### Sailor Moon - Episode 84: "Crystal Clear Again"

*(TRANSCRIPT NOTE: This episode has a few minor cuts and one erroneous edit apart from those spanning the whole series, and I have noted where the Japanese version displayed its episode title.)*

*(Dr. Tomoe's laboratory...)*

**Dr. Tomoe** "Is that you, Kaori?"

**Kaorinite** "Yes, Dr. Tomoe."

**Dr. Tomoe** "What do you propose to do? Tell me, what's the goal of this operation?"

**Kaorinite** "We want to get our hands on the Purity Force to take over the world."

**Dr. Tomoe** "Hmph. Well, if you say so, but how do we do it?"

**Kaorinite** "We have to hunt down the three Crystals that are kept in pure hearts of certain people. Only then will we find the location of the Purity Force."

**Dr. Tomoe** "If that's our final goal, we have to start by sending out our Daimons and their pods."

*(Speaking of which, Dr. Tomoe pours one of his cultures into the same formula we saw last time. The results are immediate.)*

**Dr. Tomoe** "Ah...ha ha ha..."

**Kaorinite** "Go! Go out and hunt for the pure heart you will invade and destroy!"

*(Obeying the command, the Daimon Pod rises and disappears through a pipe, escaping into the city.)*

----- **Point of Actual Episode Title** -----

*(In her house, Serena's dreams are filled with torment. Ever since her Moon Crystal Locket had been disabled by the Heart Snatcher Mikuji, she has found herself powerless to defend herself. It's been giving her nightmares.)*

*(A small piece of this part was cut for decency.)*

**Serena** "Oh no! The light of the Silver Crystal is fading!"

**Sailor Mercury** "Uh oh. Did you forget something?"

**Serena** "Oh..."

**Sailor Jupiter** "You have to stop thinking of boys."

**Sailor Venus** "Or maybe you missed your little nap."

**Sailor Mars** "Serena...I think it's time you planned your retirement."

**Serena** "I'm what?! You're supposed to be my friend! AAH!"

*(In her dreams, she rushes at Sailor Mars. In reality, she reaches out and grabs Luna!)*

**Luna** "MEOOOW!"

*(Luna manages to slap Serena with her paw...)*

**Serena** "Wah-wah-wah-wah!"

*(...and she finally wakes up.)*

**Serena** "I'm sorry."

**Luna** "Wow. I guess you had a nightmare."

*(Serena opens the locket beside her.)*

**Serena** "No, it wasn't a dream. The Silver Crystal's really lost its shine. Now I can't change into Sailor Moon anymore."

**Luna** "Serena!"

**Serena** "Luna...does it really mean I won't be Sailor Moon ever again?"

**Luna** "No, don't be silly. It doesn't mean that."

**Serena** "But look, Luna. The Silver Crystal's really fading."

**Luna** "Come on. It's just a dream. Everything will be just fine. Cheer up, Serena. Come on. It's okay."

*(Luna jumps closer to Serena.)*

**Luna** "Why don't you ask Darien what he thinks?"

*(Serena doesn't answer.)*

**Luna** "Come on, Serena. Go on. Go on. Try."

---

*(So, later, in the park...)*

**Darien** "Quite a nightmare, wasn't it?"

**Serena** "Darien...what do you think is gonna happen to me now? Unless I can transform myself, I won't be able to fight this new enemy. You see..."

*(Darien sighs and stands.)*

**Darien** "That's true. While I think, hey, follow me. I'll show you something."

*(Darien goes back to Serena and pulls at her arm.)*

**Serena** "Hmm?"

**Darien** "Come on! Hurry up! Come on!"

*(This is unlike him. He's not usually this light-hearted, but Serena decides to let him lead her on.)*

---

*(Darien takes Serena down the street to an old, condemned mansion. He heads for a hole in the brick wall and walk through it. Serena stands outside, puzzled...)*

**Darien** "Come on!"

*(...until Darien leads her through.)*

**Serena** "You're sure we're allowed to come in here?"

**Darien** "Guess not, but you'll have to see."

*(Serena wonders what Darien's thinking.)*

**Serena** "Ooh, but we shouldn't be alone here. What are you thinking, Darien? You want us to be alone? Just the two of us? Is that really why you took me to this awful dump?"

**Darien** "Uh, what kind of guy do you think I am?"

**Serena** "Oh come on. It's okay. You don't have to pretend, Darien."

*(She closes her eyes and leans over. The last thing she expected, though...was a kitten kissing her lips. Serena opens her eyes.)*

**Serena** "Woah!"  
"What's that?!"

*(Then she sees the kitten.)*

**Serena** "Oh, how cute. Can I hold it, please?"

*(Darien hands her the kitten, and Serena cuddles it.)*

**Serena** "Oh, what a lovely kitten you are. She's a beautiful color, isn't she? I'll call her Ginger. Is this kitten what you wanted to show me, Darien?"

