### Sailor Moon - Episode 87: "Swept Off Her Feet"

*(TRANSCRIPT NOTE: This episode was released to television with only a slight cut and a few edits apart from those spanning the whole series, and I have noted where the Japanese version displayed its episode title.)*

*(One morning, Serena is stretching in the park.)*

**Serena** "Must I study at Raye's again today, Luna? It's such a total snorefest."

**Luna** "Oh, you're such a lazyloaf. You'd better quit lazing around like day-old pudding. You'll know what'll happen. Raye will put you down and the others will lecture you."

**Serena** "Yeah, I know, but it's such a nice day today. It'd be a shame to waste it."

*(Serena munches on her cone...)*

**Serena** "Studying inside, a girl could lose her appetite."

*(...and immediately starts to doze.)*

**Luna** "Well, my appetite's lost at the thought of your high school exam results."

**Serena** "Oh, I wish Darien was here with me."

*(Just then, the two can hear the rev of a motorcycle.)*

**Luna & Serena** "Huh?"

*(They look.)*

**Serena** "Oh hoo! Got my wish for my Darien!"

*(And she hurries toward the motorcycle.)*

**Luna** "No! No, Serena! What about studying?!"

**Serena** "Darien!"

*(But as she approaches, she is surprised to see that there are TWO people on the motorcycle: one a schoolgirl. She stops.)*

**Serena** "Darien, who is SHE?"

----- **Point of Actual Episode Title** -----

**Serena** "Oh, hi...Darien."

**Darien** "Oh, hi, Serena."

*(The girl takes off her helmet. Serena recognizes her!)*

**Serena** "Elizabeth!"

*(It's Andrew's sister.)*

**Elizabeth** "Hey Serena, what's up, doll?"

**Serena** "Why are you with Darien?"

**Elizabeth** "Oh, because my brother Paul forgot his train ticket when he left the house. I ran out after him with the ticket, but he just left. Then Darien saw me waving my arms in the street."

**Darien** "So I pulled over to see what was wrong."

**Elizabeth** "Then Darien kindly offered to take me to the station."

*(So he's just doing another favor.)*

**Serena** "Oh, what a relief. You had me worried there for a second. Oh..."

**Darien** "What do you mean, Serena?"

**Serena** "Oh, nothing. Nothing at all. Ha ha. And anyway, Darien, I have to tell you, that bike suit is so hooked up."

**Darien** "Oh..."

**Serena** "You look great."

**Darien** "Do you think?"

*(Elizabeth looks on and smiles.)*

**Serena** "Oh yes, but then again, anything would look good on you."

**Darien** "Stop it, Serena."

-----  
*(Later, at Crown Fruit Parlor...)*

**Serena** "WHAT?! What do you mean, 'Have I kissed Darien?!'"

**Elizabeth** "K-keep it down, Serena. So..."

*(She looks to make sure no one is watching.)*

**Elizabeth** "So what's your answer? Have you and Darien...kissed yet or not?"

**Serena** "Uh...lemme think here, Oh...kissed Darien?"

**Elizabeth** "Have you?"

*(Elizabeth sits down.)*

**Elizabeth** "Judging by your embarrassed reaction, it looks like you haven't. You haven't kissed yet, have you?"

*(I wonder if Serena is actually too embarrassed to say that they HAVE...several times, at least.)*

**Serena** "What? Uh, I mean, well uh..."

**Elizabeth** "Of course not. You're too young."

**Serena** "Darien and I, well..."

**Elizabeth** "You're still in junior high. Well, you shouldn't have yet, not yet."

*(Serena is surprised by the direction the conversation's turning.)*

**Serena** "Ah, you're too right. I'm supposed to be studying right now. What about you, Elizabeth? You're a big high school student now. You've kissed someone, right?"

*(Elizabeth gasps. A smooth maneuver puts Elizabeth on the defensive.)*

**Elizabeth** "Please promise not to tell anyone, okay?"

**Serena** "Hmm?"

**Elizabeth** "Actually...there's this really cute guy I'm totally nuts over...but I'm afraid I haven't kissed him yet."

*(Serena face-faults onto the table.)*

**Serena** "Wh-what?! Wh-wh-why not, Elizabeth? If you like him so much, why haven't you kissed him yet?"

**Elizabeth** "Well, because...I've always believed a first kiss should be treasured. You can't just kiss anybody. It wouldn't mean anything at all! A kiss should be a deep, honest display of affection...and the very first kiss can't be with just any guy."

