fortune tree the Pod has inhabited. Meanwhile, Raye's forehead furrows in concentration. Then, she opens her eyes. Something's wrong.)*

**Raye** "Oh no. I feel nothing."

*(She steps outside, wondering why the ritual had no effect.)*

**Raye** "Maybe there's nothing to worry about."

*(Raye can't see her, but Kaorinite is still floating above the temple. Raye, meanwhile, looks through the fortune booth.)*

**Raye** "Maybe this fortune will help."

*(She reaches inside and pulls out a charm. Unknowing, she ties it to THAT tree.)*

**Raye** "I wish for world peace and a happy life for everyone."

*(Suddenly, the tree begins to glow evilly.)*

**Raye** "AAH! WHAT?!"

*(Raye can sense it immediately. Something terribly wrong is happening. Before her eyes, the tree changes shape. Soon, it assumes a humanoid form. It is the Heart Snatcher in its full evil power.)*

**Mikuji** "Heart attack."

----- **Commercial Break** -----

**Raye** "Ah, who are you?"

**Mikuji** "Mikuji's the name. Hearts is the game, and your pure heart is mine."

**Raye** "Oh no. I can't fight here. I don't want my grandpa to get hurt."

*(So she takes off.)*

**Mikuji** "Ha ha ha."

*(Mikuji, however, is quick to follow... VERY quick. Kaorinite chuckles.)*

----- **Actual Commercial Break** -----

*(Raye tries to run to the edge of the grounds. She is about to pull out her Mars Star Power Stick...when Mikuji pins her arms to the wall! The hands stay put while Mikuji retreats. It turns out she can regenerate limbs!)*

**Mikuji** "It never hurts to have an extra pair of hands, now does it?"

*(Then Kaorinite appears behind Mikuji.)*

**Kaorinite** "Mikuji, the power this girl has seems to come not from a charm but from within. You may steal her heart."

**Raye** "Steal my heart?!"

**Mikuji** "**HEART ATTACK!**"

*(Mikuji opens her robe slightly and reveals a black star on her chest. It immediately emits a black beam aimed straight at Raye's heart! Raye begins to scream in pain!)*

**Kaorinite** "Time will tell whether you've got powers and a pure heart or not. 'Til then, I shall seek out other possible holders."

*(And she vanishes. Meanwhile, something begins to form in front of Raye.)*

-----  
*(Moments earlier, outside the temple...)*

**Serena** "Oh, I can't stand it. I would much rather go out with Darien than study for this exam."

*(Luna sighs in frustration.)*

**Luna** "Well, you can't."

*(Serena turns around.)*

**Luna** "Come back here!"

*(Luna jumps on Serena's head.)*

**Luna** "You promised to study more! Don't you remember! Everyone's counting on you!"

**Serena** "But...ooh!"

*(Luna brandishes a claw.)*

**Luna** "No buts, Serena, or else!"

*(Faced with THAT...)*

**Serena** "All right. Step off."

*(She starts climbing the steps.)*

**Serena** "Really, Luna, you're trippin' when it comes to knowing what's on a girl's mind."

**Luna** "Not true. I know there's nothing on your mind."

*(It's just then that Serena hears Raye's scream. At the same instant, the sound of raucous crows fills the air.)*

**Serena** "That sounds like Raye's voice!"

**Luna** "I wonder what's wrong."

-----  
*(Serena rushes to the edge of the grounds. Another scream causes her and Luna to hide behind a tree. What they see as they peek out startle them!)*

**Serena** "Wh-Wh-Wh-What is that?! And what is she doing with poor Raye?!"

**Luna** "I don't know, but you'd better change yourself right now!"

**Serena** "**MOON CRYSTAL POWER!**"

*(Serena summons the power of the Moon Crystal Locket and transforms into Sailor Moon, Champion of Justice. Moments later, as Mikuji chuckles...)*

**Sailor Moon** "Hey, nasty!"

**Mukizi** "Huh?"

**Sailor Moon** "I stand for love! I stand for truth and justice, too! I'm Sailor Moon!"

*(Mikuji stops the process for a moment and turns around.)*

**Mukuzi** "Sailor Mon?"

**Sailor Moon** "Who do you think you are hurting my friend?! I despise you and any with evil ways! In the name of the Moon, I shall punish you!"