**Darien** "Yes, all the stray cats of the neighborhood live here."

**Serena** "Oh..."

*(Stray? Just then, Ginger jumps off and heads back toward the house.)*

**Serena** "Oh, where are you going, Ginger?"

*(Serena takes off after it.)*

**Serena** "Come on, Darien. Let's follow her."

**Darien** "Serena...okay."

---

*(Inside, a girl places a bowl of cat food on the floor.)*

**Girl** "Come on, kitties. It's chow time."

*(Almost immediately, cat after cat appear and converge on the bowl.)*

**Girl** "Come and get it. It's an all-you-can-eat buffet, and there's plenty for second helpings."

**Serena** "So you're the one who feeds all these poor stray cats."

*(The girl turns. The shadow seems to resemble Sailor Moon.)*

**Girl** "Who are you?"

**Serena** "The Champion of Justice!"

*(Serena, stop toying.)*

**Serena** "Hi."

*(Then, Darien appears.)*

**Darien** "What's up? Huh?"

*(He holds up a bag of cat treats. Serena holds onto it, and the girl laughs at her new guests. Meanwhile, the cats continue to eat.)*

**Serena** "I'll help you feed them. Do you come here every day to take care of these cats?"

**Girl** "Yeah, but...uh, it won't be for long. Poor kitties. Their home's gonna be gone soon because the house is being torn down."

**Serena** "Are you sure?"

**Girl** "Yes, and the cats will have nowhere to go."

**Serena** "You must be upset. I know. I'll help you to take care of the kittens."

**Serena** "You'll help, too. Won't you, Darien?"

**Darien** "Umm...I guess. Can't we just find them all a home?"

-----  
*(Meanwhile, Dr. Tomoe's Daimon Pod is streaking across the city. It stops above an apartment building and drops toward an open window. Flying inside, the Pod comes to a stop above an almost-finished jigsaw puzzle of a cat...and merges with the puzzle, disappearing inside.)*  
-----

*(Cherry Hill Temple...)*

**Girls** "What do you mean take care of cats?"

**Serena** "Yeah, not only take care of them, we have to find loving homes or a shelter that'll take them. There's always you, Raye, and you, Amy, and Mina, and you too, Lita. I'm pretty sure you'll each wanna adopt a kitten, so I'll reserve one for each of you."

*(If this isn't half-baked, I don't know what is.)*

**Mina** "Hey, you just wait a minute. I've got enough trouble with Artemis as it is."

**Artemis** "Hey, what do do you mean?!"

**Raye** "Can't help you either."

*(She swings her broom at a nearby tree.)*

**Raye** "Ya!"

*(The shaking causes some birds to fly out of the tree.)*

**Raye** "You see, it's a bird sanctuary here. I can't have a kitten."

*(Actually, Lita has no family. It's because she lives alone that she protests having a kitten.)*

**Lita** "Me neither. You know, my mom's got allergies to cats. I couldn't have a kitten."

**Amy** "Same here. I'm studying like mad for the high school math exam. I wouldn't have a second to spare to take care of a stray cat."

**Serena** "I can't believe it! That's just a bunch of stupid, pathetic excuses for not helping me!"

**Raye** "Cool it, Serena? Why don't you take them all home?"

*(Serena has to think about it.)*

**Serena** "Uh...well, I just...I'd love to have them, but I can't 'cause Luna's already too expensive to feed. She eats too much."

*(Everyone has to laugh. Looks like Serena loses the dumb excuse contest. Luna, who is next to Amy, is irate.)*

**Luna** "What do you mean I eat too much?!"

*(Amy quickly stuffs a big sandwich in her mouth to keep her quiet. Well, Luna is never one to pass up a meal. She starts biting down.)*

**Amy** "Well, anyway, maybe you could find someone else to adopt those cats."

**Serena** "Sure, okay. The cats can stay here for a while. In the meantime, we should try and find them some extra food. Come on and help me."