*(Serena droops her head.)*

**Amara** "Hmm..."

**Serena & Elizabeth** "Huh?"

*(Guess who's on the other side of the partition.)*

**Serena** "Hey, Amara! Michelle!"

**Amara** "Ha ha. It seems so long ago, my first kiss."

**Michelle** "Not for me, Amara."

**Serena & Elizabeth** "Hmm?"

*(Michelle actually talks about Adam and Eve.)*

**Michelle** "It feels like...like it was yesterday. It was so magical."

**Serena** "Hmm..."

**Elizabeth** "Oh..."

**Michelle** "I remember it vividly. It was with Brad, the cutest guy in the school."

*(Sounds nice.)*

*(Not mentioned is a kiss to the palm, meaning a wish. Also, a kiss to the forehead means friendship also.)*

**Amara** "There are many types of kisses, actually. A kiss on the hand means respect. A kiss on the cheek means friendship. A kiss on both cheeks is the French way."

**Serena** "Yeah, I'm sure there are many kissing customs."

**Michelle** "Like in fifteenth-century Italy. There was a strict law about kissing. It decreed if a young couple kissed each other, they must be married."

**Elizabeth** "Huh? That's way strict for me."

**Michelle** "My sweet Brad. I wonder where he is today."

*(Amara glances at her watch. She stands, and Michelle soon joins her.)*

**Amara** "See ya."

*(The two leave together.)*

**Serena & Elizabeth** "Oh..."

**Serena** "She obviously treasures her first kiss, so I think you're right."

**Elizabeth** "Hey, why don't you and your friends come to my place to study? I get off work in about one hour, and I made some amazing cupcakes."

**Serena** "What?! Did you say cupcakes?!"

*(Elizabeth also invites the girls' boyfriends along...just in case.)*

**Elizabeth** "Right. I better get back to work now. See you later."

*(And she leaves to get back to work.)*

**Serena** "All right! I love cupcakes, and cupcakes love me!"

*(Then she sees that people are staring at her.)*

**Serena** "Does anyone have a paper bag for my head?"

-----  
*(Outside the parlor...)*

**Amara** "They're so young and innocent."

**Michelle** "I know. It's nice that they're like that, but it's funny how quickly they move from kissing stuffed animals to boys."

**Amara** "That's what troubles me. That kind of girl is in danger. She's exactly what those evil Heart Snatchers are after."

**Michelle** "You're right. She possesses a pure heart. We'd better watch over her."

-----  
*(Speaking of the devil...)*

**Dr. Tomoe** "Kaorinite..."

**Kaorinite** "Yes, Doctor."

*(A new Daimon Pod is in front of the doctor.)*

**Dr. Tomoe** "So far, your mission has failed, but I think you can redeem yourself. I've found a new target."

**Kaorinite** "Yes, doctor."

*(The Daimon Pod rises into the air.)*

**Kaornite** "It's a pure-hearted girl who dreams of making her first kiss special."

**Dr. Tomoe** "First kiss? How about kissing your heart goodbye? Hm hm hm ha ha ha HA HA HA!"

*(Dr. Tomoe smashes a test tube in his evil delight.)*

-----

*(Later, Elizabeth is busy cleaning her apartment.)*

**Elizabeth** "I think it looks okay."

*(Then she looks around.)*

**Elizabeth** "Huh?"

*(She notices that small snippet of photograph she cut out and put in a picture frame. It's her only picture with her secret crush next to her.)*

**Elizabeth** "Hi, Michael. Can you kiss me? I sure hope you'll make my dreams come true."

*(She leans over and kiss the frame. But what's that outside? Uh oh. That Daimon Pod is aiming for something inside the apartment. It's the vacuum cleaner! The Pod merges with the vacuum and disappears. In moments, the vacuum transforms. Elizabeth turns around and gasps as Heart Snatcher Osoji appears!)*

