

## TRANSCRIPT FOR

### Sailor Moon Super S – The Movie: “*Black Dream Hole*”

*(TRANSCRIPT NOTE: Since I acquired the DVD version, I have been able to note all the cuts between the sub tape and DVD (both uncut) and the dub tape (cut). Keep an eye open for **CUTS** wrapped in shadow boxes. This indicates something in the DVD or sub tape that isn't in the dub tape. Also watch for **EDITS** in double boxes which denote significant dialogue shifts between dub and sub.)*

*(Now, to begin, don't even try to figure out where in the Sailor Moon Super S timeline this movie belongs. It just doesn't fit and isn't meant to fit. Now just relax and enjoy the movie.)*

#### ----- Introduction -----

**Voice** “More so than any candy, your smile can make the world a sweeter place.”

*(In a city in Europe, the melody of a pipe can be heard echoing throughout. All through the city, the windows of children's bedrooms begin to open, letting the music fill the ears of all the children in the village. They soon awaken to the music and sit up in bed like in a trance, even as cuckoo clocks begin to toll that it is 3 AM. Walking through the town is a strange man playing an even stranger instrument. Then, like the children who followed the pied piper, the children soon leave their houses, following the strange man and singing to the music.)*

*(NOTE: The singing is in Japanese, so I'll provide a lyrical translation.)*

**Children** ♪See, if you listen so carefully,  
Such a very sweet melody!  
The Three O'clock Fairies are calling me,  
Filling my thoughts with sugary dreams.  
The music knocks on your door and so,  
Hurry out of your bed and go!  
Let's all go to Candy Land,  
Flying a magical ship of dreams.  
Ah, so full of the sweetest dreams.  
Mint and apple pies and things.  
Spirits high from the cake so sweet,  
Yippie, cookies, what a treat!  
Wobbly pudding awaits the feast,  
Eat some chocolate at the least,  
The Three O'clock Fairies laugh so light,  
Enjoying our sweet little children's dreams.♪

*(The singing continues, even as the piper leads the children onto a ship waiting for them. The children soon hurry on board. Once all the children are inside, the hatch closes, and the ship rises into the air, carrying the children away on its deck and the piper on its prow. As the ship disappears into the sky, one little boy, dressed like the piper, watches it disappear.)*

#### ----- Opening Sequence -----

*(Missing from the dub tape is the actual opening, which features scenes from the five Inner Sailor Scouts' youth. First, there's Serena laughing as a puppy licks her affectionately. Next, there's Amy helping her mother bake cookies in the kitchen. Next, there's Raye, who's trying to pose in her kimono for the photographer, but before the photographer can shoot, she takes out some boys teasing her. Then, there's Lita trying to net a dragonfly. She misses it and tumbles into the grass, the dragonfly landing on her head. Finally, there's Mina acting out what she sees on television, her head full of dreams of fame. The pictures all become part of an album that shows the Scouts: then and now.)*

-----  
*(One Saturday, at Lita's apartment...)*

**Serena** "Ho hoo. Mmm...certainly smells good. Let's see if they're done."

*(But before her hand can reach the oven, it's slapped with a spoon.)*

**Serena** "OW! AH! What'd you do THAT for?! They need to be checked before they burn!"

**Rini** "Get your hand away! You're a rotten cook! I trust the recipe book, not you!"

**Serena** "You little witch!"

*(The two stare each other eye to eye.)*

**Rini** "Can you blame me?!"

**Serena** "Get out of my face!"

*(Lita enters the kitchen.)*

**Lita** "Ha ha. Let me have a look."

*(Lita looks into the oven.)*

**Lita** "Well, maybe a bit more. We just have to wait 'til they turn to a golden brown color."

**Rini** "See? I told ya."

**Serena** "Ooh!"

*(The other girls are here, too, helping with the next batches. Mina is complaining as she mixes the batter.)*

**Mina** "My hand is going to fall off. This is way too hard to mix."

**Lita** "Mina, you put too much sugar in."

**Mina** "Hmm?"

**Lita** "You have to put it in gradually; then, it won't be so hard."

*(Looking at the others...)*

**Lita** "You guys are seriously not good cooks."

**Mina** "Oh thanks. You're right, Lita."

*(She pops one of the remaining chocolate chips in her mouth...)*

**Raye** "Hey, Mina, don't."

*(...then another.)*

**Raye** "There are hardly any chocolate chips left, and we need all we have, so stop chowing down."

*(Mina actually tries another saying: 'You can't put a door on someone's mouth.')*

**Mina** "But I can't stop eating them. Besides, someone should make sure they're fresh enough."

**Artemis** "She should be assigned to the cleanup crew instead."

**Raye** "But Serena already checked the first half of the bag for freshness."

*(Then she notices Amy pressing down on cookies on the pan with the decorative bottom of a glass.)*

**Raye** "Hey, what are you doing, Amy?"

*(The result is a neatly pressed cookie with a nice pattern.)*

**Lita** "What a neat idea. Looks great, Amy."

**Mina** "Where'd you learn to do that? That's really way cool."

**Amy** "I learned it from my mom when I was little."

**Raye** "Really? Your mom?"

**Amy** "Yes...she was always too busy with her career to stay home full time...but she tried her best to be there, especially when we needed her the most: like after school and lessons. Boy, she must've been busy...but I remember; her cookies were the very best. They always seemed to cheer me up."

*(Rini's eyes light up.)*

**Rini** "Ah..."

*(Then, there is the sound of Lita's cuckoo clock.)*

**Girls** "Huh?"

*(It's 3 PM.)*

*(Lita actually mentions the three-o'clock fairy.)*

**Lita** "Hmm...3 o'clock Monday."

**Luna** "But it's Saturday today."

**Serena** "Yeah, it's Saturday."

**Lita** "Huh?"

**Serena** "Why did you say Monday?"

**Lita** "Ah yes. It's just an old tradition."

**Rini** "What kind of tradition? Tell us."

*(Actually, it basically went that in the past, Lita's mother told her that a "three o'clock fairy" told mothers to bake cookies at 3 o'clock. As a child, she had thought the fairy was the cuckoo in the clock. Thus, the reaction.)*

**Lita** "It's no big deal, really. My mom always made cookies for us every Monday at 3 o'clock. She started doing that because...she thought that Monday was always the worst day of the week...as long as we had finished our homework and all of our little chores on the weekend, we could always count on having fresh, warm cookies to look forward to after school. Each kind she made was delicious. She made enough to last the week, but three o'clock Monday was the best day 'cause they were fresh. To this day, whenever I hear the clock strike three on Monday, I gotta have a cookie."

**Rini** "What a nice tradition."  
**Lita** "Yeah, and because I liked baking so much, she handed the tradition over to me."  
**Amy** "It's funny...how a simple thing like a cookie your mother made when you were little could cheer you right up. Sometimes, I wish I was little again."

*(The girls hum in dreamy wonder.)*

**Rini** "You're all lucky to have nice stories. I'm stuck with a meatball head mom from the future whose specialty is burnt anything, especially cookies."  
**Serena** "Ooh! OOH! Why you ungrateful little brat! I know just the kind of birthday cake to make for you!"

*(Rini covers her ears. The girls laugh.)*

**Mina** "Yeah, that was gross."  
**Diana** "It's nice to hear about childhood memories. Too bad cats don't bake cookies, but I have some good memories of chasing mice."  
**Raye** "Memories, shmemories! We should work towards future happiness!"  
**Mina** "I see the future, and I know we'll be very happy on Valentine's day once we can...bite into our own chocolate."  
**Diana** "Yeah, must be true, 'cause I saw you just now, and you did seem to be kind of happy when you were gobbling up those chocolate chips."  
**Mina** "Chocolate is amazing, Diana, and we're all gonna learn how to make our own from Lita."  
**Serena** "When it comes to making chocolates and sweets, Lita's a super genius."  
**Lita** "You're exaggerating, Serena."

*(Diana actually asks, innocently, if Lita, being as good a confectioner as she is, has already taken hold of happiness.)*

**Diana** "Didn't you guys once say that eating a lot of chocolate can be very fattening, hmm?"  
**Girls & Cats** "Huh?!"