*(Incredibly, Luna has managed to almost swallow the whole sandwich!)*

**Artemis** "What on earth's going on?"

**Luna** "I don't know, but I sure hope she won't adopt them all."

-----  
*(Back at the apartment building, the girl runs up the stairs but has to stop when she notices two kittens following her.)*

**Girl** "Why are you following me like that?"

*(She opens the door to the apartment and steps inside.)*

**Girl** "We're not allowed to keep pets in this building. I-I'm sorry."

*(The kittens rub against her ankles.)*

**Girl** "All right. Well, you can stay until my mom comes home."

*(She looks around and, seeing the coast is clear, closes the door.)*

**Girl** "You better be good. I don't want any trouble."

*(The kittens quickly make themselves comfortable in her room. Hold the phone. THAT'S her room?!)*

**Girl** "You, keep off the bed, you hear?"

*(The other kitten jumps off the jigsaw puzzle, scattering a few loose pieces.)*

**Girl** "Oh! My puzzle."

*(She picks up one of the fallen pieces.)*

**Girl** "You've scattered it all over the place. Oh wow. I wonder if I can complete my picture of the cat now."

*(But as her hand reaches for the puzzle, it begins to glow.)*

**Girl** "Aah!"

*(Something emerges from the puzzle. It's the Heart Snatcher!)*

**Nekonnell** "Nekonnell!"

**Girl** "What's going on?!"

*(Nekonnell, who resembles a cat, jumps to the floor.)*

**Nekonnell** "I've come to take the Crystal that you keep in your pure heart, little girl."

**Girl** "Aah!"

*(She rolls out of the way as Nekonnell punches into her bed.)*

**Girl** "Run! AAH!"

**Nekonnell** "You can't get away!"

*(Nekonnell tries to lash her tail out but didn't figure on the girl slamming the door on it.)*

*(The actual part of the tail breaking into little pieces is cut out.)*

*(The girl takes off down the stairs and out of the building. Meanwhile, Nekonnell opens the door again. What had been the tip of her tail was now puzzle pieces. They reform as she steps on them. Then, Nekonnell vanishes.)*

-----  
*(The girl and kittens keep running, back to the condemned house. The girl closes the door behind her and sits down, panting. Suddenly, though, there is the tinkle of a bell.)*

**Nekonnell** "Mrreow!"

*(It's Nekonnell! She's appearing outside the window!)*

**Girl** "AAAAH!"

----- **Commercial Break** -----

*(Outside the house, moments earlier...)*

**Serena** "I wonder if the kid will come over to feed the cats today. You're so cute, little Ginger."

*(After seeing all the kittens, the girls' hearts are rapidly softening.)*

**Raye** "You know, I've been thinking. Maybe my grandfather would let me keep one of them."

**Serena** "Why would you take only one? Why don't you adopt them all, huh?"

**Lita** "You playing, Serena? Raye's not exactly a cat supermom."

**Serena** "Worth a try."

*(And the girls laugh.)*

---

*(Now we've caught up. Inside, Nekonnell bursts through the window and jumps at the girl!)*

**Nekonnell** "Meow!"

**Girl** "AAH!"

---

*(Outside...)*

**Serena** "Huh?"

*(Ginger suddenly jumps off Serena and heads for the house.)*

**Serena** "What was that?"

*(All the kittens are heading for the house!)*

**Serena** "There's something wrong here!"

---

*(The girl is knocked against a door, which is struck off its hinges and falls to the floor. The girl tries to recover her footing.)*

**Nekonnell** "Nekonnell!"

*(Nekonnell raises her skirt a little and reveals a black star on her leg! She's about to extract the girl's heart!)*

**Girl** "AAAH!"

*(Suddenly, all the kittens leap at Nekonnell, who has to stop extracting to shake them off. Just then, Serena and the girls arrive.)*

**Serena** "A Heart Snatcher! They're back!"

*(Though her gut feeling tells her it won't work...)*

**Serena** "I have to try! I hope it works. **MOON CRYSTAL POWER!**"

*(She raises the Moon Crystal Locket...nothing. Serena falls to her knees in dismay.)*

**Serena** "Oh..."

**Luna** "Serena!"

**Artemis** "Serena!"

*(Meanwhile, the Heart Crystal is almost ready. Maybe Serena can't help, but Raye and the others can still fight.)*

**Raye** "Are you ready, girls?"

*(They nod.)*

**Raye** "**MARS STAR POWER!**"

**Lita** "**JUPITER STAR POWER!**"

**Amy** "**MERCURY STAR POWER!**"

**Mina** "**VENUS STAR POWER!**"

*(Soon, they become Sailor Mars, Sailor Jupiter, Sailor Mercury, and Sailor Venus.)*