**Osoji** "Ha! Dreams are for losers, honey!"

**Elizabeth** "Aah!"

**Osoji** "Scream, shmeam, heart be mine...now!"

*(Osoji lowers a panel and reveals her black star. The beam is released, and Elizabeth screams and Osoji laughs as Elizabeth's heart is extracted. Osoji grabs the Heart Crystal and crashes out the balcony window, onto the rooftop across the street.)*

**Osoji** "Ha ha ha! Your pure heart's in my bag!"

**Sailor Uranus** "Oh no it's not, hose head!"

**Osoji** "Huh?"

*(Osoji turns to see two figures stand back to back from another rooftop.)*

**Osoji** "Who are you?"

**Sailor Uranus** "I'm the one who will stop you: Sailor Uranus, the heart specialist!"

**Sailor Neptune** "And I'm Sailor Neptune, of course!"

**Osoji** "Ha ha! I'll never let you have this pure heart! Prepare to be dusted, Sailors. Hurricane attachment!"

*(One of her arms retreats its hand and reveals a vacuum head.)*

**Osoji** "BLOW!"

*(The two Sailor Scouts jump away. Sailor Uranus counterattacks.)*

**Sailor Uranus** "URANUS WORLD SHAKING!"

*(The attack knocks the Heart Crystal out of Osoji's hand!)*

**Sailor Uranus** "Got ya!"

*(Sailor Uranus dives for the Crystal, but Osoji has other plans.)*

**Osoji** "BLOW!"

*(She blows the Crystal into the sky and out of reach.)*

**Osoji** "Crystal!"

*(She quickly goes after it.)*

**Sailor Neptune** "The Crystal!"

*(Uranus and Neptune take off after it as well.)*

**Sailor Uranus** "No!"

*(The Heart Crystal ends up falling into a passing dump truck and is taken away. Moments later, both Sailors and Osoji are on the street.)*

**Sailor Neptune** "Where's the Crystal?"

**Sailor Uranus** "I don't see it."

*(Osoji is infuriated.)*

**Osoji** "WHERE IS IT?!"

-----  
*(Just then, Serena rings the doorbell to the apartment.)*

**Serena** "Hi, Elizabeth. Serena and company here."

**Luna** "Serena, I still can't believe you went to the coffee shop and kept the others waiting."

*(However, no one is answering the door, despite Serena's continuous pushing.)*

**Mina** "Oh, it's okay, Luna. Besides, we needed a break, and Elizabeth has cupcakes."

**Lita** "Ah, I'm getting fond for one of Elizabeth's cupcakes. Mmm..."

**Amy** "I don't care where we study, as long as we get to work."

**Raye** "Well, it looks like we might be studying out here. Why doesn't she answer the door?"

**Amy** "I don't know."

**Everyone but Serena** "Serena..."

**Serena** "Strange, isn't it? I wonder if she's still at work or something. Maybe she forgot about us."

*(Then she discovers the door is unlocked. Serena pushes it open. The scene they discover once it's wide open...draws a gasp from everyone!)*

**Serena** "ELIZABETH!"

----- **Commercial Break** -----

*(Elizabeth is on the floor, unconscious and blue in the face. Everyone quickly rushes to her.)*

**Serena** "Elizabeth! What happened?!"

**Mina** "I don't know!"

**Artemis** "Looks like her Pure Heart Crystal's been taken from her."

*(Serena gasps! A Heart Snatcher got to her?!)*

**Serena** "What?!"

**Mina** "We've gotta find that slimy Heart Snatcher and get it back for her!"

**Serena** "But how do we know how to find the Heart Snatchers?!"

*(Good question. Sailor Uranus and Sailor Neptune seem to know, but their method is a secret to them.)*

-----

*(Meanwhile, Osoji is tearing through town looking for the missing Heart Crystal, using one of her attachments to track the presence of the Crystal.)*

**Osoji** "Where is it?! I've gotta find it! I've gotta find it! I've GOTTA FIND IT!"

*(Her vacuum parts pick up something.)*

**Osoji** "Ha! Gotcha. Machines can do anything these days! Ha ha ha!"

*(She follows the trail.)*

-----

*(Back at the apartment, Amy pulls up the city map on her Mercury Computer and tries some programming.)*

