Sailor Moon - Episode 89: *"Lita Borrows Trouble"*

(TRANSCRIPT NOTE: This episode was released to television with only some cuts and edits apart from those spanning the whole series, and I have noted where the Japanese version displayed its episode title.)

(Late one afternoon, a motorcycle races down the street.)

----- **Point of Actual Episode Title** -----

(Elsewhere...)

Serena "Oh...I'm so famished. I'm gonna pass out before Study Group."

Lita "Ha ha. Don't worry. I'm gonna bring my famous triple-decker roast beef sandwiches and potato salad for you to munch on."

Serena "You're the best, Lita. Bring cookies, too: with little marshmallows and butterscotch ripple in the center. Good thing you're an amazing chef or I'd starve for sure."

(True, Lita loves to cook, but...)

Lita "I'm not amazing. Anybody can learn how to cook."

Serena "Huh?"

Lita "You say that because you can't even boil water, but I think I need this skill to bring out my soft side. It makes others less scared of me."

(You? Tough Lady Lita? Serena turns around and walks backwards.)

Serena "Woah. You've got a soft side? Like, you're not getting introspectical on me, are you, Lita?"

Lita "Huh? I don't think so."

(A crosswalk signal changes to WALK.)

Serena "Anyway, you're so tall, people have to look up to you."

Lita "Serena..."

Serena "Well it's true, but you're also really smart and pretty. You know karate. You make great cookies."

(The two of them cross the street.)

Lita "Ha ha ha. You're just saying that so I'll put extra cookies in for you, but it's nice to hear it."

(There's that motorcycle we saw earlier.)

Serena "Ha ha. Did I mention you're a good dresser?"

(Hey, there are pedestrians on the road! Hit the brakes!)

Lita "SERENA!"

(Lita shoves Serena down and shields her with her own body. The motorcycle screeches to a halt...inches from them!)

Voice "Oh no! Can't believe this! Are you guys all right?!"

Lita "I guess...so. No thanks to you."

(The rider takes off the helmet, and Lita sees who it is: Amara! Amara climbs off her bike.)

Amara "I'm so sorry! Really! You want me to call an ambulance?!"

Lita "I think we're fine."

(Lita gets up, and so does Serena. Serena rubs her head where she hit the street, though.)

Serena "Call my lawyer."

Amara "No, please! I'll lose my wheels!"

Serena "Oh Amara, I was only playing. We're just fine, aren't we?"

(Then she turns to Lita.)

Serena "Woah!"

(That look in her eyes...)

Amara "You sure about that? Looks like a nasty scratch."

Lita "What?"

(Then she sees that the back of her left hand had scraped the pavement.)

Lita "Oh...yeah. Guess it is."

(I think this time, I don't blame Serena's look.)

Amara "Let me help you."

(Amara takes off the scarf around her neck and wraps it around Lita's hand in a bandage.)

Lita "Your scarf. It's gonna get all dirty. You should..."

Amara "Zip it. It's the least I can do for nearly plowing you guys over."

(Lita stays quiet...and blushing...as Amara ties the scarf on. Then she looks at Amara herself.)

Amara "I don't have very many friends around here. I better take care of the ones I've got."

Lita "Well...if you insist."

(And is Serena jealous?)

Serena "Oh...old friends keep the top spot on the cookie list. Right, old friend?"

(Forget it. Lita's spaced out.)

Amara "That was so brave of you to save Meatball Head."

Serena "Hey! Only my old friends are supposed to call me Meatball Head! Right, Lita?! Huh?!"
(Finally, Amara gets back on her bike.)

Amara "So no hard feelings, right guys?"

Serena "That's right."

Amara "Cool."

(And she rides off.)

Serena "Wow."

Amara "See ya around."

Serena "Bye bye!"

(She turns to Lita.)

Serena "I don't know about you, Lita, but I think Amara is so...cool?"

(Oh no. That look again...)

Serena "Hello? Earth to Lita."

(No answer. So, as Amara disappears over a hill...)

Serena "Come in, Lita!"

(She gives Lita a reality check. Lita gasps.)

Serena "So...does this mean you're shopping for a new best friend and I'm being put out to the curb?"

Lita "No, not at all, Serena! How can anyone ever compare to you? You're one of a kind!"