*(Poor girls. Poor Diana.)*

**Diana** "Meow?"

*(Lita actually says that happiness comes in the act, not the result.)*

**Lita** "Ha ha. You're right. It's never too good to have too much of anything, but small amounts are okay."

*(Serena and Mina each take one of Lita's shoulders.)*

**Mina** "Lita...you know we can't follow your advice when all that chocolate's in front of us. We'll eat it all."

*(Lita may cook sweet...but talking sweet is just not her thing.)*

**Lita** "You're right."

*(Speaking of which, it's time to take out the latest batch. Donning oven mitts, Lita opens the oven door and pulls out the two trays. Serena begins laughing hysterically.)*

**Serena** "Look how beautiful and unburnt my cookies turned out! Yours are funny looking, JUST LIKE YOU! I'll bet mine taste better, too."

*(Rini actually says the cookies are special, able to boost your courage and power.)*

**Rini** "Ooh...big mouth! Maybe mine aren't fancy and don't look perfect...but the proof will be in the taste, and I challenge you to take a bite of one of yours first and then try one of mine!"

**Serena** "Well, now, I rise to your challenge."

*(Serena pops one of her cookies into her mouth. The reaction is instant.)*

**Girls** "Huh?"

*(They sigh. Artemis snickers.)*

**Luna** "Oh brother."

**Mina** "Hey, you gotta try Rini's cookies. They're fantastic."

*(Looks like Rini wins the bet. The girls are all eating them up.)*

**Amy** "You're right. They ARE good."

**Raye** "This just proves that things that LOOK bad can be very sweet."

**Rini** "You see? I told ya."

*(Serena's almost to crying again.)*

**Serena** "You're so rotten to me. I'll bet...if I give some of my cookies to Darien, he'd love to eat them."

**Others** "Huh?"

*(Red alert!)*

-----  
*(Later, Rini makes her way down a hillside street, Diana atop her head.)*

**Rini** "It's obvious that my cookies are the best, and I'll be the big winner."

**Diana** "Big winner?"

**Rini** "Yeah, once Darien takes the cookies taste test, he's sure to choose mine."

*(Just then, Rini stops.)*

**Rini** "Huh?"

*(She and Diana look ahead. A short distance ahead, looking into the window of a sweet house, looks like a young boy...if not for the fairy-like wings on his back. Rini gasps. In just a moment, though, the wings vanish, and the seemingly alien boy now looks much more ordinary.)*

**Rini** "Oh..."

**Diana** "What's the matter, Rini?"

**Rini** "He looks normal enough. Where did his wings go?"

*(Curious, Rini approaches the boy. The boy looks curiously at Rini as she walks all around the boy, inspecting him up and down.)*

**Rini** "Hmm...hmm...hmm, this is so weird. I know what I saw."

*(Rini has a look of frustration; the boy has a look of puzzlement. Finally, Diana breaks the silence by meowing.)*

**Boy** "Hey, nice kitty. What's her name?"

*(In a not-too-nice voice...)*

**Rini** "Her name is Diana."

**Boy** "Well...nice to meet you, Diana."

*(Diana stands up and meows. Then, she jumps off Rini's head and onto the boy's shoulder, licking him affectionately.)*

**Boy** "Ha ha ha, stop it! You're tickling me!"

*(Finally, Rini begins to chuckle, the tension breaking. Rini and the strange boy turn to each other and smile, and Diana meows again and finally returns to Rini's head.)*

**Rini** "Uh...hey, what are you doing here? Are you waiting for someone?"

*(At that instant, a mother and a little girl exit the sweet house.)*

**Mother** "I'm glad you like it, sweetie."

**Girl** "I can't wait to open it up and have some yummy cookies."

**Boy** "I'm just watching people go in and out of the candy store. They look happier when they come out of the store."

**Rini** "Of course they do. Sweets cheer people up all the time."

*(Rini is curious about the boy's unusual behavior.)*

**Boy** "Yup, this looks like a nice town. All mothers seem to be so kind."

**Rini** "I know of at least one exception."

**Boy** "Huh?"

*(Rini turns around as she talks.)*

**Rini** "My mom isn't like that at all. She's a clumsy and careless crybaby, and she sometimes takes candy away from me so she can eat it herself...but that's okay, 'cause I take candy from her stash when she's not around."

*(The boy chuckles.)*

**Boy** "You're a sweet, interesting kid."

*(Rini turns back to the boy.)*

**Rini** "Huh?"

**Boy** "I like it here. It really is a nice place to live. Even all the candies look happy."

*(The boy turns to the window again.)*

**Rini** "What do you mean? How do you know how candies feel?"

**Boy** "Look at them. They look so happy sitting in the window, they might even start to dance."

**Rini** "Oh..."

*(She joins the boy at the window and looks inside. As she presses her face to the glass, the boy takes a very close look at this young but precocious girl. He steps back.)*

**Rini** "I can't really tell if they're happy or not. They only look delicious to me."

**Boy** "Huh?"

*(Now behind Rini's back, the boy pulls out what appears to be a flute and begins to play. Magic flows from the flute...and Rini gasps as some of the candies suddenly begin to float into the air, dancing like a beautiful lady! Rini turns to see the boy playing his instrument.)*

**Rini** "Wow."

*(When the boy stops playing, the candies resume their original places. Rini is dumbstruck as she turns back to this strange but wondrous boy. She extends a hand.)*

**Rini** "I am Rini."

**Boy** "Uh..."

*(He seems hesitant...but he finally shakes that warm hand.)*

**Peruru** "Oh...my name is Peruru."

**Rini** "Oh, Peruru?"

-----  
*(Darren is in his apartment, reading a magazine and listening to his radio...when the doorbell rings. Darren doesn't respond at first, but when it rings a second and then a third time, he finally answers.)*

**Darren** "Yes?"

**Serena** "Courier service, bringing you a package filled with lots of love."

*(Darren chuckles. He knows who's at the door.)*

-----  
*(But when she walks in...)*

**Serena** "I know that disrespectful little blob is in here somewhere."

*(Serena looks under the bed.)*

**Darien** "Let me guess. You mean Rini. She's not even here today, Serena. Why you so down on her?"

**Serena** "She's incredibly rude to me and has no respect! Oh, Darien..."

*(Then it sinks in. He's wearing a new shirt.)*

**Serena** "When did you...?"

**Darien** "Huh?"

**Serena** "...buy this purple shirt?"

**Darien** "This shirt?"

*(He sits down on the couch.)*

**Darien** "I think it was with Rini on a recent shopping trip to the mall."

*(Serena's fuse grows shorter. She walks over and deposits her cookies on the table, sits down next to Darien, and takes his hand in hers.)*

**Serena** "Darien..."

*(Darien looks at her.)*

**Serena** "Tell me something, and I want you to be totally honest. Who do you like better? Me or that conniving little wretch Rini?"

**Darien** "Huh?!"

**Serena** "I need to know! Tell me the truth! Who do you like better?!"

**Darien** "What do you mean?"

**Serena** "So you can't answer me, then?"

*(Serena, stop it. It feels like the whole place is starting to rain.)*

**Serena** "I knew it. He's always liked Rini better than me. I thought cookies were supposed to cheer him up, but my homemade cookies are doing the opposite and making me completely miserable."

**Darien** "Hey, you brought cookies! Great, I'll make some cocoa."

*(But as he gets up to go to the kitchen, a news flash comes on the radio.)*

**News Reporter** "In the world today, there have been alarming reports of children mysteriously disappearing at night in various countries around the world."

*(Darien stops.)*

**News Reporter** "So far, reports from 43 cities in 27 countries, all with the same story, have not yet indicated any recoveries. No other information is available at this time, but we will be updating our reports as new information comes in."

**Darien & Serena** "Hmm?"

*(43 cities? In 27 countries? What about Tokyo?)*

---

*(Dusk, at the Dream Road at Jyuban Mall...)*

**Rini** "For you."

**Peruru** "What are they?"

**Rini** "My homemade cookies."

*(She places her bag of cookies in Peruru's hand.)*

**Peruru** "Oh..."

*(Rini explains about the cookies' special powers again.)*

**Rini** "I know they don't look all the great. I suppose I get bad marks for the way they look, but the taste is amazing, and they taste way better than my mom's horrible cardboard cookies!"