**Raye** "Got anything yet, Amy?"

**Amy** "She's somewhere within a ten-mile radius heading north, but unfortunately, that's as close as I can get."

**Raye** "I guess we'll all have to split up and look for her by ourselves."

*(Elizabeth is in bed, her life slowly slipping away. Time is critical!)*

**Luna** "You should be able to contact each other."

**Artemis** "So make sure you have your radios."

**Girls** "Right."

**Raye** "Got it."

*(Suddenly, Elizabeth stirs. Her eyes take on a blank expression. She sits up in bed.)*

**Elizabeth** "First kiss..."

*(Everyone is startled.)*

**Elizabeth** "Kiss me, Michael."

*(She reaches over and ends up trying to kiss Lita! Everyone is puzzled, and Lita is struggling to get away!)*

<b>Lita</b> "Help! What are you doing?"
---

**Amy** "Elizabeth."

**Elizabeth** "Come on...Michael. Kiss me. Kiss, okay?"

**Serena** "Elizabeth!"

*(Finally, Lita pulls free and tries to put Elizabeth back on the bed.)*

**Elizabeth** "Kiss me...then...James."

**Serena** "Don't you remember, Elizabeth?! Your dream of treasuring your first kiss with only the guy who's special to you! Not just any guy, remember? At the best time, in the best place! Don't you remember?!"

**Elizabeth** "But I just need a kiss! Any guy'll do!"

**Amy** "I have a theory. It's bad news: that when her pure heart was taken, her pure thoughts were taken as well."

*(What once kept her from making that kiss is now gone!)*

**Mina** "Well, that makes sense."

**Raye** "It makes sense to me, too. **EVIL SPIRITS BEGONE!**"

*(Raye plants a Shinto charm over Elizabeth's mouth. It silences her and causes her to drop back to bed. Elizabeth struggles with the sealing spell.)*

**Raye** "Just leave her here with me, girls. I'll keep Hot Lips on ice. Why don't you guys go after the Heart Wrecker and snatch that Crystal?"

*(They nod.)*

-----  
*(So the four remaining girls split up and try to track Osoji. Lita checks a trashcan...)*

**Lita** "This is like..."

**Mina** "...a needle in a haystack."

**Serena** "What are my coordinates, Amy?! HELP ME!"

**Amy** "Serena, if you go straight about three miles north, that evil twit should be somewhere close by! Lita and Mina, join Serena quick."

**Serena** "Thanks, Amy. See ya there."

*(Just then, a motorcycle pulls up.)*

**Serena** "Darren!"

*(He's not even Tuxedo Mask yet, and his timing couldn't have been better.)*

**Darrien** "Serena, I know you're in a hurry, so hop on."

**Serena** "Thanks."

-----  
*(Meanwhile, Raye continues to chant so as to hold the spell over Elizabeth.)*

**Raye** "Sun, Moon, Earth, Star, Sun, Moon, Earth, Star, Sun, Moon, Earth, Star, Sun, Moon, Earth..."

*(Elizabeth continues to struggle against the spell. Raye is getting nervous. She doesn't know just how much longer she can hold it.)*

**Raye** "Hurry up, guys, and get the Crystal. My magic can't help her. The only thing that will save her is her own pure heart."

-----  
*(As the sun sets, Darrien takes Serena north.)*

**Amy** "Serena, you're very close."

**Serena** "Okay."

*(Just then, Darrien stops. In front of them is a fence. Serena gasps. Behind the fence...)*

**Serena** "What?! It's supposed to be in there?!"

*(...is a huge junkyard. Suddenly, though, a brief vortex appears somewhere in the yard. Amy was right! Serena can see three figures. She recognizes two of them as Sailor Neptune and Sailor Uranus. As for the other...)*