**Mikuji** "Hmph. Well, how handy. Another pure heart for the taking."

**Sailor Moon** "Yeah?!"

**Luna** "So she's after pure hearts."

**Mukizi** "Time for a two-for-one!"

*(Mikuji's hair tie suddenly snakes out and ties Sailor Moon's legs, picking her up.)*

**Mikuji** "Prepare to lose heart!"

*(The tie whips Sailor Moon around. At that same instant, the others arrive, summoned by an earlier call.)*

**Lita** "What kind of a monster's THAT?"

**Mina** "Ugly kind."

**Amy** "We'd better change ourselves right now."

*(The three raise their Star Power Sticks...)*

**Mikuji** "Here's a treat for you!"

*(...but they have no chance to use them as Mikuji suddenly shoots out sprouts that bind the girls to nearby trees!)*

**Mikuji** "Stick around, won't ya?"

*(Mikuji turns her attention to Sailor Moon, down on all fours.)*

**Artemis** "Amazing powers!"

**Luna** "I think her powers are stronger than our old enemies."

*(Indeed, the fight has been pretty much one-sided so far.)*

**Mikuji** "Ha ha ha. Now who's the pathetic one? Oh, what did you say your name was?"

*(Sailor Moon struggles to get up, but as Mikuji approaches...a rose suddenly flies into her hair!)*

**Mikuji** "Who are YOU?"

*(In timely fashion, Tuxedo Mask enters the fight now. He stands atop one of the cherry trees.)*

**Tuxedo Mask** "WHAT are you? It's a warm spring day: a time for happiness and celebration. Your evilness doesn't belong here. Now beat it!"

*(Mikuji rips the rose out of her hair.)*

**Mikuji** "Beat THIS, you pompous caped clod!"

*(Tuxedo Mask jumps down.)*

**Tuxedo Mask** "Step up, Sailor Moon!"

**Sailor Moon** "Right!"

*(Sailor Moon summons the Moon Scepter.)*

**Sailor Moon** "**MOON SCEPTER ELIMINATION!**"

*(She fires!)*

**Mikuji** "All that twirling around will get you nowhere, you Moon ditz!"

*(Mikuji fires back...and wins, overpowering the Moon Scepter and knocking it out of her hand! Everyone else gasps.)*

**Sailor Moon** "OH!"

*(For the first time in this fight, Sailor Moon senses herself out of her league.)*

**Mikuji** "Why don't you hang around, honey?"

*(Mikuji flies right at Sailor Moon, catching her and pinning her to a tree. She becomes like solid wood, holding Sailor Moon in place while her sharp-toothed mouth begins to bite down on the Moon Crystal Locket! Sailor Moon gasps as the Locket's power flickers and fades! Mikuji lets the wood binds go and backs away in triumph as Serena changes back.)*

**Serena** "Huh?"

*(The locket falls off her, and it drops to the ground as the head cracks. It's been disabled!)*

**Serena** "Oh no, what just happened here?"

**Raye** "Sai...lor...Moon..."

**Tuxedo Mask** "Serena!"

*(Suddenly, he reels back as a lightning-fast shot from Mikuji scores!)*

**Mikuji** "Sorry you're tied up. Now stay put!"

*(He falls behind the wall, out of sight.)*

**Serena** "Tuxedo Mask!"

*(The situation is getting desperate.)*

**Luna** "I've got to try to help!"

*(And she charges!)*

**Artemis** "LUNA!"

**Luna** "Why you...!"

*(The cats jump at Mikuji, biting and clawing, but she easily throws them away.)*

**Mina** "Artemis!"

**Amy** "Luna!"

**Mikuji** "I think that should be the last of them. Now, maybe, I can finally get some work done without being interrupted."