Serena *"If I didn't know better, I'd say she's trying to pull the wool over my eyes."*

(They both laugh, but...)

Lita *"For a second there, I didn't think she was gonna fall for it."*

(The next day, at a swimming pool, Michelle lazily swims as she recalls serious conversations she has had with Amara.)

Amara "We have to find the Purity Force soon, Michelle."

(Ever since they arrived in Tokyo, the two of them have been on a double mission: to locate the three Pure Heart Crystals that will unlock the Purity Force and to stop the other party after the Crystals: the Heart Snatchers.)

Amara "Time is running out. Three Pure Crystals are all we need. Three Pure Crystals hold the key to our entire existence and our future. We must find them at all costs."

Michelle "Even if it means sacrificing those with a pure heart?"

Amara "Even if it means that, yes. It's for the good of the universe."

Michelle "Do you really think peace will come?"

Amara "Yes, it has to. Peace must come to this planet and all others. Otherwise, we will be lost forever."

(Like in that nightmarish vision.)

Michelle "Right. We must find the Pure Heart Crystals...at all costs."

(Michelle leaves the pool and walks to a table where what appears to be a watch lies. She touches the watch with a finger, and it beeps. You know, it resembles a Sailor Scout communicator.)

Michelle "I feel turbulence in the sea."

(Wait a sec. It IS a communicator. Amara is downtown.)

Amara "I know. There's something afoot. I think we're close to a new Crystal."

(Behind her, we can see Serena, Amy, and Lita walking down the street.)

Lita "You guys wouldn't happen to know where Amara lives, would you?"

Serena "I think it's somewhere around here."

Amy "She's pretty fabulous, huh?"

(Lita nods.)

Serena "Why do you wanna go to her house, hmm?"

(Lita blushes for a second.)

Lita "Oh...well, I'm just thinking she's life her scarf back."

(Serena senses in Lita's voice that she's hiding something.)

Serena "You know, Amara's already got a best friend. Her name is Michelle. Remember, hmm?"

(Unknowing, the three walk past a familiar-looking redhead.)

Serena "Ooh, Miss Perfect Hair and Skin?!"

Amy "I like Michelle. She's so smart and sweet."

(Yup, that's Kaorinite. What's she doing in this part of town?)

Kaorinite "Short and sweet's what this job's gonna be."

(As if on cue, a Daimon Pod appears from out of hiding and hovers in the sky. Meanwhile, down on the street, a sudden gust of wind assails the girls...and Amara's scarf goes flying!)

Lita "The scarf! Oh no! No!"

(Lita goes after it.)

Lita "I have to give that back to Amara!"

(Amy comments...)

Amy "Strange wind."

(Serena has to laugh with glee.)

Serena "He he he."

(Down the street...)

Lita "Come down here!"

(The scarf finally floats down into a parking lot. Lita looks around but can't see the scarf in plain sight.)

Lita "It could be anywhere."

(So it must've slipped under one of the parked cars. She looks under one.)

Lita "No. Not here."

(She scans under other cars until...)

Lita "Bingo."

(Lita heads for that car and tried to reach under it. Unfortunately, the scarf's just out of her reach. Lita tries to stretch.)

Lita "A little further..."

(Meanwhile, the Daimon Pod gives off a black flash and heads for the parking garage, merging itself...with the scarf?! Just as the merging is completed, Lita's hand grabs the scarf.)

Lita "Gotcha. Silly scarf."

(And then, the scarf grabs her! Lita is puzzled. In her stretching, she had had to turn away. She looks under the car this time...and discovers someone grabbing her!)

Lita "AAH!"

(Lita quickly slips out of the grip and backs away, shaking her hand in disgust.)

Lita "Who are you?!"

(The Heart Snatcher slips out from under the car...)

Scar "Scar!"

(...and stands in front of Lita.)

Scar "I shall have your pure heart, schoolgirl! Ha ha!"

(Just then, Serena and Amy arrive at the parking lot.)

Serena "Lita!"

Amy "This is bad! Run!"

Serena "Bad's right! She needs more than a pure heart!"

(Amy pushes Serena out of sight.)

Amy "Transform, Serena!"

Serena "**MOON COSMIC POWER!**"

Amy "**MERCURY STAR POWER!**"

(Serena and Amy transform into Sailor Moon and Sailor Mercury, respectively.)

Scar "Ribbons are the ticket!"