**Peruru** "For me?"

**Rini** "Huh?"

*(She turns to Peruru and nods. Then, leaving both cookies and smiles, Rini laughs, waves goodbye, and heads home...but not before turning around some distance away and waving again.)*

**Rini** "Gotta go now! See you again! Bye!"

*(Peruru waves back. Once she's gone, though, Peruru blushes.)*

---

*(Dusk turns to night. Then, at 3 AM...the haunting melody that had drawn children out of their beds in 43 other cities...begins to play its haunting serenade on the children of Tokyo. In the Tsukino house, Rini's bedroom window opens, letting in the Song of the Three-O'clock Fairies. Her eyes open...but they carry the blank look of a girl in a trance.)*

---

*(In her bedroom, Serena hangs slightly over the edge of her bed, laughing in her sleep (and drooling a bit) when...)*

**Diana** "Serena...Serena..."

**Serena** *(In her sleep.)*  
"Oh Darien, I love you..."

*(Diana realizes how hard it is to awaken Serena. Fortunately, she had taken a lesson from her mother. She leans against her face and puts her kitten mouth to Serena's ear.)*

**Diana** "Oh brother. Serena, WILL YOU WAKE UP!"

**Serena** "OH!"

*(The jolt of the rude awakening causes Serena to tumble out of bed.)*

-----  
*(Diana explains the reason for the wake-up call. Rini has suddenly left the house. The two of them carefully follow behind her.)*

**Serena** "I wonder where she could be going."

**Luna** "Serena!"

*(Serena turns.)*

**Serena** "Huh?"

*(Luna catches up with Serena, having brought the rest of the gang.)*

**Serena** "Oh hi, good you're here. Look at Rini."

*(Pointing down the street...)*

**Serena** "She looks like a robot walking in her sleep."

**Artemis** "She's not the only one."

**Serena** "Huh?"

**Mina** "Look!"

*(Pointing across the street...)*

**Mina** "Over there!"

*(Serena turns.)*

**Serena** "OH! WHAT'S HAPPENING?!"

*(It's just like in that village. All the little children are being led away.)*

**Amy** "Looks like all the kids are being controlled by something and heading towards one place."

**Mina** "Do you think it's possible they're playing some kind of new game?"

**Raye** "Not at all."

**Amy** "I heard on the news today that there are lots of children mysteriously disappearing from many countries all over the world."

*(Serena turns. She and Darien had heard it, too!)*

**Lita** "Oh no! That must be what's happening here!"

*(Then, Raye begins to hear something.)*

**Raye** "Hey, do you hear some sort of musical instrument playing a tune?"

**Serena** "An instrument?"

*(Everyone listens carefully. Once quiet, they can hear the Song of the Three O'clock Fairies. Amy tries to use her Mercury Computer to analyze the sound.)*

**Amy** "The instrument's a pipe, and it's emitting strange energy while it's played."  
*(She closes it. That cinches it. The music must be mesmerizing the children like in The Pied Piper!)*

**Raye** "Let's follow them and see where it's coming from."  
*(In the meantime, the children begin to sing the song we heard before. The girls and cats race on ahead to see where they're going...)*

**Diana** "Look at that! What do you think it is?"  
*(...and there in the park is that ship!)*

**Artemis** "Something sinister is happening."

**Luna** "Anyway, we better stop all those children before they leave."  
*(The girls nod. Serena knows who she's going after.)*

**Serena** "Rini, come on!"  
*(Serena grabs Rini and keeps her from boarding, but Rini resists.)*

**Rini** *(Zombie-like voice.)*  
"Let me go. Let me go."

**Diana** "Please, Rini, you must wake up."

**Serena** "I guess I have no choice."

*(She picks up Rini...and spanks her! Twice!)*

*(The actual spanking was cut out of the dub.)*

**Rini** "Ow! What are you doing, Serena?!"

*(Then she realizes what had happened. The pain had snapped Rini out of the trance.)*

**Rini** "Huh? Where are we?"

**Serena** "Huh?"

*(She puts Rini down.)*

**Serena** "Don't you remember anything about tonight, Rini?"

*(Meanwhile, Lita steps in front of the children.)*

**Lita** "Stop! Everybody go home!"

*(She and the others try to restrain the children physically.)*

**Mina** "No! Don't go in there!"

**Lita** "No!"

**Raye** "Stop!"

**Mina** "Wake up!"

**Raye** "Everybody go home!"

*(They just slip past them and keep going.)*

**Boy** "Let go. We have to go to the Land of Sweets now."

**Amy** "Wake up, everybody!"

*(Raye then looks up...and finally discovers their "Pied Piper," sitting on the prow of the ship. The moment he stops playing, the children stop singing...and fall asleep again. Even the children on the ship are asleep. Then, the piper stands and turns to the girls.)*

**Pupuran** "Can I help you?"

**Raye** "Tell us who you are!"

**Pupuran** "Tell me why you're interrupting this innocent procession to happiness. They've come of their own free will."

**Mina** "Do you call the act of kidnapping children innocent?!"

**Lita** "We won't let you get away with this, you psycho!"

*(Turning to one side...)*

**Pupuran** "Ha ha ha. Why can't things ever go smoothly, huh?"

*(When he turns to face them again, the grin has a definitely evil look to it.)*

**Pupuran** "**CANDY WRAPPERS!**"

*(He throws down five pieces of Papiyo candy, which come to a stop in midair in front of the girls.)*

**Serena** "What is that?"

**Rini** "It's a candy."

**Serena** "Huh?"

*(The piper plays a new melody. The candy begins to respond to the melody, transforming...taking on humanoid form!)*

**Rini** "Ew!"

**Serena** "Evil candies?!"

*(One by one, the candies take shape and surround the girls.)*

**Pupuran** "Go, Bonbon Babies!"

*(The Bonbon Babies begin to fly at them! Raye ducks as one just passes overhead. It circles around for another pass, but Raye elbows it and sends it flying back. It bounces off a lamppost, however, and comes back again, catching Raye off guard and sending her to the dirt. Meanwhile, Mina dodges two and kicks a third away, but the third bounces off playground equipment and crashes into her. Amy ducks another, allowing Lita to grab it. She tries to resist its pushing.)*

**Lita** "Argh! Get off of me, lard-o!"

*(Another has Serena and Rini on the run.)*

**Rini** "Help!"

**Serena** "Oh!"

**Rini** "Go away!"

*(They quickly duck around a jungle gym.)*

**Serena** "Rini, get rid of this!"

**Rini** "What should I do?! YOU should be protecting ME!"

*(They start running as it begins to chase them again.)*

**Serena** "Protecting YOU?! You caused this!"

**Rini** "Leave us alone!"

*(The chase continues around and around. Luna realizes that what's needed is some Sailor Scout power.)*

**Luna** "Everyone, let's transform!"

*(Amy hears.)*

**Amy** "**MERCURY CRYSTAL POWER!**"

*(Lita hears, and throws her aggressor to one side.)*

**Lita** "**JUPITER CRYSTAL POWER!**"

**Raye** "**MARS CRYSTAL POWER!**"

**Mina** "**VENUS CRYSTAL POWER!**"

**Four Girls** "**TRANSFORM!**"

*(Amy, Lita, Raye, and Mina transform into Super Sailor Soldiers: Sailor Mercury, Sailor Jupiter, Sailor Mars, and Sailor Venus. Serena and Rini, meanwhile, still have their Bonbon Baby after them.)*

**Sailor Venus** "**VENUS LOVE AND BEAUTY SHOCK!**"

*(It's a direct hit. The Love and Beauty Shock blasts the life out of the candy creature, turning it back into an ordinary piece of candy that falls to the ground at Serena and Rini's feet. The two girls look at the candy. Then they turn to each other and nod. It's time for them to step up.)*

**Serena & Rini** "**SUPER MOON CRISIS POWER!**"

*(Summoning the power of their magic brooches, Serena and Rini transform into Super Sailor Moon and Super Sailor Mini Moon, Champions of Justice.)*

**Sailor Moon** "**MOON TIARA MAGIC!**"

*(Launching her Moon Tiara, a Bonbon Baby dodges the initial throw but doesn't realize it can boomerang. It circles around and connects from behind.)*

**Sailor Mercury** "**MERCURY BLAST!**"

*(A Super Aqua Illusion stops the next one cold.)*

**Sailor Mars** "...**FLASH!**"

*(The next falls victim to Mars Fire.)*

**Sailor Jupiter** "...**THUNDER!**"

*(And the last one goes down to Supreme Thunder.)*

**Pupuran** "Why you! WHO ARE YOU?!"

**Sailor Moon** "I've been waiting for you to ask."

*(In the chaos, there had been no time for an opening line. Well, no time like the present.)*

**Sailor Moon** "You're kidnapping children with your evil tunes! Children are our biggest treasures, so we will never let you take them from us! On behalf of love...!"