**Nekonnell** "This time, this Pure Heart Crystal will be ours."

**Sailor Scouts** "No way!"

*(Nekonnell turns to see the four remaining Sailor Scouts.)*

**Sailor Scouts** "The Sailor Scouts are here!"

**Nekonnell** "Meow!"

**Sailor Mars** "**MARS CELESTIAL FIRE SURROUND!**"

**Sailor Jupiter** "**SPARKLING WIDE PRESSURE!**"

*(But even this combined attack can't match Nekonnell's power. By merely flicking her tail, she reflects the twin attack back at them, knocking them down and practically out!)*

**Serena** "I can't believe it! I must help them!"

**Artemis** "Serena!"

**Luna** "Come back!"

*(The cats run after her. Even without her powers, Serena can't just stand idly by. But Nekonnell grabs Serena and the cats with her tail and throws them against a wall.)*

**Nekonnell** "Ha ha. Another enemy bites the dust."

*(Now to unfinished business.)*

**Nekonnell** "Nekonnell!"

*(She once again reveals her black star and finally removes the Heart Crystal from the girl, who goes limp. As Serena and the cats struggle to rise, Nekonnell takes the Heart Crystal.)*

**Nekonnell** "I think Dr. Tomoe and Kaori will be pleased with the results."

*(But as she turns to walk away, there is a sudden energy pulse.)*

**Nekonnell** "Wh...what's what?!"

*(It's that meteorite attack again! And then, there's the tsunami again! Nekonnell crumbles in the wake of the attacks! There, up in the stained glass window!)*

**Mystery Scout #1** "That was far too easy."

**Sailor Scouts** "Huh?"

**Luna & Artemis** "Huh?"

*(It's them again! Those two who look like Sailor Scouts!)*

**Luna** "We've seen those two before."

*(The two Mystery Scouts jump down and examine the Heart Crystal that Nekonnell had dropped.)*

**Mystery Scout #2** "Is that it?"

**Mystery Scout #1** "No it's not. It's not the right Crystal. Let her keep it."

*(What do they mean by 'not the right Crystal'? Anyway, the one lets the Crystal return to the girl. Her face soon returns to its normal hue.)*

**Sailor Venus** "I wonder who those two can be."

*(Just as curtly as they arrived, the two Mystery Scouts walk away. Wait a minute, though! The puzzle pieces! Nekonnell's rebuilding herself!)*

**Sailor Venus** "Hey wait!"

*(The Mystery Scouts stop momentarily.)*

**Sailor Venus** "That fleabag is back! We haven't gotten rid of that creature! Don't go! You have to help us fight her!"

**Mystery Scout #1** "I think you've misunderstood. We didn't come here to help or join forces. We've come to get our hands on the Pure Heart Crystals."

**Mystery Scout #2** "So stop bothering us and solve your own problems."

*(They leave. Pure Heart Crystals? That's the same mission Dr. Tomoe has! So there's a third player in this game. These two have their own agenda.)*

**Nekonnell** "Mreow!"

*(Nekonnell's tail becomes four, each one slapping a Sailor Scout against a wall!)*

**Nekonnell** "Ha ha ha ha!"

*(The Sailor Scouts are in deep trouble. Meanwhile, Serena tries to protect the girl.)*

**Serena** "Help me, guys!"

*(Nekonnell's tail snakes toward Serena and grabs her by the neck! Nekonnell slowly pulls and rings her bells. Suddenly, a rose streaks down to the floor! The tail suddenly crumbles!)*

**Nekonnell** "What's going on?!"

*(Guess.)*

**Serena** "Whew! Tuxedo Mask!"

**Tuxedo Mask** "You're a dirty fighter, Heart Snatcher, but pure hearts can win battles that no one thought they could win!"

*(Tuxedo Mask joins Serena on the floor.)*

**Nekonnell** "Nekonnell!"

*(Nekonnell binds multiple tails into a ram and sends it their way. Tuxedo Mask readies his walking stick and telescopes it, smashing through the puzzle-piece tail...and Nekonnell herself, literally pinning her to the wall. But after a momentary pause, Nekonnell opens her eyes and licks her lips.)*

**Tuxedo Mask** "Oh no!"

*(Nekonnell isn't out of it by a long shot! She breaks the tip of the walking stick to free herself. Then, she pounces, readying sharp claws. Tuxedo Mask tries to defend himself with his cape, but the claws slice through, knocking off his mask.)*

**Tuxedo Mask** "Ah!"

**Serena** "Tuxedo Mask, are you all right?!"

**Tuxedo Mask** "Run, Serena!"

*(He still has a rose up his sleeve. Nekonnell tries another pounce, but Tuxedo Mask loses his rose, hitting her in the face.)*

**Tuxedo Mask** "Run away, Serena! Leave me here, and go quick!"

*(Tuxedo Mask is hurt. He struggles on one knee.)*

**Tuxedo Mask** "Come on, run!"

*(And leave him behind?)*

**Serena** "I can't leave you! I just can't!"

**Tuxedo Mask** "You have to go, Serena!"

**Serena** "I can't. I have to protect the other girls...and you too, Darien. I have to fight. Please let me stay: fight with you."