(Scar suddenly shoots out ribbons that wrap around Lita.)

Sailor Mercury "**SHINE AQUA ILLUSION!**"

(Sailor Mercury freezes the strips, allowing Lita to force her way free.)

Scar "Who did that?!"

Sailor Moon "Sailor Moon is my name, and justice is my game! Now get lost, you start-up creep!"

(Better take heed. She already has the Spiral Heart Moon Scepter.)

Kaorinite "Drat! I can't believe they're back here!"

(Kaorinite has to act fast, or Sailor Moon will smash Scar!)

Kaorinite "Retreat, Scar! Don't waste your energy on them!"

(Kaorinite disappears...)

Scar "Scar!"

(...and Scar pulls back her remaining ribbons and jumps clear out of the lot!)

Sailor Mercury "That's some jump."

(Once clear, Scar makes tracks.)

Scar "I'll be back, my pretties...and with a vengeance! Ha ha ha!"

Sailor Moon "We could catch it if we wanted to."

Sailor Mercury "Yeah."

(Lita falls to her knees, half exhausted. Meanwhile, from a rooftop...)

Sailor Neptune "She's Heart Snatchers' next target, then."

Sailor Uranus "But we didn't get to see if she holds a Pure Heart Crystal. Silly Moon twit. She's always getting in our way."

Sailor Neptune "Maybe we should join 'em. We could work together to find the Heart Crystals."

(Sailor Neptune is somewhat sympathetic with them...)

Sailor Uranus "The silence is gaining force. We'll have to sacrifice a great deal to keep it from taking control. That's way out of their league."

(...but Uranus is the hard-liner. She thinks it's above their heads.)

Sailor Neptune "So where do we go from here?"

Sailor Uranus "Bet those creeps will be back for sure, so we stick close to the target."

----- **Commercial Break** -----

(The next day, as school lets out...)

Serena "Lita! Free at last. Let's go."

(Serena is looking for Lita, but...)

Student "If you're bowing for Lita, she went home."

Serena "What?!"

(Lita is actually back at the parking lot, trying to hunt down that scarf, not realizing that IT'S the Heart Snatcher.)

Lita "It's gotta be here. Now, where'd it go?"

Serena "Hey, Lita!"

Lita "Huh?"

(Lita turns when she hears Serena.)

Serena "I went to get ya after class, you know?!"

Lita "Sorry, Serena, but I...I really wanted to get Amara's scarf back so I can take it back to her place."

Serena "But...I planned best friend stuff: shopping and movies, remember?"

Lita "We can do that any old time."

(But she's blushing.)

Serena "What's wrong with right this second?"

Lita "I have to return the scarf."

(Just then, a convertible pulls up to the parking lot.)

Serena & Lita "Huh?"

Amara "Hi. What are you guys up to? Mental mall trowling?"

(Lita's blushing again.)

Serena "Uh, sort of."

Amara "You wanna hop in, Lita? I need to ask you something."

(And she adds a wink.)

Lita "A ride? With you?"

(That tears it!)

Lita "Sure, why not?"

Serena "HEY!"

(Serena tries to block her.)

Serena "Traitor! First you ditch me at school, and now you're ditching me in the street?!"

Amara "Woah. You can come along, too, Serena. There's plenty of room."

(Michelle has to chuckle. How little they know her cousin.)

Serena "Uh, I've seen the way you drive a motorcycle, so I think my answer is no."

Amara "Suit yourself. Guess it's just the three of us. We thought we'd get ice cream."

Lita "Sure. Sounds great."

Serena "Huh?"

Serena "Ice cream? Ice cream?"

(As Lita climbs in, Serena mutters...)

Serena "Can you bring me back a doggie bag?"

(As Amara drives down the street...)

Amara "This is Michelle. We go to school together."

Michelle "It's nice to finally meet you...officially."

Lita "You too. Wh-what year of high school are you guys in anyway? Third or fourth?"

Michelle "Oh well, I'm only a first-year student."

Lita "You playing me?! How come you guys already have a driver's license and a car?"

Michelle "Amara's the right age."

Amara "Uh yeah. My license. I got it 'cause I'm older and we lived overseas."

Michelle "Right."

Lita "How'd you guys meet, then?"

Michelle "We're cousins. We grew up together."

Lita "Huh?"