**Sailor Mini Moon** "...and on behalf of justice!"

**Sailor Moon** "I am Sailor Moon!"

**Sailor Mini Moon** "And I am Sailor Mini Moon!"

**Sailor Moon** "And in the name of the Moon..."

**Moon & Mini Moon** "We shall punish you!"

**Sailor Mars** "We're also here to punish you!"

**Sailor Scouts** "We're the Sailor Scouts!"

**Pupuran** "Heh. Big deal."

*(The piper plays a new tune...weaving an illusion. The ground at their feet becomes a grassy field.)*

**Sailor Scouts** "What's going on?"  
"What's this?"

**Sailor Venus** "Huh?"

**Sailor Jupiter** "What is this?"

**Sailor Mercury** "I wonder where that wonderful, sweet smell is coming from."

**Sailor Mini Moon** "And that house over there!"

**Sailor Mars** "Oh, look at that! It's a gingerbread house!"

*(Meanwhile, in reality...)*

**Luna** "Sailor Moon! Be careful!"

**Diana** "Oh no. What's happening to them?"

*(Now we see the power of that piper's song. He can craft hallucinations and trap people in them: just like with those children.)*

**Artemis** "They're being fooled. They're seeing an illusion created by the sound of the pipe."

*(The Scouts start running towards what they think is the gingerbread house. Mini Moon opens the door, and they all rush inside.)*

**Sailor Scouts** "Wow..."

**Sailor Jupiter** "All right. Get out of my way. Hurry up."

**Sailor Venus** "Hurry, hurry."

*(As they step inside, everyone becomes like children...)*

**Sailor Venus** "Hey, you guys, how come you're all so small? You look like little kids."

**Sailor Jupiter** "But you're the same as us."

*(...except Sailor Mini Moon, who still IS a child.)*

**Sailor Mini Moon** "Hey, that's right. You're all my size now."

**Sailor Moon** "Oh, hey look at this."

*(Over her head is a curtain made of donuts.)*

**Sailor Moon** "Hoo hoo! Oh, this looks yummy."

*(She grabs a donut and is about to take a bite...when the piper's tune is interrupted by the throw of a rose.)*

**Pupuran** "AH!"

**Sailor Moon** "Huh?"

*(The piper turns around...)*

**Pupuran** "Huh?"

*(...and locates the mysterious Tuxedo Mask in the trees.)*

**Moon & Mini Moon** "Hooray for Tuxedo Mask!"

**Tuxedo Mask** "Don't bite into the donut, Sailor Moon. It's dangerous."

*(Curious, Sailor Moon looks into what she had thought was a donut. It's a hanging ring from the playground. If she had bitten down, it would've hurt. Sailor Moon laughs sheepishly and pushes the ring away...but it swings back and hits her in the face. She drops to her knees and starts to cry. Meanwhile, Tuxedo Mask leaps off the tree and accosts the piper directly.)*

**Pupuran** "So? You won't stop me!"

*(Tuxedo Mask draws his walking stick. He leaps and swings at the piper, but misses. The piper counters with an energy bolt and sends him onto the deck. The piper starts playing again. This time, the children rise and begin to converge on Tuxedo Mask. Quickly, Tuxedo Mask jumps to the edge, but the children then grab his ankles and prevent him from going any further. The piper plays some more...and another Bonbon Baby flies into Tuxedo Mask, sending him off the ship and to the ground. The Scouts rush to him.)*

**Sailor Moon** "Oh no! Tuxedo Mask!"

*(Looking up, they see that the piper has summoned more Bonbon Babies. They poise to attack.)*

**Sailor Scouts** "Look out!"

**Peruru** "Stop it right this minute!"

*(The Scouts turn. A strange boy stands atop one of the play structures.)*

**Sailor Venus** "Who is that?"

*(Sailor Mini Moon then sees the cookies...and the flute.)*

**Sailor Mini Moon** "Peruru..."

**Pupuran** "Peruru, why do you stop me?!"

**Peruru** "But Pupuran, why are you being so violent?! I don't understand what you're doing!"

*(Then, a voice accosts him.)*

**Badiyanu** "Pupuran, what's going on?!"

*(Pupuran turns and kneels. The eyes of the ship project an image of a dark woman.)*

**Pupuran** "Yes, Badiyanu."

*(The Scouts gasp. She must be the mastermind.)*

**Badiyanu** "Is anything wrong? I won't accept any delay in our plan."

**Pupuran** "Yes...but Peruru is trying to stop me from executing the plan."

**Peruru** "I'm trying to stop him because...I don't agree with his methods. He's gathering children using violence."

**Pupuran** "I'd be silent if I were you!"

**Peruru** "No, I won't be silent at all."

*(Turning to Badiyanu...)*

**Peruru** "Badiyanu, I can't trust in you anymore!"

**Pupuran** "Badiyanu's intentions are good! She wants the children to have eternal happiness!"

**Peruru** "I don't believe you at all."

**Sailor Mini Moon** "Peruru..."

*(Peruru gasps and looks down at Sailor Mini Moon. Badiyanu senses something.)*

**Badiyanu** "Well...it looks like you and this little girl know each other. Is it true, Peruru?"

**Peruru** "No! She has nothing to do with me!"

**Badiyanu** "Good. Follow my orders!"

*(Peruru refuses.)*

**Peruru** "Badiyanu!"

*(To Pupuran...)*

**Badiyanu** "You must bring that small girl together with the other children."

**Pupuran** "Yes, of course."

*(With a flash of dark power, the Bonbon Babies collect together...then separate in all directions.)*

**Peruru** "Badiyanu!"

*(Badiyanu laughs...then vanishes.)*

**Sailor Jupiter** "Get ready to fight again!"

**Pupuran** "Okay, Bonbon Babies, go!"

**Peruru** "No, Pupuran!"

*(Okay, looks like it's time to turn it up a notch.)*

**Sailor Jupiter** "**JUPITER OAK EVOLUTION!**"

**Sailor Mercury** "**MERCURY AQUA RHAPSODY!**"

*(But Pupuran's put extra power in these babies. They rebound from the attacks and reform! The babies converge on Mini Moon. Peruru begins to play his flute, but it has no effect. Suddenly, just when one of them is about to collide, Tuxedo Mask dives and shoves it away.)*

*(He unsteadily gets to his feet...just in time to have the Bonbon Baby slam him into the ship. This was removed due to the violence.)*

*(Sailor Mini Moon starts to wail.)*

**Sailor Moon** "Oh no! TUXEDO MASK!"

*(Dodging Bonbon Babies as she goes, Sailor Moon tries to get to him. Meanwhile, one other Bonbon Baby grabs Mini Moon from behind and carries her onto the ship.)*

**Sailor Mars** "Oh no!"

**Sailor Venus** "Mini Moon!"

*(Meanwhile, the rest of the babies pick up all the stray children. They soon deposit their loads onto the ship.)*

**Sailor Jupiter** "NO!"

*(Sailor Jupiter tries to board...but Pupuran closes the door before she can send a Thunderclap inside. Pupuran wastes no time. He begins to play the song of the Three O'clock Fairies. The children begin to dance to the music again, surrounding Mini Moon and preventing her from jumping off as the ship begins to take off.)*

**Sailor Moon** "Mini Moon! Mini Moon! RINI! RINI!"

**Sailor Mini Moon** "HELP! HELP ME! NO!"

*(Sailor Moon is stunned nearly to the point of panic. Mini Moon continues to struggle...but soon, the ship rises into the sky, out of sight.)*