**Darien** "Serena..."

**Luna** "Oh Serena..."

*(Serena and Tuxedo Mask join hands. Serena, no matter what goes on with you, you never cease to amaze everyone with your love. Whether it's for a cute kitten, a compassionate little girl, your dear friends, or the love of your life, it's when you're defending them that you truly shine. What?! Nekonnell was just about to pounce them...but something's stopped her. Where Serena and Tuxedo Mask's hands clasp, a bright light is repelling the Heart Snatcher! Nekonnell breaks into pieces again as the light radiates throughout the room. Artemis gasps.)*

**Luna** "What's happening?!"

*(The answer soon arrives. It seems the love these two share, a love dating back to the days of old, when they were Prince Darien of Earth and Princess Serenity of the Moon Kingdom...has brought forth a legend! A scepter appears between them. At the same time, Serena's locket radiates with new life...and transforms.)*

**Princess Serenity** "Together, our powers have created this symbol."

**Luna** "Could it be the legendary..."

**Artemis** "...Spiral Heart Moon Scepter?"

*(Serenity and Darien take the scepter.)*

**Princess Serenity** "This is the legendary Spiral Heart Moon Scepter."

**Nekonnell** "Nekonnell!"

*(Things snap back to reality quickly when Nekonnell begins to reconstruct herself...)*

**Artemis** "Serena, you better transform yourself!"

**Luna** "You can do it! Go for it, Serena!"

*(...only now, Serena has new power. The Spiral Heart Moon Scepter has turned her locket into the Moon Cosmic Brooch. Serena nods in reply and takes the brooch in her hand.)*

**Serena** "**MOON COSMIC POWER!**"

*(It works! The Moon Cosmic Brooch glows with its newfound life, and Serena transforms once again into the Champion of Justice: Sailor Moon!)*

**Sailor Moon** "There's no room here for your evil way, you fuzz ball! You're cat litter! I stand for justice! I stand for love! I'm Sailor Moon, and I shall punish you...in the name of the Moon!"

*(Nekonnell charging at you! Go for it, girl! Show Nekonnell the power of love! Use the Spiral Heart Moon Scepter!)*

**Sailor Moon** "**MOON SPIRAL HEART ATTACK!**"

*(The Spiral Heart Moon Scepter's power is unleashed, and the force of its love power lands full on Nekonnell...)*

**Nekonnell** "Lovely...!"

*(and the Heart Snatcher finally goes down! Once again, she's just a jigsaw puzzle, and the Daimon Pod that had once inhabited it pops out and cracks. Its evil life dissipates into the air. Sailor Moon is ecstatic!)*

**Sailor Moon** "Ha ha! I did it! I transformed myself!"

**Tuxedo Mask** "Good job, Serena. I'm really proud of you."

*(So are the other Sailor Scouts.)*

**Sailor Jupiter** "Yeah."

*(Sailor Moon holds up the new scepter.)*

**Sailor Moon** "And this...it's our..."

*(Tuxedo Mask nods. There's no need to finish. Thanks to Sailor Moon's love, they now have a chance after all.)*

**Sailor Mars** "Welcome back, Sailor Moon."

**Sailor Jupiter** "You were awesome, Serena."

**Sailor Mercury** "Sailor Moon, you were great."

**Sailor Venus** "It's good to have you back."

---

*(It's so nice to see that girl playing with her little furry friends again. She's currently teasing two of them with a reed.)*

**Serena** "This story's got a happy ending."

**Mina** "Not so fast. It's not finished yet."

**Lita** "Right, Mina. We still have to find new homes for the kittens."

*(Serena has a smug look.)*

**Serena** "I've already found them."

**Girls** "Huh?"

**Serena** "There are five cats for Raye, two for Amy, two for Mina, and one for Lita."

**Lita** "But we told you, we can't adopt any cats."

*(Then the girls all slip reeds under Serena's nose and tickle her until she can't stop laughing!)*

**Serena** "Stop it! You're tickling me!"

*(After they stop, though...)*

**Serena** "I've talked with the animal shelter, and they'll take them in."

**Raye** "You could've told us before, you silly twit."

*(What? And spoil the joke? Uh oh. There are those reeds again. Better run!)*

**Serena** "Aah!"

**Luna & Artemis** "There she goes again."