(The conversation in this scene leans towards Amara asking if Lita wants to be "better friends" with her.)

Amara "We've been inseparable since we were born. We can almost read each other's minds."

Lita "Like best friends?"

Amara "Sort of like you and Meatball Head, too."

Lita "She drives me nuts...but then, deep down, I know she'll always be there when I need her."

Amara "You must have a truly pure heart to think that way."

(Lita gasps at the remark.)

Amara "That's why we wanted to get to know you better."

(Now Lita's blushing again.)

Amara "We could really use some true friends in this town."
Lita "Yeah."

(Later, at Raye's...)

(Serena implies that Lita went on a date with Amara, another girl, and the conversation focuses on intra-gender romance.)

Amy, Raye, & Mina "She WHAT?!"

(Serena just spilled the news, but their in-the-face reaction scares her.)

Serena "She got in. Then, they went to get some ice cream without me."

Raye "In a convertible?"

Amy "Sounds fantastic."

Mina "I'd blow off Study Buddies for once to do that."

Amy "You would, Mina?"

Serena "She blew off the shopping and movies I planned."

Raye "What?!"

Mina "Woah. You were gonna hit the racks without telling me?"

Raye "Meanwhile, we would've wasted another afternoon waiting for you to show up."

Amy "We can still get some stuff done, Raye."

Serena "Yeah, like finishing the love quiz you're hiding underneath the books?"

(What Serena is really holding is a photo book from an all-female performing group. It shows Raye isn't immune, either.)

Raye "AAH!"
Serena "Ha ha ha!"

(For once, Serena busts Raye and gets some slight measure of revenge. Raye grabs the book.)

Raye "How many times have I gotta tell you not to snoop through my stuff?!"

(Suddenly, Amy pounds her fists on the table.)

Amy "Enough! Grow up already!"

(No one can recall any time when Amy was THIS fed up. It scares them.)

Serena "Age room's out of order! Ow!"

(Then Amy realizes how far she went.)

Amy "Well, Lita could somehow...be in some danger. You think we should meet her and make sure she's not a Heart Snatching victim?"

Girls "Mm hmm."

(Speaking of Lita, she, Amara, and Michelle are at a pier. Lita has stepped aside to answer her communicator.)

Lita "We're on the bay. It's just gorgeous."

Amy "We'll be there as fast as we can."

Lita "I appreciate your concern, Amy, but things are fine. It's nice to make new freinds, you know."

(She looks over to Amara and Michelle, themselves as close as best friends, if not more. What could they be thinking? Suddenly...)

Serena "Hey traitor, you got me in trouble!"

Lita "Huh?"

(Now Serena's on the other end...)

Serena "Thanks a lot!"

(...then Mina...)

Mina "Any hunks down in the docks?!"

(...then Raye. The view screen's getting crowded.)

Raye "Yeah! You want 'em all to yourself?! Why didn't you ask US to come?!"

Serena "You said..."

Amy "Can't you guys give her a break?"

Serena "It's not about ice cream!"

Raye "You blew off your study session!"

(Lita laughs nervously at the resulting babble, then comments...)

(Lita explains that she's with Amara out of admiration, not romance.)

Lita "Who would've thought one little car ride could make such a difference? Really, you guys, I'm fine. Amara and Michelle are totally cool. And anyway, I can take care of myself."

(Amara waves at Lita. She waves back.)

Lita "Be right over, Amara!"

(Suddenly, Amara gasps!)

Lita "Huh?"

(Behind you, Lita!)

Scar "Scar!"

Lita "AH!"

(Scar's back! She doffs her raggy cloak.)

Scar "Let's see. Where did we leave off, huh?"

Lita "What do you want, bow butt?!"

Scar "Just a little something called your heart!"

(The ribbon behind her snakes out and snares Lita!)

Amara "Lita!"

Michelle "No!"

(Scar pulls Lita closer.)

Scar "It's no use fighting. After all, you pure-hearted types must recognize the strength of evil! Give it up!"

(Suddenly, a rock hits Scar in the face. Turns out that ugly face is only a mask, for it comes off.)

Amara "Let her go now!"

Lita "Run, you guys! Hurry!"

Amara "If anyone's gonna run, it's gonna be fang face!"

(Scar rubs her face. Without the cloak and mask, she looks more like an ordinary Heart Snatcher.)