**Sailor Mini Moon** "MAMA...!"

*(Peruru joins the Scouts at ground level...but the Scouts bar the way.)*

**Sailor Venus** "Stop! That's far enough!"

**Sailor Mars** "Okay, kid! Tell us who you are!"

*(Peruru realizes that he's got some explaining to do.)*

---

*(Meanwhile, high above the clouds, the children continue to sing to Pupuran's music...except Mini Moon, who stands silent. As they continue to fly, a city suddenly begins to appear atop the clouds. It and two other ships converge on this city in the sky: each one following the music of a piper like Pupuran. The ships soon reach a terminal and come to a landing. The music stops.)*

**Badiyanu** "Welcome, children."

*(The ships open their doors...and the children happily start disembarking the ship. Sailor Mini Moon is the last to leave. Though now alone, she follows the children to learn what's going on.)*

**Sailor Mini Moon** "Where am I? What is this awful place? Who's in charge?!"

*(Then she gasps. In front of her are crystal caskets. All the children...they're sealed inside them, locked in a forced slumber! Suddenly, Mini Moon screams as she's assaulted with bolts of dark energy. The energy bolts grab her and pull her into a dark vertical tunnel. As she's pulled down, she can see child after child, also locked in that crystal casket. Finally, she's deposited in another chamber.)*

**Badiyanu** "So it was you that led Peruru astray?"

*(Sailor Mini Moon looks up...and sees standing high above her the source of all the trouble.)*

**Badiyanu** "Strange. I feel a mysterious a mysterious energy."

*(Mini Moon gasps, seeing all the dark energy flowing around Badiyanu.)*

**Badiyanu** "How would you like to get into the Dream Box? You must be tired after your journey. Soon, you will. This planet will eventually be absorbed into my Black Dream Hole, located in the center of this castle. My wonderful Black Dream Hole is consuming dream energy from children. The more children there are, the larger the Dream Hole will be. Once it reaches a certain size...it will be large enough to swallow your silly planet! All the ridiculous people of Earth will end up living in one of my peaceful Dream Boxes. Ah, yes, a lovely little dream I've had for a long time."

**Sailor Mini Moon** "Get a grip on reality, lady! Your dream will always remain just a dream! It will never work with Earth!"

**Badiyanu** "Oh? Why do you think that, little girl?"

**Sailor Mini Moon** "I know it because the Earth has Sailor Moon and the Sailor Scouts!"

*(This gives Badiyanu reason to pause.)*

-----  
*(Back on Earth, a dark storm begins to brew. In Darien's apartment...)*

**Artemis** "This storm...is very strange looking."

**Luna** "Darien seems to be okay...but...he still needs to rest."

*(Darien had taken a significant beating at the hands of those Bonbon Babies, and the girls had seen him to bed. Serena is kneeling at bedside, sick with worry.)*

**Darien** "Serena..."

**Serena** "Yes, Darien?"

**Darien** "Is Rini okay?"

*(Serena has to think hard for a moment.)*

**Serena** "Yes, she's okay."

*(The girls can understand the reason for Serena's lie, but it still tears at them.)*

**Serena** "That spirited kid. She's always all right."

*(She stands.)*

**Peruru** "We really must get going now."

*(Oh. Peruru's here, too. Serena turns.)*

-----  
*(Peruru had also been sent to steal children but has since abandoned that mission. He uses his ship to carry the Sailor Scouts to the city of dreams.)*

**Peruru** "I'm worried. Once someone is thrown into the Black Dream Hole, it's impossible to save them, and I'm scared for Rini."

**Sailor Mars** "What's the Black Dream Hole?"

**Peruru** "It's a place of eternal sleep."

*(In the stern, Venus voices her concerns.)*

**Sailor Venus** "I wonder if he's leading us into a trap, too. What do you think?"

**Sailor Jupiter** "We have no choice but to trust him."

*(Sailor Moon then sees the little bag of cookies still tied to Peruru's belt.)*

**Sailor Moon** "Hey...Rini must've given you those cookies."

*(Peruru turns.)*

**Peruru** "She did."

*(Then he looks up.)*

**Peruru** "We're approaching now. We have to move into the clouds quickly."

*(Peruru's ship begins to ascend through the clouds. As the clouds flow around them, Peruru's thoughts drift back to when he had originally been ordered by Badiyanu to summon children to the city...)*

**Badiyanu** "I would like all of the children to follow me to the Dream World, and don't worry. Everyone will be safe and happy in their own dream. Fairies, please assist me now."

*(Then his thoughts drift to little Rini, who had been so kind and friendly, even to him: a total stranger.)*

**Rini** "Gotta go now. See ya again! Bye!"

*(He has to return to reality, however.)*

**Peruru** "Huh?"

*(The ship is breaking through the clouds.)*

**Sailor Moon** "Peruru, are we almost there?"

**Peruru** "Almost."

*(Sailor Mars' psychic sense begins to pick up a dark aura.)*

**Sailor Mars** "Hey, I'm sensing some powerful, sinister force here."

**Sailor Jupiter** "But..."

**Sailor Venus** "We can't see anything."

*(Sailor Mercury tries something. Activating her VR Visor, she looks ahead, trying to see if perhaps their destination is cloaked. As she scans, her visor picks up the energy as Peruru begins to play his flute. Suddenly, it appears out of the clouds: Marzipan, the City of Dreams.)*

**Peruru** "There it is. That's the Dream Castle. All the kidnapped children are taken there."

**Sailor Moon** "Looks pretty bad, guys. Still not too late to turn back."

*(Turn back? No way! But as Peruru makes his final approach, something fires from the side of the city.)*

**Peruru** "AH!"

*(They're being attacked! The ship's balloon explodes in flames, and the ship begins to tumble downward! Sailor Mercury quickly scans towards the source of the attack.)*

**Sailor Mercury** "Cannon!"

*(It's the rest of the fairies. They're firing a cannon at Peruru's ship!)*

**Fairy #1** "Cannonball loaded."

*(As one of them opens the breech, another loads a new shell into it.)*

**Fairy #2** "Cannonball loading."

**Fairy #1** "Cannonball ready."

*(They shut the breech.)*

**Fairy #2** "Don't forget. Peruru is on board."

**Pupuran** "FIRE!"

*(Here comes the shell!)*

**Sailor Mercury** "**SHINE AQUA ILLUSION!**"

*(Mercury's quick countermove stops the shell.)*

**Sailor Jupiter** "Good one, Sailor Mercury!"

*(But they're about to come down for a hard landing!)*

**Sailor Venus** "Oh no! We're gonna crash!"

*(Everyone gets down and braces for impact. The ship comes down atop the city's surface and slides along it, slowing down and finally tipping over an edge and coming to a stop on an embankment at the edge of a vast pit. That had been TOO close!)*

**Sailor Mars** "I'm okay."

**Sailor Jupiter** "Me, too."

*(Peruru can hear his brothers laughing. He looks up.)*

**Sailor Venus** "You okay?"

**Sailor Mercury** "I'm fine."

**Pupuran** "I'm surprised to see you, Peruru."

**Peruru** "Heh."

**Pupuran** "Why did you bring those girls to the castle?"

**Peruru** "To stop you and Badiyanu!"

*(Sailor Moon steps forward.)*

**Sailor Moon** "Listen here! Let Rini and the others go!"

**Pupuran** "Rini, huh? But I don't think so. Badiyanu has a strong interest in her."

**Fairy #1** "Yes, she's the little upstart who has ideal energy to add to the Black Dream Hole."

*(Sailor Moon gasps.)*

**Peruru** "You can't do this! What have you become?!"

**Pupuran** "Hah, foolish boy, you should never have come back."

*(Turning to the other two fairies...)*

**Pupuran** "You must be careful. They all have mysterious powers they'll use against us."

**Other Fairies** "Okay."

*(They reel back...)*

**Pupuran** "**CANDY WRAPPERS!**"

*(...and throw Papiyo candies. They start playing. Oh no! Not more Bonbon Babies!)*

**Sailor Jupiter** "**SUPREME THUNDER CRUSH!**"

**Sailor Venus** "**VENUS LOVE CHAIN ENCIRCLE!**"

*(But dark power is allowing these babies to endure the attacks!)*

**Fairy #1** "The black energy in the Dream Hole is getting stronger, and so are we. There's no use. You must surrender."