*(Mikuji turns back to Raye and once again bares her black star. The process continues, and Raye screams again.)*

**Serena** "STOP IT!"

*(Then...the screaming stops. Raye droops limp. In front of her, a red crystal begins to form: a Heart Crystal, the embodiment of Raye's heart, life, and soul.)*

**Serena** "NO, RAYE!"

**Lita** "WAKE UP!"

**Amy** "WAKE UP!"

**Serena** "RAYE! RAYE! STAY WITH ME, RAYE!"

*(The Heart Crystal floats toward Mikuji.)*

**Serena** "RAYE! OH NO!"

*(Serena's mind reels. Seeing Raye seemingly lifeless, things begin to click. She remembers the conversation Raye had with her just earlier that day.)*

**Raye** "Say, Serena, what do you want to do with your life?"  
"Well...a singer, a songwriter, a model, an actress, a musician, but most of all, I just...oh, it's silly."  
"Ha ha ha! Okay, I'd like to fall in love and get married, but it's too embarrassing to say. He he."  
"Cheer up, Serena. Cheerfulness is one of your very best qualities."  
"Serena..."

*(Serena begins to cry. Those dreams of hers that may never be realized!)*

**Serena** "Oh no, Raye..."

*(Mikuji snatches the Heart Crystal in triumph.)*

**Mikuji** "Hm hm hm. This is what we want: the crystal of her pure heart. It contains her special power."

*(Serena struggles in her bonds.)*

**Serena** "Give it back! Give it back to Raye right now! You'll pay for your rotten ways!"

**Mikuji** "Hmph."

*(Suddenly, from out of nowhere, an energy pulse streaks toward Mikuji.)*

**Mikuji** "Humans, they're such miserable..."

*(It strikes, and Mikuji feels as if she was smashed by a meteorite! Then, moments later, another one strikes: this one with the force of a tsunami!)*

**Mikuji** "What's happening to me?! Heart Attack!"

*(Mikuji screams in agony...and then she vanishes. In her place, the fortune tree is once again normal. The Daimon Pod once within it pops out and cracks, and its dark energy dissipates into the atmosphere. Everyone's bonds disappear, and they're all free. Tuxedo Mask is finally able to move. Even Raye is released from the wall, and her body drops to the ground.)*

**Serena** "Raye!"

*(Everyone rushes over to her.)*

**Serena** "Raye! Are you okay, Raye?!"

**Everyone** "Raye!"

*(Meanwhile, in the foliage of a tree, a hand holds the Heart Crystal that Mikuji had stolen.)*

**Serena** "Wake up!"

**Lita** "Come on, Raye!"

**Amy** "Raye!"

*(There are two people in the tree: young women...in Sailor Scout uniforms?)*

**Mystery Scout #1** "This is not an object of pure power."

**Mystery Scout #2** "Just a pure heart with the power of love."

**Mystery Scout #1** "Hmph, they made a mistake."

*(Apparently, these two Mystery Scouts are aware of this new danger. The first one lets the Crystal go. It floats down. Meanwhile, Serena is holding Raye up.)*

**Serena** "Please Raye, answer me. Please, Raye."

*(Then, the Heart Crystal floats in front of them. Serena gasps. Everyone watched in amazement as the Crystal slowly disappears back into Raye's body. With the Heart Snatcher gone, the freed Heart Crystal draws itself back to its owner and reunites.)*

**Serena** "Oh Raye..."

*(Soon, Raye slowly opens her eyes.)*

**Girls** "Oh..."

**Lita** "She's all right."

**Serena** "Raye, when I thought you were gone, I was so scared, but now I'm so happy!"

*(And Serena starts to cry again.)*

**Raye** "Serena..."

*(The cats look on at this happy ending...)*

**Raye** "Really, I'm okay."

*(...but then, they look up.)*

**Luna & Artemis** "Huh?"

*(Just as quickly as they came, the two Mystery Scouts jump off and disappear into the trees.)*

**Artemis** "Who are they?"

**Raye** "Don't cry anymore."

---

*(Back at Dr. Tomoe's laboratory...)*

**Dr. Tomoe** "Kaorinite, bad call on your part. You missed the target, and you were foiled."

**Kaorinite** "Yes...that's true, Dr. Tomoe, but I've noted the intruders."

---

**Luna** "It seems our new enemy is after someone with a pure heart."

**Amy** "They said something about an object of power as well."

**Artemis** "Who were the ones who saved us? This is odd."

**Serena** "Well, so long, normal life. Hello, new enemy."

*(Once again, the lives of the Sailor Scouts have been turned upside-down. And this new enemy packs unimaginable power. Are the Sailor Scouts and Tuxedo Mask up to this new challenge? What about those two Mystery Scouts? Things are so confusing, and it's going to take everything they have to make things...**Crystal Clear Again.**)*