**Serena** "The thief of hearts!"

**Luna** "She's got a crystal with her!"

**Darrien** "Must be Elizabeth's. Serena, go for it!"

**Serena** "Right! **MOON COSMIC POWER!**"

*(Serena summons the power of the Moon Cosmic Brooch and transforms into Sailor Moon, Champion of Justice. Meanwhile, Sailor Uranus and Sailor Neptune continue to fight Osoji.)*

**Osoji** "You! I thought I lost you two!"

**Sailor Uranus** "Hand over the Crystal now, dirt bag!"

**Osoji** "How could you think I'd be afraid of a couple of little pixies like you. You'll never get this Crystal."

**Sailor Moon** "Quiet!"

**Osoji** "Huh?"

**Sailor Moon** "The only one who is entitled to that Crystal is Elizabeth!"

*(Everyone turns, including Uranus and Neptune.)*

**Sailor Moon** "How dare you snatch the pure heart from a girl who dreams of her first kiss! A pure heart can only be pure when it's with its rightful owner! I stand for love, and I stand for justice. I'm Sailor Moon, and in the name of the Moon, I shall punish you!"

**Osoji** "Ooh, another long-winded pixie. I think it's time for a little cleanup."

*(Osoji whips out the power cord and tries to lash it out at Sailor Moon like a whip. Sailor Moon jumps away.)*

**Osoji** "Here you blow!"

*(Sailor Moon is blown into the air. Meanwhile, Uranus and Neptune try to take advantage of the moment with jump kicks.)*

**Osoji** "Not again!"

*(She jumps away before they connect.)*

**Osoji** "Hey, suckers! Eat my dust!"

*(She opens her dustbin and launches a salvo of explosive vacuum bags! Uranus and Neptune have to dodge skillfully to avoid a dirty explosion.)*

**Osoji** "Ha ha ha!"

*(Just then, Sailor Moon crashes to the ground, hurt.)*

**Osoji** "Now let's see who's trash around this dump! Ha ha ha!"

*(As Sailor Moon watches both Uranus and Neptune fight...)*

**Sailor Moon** "Elizabeth..."

*(The thought of losing her friend tears at her.)*

**Sailor Moon** "I must...save her life..."

*(Meanwhile, Osoji finally manages to blow Uranus and Neptune away.)*

**Osoji** "Now I'll turn you into pixie dust."

*(Suddenly, a rose strikes Osoji's cap. She drops the Heart Crystal.)*

**Tuxedo Mask** "An evil one with an impure heart can never be worthy of the crystal of a pure heart. Return it now and toss yourself into the scrap heap, you piece of junk."

**Sailor Moon** "Tuxedo Mask!"

**Osoji** "Grr!"

**Tuxedo Mask** "Okay, Sailor Moon! Make this dirt bag history!"

**Sailor Moon** "Right!"

*(Sailor Moon summons the Spiral Heart Moon Scepter.)*

**Sailor Moon** "**MOON SPIRAL HEART ATTACK!**"

*(The shot smashes Osoji. It turns back to the vacuum cleaner. The Daimon Pod pops out and cracks, its energy dispersing into the atmosphere.)*

**Sailor Moon** "All right. I'd better hurry and get the Crystal!"

*(She hurries towards the vacuum cleaner.)*

**Sailor Neptune** "Let's go stop her!"

*(They jump after Sailor Moon. As Sailor Moon prepares to climb the pile of cars, Sailor Uranus grabs Sailor Moon from behind!)*

**Sailor Uranus** "The Crystals will be ours!"

*(Sailor Neptune reaches the Crystal and tries to examine it, but Tuxedo Mask throws a rose and knocks the Crystal away! Tuxedo Mask jumps down to her.)*

**Tuxedo Mask** "Don't move!"

*(Sailor Neptune jumps at Tuxedo Mask and tries to force him away.)*

**Sailor Moon** "Let me go! I must take it back to Elizabeth or she'll die!"

**Sailor Uranus** "We know she'll die without it!"

**Sailor Moon** "But why are you doing this?!"

**Sailor Uranus** "You wouldn't understand!"

*(Sailor Neptune and Tuxedo Mask both land on the car heap.)*

**Sailor Neptune** "We have to do it! It's our mission!"

**Sailor Uranus** "I'm not fooling around!"

*(Sailor Uranus throws Sailor Moon down. Meanwhile, Sailor Neptune jumps down to examine the crystal.)*