**Pupuran** "I'm afraid your puny little powers are no match!"

*(This is bad. The Scouts step back...but soon find themselves at the edge of the pit!)*

**Sailor Jupiter** "There's nowhere to go!"  
**Sailor Mars** "Oh no!"

*(This calls for some serious help...and it comes! It's World Shaking!)*

**Sailor Moon** "Yes! Could it be?!"

*(The fairies turn.)*

**Fairies** "Huh?!"

*(Standing before them now are three more Sailor Soldiers.)*

**Sailor Uranus** "Too much candy can make you sick. I'm Sailor Uranus, the flying warrior, protected by planet Uranus!"

**Sailor Neptune** "It's our turn to give these candies cavities. I'm Sailor Neptune, protected by the planet Neptune!"

**Sailor Pluto** "Rotten candies must be discarded. I'm Sailor Pluto, the evolution warrior, protected by planet Pluto!"

*(It's the Outer Sailor Scouts. In this fight, the two groups of soldiers have common cause, and they've come together.)*

**Sailor Uranus** "We're here to help our friends!"

**Sailor Neptune** "Together, we're a mighty force!"

**Outer Scouts** "And we will punish you!"

**Sailor Moon** "Sailor Uranus! Neptune!"

**Sailor Mars** "Sailor Pluto!"

*(Here come the Bonbon Babies again! Show these fairies the power of the outer planets!)*

**Sailor Pluto** "**PLUTO DEADLY SCREAM!**"

*(The Bonbon Babies hampered by the ethereal attack, the Outer Scouts link up with the Inner.)*

**Sailor Mercury** "We're sure glad you're here."

**Sailor Uranus** "You can always count on us when there's trouble. Their Black Dream Hole is really growing."

**Sailor Pluto** "Sailor Moon, Rini's in serious danger right now, isn't she?"

*(Sailor Moon nods. Pluto can always sense it when her close friend is in trouble.)*

**Pupuran** "They got reinforcements! How did you find our totally invisible and unknown castle in the middle of space?!"

**Sailor Neptune** "What a fool, to think you could beat Sailor power and my magic mirror."

*(Of course. The Deep Aqua Mirror can only reflect the truth. It must've penetrated the illusion.)*

**Sailor Neptune**           **“SUBMARINE REFLECTION!”**

*(Sailor Neptune now shows what else the Deep Aqua Mirror can do, shining its purifying reflection on the fairies...and highlighting the source of their power: their instruments! Neptune turns to Uranus, who nods. Now, it's her turn. She draws the Space Sword.)*

**Sailor Uranus**           **“SPACE SWORD BLASTER!”**

*(The power of the heavens is released in a well-placed cut, slicing one of the instruments in two! It turns out that the instruments are the source of not just their power but of their forms! With the instrument destroyed, he changes into a pink bird.)*

**Sailor Uranus**           “Yes!”

*(The pink Bonbon Babies he had made suddenly vanish!)*

**Fairy #1**                 “How’d she do that?!”

**Sailor Mars**             “I’ll give it a try now! **MARS FLAME SNIPER!**”

*(Firing her flaming arrow, she connects on another of the instruments. The other fairy also changes into a bird, and his yellow Bonbon Babies vanish. Now, it's just Pupuran again.)*

**Pupuran**                “WHY YOU?!”

*(Uranus approaches Pupuran, Space Sword aimed straight at him!)*

**Sailor Uranus**         “Listen here, you clown! What are you doing with the children?!”

**Pupuran**                “We-we’re just letting them stay ch-children forever here! What’s the big deal?! HOW CAN THAT BE WRONG?!”

*(He begins to play again, sending the remaining Bonbon Babies against Uranus. Uranus doesn’t give him a chance, though, and cuts his instrument with the Space Sword. Pupuran screams in agony...)*

**Pupuran**                “BADIYANU...!”

*(...as he too changes back into a bird. Peruru lowers his eyes. His brothers...)*

**Sailor Uranus**         “Stay children forever, huh?”

**Sailor Neptune**        “I think it’s a silly idea. Life is full of wonderful experiences: from the beginning to the end.”

*(Sailor Uranus clears her throat. Then, hearing a flute, they turn around. Peruru is playing, raising his ship, which actually doesn’t need the balloon to fly. The door opens.)*

**Peruru**                 “My gondola seems okay. Let’s get going.”

**Sailor Jupiter**         “Yeah, let’s find this Black Dream Hole and end this nightmare!”

*(Locating a hidden entrance, the ship descends into the castle’s interior.)*

**Sailor Pluto**            “Sailor Moon, can we trust this boy?”

**Sailor Moon**            “Yeah, he’s okay. He’s a friend of Rini’s.”

*(Turning to Peruru...)*

**Sailor Moon** "Is that right?"

**Peruru** "I hope I'm doing the right thing."

*(They continue to descend.)*

**Sailor Pluto** "I have a bad feeling about this."

*(Then, they arc around a bend in the tunnel and begin to rise up the other side, emerging...in Badiyanu's chamber. Everyone is tense, ready for anything. Suddenly, the dark energy begins to assault Peruru's ship, causing it to flip over and come to a rest upside-down! Fortunately, the prow of the ship props the deck, so everyone has a chance to jump off the ship.)*

**Badiyanu** "This is a sanctuary."

*(Then, Badiyanu herself appears.)*

**Badiyanu** "You're not allowed past this point!"

**Sailor Venus** "You tell us where Rini and all the other children are!"

**Badiyanu** "They're resting peacefully beneath you."

*(They look down into the crystalline floor.)*

**Sailor Moon** "Huh?"

*(Under the floor itself are innumerable Dream Boxes. Sailor Moon gasps.)*

**Sailor Moon** "What?! The children?!"

**Sailor Mars** "Oh no!"

*(Peruru approaches Badiyanu.)*

**Peruru** "Set them all free right now, you evil, sick cow!"

*(He charges! Badiyanu responds by telekinetically throwing Peruru back!)*

**Peruru** "AAH!"

*(Fortunately, he flies right into Sailor Jupiter, who catches him.)*

**Badiyanu** "Such a foolish little boy. I'm merely trying to make all of your wonderful dreams come true, Peruru. In my dream world, everything is sweet and happy: the way life should be."

**Peruru** "No one can be truly happy here: not in this fake make-believe world."

**Badiyanu** "Hmm..."

**Peruru** "I want to protect the world where children can grow up normally with family and friends:  
THE WAY LIFE'S SUPPOSED TO BE!"

**Badiyanu** "I suppose this fluffy-headed little girl gave you this idea, hmm?"

*(Holding out a hand, a ball of dark energy appears, and within it...)*

**Sailor Mini Moon** "Hey, where am I?"

*(Everyone gasps.)*

**Sailor Moon** "Rini!"

**Sailor Mini Moon** "Hi, Sailor Moon."

*(Sailor Moon looks up at Mini Moon. At least, she's still alive, and she looks genuinely relieved.)*

**Sailor Mini Moon** "Sailor Moon..."

**Sailor Moon** "Oh, I'm glad she's okay."

*(But she has to keep up appearances.)*

**Sailor Mini Moon** "You're late!"

**Sailor Moon** "Sorry, kiddo."

*(Suddenly, the roof of the chamber begins to open out into the sky like the petals of a flower. Dark clouds above begin to part, revealing a dark black hole of energy!)*

**Sailor Venus** "This can't be good!"

**Sailor Uranus** "This is our wake-up call, Sailor Scouts!"

**Sailor Mercury** "Is that the Black Dream Hole, Peruru?"

**Badiyanu** "Good guess! It feeds on children's sweet dream energy and grows larger and larger. And now..."

*(She grabs Mini Moon. Mini Moon screams.)*

**Peruru** "STOP THAT!"

**Sailor Moon** "No! Rini!"

*(Badiyanu raises Mini Moon up to the Black Dream Hole. A bolt from it comes down and strikes Rini!)*

**Sailor Moon** "NO!"

*(Rini continues to scream as her transformation begins to reverse! Neither Sailor Moon nor Peruru can stand idly any longer. They approach Badiyanu and leap...but they're repulsed by a force field! They fall to the floor.)*

**Sailor Mars** "**MARS FIRE FLASH!**"

*(The Mars Fire can't penetrate the force field, either! Sailor Mercury analyzes Badiyanu.)*

**Sailor Mercury** "Oh no! She's protected by barriers of some kind!"

**Badiyanu** "Ah ha ha ha! This puny troublesome girl's exquisite energy can feed the Black Dream Hole. Her energy alone can make the difference!"