Lita "Just run! You don't know what you're dealing with!"

Scar "You can say that again!"

(Scar lashes out with a ribbon, sending Amara and Michelle into some nearby brush.)

Lita "Amara! Michelle!"

(Then, as if it couldn't get worse...)

Kaorinite "Hm hm hm. Well, what are you waiting for, Scar? Grab the Heart Crystal and call it a day for our side."

Scar "Right!"

(Scar turns to Lita and unfolds a piece of her clothing to reveal a black star!)

(The particular location of the star could not be shown on television.)

(Lita screams as a Heart Crystal is extracted.)

Scar "Come to mama, my purity!"

Lita "No! Let go! Stop it!"

(Hold on. Are those two in the bushes who I THINK they are?)

Lita "Somebody help me!"

Sailor Neptune "It's just as we thought."

(Sailor Uranus nods.)

Lita "Help! Please help me!"

Sailor Uranus "Sacrifice is the way to victory."

Lita "No! Aah! Somebody help me!"

(Then, the Crystal is extracted. Lita's eyes go blank, and she stops fighting.)

Lita "Please...anybody..."

(Neptune and Uranus watch as Kaorinite claims the Crystal...)

Kaorinite "Hm hm hm."

(...THEN they strike. Uranus knocks the Crystal away with World Shaking.)

Kaorinite "Aah!"

Sailor Neptune "I'll take that."

(The Crystal falls into her hands.)

Scar "What?!"

(Now she and Kaorinite realize they have company.)

Scar "The Heart Crystal!"

Sailor Uranus "Finders keepers, and we plan to put it to much better use than you sleazoids! Buzz off!"

Kaorinite "Buzz off?!"

Kaorinite "Never! Get 'em, Scar! I want that Crystal!"

(Kaorinite disappears. Scar drops Lita and charges!)

Scar "Scar!"

(She launches another ribbon attack, but Sailor Uranus dodges around it.)

Sailor Uranus "You sound like a broken record!"

(Meanwhile, with still a little bit of life left, Lita watches the fight in progress.)

Lita "Sailor Soldiers. I still have a chance..."

(Uranus dodges again.)

Lita "...but why did they wait so long? Why did they wait for my heart to be captured?"

(Suddenly, as Sailor Neptune tries to look at the Crystal...)

Sailor Moon "Need any help, girls?"

(Everyone turns.)

Scar "No!"

Sailor Moon "We are Sailor Soldiers, the Champions of Justice! We will right wrongs and triumph over evil! And in case you didn't know it, evil means you!"

(The four Sailor Scouts leap into the fray.)

Sailor Venus "**VENUS...!**"

Sailor Mars "**MARS...!**"

Scar "Scar! Fire!"

(She quickly defends herself with a wall of copies that take the burn meant for her. Scar leaps to engage Mars and Venus. Meanwhile...)

Sailor Neptune "This crystal is not a true pure heart."

Sailor Moon "Please! Give it back! The Crystal! Give it to me before it's too late! Please! She's our friend!"

(Uranus takes the Crystal out of Sailor Neptune's hands and sends it to Sailor Moon.)

Sailor Uranus "We don't need it anymore. Just don't drop it."

(Sailor Moon takes the Crystal.)

Sailor Mercury "Sailor Moon! Hurry up!"

Sailor Moon "Right! Bye!"

(She hurries over to Lita. In the meantime, Neptune notices Mars and Venus in action.)

Sailor Neptune "Looks like somebody could use our help."

Sailor Uranus "Hmm, bit of a bind, I'd say."

(Bind is right. Mars and Venus are all tied up by Scar's bow!)

Scar "Kinda like mud wraps, girls, only not relaxing!"

Sailor Neptune "**NEPTUNE DEEP SUBMERGE!**"

(Sailor Neptune gets Scar from behind...)

Scar "Scar!"

(...freeing Mars and Venus. Meanwhile, hidden behind bushes, Sailor Moon and Sailor Mercury see to Lita, who is recovering from her ordeal.)

Sailor Mercury "You okay?"

Lita "Yeah...but I'm real mad."

Sailor Mercury "You need to rest. You've been through the wringer."

Lita "No. This isn't over yet! **JUPITER STAR POWER!**"

(Sailor Jupiter is going to join the fight!)

Scar "Scar!"