**Tuxedo Mask** "Sailor Moon!"

*(But Neptune makes a surprising discovery.)*

**Sailor Neptune** "Oh no! It has no power! It's just the crystal of a pure heart!"

**Sailor Uranus** "What?!"

*(Sailor Moon stands and lunges at Sailor Neptune.)*

**Sailor Moon** "Give it to me!"

*(She grabs the Crystal and holds it tight. Since it's not one they're looking for, Uranus and Neptune don't pursue anymore.)*

**Sailor Moon** "I could never let this fall into the wrong hands."

**Sailor Uranus** "Do as you like."

*(And she and Sailor Neptune leave.)*

**Tuxedo Mask** "What happened to them?"

*(However, this episode has truly put some doubt as to the true intentions of Sailor Uranus and Sailor Neptune. Why are they so willing to sacrifice a life? They know something Sailor Moon and the others don't, and they're unwilling to speak the reason.)*

**Sailor Scouts** "Sailor Moon! Sailor Moon!"

*(Venus, Mercury, and Jupiter...a little late to help in the fight.)*

**Sailor Moon** "Hey, it's great to see ya. Let's get back to Elizabeth."

---

*(That evening...)*

**Sailor Neptune** "I wonder if that girl will ever be able to make her dream come true."

**Sailor Uranus** "I'm sure she will."

**Sailor Neptune** "In a way..."

**Sailor Uranus** "Hmm?"

**Sailor Neptune** "I'm relieved that her Pure Heart Crystal didn't have any powers."

**Sailor Uranus** "Don't think about it! We must get Pure Hearts at all costs!"

**Sailor Neptune** "You're right. I know it's our mission to collect pure hearts with special powers."

*(So their mission is similar to that of Osoji's: two sides of some struggle we haven't fully comprehended yet.)*

---

*(Back at the apartment, Raye has releases her spell, and Serena returns the Heart Crystal to Elizabeth. Elizabeth soon stirs.)*

**Serena** "Hey look! She's gonna be all right!"

**Raye** "Oh, thank goodness."

**Lita** "All right! Gee, I sure hope her eyesight's back to normal, too."

**Mina** "Yeah, that was sure a nightmare experience, wasn't it, 'Michael'?"

**Serena** "Oh boy, I'm so glad we were there for Elizabeth. Like in Italy, so many years ago, if a young couple kissed, there was a strict law that made them get married. You see? You can't make light of a kiss."

**Mina** "Oh, look at Miss Restraint. You're a fine one to talk. That's all I see you do: it's frivolously kiss Darien."

*(Well, Mina, she DOES intend to marry him.)*

**Amy** "Well...right now, I really think we should all care a little more about studying than anything else. Come on now. Everybody, let's go to work, okay?"

**Girls** "Eh?"

*(Amy, of all the...)*

**Raye** "What? You wanna study here and now?"

**Lita** "You're crazy."

**Mina** "I can't believe you."

**Amy** "But we're behind schedule. We've got a lot of areas to cover."

*(Darien is on the balcony. Serena joins him.)*

**Darien** "I'm so glad Elizabeth is back to normal."

**Serena** "Yeah, and her cherished dream is, too."

**Darien** "First sweet kiss."

**Serena** "I think she's got a lovely dream. I'm so glad I was able to help protect it. She deserves to live her dream."

*(She turns to Darien. Speaking of kisses, she blushes. But as Darien reaches over...)*

**Serena** "Excuse me, Darien."

**Darien** "Hmm?"

**Serena** "Do you remember OUR first kiss like I do?"

**Darien** "Huh?"

*(What a shot! Now HE'S blushing!)*

**Darien** "Well, um...I, uh..."

**Serena** "Oh...Darien? Darien... Oh, oh no. You don't remember?"

**Darien** "Well, uh...can we talk about this later?"

**Serena** "No! Our first kiss is important!"

**Darien** "Look. The moon is so beautiful."

**Serena** "Oh Darien, how could you forget?!"

**Darien** "Serena, please don't..."

**Serena** "Darien!"