*(Rini continues to scream. Her transformation's still unraveling. The Black Dream Hole's still growing!)*

**Sailor Venus** "We have to do something!"

*(But what?)*

**Sailor Mercury** "It'll swallow everything!"

**Sailor Uranus** "It's growing too big!"

*(The Black Dream hole leaves the city and hovers above. The clouds part...to reveal Tokyo underneath! The energy from the Black Dream Hole begins to rake the city with dark bolts and fierce winds. But just then, Badiyanu hears the music of a flute. Peruru's righted his ship, and he's climbing aboard!)*

**Badiyanu** "Oh...now what childish thing are you doing?"

*(Sailor Moon is with him on deck. Once afloat, Peruru makes his flute disappear.)*

**Peruru** "Our good emotional energy is able to move this gondola, and maybe we can break through her barrier."

**Sailor Moon** "Smart thinking. Let's go."

*(Peruru nods. Together, they send the ship towards Badiyanu. It impacts the barrier...but it holds firm, guided along by the emotional energy.)*

**Badiyanu** "Your pathetic little gondola cannot possibly penetrate my barrier."

*(It's Sailor Uranus who realizes what they can do.)*

**Sailor Uranus** "Enough! Let's get together and help Sailor Moon!"

*(They link up. However, Badiyanu can sense what's coming and sends bolts of dark energy to assail them...but in the distraction, the barrier weakens. Peruru's ship begins to penetrate! Suddenly, though, the ship crumbles as the barrier regains strength! The other Scouts scream in dismay as the pieces fall to the floor.)*

**Badiyanu** "Ha ha ha...huh?!"

*(But the prow of the ship had still managed to get through...and atop it are Sailor Moon and Peruru!)*

**Sailor Venus** "Sailor Moon!"

**Sailor Jupiter** "Sailor Moon!"

**Sailor Moon** "Give Rini back right now!"

**Badiyanu** "Sorry, Goldilocks, but my Black Dream Hole, well...it needs all this little girl's Sugar Energy! I'll never give her back!"

*(Badiyanu raises her scepter...)*

**Sailor Mercury** "SAILOR MOON!"

**Sailor Mars** "LOOK OUT!"

*(...and strikes the flying prow. But the prow moves aside, resulting in only a glancing blow. Badiyanu then flies away.)*

**Peruru** "Hang on!"

**Sailor Moon** "Rini!"

*(Sailor Moon and Peruru fly after her. The Scouts gasp! Badiyanu's flying up...toward the Black Dream Hole!)*

**Sailor Mercury** "No! They can't go into the Black Hole!"

**Sailor Venus** "They'll be killed for sure!"

*(But they're going! But Peruru and Sailor Moon guide their flying prow and intercept Badiyanu!)*

**Sailor Moon** "GIVE HER BACK RIGHT NOW!"

**Badiyanu** "FORGET IT!"

*(She blasts the prow, shoving it back towards the hole...)*

**Peruru** "You come any closer to us...you'll be absorbed in the Hole, too!"

**Badiyanu** "Not likely. The Black Dream Hole is a part of me, and I'm a part of the Dream Hole!"

*(They're one and the same?!)*

**Peruru** "You are?!"

**Badiyanu** "Once all of this girl's special energy is consumed, I'll have enough sweet energy to swallow this planet of yours!"

**Peruru** "NO WAY! YOU CAN'T DO THIS!"

*(Meanwhile, Rini, still in Badiyanu's hand and still stuck in her partially transformed state, slowly opens her eyes.)*

**Rini** "Peruru! Sailor Moon!"

**Peruru** "Aah!"

**Sailor Moon** "Rini!"

*(Badiyanu senses that Rini is awake again. She shocks Rini again.)*

**Sailor Mini Moon** "Help!"

**Sailor Moon** "No! Rini!"

*(Meanwhile, the chamber is beginning to break up under the strain of the Black Dream Hole.)*

**Sailor Neptune** "Sailor Moon!"

**Sailor Mars** "Sailor Moon!"

*(One of those huge metal leaves begins to fly up into the Black Dream Hole. It flies past Badiyanu and crashes into the flying prow, pushing them aside and allowing Badiyanu to fly past them!)*

**Peruru** "AAH!"

**Sailor Moon** "RINI!"

*(Badiyanu disappears inside the Black Dream Hole. The intense warp of energy begins to undo the other Scouts' transformations!)*

*(This part was cut out because of nudity issues.)*

**Amy** "My transformation isn't..."

**Lita** "Mine's turning back!"

**Mina** "SAILOR MOON!"

*(Sailor Moon looks up into the Black Dream Hole in despair. Peruru pounds the prow in frustration.)*

**Peruru** "NO!"

*(Suddenly, the bag of cookies flies free...but Sailor Moon grabs it...and begins to open it. Taking out a cookie, she remembers Rini's words.)*

**Rini** "...one of yours first and then try one of mine!"

*(She hadn't tried one of Rini's cookies yet. Maybe...now would be a good time. Looking up into the Black Dream Hole...)*

**Peruru** "Sailor Moon..."

**Sailor Moon** "This is Rini's special cookie that she made full of love. It'll enable us to become more powerful, and I'm gonna try some!"

*(Who knows? If you believe in it enough...maybe it WILL give you courage and strength. Sailor Moon eats the cookie.)*

**Sailor Moon** "I can feel its sweet love."

*(She stands...)*

**Peruru** "Sailor Moon! Don't do it! Once you go into the Dream Hole, you can never come out again!"

*(...and leaps upward, flying into the Black Dream Hole! The Dream Hole continues to grow.)*

**Peruru** "SAILOR MOON!"

-----  
*(Sailor Moon flies through the hole's outer layers...)*

**Badiyanu** "Ah ha ha ha! You stupid little fool girl! You'll never, ever get out of here now!"

*(...into its hollow interior: a vast network of dark spires coursing with negative energy.)*

**Sailor Moon** "Oh, Rini!"

*(Floating in the center of it is Rini, unconscious. She quickly takes the little girl in her arms.)*

**Sailor Moon** "Wake up. Wake up. Rini..."

**Badiyanu** "Don't wake her. She's had a big day and needs her rest."

*(Sailor Moon turns...)*

-----  
*(...and gasps. She sees Darien in bed! She's back in his apartment! She looks around in bewilderment as Darien opens his eyes.)*

**Darien** "Serena? Why are you here?"

**Sailor Moon** "Darien...can this really be your bedroom?"

*(Darien gets out of bed.)*

**Darien** "Of course it is."

*(The radio is playing some soft music.)*

**Sailor Moon** "Darien...are you sure you're feeling all right?"

**Darien** "I'm feeling much better thanks to my Serena."

**Sailor Moon** "I'm so relieved."

*(She grows worried, though.)*

**Sailor Moon** "Darien, I can't seem to wake Rini up."

**Darien** "Don't worry."

*(He takes Rini and places her on the bed.)*

**Sailor Moon** "Rini?"

*(Just then, she feels arms around her.)*

**Sailor Moon** "Darien?"

**Darien** "She's okay now. Let her have a good sleep here. She's probably having a nice, peaceful dream. We shouldn't disturb her. We can live together in complete happiness...without any problems at all and other people to bother us."