(Here she comes again!)

Sailor Jupiter "**SUPREME THUNDER CRUSH!**"

(Sailor Jupiter nails Scar with her electric attack.)

Mars & Venus "Jupiter!"

Sailor Jupiter "You're up, Sailor Moon!"

(Sailor Moon summons the Spiral Heart Moon Scepter...)

Sailor Moon "**MOON SPIRAL HEART ATTACK!**"

(...and unleashes its power on Scar, smashing her into submission. She turns back into Amara's scarf. A stray wind picks it up and carries away. Sailor Uranus notices the scarf flying away, but as she and Sailor Neptune turn to leave...)

Sailor Jupiter "Hold it!"

(They turn back.)

Sailor Jupiter "I'm not sure what you're up to, but you seem to have more of an interest in KEEPING Heart Crystals than RETURNING 'em! You're no better than those evil creatures!"

(This Sailor Uranus has to answer.)

Sailor Uranus "Don't push your luck!"

Sailor Jupiter "You almost did me in, Uranus, and I won't forgive that!"

(She charges! Sailor Uranus stands ready. She blocks Jupiter's punch, reach below and nails her in the gut. Jupiter goes down.)

Sailor Jupiter "Oh, that hurts!"

Sailor Scouts "Jupiter!"

(The others rush over to her.)

Sailor Moon "Jupiter!"

(As Sailor Jupiter raises her head, Uranus and Neptune jump out of sight.)

Sailor Moon "Are you all right, Jupiter?!"

Sailor Venus "She really socked you one!"

(Out of sight...)

Sailor Neptune “Not a good move. You should’ve gone easy on her.”

(But then, she gasps when she notices that Uranus’ right wrist had a cut.)

Sailor Neptune “Your wrist!”

(Blocking Jupiter’s punch had not come without a price.)

Sailor Uranus “Yeah. She’s pretty tough.”

(Jupiter had been more of a challenge than she had realized.)

(Meanwhile...)

Sailor Jupiter “The scarf!”

(Sailor Jupiter reaches down to pick it up.)

Sailor Jupiter “Oh, at least I got you back.”

Sailor Mercury “Amara and Michelle are over here!”

(Sailor Jupiter rushes over.)

Lita “Amara? Amara, wake up! Wake up! Come on, Amara!”

(She slowly comes to.)

Amara “Oh...”

Lita “That’s much better. Welcome back.”

(Michelle is already awake.)

Amara “Oh, what happened?”

(Amara sits up, rubbing her head.)

Amara “Where’s the monster?”

Michelle “Sailor Moon and her gang came and sent that creep packing.”

Amara “Oh.”

(Suddenly, Lita embraces Amara.)

Lita “I’m so glad...you’re okay.”

(Are those tears?)

Lita "I couldn't bear it if anything happened to you. I don't know why, but...I feel a special connection to you, like we're old friends."

(She gasps. Amara's wrist had been cut!)

Lita "You poor thing. That monster DID get hold of you!"

(Amara looks at the cut in surprise.)

Amara "No. I just cut my hand on a bush."

(Lita takes the hand...and does something most appropriate.)

Amara "Hey, my scarf..."

(She returns Amara's scarf by using it the same way it ended up in her hands: as a bandage.)

Lita "Yes, and thank you. I was gonna bring it back to your house one of these days..."

Amara "Huh?"

Lita "...but it looks like Scarface saved me a trip."

(Amara smiles.)

Amara "Thanks a lot, Lita."

Lita *"I hope someday I can be just like you, Amara: always so calm and cool. I hope that scarf will have rubbed off some of you on me...except for your motorcycle skills. Ha ha."*

(The next day...)

Serena "Hey, does Artemis ever do that thing where he claws your nose to get you up in the morning?"

Mina "No, but I know he taught Luna that."

Raye "Tricky. Maybe we'll try that next time you fall asleep at Study Buddies."

Serena "Yeah, you try it, Raye."

(Amy, in the rear, takes a glance around her and happens to look into a clothing shop. Lita's inside.)

Mina "Don't start, you two."

Raye "Well, I just said I MIGHT try it."

Amy "What's she buying? A scarf!"

(Apparently so. Lita's admiration for Amara continues, and she's here to get her own scarf: to remind her of all that she likes about Amara.)

Lita "Yeah."