*(Then, the reality check sets in.)*

**Sailor Moon** "But Darien, we can't possibly forget all the children and our friends."

*(She shakes Darien off her.)*

**Sailor Moon** "They're in danger."

**Darien** "I really don't care about any other people, Serena."

*(Sailor Moon is surprised.)*

**Darien** "I'll be happy as long as you're with me, Serena."

*(He leans down to kiss her...but she puts a hand to his lips and stops him.)*

**Sailor Moon** "Oh Darien..."

**Darien** "Hmm?"

**Sailor Moon** "Say...who do you like better? Me or Rini? And please tell the truth, okay?"

**Darien** "You, of course. I love you the very best in the entire world, Serena."

*(He leans down again...)*

**Darien** "You're the only one I ever think about and the only woman that I'll ever have in my life."

*(Sailor Moon considers this...and comes to a conclusion. She steps back, turns around, and takes Rini out of the bed. Turning back to Darien...)*

**Sailor Moon** "Uh, Darien..."

**Darien** "Hmm?"

**Sailor Moon** "Even in a dream, you're just too good to be true."

**Darien** "Huh?"

*(I think what she's trying to say is... YOU'RE BUSTED!)*

**Sailor Moon** "**MOON CRISIS POWER!**"

---

*(Within the Black Dream Hole, she and Rini have been encased in a Dream Box...but the light of the Silver Crystal in Sailor Moon's brooch breaks the box! The dark energy begins to assail her again as she floats through the interior.)*

**Badiyanu** "You broke your Dream Box! Why do a fool thing like leave your happy dream?!"

**Sailor Moon** "OH!"

**Badiyanu** "Sailor Moon, what are you doing?! You must give up the little girl NOW! And then, you can go back to your happy and peaceful dream. Otherwise, you'll end up losing EVERYTHING, only to live in an eternal nightmare!"

*(Sailor Moon finally reaches her goal: the core of the Black Dream Hole.)*

**Badiyanu** "Think! Think about this carefully. Think about yourself. If everyone only thought about themselves and their dreams, no one would ever be hurt. It's an uncomplicated, happy existence. I'm feeding the Black Dream Hole for all of you!"

*(Sailor Moon's thought, however, drift back to things that might be even simpler than that...)*

**Amy** "...a simple thing like a cookie your mother made when you were little could cheer you right up."

**Raye** "Memories, shmemoies! We should work towards future happiness!"

*(Lita's flashback is actually about the fact that happiness comes from the act.)*

**Lita** "To this very day, when I hear the clock strike three on Monday, I gotta have a cookie."

**Mina** "I see the future, and I know we'll be very happy on Valentine's day."

*(...and it gives her an idea.)*

**Sailor Moon** "Aha..."

*(She needs the help of the others. The Silver Crystal in her brooch begins to glow brightly.)*

**Badiyanu** "WHAT?!"

*(Peruru gasps. Suddenly, beams of light shine out from the Black Dream Hole, onto the girls below!)*

*(Again, this part was cut for reasons of nudity.)*

**Amara** "What's that light?!"

**Michelle** "Sailor Moon!"

**Trista**

"The princess!"

*(Badiyanu has to shield her eyes from the light.)*

**Badiyanu** "What is that annoying blinking light?!"

*(The light restores the girls' Sailor forms!)*

**Sailor Mars** "It's Sailor Moon!"

**Sailor Venus** "Way to go, Sailor Moon!"

*(Peruru also changes. He suddenly realizes that his wings have emerged!)*

**Badiyanu** "Listen to me, Sailor Moon! You better hand over that little wretch! She has just the right energy I need to devour your planet!"

**Sailor Moon** "NO!"

**Badiyanu** "Well...I'll destroy you both then, you foolish girl! AH HA HA HA!"

*(Badiyanu disappears into the core of the Dream Hole. A blast of flame emerges from the core and assails Sailor Moon. Sailor Moon tries to approach again...only to be blasted again. Sailor Moon's power is waning. Two more blasts take more out of her. She needs help...now!)*

**Sailor Moon** "I won't give up. Sailor Scouts, listen please!"

*(The other Scouts can hear her telepathic message.)*

**Sailor Moon** "Please...give me your powers..."

**Other Scouts** "Let's do it, Sailor Scouts!"

**Sailor Pluto** "Sailor Moon..."

*(Pluto, guardian of time and the underworld, lends her power.)*

**Neptune and Uranus** "Sailor Moon..."

*(Uranus, guardian of the skies, and Neptune, guardian of the seas, lend their power also.)*

**Jupiter and Venus** "Sailor Moon..."

*(Jupiter, guardian of nature; Venus, guardian of love...)*

**Mars and Mercury** "Sailor Moon..."

*(Mars, guardian of fire; Mercury, guardian of water...all give their power. Sailor Moon feels their strength...and she becomes supercharged. Once again, she turns toward Badiyanu.)*

**Badiyanu** "Grr!"

*(She sends another flare at Sailor Moon...but this time, she's able to deflect it.)*

**Badiyanu** "What's this?!"

*(Then, Rini's locket also opens, and Sailor Moon's crystal shares its power to Rini's, restoring her Sailor form. Mini Moon opens her eyes...and smiles. The two Scouts then turn back to Badiyanu.)*

**Sailor Moon** "Let's go!"

**Sailor Mini Moon** "Right."

*(They join hands. Their powers joined, they each summon Moon Kaleidoscopes and begin a course towards Badiyanu's fiery core.)*

**Moon & Mini Moon** "**MOON GORGEOUS MEDITATION!**"

*(They spiral as their powers gather. Then, they disappear inside the core! Badiyanu can feel her power start to unravel. The Moon Gorgeous Meditation begins to disrupt the core. Outside, Peruru quickly guides the prow around, waiting. Then...something shoots out of the Black Dream Hole. He gasps! It's Sailor Moon and Sailor Mini Moon! They had shot themselves clean out of the hole!)*

**Peruru** "Sailor Moon! I can't believe you broke through the Black Dream Hole!"

*(Tears form in his eyes. Not only that, but she brought Rini out as well. Sailor Moon had pulled off what he had thought was impossible.)*

**Badiyanu** "AAAAH...!"

*(Finally, Badiyanu can't hold it anymore. Badiyanu and the core of the Black Dream Hole explode...and the Dream Hole itself collapses, its energy eventually dispersing into the sky. Sailor Moon and Sailor Mini Moon finally come to a stop. They'd done it! Down below, there is a massive quake as fissures begin to form in the Dream Castle. All the kidnapped children are being released from their Dream Boxes.)*

**Peruru** "It worked! The children are free!"

*(Meanwhile, ships appear to receive them, still in peaceful slumber. The ships begin their descent back to Earth. As for Sailor Moon and Sailor Mini Moon...they're starting to fall! But then, Peruru spirals down on his fairy wings and catches them!)*

**Moon & Mini Moon** "Huh?"

*(He carries them onto a nearby ship. As the sun begins to rise over Tokyo, the ships make their way to the cities of the world to return their precious cargo. Meanwhile, Marzipan itself begins to fade in the growing sunlight...until it disappears altogether.)*

-----  
*(From the seashore, Sailor Mini Moon and Peruru watch these final events unfold. Peruru then turns to Mini Moon and clears his throat.)*

**Peruru** "Uh..."

*(Then...he offers his magic flute.)*

**Sailor Mini Moon** "Huh?"

**Peruru** "I'd like you to have this pipe."

**Sailor Mini Moon** "Are you leaving?"

*(Peruru shakes his head.)*

**Peruru** "Not really. Because I'm a dream elf who protects children while they're sleeping, you can be sure I'll always be with you in your dreams, Rini, and you'll always be in my dreams."

*(Mini Moon smiles...then takes the flute. She then leans forward, stands on her toes...and plants a sweet kiss on Peruru's cheek. Peruru lifts himself into the air, blushing and touching his hand to that cheek.)*

**Peruru** "I'll miss you, Rini."

**Sailor Mini Moon** "I'll never forget you."

*(They stare into each other's eyes.)*

**Peruru** "Uh, thank you for the cookies. Say hi to Diana for me."

*(And with that, he takes off. Sailor Mini Moon waves goodbye.)*

**Sailor Mini Moon** "Bye bye, Peruru! Sweet dreams!"

*(He disappears into the rising sun. Then, Mini Moon senses someone beside her.)*

**Sailor Mini Moon** "Huh?"

*(It's just Sailor Moon. She rests her hands on her shoulders.)*

**Sailor Moon** "Oh...hmm..."

*(Peruru is right. More so than any candy, your smile can make the world a sweeter place. Goodbye, everyone...and sweet dreams.)*
